REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Members
of The Bank Street Group LLC

Opinion on the Financial Statements

We have audited the accompanying financial condition of The Bank Street Group LLC as of June 30, 2018, and the related statements of operations, changes in members' equity and cash flows for the year then ended, and the related notes and schedules (collectively referred to as the financial statements). In our opinion, the financial statements present fairly, in all material respects, the financial position of The Bank Street Group LLC as of June 30, 2018, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of The Bank Street Group LLC's management. Our responsibility is to express an opinion on The Bank Street Group LLC's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to The Bank Street Group LLC in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Supplemental Information

The Computation of Net Capital under Rule 15c3-1 has been subjected to audit procedures performed in conjunction with the audit of The Bank Street Group LLC's financial statements. The supplemental information is the responsibility of The Bank Street Group LLC's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the Computation of Net Capital under Rule 15c3-1 is fairly stated, in all material respects, in relation to the financial statements as a whole.

1. ORGANIZATION AND NATURE OF BUSINESS

The Bank Street Group LLC (the "Company"), formed in May 2001 is a broker-dealer registered with the Financial Industry Regulatory Authority (FINRA) and the Securities and Exchange Commission (SEC) and does not carry or hold securities for customer accounts. There are no liabilities subordinated to claims of general creditors during the year ended June 30, 2018.

As a boutique investment bank, the Company provides merger, acquisition and financial advisory services to its clients. The Company assists management teams with analyzing, structuring and executing a wide range of strategic and financial alternatives. The Company does not carry securities accounts for customers or perform custodial functions relating to customer securities.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICES

SIGNIFICANT CREDIT RISK AND ESTIMATES

The Company as a non-clearing broker does not handle any customer funds or securities. Financial instruments that potentially subject the Company to concentrations of credit risk consist principally of temporary cash investments and accounts receivables. The Company places its temporary cash investments with financial institutions and limits the amount of credit exposure to any one financial institution. Concentrations of credit risk with respect to accounts receivables are limited due to the large number of customers comprising the Company's customer base and their dispersion across different industries and geographic areas. As of June 30, 2018, the Company had no significant concentrations of credit risk.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions in determining the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from the estimates.

THE BANK STREET GROUP LLC

**NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICES (CONTINUED)

REVENUE RECOGNITION

Revenues consist of success fees and retainer fees, as well as other advisory fee revenues. The Company earns advisory fees from consulting services, which are recognized when services are completed. Success fee revenue is associated with the successful completion of a transaction and is recognized at closing. In connection with its advisory activities, the Company receives non-refundable retainer fees for services to be provided. Such retainers are recognized when received by the Company.

CONCENTRATION OF CREDIT RISK

Financial instruments that potentially subject the Company to credit risk consist primarily of cash and accounts receivable. The Company maintains cash with a major financial institution. At times, such amounts might exceed Federal Deposit Insurance Corporation ("FDIC") limits.

PROPERTY AND EQUIPMENT

Property is stated at cost. Expenditures that represent improvements (including replacements that extend the life of the asset) to property are capitalized, while repairs and maintenance are charged to operations. Depreciation is computed using rates adequate to depreciate the cost of applicable assets over their expected useful lives.

Property and equipment consist of the following as of June 30, 2018:

	<u>Estimated Useful lives</u>	<u>Amount</u>
Office equipment	5 years	\$17,674
Less: Accumulated depreciation		<u>16,795</u>
Fixed assets-net		<u>\$ 879</u>

Depreciation expense for the year ended June 30, 2018 was \$480.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICES (CONTINUED)

INCOME TAXES

The Company files its federal income tax as a limited liability company under the provisions of the Internal Revenue Code. Under these provisions, the Company's net income or loss is reported directly on the individual tax return of its members. The members are individually liable for Federal, state and local income taxes.

In addition, recently issued guidance by the Financial Accounting Standards Board (FASB) on Uncertainty in Income Taxes, which was adopted by the Company effective January 1, 2010, had no effect on the financial statements. Management concluded there were no material uncertain tax positions at June 30, 2018, principally because of its status as a non-taxable "pass-through" entity for federal and state income tax purposes.

The Company files U.S. federal income tax returns and state and local income tax returns in Connecticut. Returns filed in these jurisdictions for tax years ended on or after January 1, 2015 are subject to examination by the relevant taxing authorities.

SUBSEQUENT EVENTS

Management has evaluated subsequent events through August xx, 2018, the date these financial statements were available to be issued.

3. COMMITMENTS AND CONTINGENT LIABILITIES

The Company has signed a lease modification and extension agreement which commenced on June 1, 2018 and shall expire on August 31, 2021 for its office facilities, some of which contain provisions for future rent increases or periods in which rent payments are reduced (abated). There are also provisions for additional rent based upon real estate taxes and operating costs of the landlord. In accordance with generally accepted accounting principles, the Company records monthly rent expense equal to the total of the payments due over the lease term, divided by the number of months of the lease term. The difference between rent expense recorded and the amount paid is credited or charged to "Deferred rent obligation," which is reflected as a separate line item in the accompanying Balance Sheet.

THE BANK STREET GROUP LLC

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018

COMMITMENTS AND CONTINGENT LIABILITIES (CONTINUED)

Certain leases contain renewal options and escalation clauses. Rent expense for the year ended June 30, 2018 aggregated to \$236,318 and is included in the Occupancy expense line item on the statement of operations.

Future minimum annual rental commitments under operating leases as of June 30, 2018 are as follows:

2019	\$254,000
2020	254,000
2021	<u>254,000</u>
	<u>\$762,000</u>

In the normal course of business, the Company enters into underwriting commitments. Transactions relating to such underwriting commitments that were open at June 30, 2018, and were subsequently settled had no material effect on the financial statements as of that date.

4. COMPUTATION FOR DETERMINATION OF RESERVE REQUIREMENTS FOR BROKERS AND DEALERS PURSUANT TO RULE 15c3-3

The Company is exempt from the provisions of Rule 15c3-3 under the securities Exchange Act of 1934, in that Company's activities are limited to those set forth in the conditions for exemption appearing in paragraph (k)(2)(i) of the Rule.

5. NET CAPITAL REQUIREMENT

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and which requires that the Company maintain minimum net capital, as defined, to be 6-2/3% of aggregate indebtedness of \$195,107 whichever is greater. Net capital and aggregate indebtedness change from day to day, but as of June 30, 2018, the Company had net capital of \$2,428,683 which exceeded requirements by \$2,415,676. The Company had a percentage of aggregate indebtedness to net capital of 8.03% as of June 30, 2018.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Members
of The Bank Street Group LLC
Stamford, Connecticut

We have reviewed management's statements, included in the accompanying exemption report in which (1) The Bank Street Group LLC identified the following provisions of 17 C.F.R. §15c3-3 under which The Bank Street Group LLC claimed an exemption from 17 C.F.R. Section §240.15c3-3 (k) (2) (i) (the "exemption provisions") and (2) The Bank Street Group LLC stated that The Bank Street Group LLC met the identified exemption provisions throughout the most recent fiscal year without exception. The Bank Street Group LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about The Bank Street Group LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph for 17 C.F.R. Section §240.15c3-3 (k) (2) (i) (the "exemption provisions") of Rule 15c3-3 under the Securities Exchange Act of 1934.

Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
