Opinion on The Financial Statements

We have audited the statement of financial condition of GT Securities, Inc. (the "Company") as of December 31, 2017, the related statements of operations and other comprehensive income, changes in stockholders' equity and cash flows for the year then ended, December 31, 2017, and the related notes to the financial statements and supplemental information (collectively referred to as "financial statements") filed pursuant to Rule 17a-5 under the Securities and Exchange Act of 1934. In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2017, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance that the financial statements are free from material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audits we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for the audit opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's financial statements based on the audit. We conducted the audit in accordance with auditing standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance that the financial statements are free from material misstatement, whether due to error or fraud.

Report on Supplementary Information

The supplementary information contained in the supplemental schedules required by Rule 17a-5 under the Securities Exchange Act of 1934, including the Computation of Net Capital under Rule 15c-3, Computation for Determination of Reserve Requirements and information relating to Possession or Control Requirements Under 15c3-3, statement related to material inadequacies with respect to the computation of net capital, and statement related to SIPC reconciliation, if applicable, is presented for additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures to test the completeness and accuracy of the supplemental information presented. In forming my opinion on the supplemental information, I evaluated whether the supplemental information, in form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934 and in accordance with auditing standards of the Public Company Accounting Oversight Board (United States). In my opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

Growththink Securities, Inc. is a California Corporation incorporated on December 6, 2001 and changed its name on July 26, 2012, to GT Securities, Inc. (the "Company"). The Company operates as a registered broker/dealer in securities under the provisions of the Securities Exchange Act of 1934. The Company engages in private placements of securities and market research for raising capital. The Company is a member of the Financial Industry Regulatory Authority ("FINRA") and the Securities Investor Protection Corporation ("SIPC"). The Company does not hold customer funds or securities.

Effective as of January 1, 2009, the two individuals previously owning 100% of the Company transferred ownership to Growththink, Inc., ("Parent") which now owns 100% of the Company. Those individuals own a majority interest with the remaining ownership distributed among other outside shareholders.

The Company is a wholly-owned subsidiary of Growththink, Inc. (the "Parent").

The Company is engaged in business as a securities broker-dealer, that provides several classes of services, including financial advisory services and private placement of securities.

Under its membership agreement with FINRA and pursuant to Rule 15c3-3(k)(2)(i), the Company conducts business on a fully disclosed basis and does not execute or clear securities transactions for customers. Accordingly, the Company is exempt from the requirement of Rule 15c3-3 under the Securities Exchange Act of 1934 pertaining to the possession or control of customer assets and reserve requirements.

Summary of Significant Accounting Policies

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Receivables from customers are stated at face amount with no allowance for doubtful accounts. An allowance for doubtful accounts is not considered necessary because probable uncollectible accounts are immaterial.

Advisory and consulting fees are recognized when earned, which generally coincides with the consummation of the underlying transaction.

Securities transactions are recorded on a trade date basis with related commission income and expenses also recorded on a trade date basis.

The Company accounts for its income taxes in accordance with FASS ASC 740, Income Taxes. This standard requires the establishment of a deferred tax asset or liability to recognize the future tax effects of transactions that have not been recognized for tax purposes including taxable and deductible temporary differences as well as net operating loss and tax credit carryforwards. Deferred tax expenses or benefits are recognized as a result of changes in the tax basis of an asset or liability when measured against its reported amount in the financial statements.

The operations of the Company are included in the consolidated federal income tax return filed by the Parent. Federal income taxes are calculated as if the Company filed on a separate basis and the amount of current tax and/or benefit calculated is either remitted to or received from the Parent.

Current income taxes are provided for estimated taxes payable or refundable based on tax returns. Deferred income taxes are recognized for the estimated future tax effects attributable to temporary differences in the basis of assets and liabilities for financial and tax reporting purposes. Measurement of current and deferred tax assets and liabilities is based on provisions of enacted federal and state tax laws.

The Company has evaluated events subsequent to the balance sheet date for items requiring recording or disclosure in the financial statements. The evaluation was performed through the date the financial statements were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.

Management evaluated subsequent events through February 10, 2017, the date these financial statements were available to be issued. There were no material subsequent events that required disclosure in these financial statements.

Note 2: INCOME TAXES

As discussed in Note 1, the Company is a Wholly-owned subsidiary and is included in the consolidated income tax returns filed by its Parent. A portion of the consolidated income tax liability is allocated to the Company as if the Company had filed separate income tax returns.

The provision for income tax expense (benefit) is composed of the following:

The Company is required to file income tax returns in both federal and state tax jurisdictions. The Company's tax returns are subject to examination by taxing authorities in the jurisdictions in which it operates in accordance with the normal statutes of limitations in the applicable jurisdiction. For federal purposes, the statute of limitations is three years. Accordingly, the company is no longer subject to examination of federal returns filed more than three years prior to the date of these financial statements. The statute of limitations for state purposes is generally three years, but may exceed this limitation depending upon the jurisdiction involved. Returns that were filed within the applicable statute remain subject to examination. As of December 31, 2014, the IRS has not proposed any adjustment to the Company's tax position.

Note 3: REIMBURSED EXPENSES

During the course of conducting advisory engagements, the Company may incur out of pocket expenses that are later reimbursed by its clients. Reimbursements are recorded separately.

Note 4: RELATED PARTY TRANSACTIONS

As of 01/01/2017, because of a significant reduction in the firm's office expenses driven by an office relocation and downsizing, the Company's FINRA approved expense sharing agreement with its Parent company, Growthink, Inc. was discontinued, and the Company was released from any / all obligations thereunder.

Note 5: CONCENTRATIONS OF CREDIT RISK

The Company is engaged in various trading and brokerage activities in which counterparties primarily include broker-dealers, banks, and other financial institutions. In the event counterparties not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counter-party or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counter-party.

Note 6: COMMITMENTS AND CONTINGENCIES

Contingencies

The Company maintains several bank accounts at financial institutions. These accounts are insured either by the Federal Deposit Insurance Commission ("FDIC"), up to \$250,000, or the Securities Investor Protection Corporation ("SIPC"), up to \$500,000. At times during the year ended December 31, 2017, cash balances held in financial institutions were in excess of the FDIC and SIPC's insured limits. The Company has not experienced any losses in such accounts and management believes that it has placed its cash on deposit with financial institutions which are financially stable.

Note 7: RECENTLY ISSUED ACCOUNTING STANDARDS

The Financial Accounting Standards Board (the "FASB") has established the Accounting Standards Codification ("Codification" or "ASC") as the authoritative source of generally accepted accounting principles ("GAAP"). The principles embodied in the Codification are to be applied by nongovernmental entities in the preparation of financial statements in accordance with GAAP in the United States. New accounting pronouncements are incorporated into the ASC through the issuance of Accounting Standards Updates ("ASUs").

For the year ending December 31, 2017, various ASUs were either newly issued or had effective implementation dates that would require their provisions to be reflected in the financial statements for the year then ended. The Company has reviewed the ASU releases to determine relevance to the Company's operations.

15c3-3(k)(2)(i)

James Turo
GT Securities, Inc.
12655 West Jefferson

Los Angeles, CA 90066

Dear James Turo:

We have reviewed management's statements, included in the accompanying Representation Letter of Exemptions, in which GT Securities, Inc. identified 15c3-3(k)(2)(i) as the provision under 17 C.F.R. § 15c3-3(k) under which GT Securities, Inc. claims exemption from 17 C.F.R. §240.15c3-3. GT Securities, Inc. stated that it has met the 15c3-3(k)(2)(i) exemption throughout the most recent fiscal year without exception, or, with exception, as noted in the Representation Letter of Exemption. GT Securities, Inc.'s management is responsible for compliance with the exemption provisions and its statements. Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about GT Securities, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion. Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in Rule 15c3-3 under the Securities Exchange Act of 1934.
