Opinion on the Financial Statements

We have audited the accompanying statements of financial position of Tykhe Securities, LLC (a wholly owned subsidiary of Tykhe, LLC) (the "Company") as of December 31, 2017 and 2016, and the related statements of loss, member's equity, and cash flows for the years then ended that are filed pursuant to Rule 17a-15 under the Securities Exchange Act of 1934 and the related notes to the statements. In our opinion, the financial statements presently fairly, in all material respects, the financial position of the Company as of December 31, 2017 and 2016, and the results of its operations and its cash flows for the years then ended December 31, 2017 and 2016, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

Other Matter

The Supplemental Schedule of Computation of Net Capital has been subjected to audit procedures performed in conjunction with the audit of Tykhe Securities, LLC's (a wholly owned subsidiary of Tykhe, LLC) financial statements. The Supplemental Schedule of Computation of Net Capital is the responsibility of the entity's management. Our audit procedures included determining whether the Supplemental Schedule of Computation of Net Capital reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the Supplemental Schedule of Computation of Net Capital. In forming our opinion on the Supplemental Schedule of Computation of Net Capital, we evaluated whether the Supplemental Schedule of Computation of Net Capital, including its form and content, is presented in conformity with 17C.F.R. §240.17a-5. In our opinion, the Supplemental Schedule of Computation of Net Capital is fairly stated, in all material respects, in relation to the financial statements as a whole.
