THE LAWRENCE D. VITEZ CORPORATION

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2017

1. SUMMARY OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES:

Operations - The Lawrence D. Vitez Corporation (the "Company") is incorporated in the State of North Carolina and operates as a registered investment advisory firm, a licensed independent insurance agency, and a registered broker-dealer. The Company handles investment capital on behalf of clients including individuals, businesses and retirement plans. As a registered broker-dealer, the Company is primarily involved in the purchase and sale of mutual funds and direct participation programs on behalf of its clients. The Company does not take title to or control of any securities. The Company is registered with the Securities and Exchange Commission and is a member of the Financial Industry Regulatory Authority.

Use of Accounting Estimates - The preparation of financial statements in conformity with generally accepted accounting principles in the United States requires management to make estimates and assumptions that affect the reported amounts of certain assets and liabilities and disclosures. Accordingly, the actual amounts could differ from those estimates. Adjustments applied to estimated amounts are recognized in the year in which adjustments are determined.

Cash and Cash Equivalents - The Company considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. The Company maintains cash deposits with financial institutions that at times may exceed federally insured limits.

Receivables - The Company extends credit under its service agreements for various commissions. By their nature, receivables involve risk, including the credit risk of nonpayment by the client. Receivables are considered past due based on contractual and invoice terms. Accounts deemed uncollectible are charged directly to bad debt expense. As of December 31, 2017, the Company considered all remaining balances collectible and, therefore, no allowance has been provided.

Property: - Property is stated at cost. Depreciation is provided over estimated useful lives using an accelerated method.

Revenue Recognition - The Company bills the majority of its management advisory fees at the beginning of each calendar quarter. (Annual fees can range from .15% to 1.70% of the assets under management, and are negotiable). Accounts receivable may relate to advisory fees, fees and commissions from mutual funds, and insurance commissions, all of which are recognized when earned.

Broker-dealer commission income and related expenses are recorded on a settlement date basis. The difference between the settlement date basis and trade date basis is not a significant amount.

Income Taxes - Under the provisions of the Internal Revenue Code, the Company has elected to be taxed as a subchapter "S" corporation. Under such election, the Company's taxable income and tax credits are passed through to its stockholder for inclusion in his individual income tax return.

The Company records liabilities for income tax positions taken or expected to be taken when those positions are deemed uncertain to be upheld in an examination by taxing authorities. As of December 31, 2017, the tax years ended December 2014 through 2017 were open for potential examination by

taxing authorities. No liabilities for uncertain income tax positions were recorded as of December 31, 2017.

Subsequent Events - In preparing its financial statements, the Company has evaluated subsequent events through February 27, 2018, which is the date the financial statements were available to be issued.

2. NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1) which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. As of December 31, 2017, the Company had net capital of \$140,798 which was \$135,798 in excess of its required net capital of \$5,000. The Company's ratio of aggregate indebtedness to adjusted net capital was .10 to 1.

3. RETIREMENT PLAN

The Company maintains a qualified retirement plan under which eligible employees may defer a portion of their annual compensation pursuant to Section 401(k) of the Internal Revenue Code. The plan covers both full and part-time employees. Company contributions to the plan are made at the discretion of management. Contributions for the plan year ended December 31, 2017 totaled \$51,823.

4. LEASE COMMITMENT

In January 2018, the Company relocated its office to Rock Hill, South Carolina and is currently leasing its office space on a month-to-month basis. Total rent expense for the year ended December 31, 2017 was \$26,111. The Company will continue to make lease payments on the office space it vacated through August 2018. Future minimum rental payments required under this operating lease as of December 31, 2017 are approximately as follows.

2018	\$19,800
------	----------

5. SIPC MEMBERSHIP EXCLUSION

The Company has claimed exclusion from SIPC Membership for the calendar year ended December 31, 2017 under Section 78ccc(2)(A)ii of the Securities Investor Protection Act of 1970.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(1) of Rule 15c3-3 under the Securities Exchange Act of 1934.

INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED UPON PROCEDURES ON THE SCHEDULE OF SIPC ASSESSMENTS AND PAYMENTS

To the Stockholder of The Lawrence D. Vitez Corporation:

In accordance with Rule 17a-5(e)(4) of the Securities Exchange Act of 1934 and with the Securities Investor Protection Corporation (SIPC) Series 600 Rules, and related supplemental guidance, we have performed the procedures enumerated below with respect to the accompanying Schedule of Form SIPC-3 Revenues of The Lawrence D. Vitez Corporation (the "Company") for the year ended December 31, 2017 which were agreed to by the Company and SIPC solely to assist you and SIPC in evaluating the Company's compliance with the exclusion requirements from membership in SIPC under Section 78ccc(a)(2)(A) of the Securities Investor Protection Act of 1970 during the year ended December 31, 2017, as noted on the accompanying Certification of Exclusion From Membership (Form SIPC-3). The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the Public Company Accounting Oversight Board. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

- 1) Compared the Total amount included in the accompanying Schedule of Form SIPC-3 Revenues prepared by the Company for the year ended December 31, 2017, to the total revenues in the Company's audited financial statements included on Annual Audited Report Form X-17A-5 Part III for the year ended December 31, 2017, noting no difference;
- 2) Compared the amount in each revenue classification reported in the Schedule of Form SIPC-3 Revenues prepared by the Company for the year ended December 31, 2017, to the supporting schedules and workpapers, noting no differences;
- 3) Recalculated the arithmetical accuracy of the Total Revenues amount reflected in the Schedule of Form SIPC-3 Revenues prepared by the Company for the year ended December 31, 2017, and in the related schedules and workpapers, noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on The Lawrence D. Vitez Corporation's claim for exclusion from membership in SIPC. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
