REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Shareholder's and Board of Directors of Second Street Securities, Inc.

Opinion on the Financial Statements

I have audited the accompanying statement of financial condition of Second Street Securities, Inc. as of December 31, 2017, the related statements of income, changes in shareholder's equity, and cash flows for the year then ended, and the related notes and Schedule I, Statement of Net Capital Under Rule 15c3-1, Schedule II, Determination of Reserve Requirements Under Rule 15c3-3 (exemption), and Schedule III, Information Relating to Possession or Control Requirements Under Rule 15c3-3 (exemption) (collectively referred to as the financial statements). In my opinion, the financial statements present fairly, in all material respects, the financial position of Second Street Securities, Inc. as of December 31, 2017, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of Second Street Securities, Inc.'s management. My responsibility is to express an opinion on Second Street Securities, Inc.'s financial statements based on my audit. I am a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and am required to be independent with respect to Second Street Securities, Inc. in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

I conducted my audit in accordance with the standards of the PCAOB. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. My audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. My audit also included evaluating the accounting principles used and significant estimates made by management, as evaluating the overall presentation of the financial statements. I believe that my audit provides a reasonable basis for my opinion.

Brian W. Anson, CPA

I have served as Second Street Securities, Inc.'s auditor since 2006.

Notes to Financial Statements December 31, 2017

Note 1: NATURE OF BUSINESS

Second Street Securities, Inc. (the "Company") is a broker-dealer registered with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA"). The Company is a Delaware corporation and is a wholly-owned subsidiary of Advent Software, Inc. (the "Parent"). The Company conducts business with only one registered broker-dealer, Sungard Institutional Brokerage ("Sungard").

Prior to February 2, 2015 the Company was a wholly-owned, direct subsidiary of Advent Software, Inc. ("Advent"). Advent entered into an Agreement and Plan of Merger (the "Agreement") with SS&C Technologies Holdings, Inc. ("SS&C"), a publicly-traded company, on February 2, 2015. Pursuant to the Agreement, Arbor Acquisition Company, Inc. ("Arbor"), a Delaware corporation and a wholly-owned subsidiary of SS&C, merged with and into Advent, with Advent as the surviving entity. Shares of Advent's stock were canceled and retired. As a result, the Company has become a wholly-owned, indirect subsidiary of SS&C.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Income Taxes

The Company complies with Statement of Financial Accounting Standards ("SFAS") No. 109, "Accounting for Income Taxes" which requires an asset and liability approach to financial accounting and reporting for Income taxes. Deferred income tax assets and liabilities are computed for differences between the financial statement and tax bases of assets and liabilities that will result in taxable or deductibles amounts in the future based on the enacted tax laws and rates applicable to the periods in which the differences are expected to affect taxable income. Valuation allowances are established, when necessary, to reduce the deferred Income tax assets to the amount expected to be realized. The Company is included in the consolidated federal income tax return filed by the Parent and files a separate state income tax return in California. Federal income taxes are calculated as if the Company files on a separate return basis.

The parent company on a consolidated basis is subject to review by the Internal Revenue Service for years ending December 31, 2014, 2015 and 2016, for any tax assessments on previously filed returns.

Under section 6501(a) of the Internal Revenue Code (Tax Code) and section 301.6501(a)-1(a) of the Income Tax Regulations (Tax Regulations), the IRS is required to assess tax within 3 years after the tax return was filed with the IRS. Similarly, under 301.6501(a)-1(b) of the Tax Regulations no proceeding in court by the IRS without assessment for the collection of any tax can begin after the expiration of 3 years.

Under section 6501(e) of the Tax Code and section 301.6501(e)-1 of the Tax Regulations the statute of limitations is 6 years if the taxpayer omits additional gross income in excess of 25% of the amount of gross income stated in the tax return filed with the IRS.

For assessments of tax or levy made after November 5, 1990 the IRS cannot either collect or levy any tax 10 years after the date of assessment of tax or levy. (Section 6502(a)(1) of the Tax Code and section 301.6502-1 of the Tax Regulations). Court proceedings must also be started by the IRS within the 10 years statute of limitations. (Section 301.6502-1(a)(1) of the Tax Regulations).

The 10 year statute of limitations can be extended by agreement between the taxpayer and the IRS provided the agreement is made prior to the expiration of the 10 year period. (Section 6501(c)(4) of the Tax Code and section 301.6501(c) -1(d) of the Tax Regulations).

Notes to Financial Statements
December 31, 2017

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles and requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts or revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value Measurement

The Company adopted ASC Topic 820, requiring a fair value measurement of certain financial instruments on a recurring basis. The adoption of ASC Topic 820 did not impact the Company's financial condition or results of operations. ASC Topic 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability.

ASC Topic 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy are described below:

Level 1 – Valuations based on quoted prices in active markets for identical assets or liabilities that an entity has the ability to access.

Level 2 – Valuations based on quoted prices for similar assets and liabilities in active markets, quoted prices for identical assets and liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable data for substantially the full term of the assets or liabilities.

Level 3 – Valuations based on inputs that are supportable by little or no market activity and that are significant to the fair value of the asset or liability.

The Company had no financial instruments to measure for fair value as of December 31, 2017.

Note 3: OFFICE AND COMPUTER EQUIPMENT

Details of office and computer equipment as of December 31, 2017 are as follows:

Computer hardware and software	\$	145,173
Less: Accumulated depreciation		(145,173)
	\$	<u>0</u>

There was no depreciation expense for the year ended December 31, 2017.

Note 4: RECEIVABLES FROM BROKER-DEALERS AND OFF-BALANCE SHEET RISK

The Company provides a software platform for executing brokers with whom it has a revenue share relationship, for use of its proprietary software by clients of the executing broker. Full payment is required upon settlement of customer trades. The Company is exposed to risk of loss in the event that its executing broker fails to satisfy its obligation.

The receivables from the broker-dealer are pursuant to such revenue share agreement.

SECOND STREET SECURITIES, INC.

Notes to Financial Statements
December 31, 2017

Note 5: REVENUE SHARING AGREEMENT

The Company has an agreement with a third party in which the Company shares in commissions and receives payments from Sungard Institutional Brokerage (“Sungard”), a registered broker-dealer, based on routing fees paid by customers to Sungard for trade order routing from Advent’s order management system through Sungard’s STN Network. The Company’s share of the revenue generated from this arrangement for the year ending December 31, 2017 was approximately \$6,561,012.

Note 6: NET CAPITAL REQUIREMENT

The Company is subject to uniform net capital Rule (Rule 15c3-1) of the Securities and Exchange Commission, which requires both the maintenance of minimum net capital and the maintenance of a maximum ratio of aggregate indebtedness to net capital. Net capital and aggregate indebtedness change day by day, but by December 31, 2017 the Company’s net capital of \$702,287 exceeded the minimum net capital requirement of \$100,000, and the Company’s ratio of aggregate indebtedness of \$1,409,083 to net capital was 2.01:1, which is less than the 15:1 maximum ratio requirement.

Note 7: INCOME TAXES

For the year ended December 31, 2017, the Company had an income tax expense of \$268,780.

Note 8: EXEMPTION FROM RULE 15c3-3

The Company is exempt from the SEC Rule 15c3-3 pursuant to the exemptive provision under sub-paragraph (k)(2)(ii) and therefore, is not required to maintain a “Special Reserve Bank Account for the Exclusive Benefit of Customers”.

Note 9: CONCENTRATION OF CREDIT RISK

The Company is engaged in revenue share with a counterparty. In the event the counterparty does not fulfill its obligation, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty of the Company.

The Company has one customer, Sungard.

Note 10: SUBSEQUENT EVENTS

The management has reviewed the results of operations for the period of time from December 31, 2017 through February 12, 2018, the date the financial statements were available to be issued, and have determined that no adjustments are necessary to the amounts reported in the accompanying financial statements nor have any subsequent events occurred, the nature of which would require disclosure.

Board of Directors
Second Street Securities, Inc.
Woodland Hills, California

I have reviewed management's statements, included in the accompanying Exemption Report in which (1) Second Street Securities, Inc., identified the following provisions of 17 C.F.R. §15c3-3(k) under which Second Street Securities, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3: (k) (2) (ii) (the "exemption provision") and (2) Second Street Securities, Inc., stated that Second Street Securities, Inc., met the identified exemption provision throughout the most recent fiscal year without exception. Second Street Securities, Inc.'s management is responsible for compliance with the exemption provision and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly, included inquiries and other required procedures to obtain evidence about Second Street Securities Inc.'s compliance with the exemption provision. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
