BRYANT A. GAUDETTE, CPA

REPORT ON INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Directors
Maia Securities, Inc.
18958 Daisetta Street Suite 305
Rowland Heights CA 91748

Opinion on The Financial Statements

We have audited the statement of financial condition of Maia Securities, Inc. (the "Company") as of December 31, 2017, the related statements of operations and other comprehensive income, changes in stockholders' equity and cash flows for the year then ended, December 31, 2017, and the related notes to the financial statements and supplemental information (collectively referred to as "financial statements") filed pursuant to Rule 17a-5 under the Securities and Exchange Act of 1934. In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2017, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance that the financial statements are free from material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audits we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for the audit opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's financial statements based on the audit. We conducted the audit in accordance with auditing standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance that the financial statements are free from material misstatement, whether due to error or fraud.

Report on Supplementary Information

The supplementary information contained in the supplemental schedules required by Rule 17a-5 under the Securities Exchange Act of 1934, including the Computation of Net Capital under Rule 15c-3, Computation for Determination of Reserve Requirements and information relating to Possession or Control Requirements Under 15c3-3, statement related to material inadequacies with respect to the computation of net capital, and statement related to SIPC reconciliation, if applicable, is presented for additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures to test the completeness and accuracy of the supplemental information presented. In forming my opinion on the supplemental information, I evaluated whether the supplemental information, in form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934 and in accordance with auditing standards of the Public Company Accounting Oversight Board (United States). In my opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Bryant A. Gaudette, CPA

Maia Securities Inc
Notes to Financial Statements
As of and for the Year-Ended December 31, 2017

Note 1 – Organization and Nature of Business

Maia Securities, Inc. (the Company) was incorporated in the State of California on February 9, 2001. The Company is a registered broker-dealer with the Securities and Exchange Commission (SEC), the Financial Industry Regulatory Authority (“FINRA”) and the Securities Investor Protection Corporation (“SIPC”).

Note 2 – Significant Accounting Policies

Basis of Presentation – The Company conducts the following types of business as a securities broker-dealer, which comprises several classes of services, including:

- Broker or dealer retailing corporate equity securities over-the-counter
- Mutual fund retailer
- Put and call broker or dealer or option writer

Under its membership agreement with FINRA and pursuant to Rule 15c3 (k) (2) (ii), the Company conducts business on a fully disclosed basis and does not execute or clear securities transactions for customers. Accordingly, the Company is exempt from the requirement of Rule 15c3-3 under the Securities Exchange Act of 1934 pertaining to the possession or control of customer assets and reserve requirements.

Use of Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Commissions – Commissions and related clearing expenses are recorded on a trade-date basis as securities transactions occur.

Provision for Income Taxes – The Company has elected to be taxed under the provisions of subchapter S of the Internal Revenue Code and comparable State of California statutes wherein the Company’s taxable federal and state income is taxed directly to the shareholder. Additionally, the state of California imposes a 1.5% state franchise tax on the corporation’s taxable income.

The accounting principles generally accepted in the United States of America provides accounting and disclosure guidance about positions taken by an organization in its tax returns that might be uncertain. Management has considered its tax positions and believes that all of the positions taken by the Company in its Federal and State organization tax returns are more likely than not to be sustained upon examination. The Company is subject to examinations by U.S. Federal and State tax authorities from 2012 to the present, generally for three years after they are filed.

Depreciation – Depreciation is provided on a straight-line basis using estimated useful lives of five to ten years. Leasehold improvements are amortized over the lesser of the economic useful life of the improvement or the term of the lease.

Employee Benefit Plans – The Company sponsors a defined benefit pension plan and reports the funded status of the plan in its statement of financial position and measures the plan assets and benefit obligations as of December 31.

In December 2008, authoritative guidance was issued that requires employers to provide additional disclosures about plan assets of a defined benefit pension or other post-retirement plan. The objective of this guidance was to provide users of financial statements with an understanding of how investment allocation decisions are made, the major categories of plan assets held by the plans, the inputs and valuation techniques used to measure the fair value of plan assets, and fair value measurements determined using significant unobservable inputs of a reconciliation of changes between the beginning and ending balances. The Company adopted the new disclosure requirements for the year ended December 31, 2008 by disclosure in footnote 11 instead of flowing the changes in benefit plan through the financial statements.

Subsequent Events - Management has reviewed the results of operations for the period of time from its year end December 31, 2017 through February 21, 2018, the date the financial statements were available to be issued, and has determined that no adjustments are necessary to the amounts reported in the accompanying financial statements nor have any subsequent events occurred, the nature of which would require disclosure.

Note 3 - Fair Value

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.
- Level 2 inputs are inputs (other than quoted prices included within level 1) that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs should be developed based on the best information available in the circumstances and may include the Company's own data.)

The following table presents the Company's fair value hierarchy for those assets and liabilities measured at fair value on a recurring basis as of December 31, 2017.

Fair Value Measurements on a Recurring Basis As of December 31, 2017

	Level 1	Level 2	Level 3	Total
Assets				
Certificate of Deposit	\$ 266,804	-	-	\$ 266,804
Clearing Deposit	\$ 63,352	-	-	\$ 63,352
Total	<u>\$ 330,156</u>			<u>\$ 330,156</u>

Note 4 – Receivable From and Payable to Broker-Dealers and Clearing Organizations

Amounts receivable from and payable to broker-dealers and clearing organizations at December 31, 2017, consist of the following:

	Receivable	Payable
Fees and commissions receivable/payable	\$ 37,408	\$ 0

Note 5 – Clearing Broker Deposit

The Company has an agreement with a clearing broker which requires a minimum deposit of \$50,000. The clearing broker deposit at December 31, 2017 was \$63,352.

Note 6 – Related Party

The Company has an expense sharing arrangement with an affiliate whereby the affiliate reimburses the Company 50% of all expenses including office space, telephone and office supplies. During the year ending December 31, 2017, the Company billed the affiliate \$14,857 and the balance receivable from the affiliate at December 31, 2017 is \$14,857.

It is possible that the terms of certain of the related party transactions are not the same as those that would result from transactions among wholly unrelated parties.

Note 7 - Concentration of Credit Risk

The customers' securities transactions are introduced on a fully-disclosed basis with its clearing broker-dealer. The clearing broker-dealer carries all of the accounts of the customers of the Company and is responsible for execution, collection and payment of funds, and receipt and delivery of securities relative to customers' transactions. Due to the possibility that the customers may charge any losses it incurs to the Company, the Company seeks to minimize this

risk through procedures designed to monitor the credit worthiness of its customers and to ensure that customer transactions are executed properly by the clearing broker-dealer.

Note 8 – Certificate of Deposit

The Company holds two certificates of deposit with a value of \$266,804 at December 31, 2017. Interest at 1.14% per annum, Maturing on September 8, 2018. Certificates of Deposit are reflected as cash on the financial statements.

Note 9 – Net Capital Requirements

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2017, the Company had net capital of \$247,005 which was \$238,551 in excess of its required net capital of \$8,454. The Company's net capital ratio was .53 to 1.

Note 10 - Income Taxes

As discussed in Note 2 - Significant Accounting Policies, the Company is subject to a 1.5% tax on net income over the minimum tax of \$800. At December 31, 2017, the Company recorded \$800 in California taxes.

Note 11 – Employee Benefit Plans

The Company sponsors a contributory defined benefit pension plan for qualifying employees. The amount of the annual benefit to be paid at normal retirement date is based on credited service, which varies based on participant hire dates.

Economic assumptions used to determine the benefit obligations recognized in the statements of financial position are:

Discount rate	5%
Rate of compensation increase	5%

Weighted average assumptions used to determine the net periodic benefit cost are:

Discount rate	5.19%
Expected return on plan assets	6%
Rate of compensation increase	5%

The Company is utilizing a yield curve methodology to determine its discount rate. This methodology uses a weighted average yield to determine the plan's discount rate by forecasting the plan's expected benefit payments by year.

The expected return on plan assets was derived by reviewing historical returns, preparing several models about future expected returns using the current diversified asset mix and conducting a historical study of market recoverability.

For the year ending December 31, 2017, the Company expects to contribute \$ 60,000 to the defined benefit pension plan.

The following tables provide further information about the Company's pension plan:

December 31, 2017

Projected Benefit obligations	\$2,700,000
Fair value of plan assets, net of plan liabilities of	\$2,630,000
Net unfunded status of the plan recognized	
As a liability in the statement of financial positions	\$ 0
Employer contributions	\$ 60,000
Benefit payments	\$ 0
Accumulated benefit obligation	\$2,400,000
Periodic benefit cost for the year ended	\$ 0

Amounts in unrestricted net assets that have not yet been recognized as a component of net periodic benefit cost compromise the following:

	Unrecognized Prior Service Cost	Actuarial Loss
Balance, December 31, 2017	\$ 0	\$ 0

The amounts in unrestricted net assets are expected to be recognized as a component of net periodic benefit cost for the year ending December 31, 2017 are \$ 0 and \$ 0, representing amortization of net prior service cost and amortization of actuarial loss, respectively.

Estimated future defined benefit pension payments reflecting expected future service for each of the five years subsequent to December 31, 2017 and in the aggregate for the five years thereafter are as follows:

Year Ending December 31,	Amount
2018	0
2019	0
2020	0
2021-22	3,000,000

There were no significant changes to the plan during the year.

Note 12 – Exemption from the SEC Rule 15c3-3

Maia Securities, Inc. is an introducing broker-dealer that clears all transactions with and for customers on a fully disclosed basis with an independent securities clearing company and promptly transmits all customer funds and securities to the clearing company, which carries all of the accounts of such customers and maintains and preserves such books and records pertaining thereto pursuant to the requirements of the SEC Rule 17a-3 and 17a-4, as are customarily made and kept by a clearing broker or dealer.

Note 13 – Operating Lease Commitments

The company leased office space under a non-cancellation operating lease expiring September 16, 2017. The company subleases a portion of the office space. At December 31, 2017, future minimum lease payments were as follows:

2018 \$13,600

Rent expense for the year ended December 31, 2017 is \$9,600 net of share paid by affiliate.

Statement Related to Uniform Net Capital Rule

The Company is a member of the FINRA and is subject to the SEC Uniform Net Capital Rule 15c3-1. This rule requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 1500% (15 to 1), or, during its first year of operations, 800% (8:1). Net capital and the related net capital ratio may fluctuate on a daily basis. At December 31, 2017, the Company had net capital of \$ 247,005 which was \$238,551 in excess of its required net capital of \$ 8,454. The Company's net capital ratio was 0.53 : 1 . The Company has elected to use the basic computation method, as is permitted by the rule, which requires that the Company maintain minimum Net Capital pursuant to a fixed dollar amount or 6-2/3% percent of total aggregate indebtedness, as defined, whichever is greater, and does not, therefore, calculate its net capital requirement under the alternative reserve requirement method.

Statement Related to Material Inadequacies

This audit did not disclose any material inadequacies since the previous audit of the financial statements contained within the audit report of the Computation of Minimum Net Capital Requirement as reported in the Supplemental Schedules contained within the audit report or the filed Financial and Operational Combined Uniform Single Report filed pursuant to SEA Rule 15c3-1. The firm is exempt from 15c3-3; it does not maintain customer funds or securities and therefore does not maintain customer funds to segregate nor does it maintain separate accounts for customers.

Statement Related to SIPC Reconciliation

SEA Rule17a-5(e)(4) requires a registered broker-dealer to file a supplemental report which includes procedures related to the broker-dealers SIPC annual general assessment reconciliation or exclusion from membership forms. In circumstances where the broker-dealer reports \$500,000 or less in gross revenue they are not required to file the supplemental SIPC report. The Company is providing a supplemental report under SEA Rule17a-5(e)(4) because it is reporting more than \$500,000 in gross revenue.

Auditors Report on Exemption Letter

EXEMPTION REVIEW REPORT

15c3-3(k)(2)(ii)

James Tien
Maia Securities, Inc.
18958 Daisetta Street Suite
305
Rowland Heights, CA
91748

Dear James Tien:

We have reviewed management's statements, included in the accompanying Representation Letter of Exemptions, in which Maia Securities, Inc. identified 15c3-3(k)(2)(ii) as the provision under 17 C.F.R. § 15c3-3(k) under which Maia Securities, Inc. claims exemption from 17 C.F.R. §240.15c3-3. Maia Securities, Inc. stated that it has met the 15c3-3(k)(2)(ii) exemption throughout the most recent fiscal year without exception, or, with exception, as noted in the Representation Letter of Exemption. Maia Securities, Inc.'s management is responsible for compliance with the exemption provisions and its statements. Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Maia Securities, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion. Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in Rule 15c3-3 under the Securities Exchange Act of 1934.

Re: Exemption Report Pursuant to SEA Rule 17a-5(d)(1)(i)(B)(2)

To the best knowledge and belief, Maia Securities Inc.,

1. Claims exemption **15c3-3(k)(2)(ii)** from 15c3-3;
2. We have met the identified exemption from 01/01/2017 through 12/31/2017, without exception, unless, noted in number 3, below;
3. We have no exceptions to report this fiscal year.

Regards,

Auditors Report on SIPC Reconciliation

BRYANT A. GAUDETTE, CPA

Maia Securities, Inc.

Supplementary Schedules Pursuant to SEA Rule 17a-5 Of the Securities and Exchange Act of 1934
As of and for the Year-Ended

SIPC Reconciliation Report Pursuant to SEA 17a-5(c)(4)

Maia Securities, Inc. is a member of the Securities Investor Protection Corporation (SIPC). In accordance with Rule 17a-5(C)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessments and Payments, Forms SIPC-7 to the Securities Investor Protection Corporation (SIPC) for the periods through December 31, 2017, which were agreed to by Maia Securities, Inc. and the Securities and Exchange Commission, Financial Industry Regulatory Authority and the SIPC, solely to assist you and other specified parties in evaluating Maia Securities, Inc.'s compliance with the applicable instructions of the Assessment Reconciliation Forms SIPC 7. Maia Securities, Inc.'s management is responsible for Maia Securities, Inc.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the Public Company Accounting Oversight Board (United States). The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures were performed, and our findings are as follows:

1. Compared the listed assessment payments represented on Form SIPC 6 & 7 with the respective cash disbursements record entries, noting no material differences (\$24.60 underpayment).
2. Compared audited Total Revenue for the period of January 01, 2017 through December 31, 2017 (fiscal year-end) with the amounts reported on Forms SIPC-7, noting no material differences (\$10,144.22 under reported).
3. Compared any adjustments reported on Form SIPC-7 with supporting schedules and work papers, to the extent such exists, noting no material differences.
4. Proved the arithmetical accuracy of the calculations reflected on Form SIPC-7, noting no material differences.
5. If applicable, compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed, noting no material differences.

We are not engaged to and did not conduct an examination for which the objective would be to express an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures other matters might have come to our attention that would have been reported.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
