## 1. Organization

Growth Capital Services, Inc. the (Company) was incorporated in California on November 1, 2000, as ProgressiveTrade Securities, Inc. In January 2005, the Company changed its name to Aquillian Investments, Inc. In January 2007, the Company changed its name to Growth Capital Services, Inc. The Company operates as a registered broker/dealer in securities under the provisions of the Securities Exchange Act of 1934. The Company is a member of the Financial Industry Regulatory Authority, Inc. ("FINRA") and the Securities Investor Protection Corporation ("SIPC").

The Company is engaged in business as a securities broker-dealer, specializing in the private placement of securities.

Under its membership agreement with FINRA and pursuant to Rule 15c3-3(k)(2)(i), the Company is exempt from the requirement of Rule 15c3-3 under the Securities Exchange Act of 1934 pertaining to the possession or control of customer assets and reserve requirements.

## 2. Significant Accounting Policies

### Cash and Cash Equivalents

The Company considers all demand deposits held in banks and certain highly liquid investments with original maturities of three months or less, other than those held for sale in the ordinary course of business, to be cash equivalents.

The company maintains cash in three institutions. Accounts at each institution are insured by the Federal Deposits Insurance Corporation (FDIC) up to \$250,000. At December 31, 2017 the company's cash balance exceeded the FDIC insured limit by \$108,472.

### Accounts Receivable

The Company considers accounts receivable to be fully collectible, and accordingly, no allowance for doubtful accounts has been provided. If amounts become uncollectible, they will be charged to operations when that determination is made.

### Commissions Payable

The Company pays commissions to its registered representatives as a percentage of revenue earned. Commission expense and the payable are recorded when services are provided, and the corresponding revenue is recorded.

### Furniture and Equipment

Furniture and equipment is carried at historical cost, net of accumulated depreciation. Depreciation is calculated using the straight-line method over the estimated useful life (5 to 7 years) of the asset.

### Revenue Recognition

Revenues include securities commissions and membership fees paid by the Company's independent representatives for services rendered. Revenue is recognized when services are provided per the terms of the agreements. Deferred revenue represents the portion of revenue which relates to future periods covered by the Company's agreements.

### Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and may have an impact on future periods.

# Growth Capital Services, Inc.

December 31, 2017

## 2. Significant Accounting Policies (continued)

### Income Taxes

The Company files a federal income tax return and a California state income tax return and measures its deferred tax assets and liabilities using the tax rates applicable to those income tax returns. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. A valuation allowance is established when necessary to reduce deferred income tax assets or liabilities.

## 3. Lease Commitments

The future minimum annual lease payments under a non-cancellable lease for the Company's office space, which expires on December 31, 2019, is \$39,720.

## 4. Net Capital Requirements

The Company is subject to the SEC's uniform net capital rule (Rule 15c3-1) which requires the Company to maintain a minimum net capital equal to or greater than \$5,000 and a ratio of aggregate indebtedness to net capital not exceeding 15 to 1, both as defined. At December 31, 2017, the Company's net capital was \$216,655 which exceeded the required \$77,403 by \$139,252. The Company's aggregate indebtedness to net capital ratio was 5.36 to 1.

## 5. Income Taxes

The Company accounts for income taxes in accordance with generally accepted accounting principles which requires recognition of deferred tax assets or liabilities for the expected future tax consequences of events that are included in the financial statements and tax returns in different periods.

The Company's total deferred tax assets as of December 31, 2017 are as follows:

Federal	\$ 9,000
Valuation Allowance	\$(9,000)
Net deferred taxes	\$ -

Deferred tax assets and liabilities are primarily the result of federal and state net operating loss ("NOL") carryforwards. As of December 31, 2017, the Company had federal NOL carryforwards of \$58,000 and no state NOL carryforwards that may be used to offset future taxable income. Net operating loss carryforwards expire at various times beginning in 2023.

A valuation allowance of approximately \$9,000 has been established for those deferred tax assets that will more likely than not be unrealized. There is no current year provision for federal income tax and no current year provision for state taxes. The Company is no longer subject to tax examinations by tax authorities for years before 2013.

## 6. Pension Plan Expense

The company maintains a Simplified Employee Pension – Individual Retirement Account (SEP-IRA) plan. Under a SEP-IRA an employer is permitted to contribute, for any one employee, twenty-five percent of the employee's total compensation not to exceed \$54,000 in 2017. During the year ended December 31, 2017, no pension plan contributions were accrued and expensed.

## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Shareholders  
of Growth Capital Services, Inc.,

We have reviewed management's statements, included in the accompanying Exemption Report Pursuit to SEC Rule 17a-5, in which (1) Growth Capital Services, Inc. identified the following provisions of 17 C.F.R. §15c3-3(k)(2)(i) under which Growth Capital Services, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3: k(2)(i) (exemption provisions) and (2) Growth Capital Services, Inc. stated that Growth Capital Services, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. Growth Capital Services, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Growth Capital Services, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
