Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of NC Securities, LLC as of December 31, 2017, the related statements of operations, changes in member's equity, and cash flows for the year then ended, and the related notes and schedules (collectively referred to as the financial statements). In our opinion, the financial statements present fairly, in all material respects, the financial position of NC Securities, LLC as of December 31, 2017, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of NC Securities, LLC's management. Our responsibility is to express an opinion on NC Securities, LLC's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to NC Securities, LLC in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2017

1. Organization

NC Securities, LLC (the Company) was organized on September 28, 2005, pursuant to the laws of the State of Delaware. On November 16, 2006, the Company became a registered broker/dealer entity under the regulations of FINRA, the Financial Industry Regulatory Authority.

2. Summary of significant accounting policies

Cash and cash equivalents

The Company considers all cash and investment accounts with original maturities of three months or less to be cash equivalents.

Use of accounting estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income taxes

The Company is a limited liability company which is a pass-through entity for Federal and Maryland income tax reporting. Pass-through entities are not subject to Federal income taxes. Most states, including Maryland, also treat pass-through entities consistently with the Federal regulations. Any income or loss of pass-through entities is reported in the tax returns of the owners of the entity.

The Company, as a "single member LLC", is included in the tax return of the Parent company and does not file separate income tax returns. The Company does not have any uncertainties in income taxes nor are there any unrecognized tax benefits to be disclosed as of December 31, 2017.

New Accounting Pronouncements

In May 2014, the FASB issued ASU 2015-14, Revenue from Contracts with Customers. The standard's core principle is that an organization will recognize revenue when it transfers promised goods or services to customers in an amount that reflects the consideration to which the organization expects to be entitled in exchange for those goods or services. This standard also includes expanded disclosure requirements that result in an entity providing users of financial statements with comprehensive information about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contract with customers. This standard will be effective for the Company's year ending December 31, 2018. The Company does not currently believe the adoption will have a significant impact on the recognition of revenues or related disclosures.

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2017

Related party relationships and transactions

The Company is a wholly-owned by National Capital Company, LLC ("NCC") and was formed to be the broker dealer entity for merger and acquisition transactions entered into by NCC that were deemed to be "sales of securities". Under this arrangement, the Company is dependent on NCC for future revenue, since the Company does not independently market its services.

NCC has funded the formation and operations of the Company through contributions to capital. The Company's ability to continue in business is dependent on NCC's continued capital contributions and/or NCC entering into transactions from which the Company will earn revenue.

NCC provides office space and administrative services to the Company under a Management Services Agreement, as amended, that required monthly charges to the Company by NCC of \$200 per month for a total \$2,400. NCC has agreed that these charges will be funded by a monthly contribution of capital to the Company.

As of December 31, 2017, there are no amounts due to or from NCC.

3. Net capital requirement

The Company is subject to SEC Rule 15c3, which requires the maintenance of minimum net capital in an amount equal to the greater of \$5,000 or 1/15 of total aggregate indebtedness. The Rule also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1.

At December 31, 2017, the Company had net capital, as defined, of \$9,852, which was \$4,852 in excess of its required net capital of \$5,000. The Company's year end ratio of aggregate indebtedness to net capital was 0 to 1 as it had no AI on the books.

4. Subsequent events

Management of the Company has evaluated events or transactions that occurred after December 31, 2017, through February 28, 2018, the date the financial statements were available to be issued, and has determined that there are no subsequent events or transactions that should be disclosed in the financial statements.

Review Report of Independent Registered Public Accounting Firm

To the Shareholders
NC Securities, LLC
Bethesda, Maryland

We have reviewed management's statements, included in the accompanying Exemption from Reserve Requirements Under Rule 15c3-3 Report, in which (1) NC Securities, LLC ("the Company") identified the following provisions of 17 C.F.R. § 15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. § 240.15c3-3: (k)(2)(i), (the "exemption provisions") and (2) the Company stated that the Company met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the conditions set forth in paragraph (k)(2)(i), of Rule 15c3-3 under the Securities Exchange Act of 1934.
