MGO SECURITIES CORP.
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2017

NOTE 1 - ORGANIZATION

MGO Securities Corp. (the Company), a wholly-owned subsidiary of Moskal Gross Orchosky, Inc. (the Parent), is a fully-disclosed broker/dealer registered with the Securities and Exchange Commission (SEC). The Company was incorporated on October 6, 1994. The Company is a member of the Financial Industry Regulatory Authority (FINRA) specializing in selling investment securities and is registered in various states. The Company does not take custody of any securities nor does it trade on its own account.

The Company's current activities include the purchasing and redeeming of mutual funds and variable life insurance and annuities for customers. In many cases orders with the mutual funds and/or life insurance companies are placed in the customer's names, the shares or units are held by the funds' or insurance company's custodians, and the Company's only financial involvement is through receipt of commissions from the mutual fund or insurance company.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Company prepares its financial statements on the accrual basis of accounting.

Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Stockholder's Equity

The Company regularly declares and pays dividends to its parent company, Moskal Gross Orchosky, Inc.

Income Taxes

The Company is a member of an affiliated group, along with its parent company, Moskal Gross Orchosky, Inc., which has elected to file a consolidated federal income tax return. The consolidated return is prepared on the cash method of accounting and income taxes are paid on the consolidated income tax return. The Company's share of the 2017 consolidated current income tax provision is \$15,826, as reported on the Statement of Operations.

MGO SECURITIES CORP.
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2017

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes (Continued)

The financial statements reflect only the Company's tax positions that meet a "more likely than not" standard that, based on their technical merits, have a more than 50 percent likelihood of being sustained upon examination. The Company did not recognize any interest or penalties on uncertain tax positions on the balance sheet for the period ended December 31, 2017. Company management has determined that no reasonably possible changes will be made over the next 12 months regarding their tax positions. Reporting periods ending, December 31, 2014, December 31, 2015, December 31, 2016 and December 31, 2017 are subject to examination by major taxing authorities.

Cash and Short-Term Cash Investments

Cash includes monies in checking accounts, change funds, certificates of deposit and savings accounts. Currently, all monies are held in a checking account.

Commissions Receivable

Commissions receivable represent fees not yet received on brokered transactions. An allowance for doubtful accounts is not considered necessary as management believes all balances are collectible.

Concentration of Credit Risk

Approximately ninety-five percent (95%) of the Company's total revenue is generated through trades with one family of investment programs. However, alternative fund families exist which would not put the Company's revenue at risk.

NOTE 3 - RELATED PARTY TRANSACTIONS

The Company has entered into a formal expense sharing agreement with the Parent. The agreement provides that certain non-regulatory expenses, such as salaries, rent and utilities, be paid by the Parent on behalf of the Company. Amounts are paid to the Parent to reimburse these expenses and total approximately \$25,000 per month.

NOTE 4 - NET CAPITAL PROVISION OF RULE 15c3-1

The Company is subject to the Securities and Exchange Commission (SEC) uniform net capital rule (Rule 15c3-1) which requires the maintenance of minimum net capital of \$5,000 and requires that the ratio of aggregate indebtedness to net capital, as defined, shall not exceed 15 to 1. At December 31, 2017, MGO Securities Corp. had net capital of \$17,611 which was in excess of its required net capital by \$12,611. MGO Securities Corp.'s ratio of aggregate indebtedness to net capital was 0.00 to 1.

MGO SECURITIES CORP.
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2017

NOTE 5 - EXEMPTION FROM RULE 15c3-3

The Company acts as an introducing broker or dealer, promptly transmitting all funds and delivering all securities received in connection with its activities as a broker or dealer and does not otherwise hold funds or securities for or owe money or securities to customers. The Company operates under Section (k)(1) of Rule 15c3-3 of the Securities Exchange Act of 1934 and is therefore exempt from the requirements of Rule 15c3-3.

NOTE 6 - CONTINGENCIES

The Company is not contingently liable on any contracts or obligations.

NOTE 7 - CONCENTRATION OF CREDIT RISK

The Company maintains cash in financial institutions which, time to time, may exceed federally insured limits.

NOTE 8 - LITIGATION

The Company is not currently a defendant in any litigation. Furthermore, the company is not aware of any situation which would result in litigation.

NOTE 9 – ADOPTION OF NEW ACCOUNTING STANDARD

FASB ASU 2014-09, Revenue from Contract with Customers became effective for annual reporting periods beginning after December 15, 2017. The new guidance establishes the principles to report useful information about the nature, timing and uncertainty of revenue from contracts with customers. The Company is evaluating the potential impacts on financial statements, information systems, processes and controls, however, the Company expects the impact to be immaterial.

NOTE 10 - SUBSEQUENT EVENTS

The Company has evaluated all subsequent events through February 28, 2018, the available date of issuance of the financial statements.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to about for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(1) of Rule 15c3-3 under the Securities Exchange Act of 1934.
