**Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Organization*

Infinity Securities, Inc. DBA Infinity Financial Services (the "Company") was incorporated in the State of California on January 9, 2007. The Company is a registered broker-dealer in securities under the Securities and Exchange Act of 1934. The Company is a member of the Financial Industry Regulatory Authority ("FINRA"), and the Securities Investor Protection Corporation ("SIPC").

The Company is engaged in business as a securities broker-dealer, that provides several classes of services, including engaging in investment advisory and general securities brokerage activities on behalf of its clients. Fee revenues are management fees, reimbursements from reps, commissions and other.

Under its membership agreement with FINRA and pursuant to Rule 15c3-3(k)(2)(ii), the Company conducts business on a fully disclosed basis and does not execute or clear securities transactions for customers. Accordingly, the Company is exempt from the requirement of Rule 15c3-3 under the Securities Exchange Act of 1934 pertaining to the possession or control of customer assets and reserve requirements.

*Summary of Significant Accounting Policies*

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Receivables from clearing organizations represent commissions earned on security transactions. These receivables are stated at face amount with no allowance for doubtful accounts. An allowance for doubtful accounts is not considered necessary because probable uncollectible accounts are immaterial.

Securities transactions and related commission revenues and expenses are recorded on a settlement date basis. Accounting principles generally accepted in the United States of America require transactions to be recorded on a trade date basis, however there is no material difference between trade date and settlement date for the Company.

Property and equipment are stated at cost. Repairs and maintenance to these assets are charged to expense as incurred; major improvements enhancing the function and/or useful life are capitalized. When items are sold or retired, the related cost and accumulated depreciation are removed from the accounts and any gains or losses arising from such transactions are recognized.

With the consent of its stockholders, the Company has elected to be treated as an S Corporation under Subchapter S of the Internal Revenue Code. Subchapter S of the Code provides that in lieu of corporate income taxes, the stockholders are individually taxed on the Company's taxable income; therefore, no provision or liability for Federal Income Taxes is included in these financial statements.

Certain prior year amounts have been reclassified to conform to the current year's presentation. These changes had no impact on previously reported results of operations or total equity.

**September 30, 2018**

**Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**  
**(Continued)**

The Company has adopted authoritative standards of accounting for and the disclosure of events that occur after the balance sheet date but before the financial statements are issued or are available to be issued. These standards require the Company to recognize in the financial statements the effects of all recognized subsequent events that provide additional evidence about conditions that existed at the date of the balance sheet. For non-recognized subsequent events that must be disclosed to keep the financial statements from being misleading, the Company is required to disclose the nature of the event as well as an estimate of its financial effect, or a statement that such estimate cannot be made. In addition, the Company is required to disclose the date through which subsequent events have been evaluated. The Company has evaluated subsequent events through the issuance of their financial statements (See Note 10).

**Note 2: DEPOSIT WITH CLEARING FIRM**

The Company has a brokerage agreement with its clearing firm to carry its account and the accounts of its clients as customers of the clearing firm. As of September 30, 2018, the receivable from clearing brokers of \$73,129 are pursuant to these clearing agreements.

In the event counter-parties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counter-party or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counter-party.

**Infinity Securities, Inc.**  
**Notes to Financial Statements**  
**September 30, 2018**

**Note 9: SUBSEQUENT EVENTS**

The Company has evaluated events subsequent to the statement of financial condition date for items requiring recording or disclosure in the financial statements. The evaluation was performed through the date the financial statements were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.

**Note 10: RECENTLY ISSUED ACCOUNTING STANDARDS**

Financial Accounting Standards Board ("FASB") Accounting Standards Update ("ASU") No. 2014-09, Revenue from Contracts with Customers ("ASU 2014-09") applies to contracts with customers to transfer goods or services and contracts to transfer nonfinancial assets unless those contracts are within the scope of other standards (for example, lease transactions). The update supersedes the revenue recognition requirements in Topic 605, Revenue Recognition, and most industry-specific guidance. The core principle of the guidance is that revenue is recognized to depict the transfer of promised goods or services to customers in an amount that reflects the consideration the Company expects to be entitled to in exchange for those goods or services. The update is effective for annual periods beginning after December 15, 2017. The Company has evaluated the impact of ASU 2014-09 on the Company's consolidated financial statements and related disclosures and determined there is no material impact.

In February 2016, the FASB issued ASU No. 2016-02, Leases (Topic 842) ("ASU 2016-02"). ASU 2016-02 requires that, at lease inception, a lessee recognize in the statements of financial condition a right-of-use asset representing the right to use the underlying asset for the lease term, and a lease liability representing the liability to make lease payments. The ASU also requires that for finance leases, a lessee recognize interest expense on the lease liability, separately from the amortization of the right-of-use asset in the statements of operations, while for operating leases, such amounts should be recognized as a combined expense in the statements of operations. In addition, ASU 2016-02 requires expanded disclosures about the nature and terms of lease agreements and is effective for annual reporting periods beginning after December 15, 2018, including interim periods within that reporting period. Early adoption is permitted. The Company is evaluating the effect of ASU 2016-02 on its statement of financial condition and on net capital.

**11. NET CAPITAL REQUIREMENTS**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. Net capital and aggregate indebtedness change day to day, but on September 30, 2018, the Company had net capital of \$68,805 which was \$43,640 in excess of its required net capital of \$25,165; and the Company's ratio of aggregate indebtedness to net capital was 5.49 to 1.

To the Directors and Equity Owners of Infinity Securities, Inc.:

We have reviewed management's statements, included in the accompanying Assertions Regarding Exemption Provisions, in which (1) Infinity Securities, Inc. identified the following provisions of 17 C.F.R. § 15c3-3(k) under which Infinity Securities, Inc. claimed an exemption from 17 C.F.R. § 240.15c3-3: (k)(2)(ii) (the "exemption provisions") and (2) Infinity Securities, Inc. stated that Infinity Securities, Inc. met the identified exemption provisions throughout the most recent fiscal year ended September 30, 2018, without exception. The procedures we performed, and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries noting no differences;
2. Compared the Total Revenue amounts reported on the Annual Audited Report Form X-17A-5 Part III for the fiscal year ended September 30, 2018, with the Total Revenue amounts reported in Form SIPC-7 for the fiscal year ended September 30, 2018, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences;
4. Recalculated the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences; and
5. Compared the amount of any overpayment or underpayment, if any, in the current assessment with the Amended Form SIPC-7 on which it was computed noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance with the applicable instructions of the Form SIPC-7. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
