Report of Independent Registered Public Accounting Firm

To the Board of Directors  
WNC Capital Corporation

*Opinion on the Financial Statements*

We have audited the accompanying statement of financial condition of WNC Capital Corporation (the "Company") as of August 31, 2018, and the related statements of operations, changes in stockholder's equity and cash flows for the year then ended, and the related notes to the financial statements. In our opinion, the financial statements present fairly, in all material respects, the financial position of WNC Capital Corporation as of August 31, 2018, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

*Basis for Opinion*

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe our audit provides a reasonable basis for our opinion.

*Supplemental Information*

The supplemental information in Schedules I, II and III has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

**Notes to Financial Statements**  
**August 31, 2018**

**Note 1 - Organization and Summary of Significant Accounting Policies General**

**Organization**

WNC Capital Corporation (the "Company"), a California corporation, wholly-owned by WNC & Associates, Inc. ("WNC", or "Parent"), was organized on February 23, 1994 principally to facilitate the distribution of securities of partnerships offered by the affiliates of WNC. The Company is registered with the Securities and Exchange Commission ("SEC") as a broker/dealer in securities and is a member of the Financial Industry Regulatory Authority ("FINRA"). The Company provides wholesaling services to affiliates of WNC. The Company does not carry customers' accounts or hold securities for the accounts of customers and accordingly operates under the exemptive provisions of Rule 15c3-3(k)(2)(i) under the Securities and Exchange Act of 1934.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reported period. Actual results could materially differ from those estimates.

**Cash and Cash Equivalents**

The Company considers all highly liquid investments with maturities of three months or less when purchased to be cash equivalents.

**Revenue Recognition**

Commissions revenue and related expenses are recorded upon sale of limited partnership interests in investment partnerships managed and syndicated by WNC (see Note 2). Dealer-manager, organizational fees, and investment advisory fees are recorded when the related services are performed and are recognized as income ratably as the partnerships invest in apartment complexes. Fees that are collectible pursuant to the terms of the partnership agreements, and which have not been earned as fee income, are deferred. The Company and WNC have a fee sharing arrangement for organizational fees, whereby WNC allocates 40% of the total organizational fees earned for each partnership to the Company, not to exceed \$75,000.

**Recent Accounting Pronouncements**

Effective January 1, 2018, the Company adopted the guidance set forth by FASB ASU 2014-09, *Revenue from Contracts with Customers* (Topic 606). ASU 2014-09, as amended, requires a company to recognize revenue when it transfers promised goods or services to customer in an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods and services and also requires enhanced disclosures. The adoption of ASU 2014-09 did not have a material impact on the Company's financial position or results of operations.

**WNC Capital Corporation**  
**(A Wholly-Owned Subsidiary of WNC &**  
**Associates, Inc.)**

**Notes to Financial Statements**  
**August 31, 2018**

**Income Taxes**

Under the asset and liability method of ASC 740, "Income Taxes", deferred tax assets and liabilities are recognized for the future tax consequences attributable to temporary differences between the financial statement carrying amounts of existing assets and liabilities and their respective bases.

As the Company is a wholly owned subsidiary of WNC, the Company is included in the consolidated tax return of WNC. Federal and state income tax expense or benefit is allocated from WNC based on an approximate 1.5% effective income tax rate applied to income or loss before income taxes and after adjustments for permanent items.

The Company's federal tax returns, which are filed as part of the consolidated WNC & Associates, Inc. returns, remain subject to examination for 2015 and subsequent years. The Company also generally remains subject to the examination of various state income tax returns for a period of four to five years from the date the return was filed.

In accordance with the accounting guidance for uncertainty in income taxes, the Company has examined the likelihood that tax positions would be challenged in an audit conducted by the taxing authorities. The Company believes that it is more likely than not that its tax positions would withstand audit, and as a result, has not recorded a liability for taxes, interest or penalties that result from uncertain tax positions. The Company has no unrecognized tax benefits as of August 31, 2018.

The Company recognizes interest and penalties associated with tax matters, as applicable, as part of other expenses and includes accrued interest and penalties in due to affiliates, net in the statement of financial condition. The Company did not recognize any interest or penalties associated with tax matters for the year ended August 31, 2018.

**Note 2 - Related Party Transactions**

Due from affiliates represents funds advanced to affiliates of the Company as of August 31, 2018 for use in the affiliates' operations. Such amounts are noninterest-bearing, due upon demand and are generally repaid from the affiliates' cash flows and operating reserves in subsequent months. If management determines that an amount due from an affiliate is not recoverable, the amount is reserved for in that period.

WNC and the Company have a cost sharing arrangement for compensation and benefits, administrative services, office space and equipment. Under the arrangement, WNC incurs the services/costs and contributes them to the Company. For the year ended August 31, 2018, the Company incurred \$333,211 in such services/costs and has reflected these amounts in the accompanying financial statements as a charge to operations in the statement of operations and as a contribution of capital in the statement of changes in stockholder's equity. The Company is significantly reliant on the operating services provided by WNC. Were the Company to hire its own employees and/or procure the

**(A Wholly-Owned Subsidiary of WNC &**  
**Associates, Inc.)**

**Notes to Financial Statements**  
**August 31, 2018**

services from a third party, the services/costs may be materially different than those currently incurred under the cost sharing arrangement.

All commissions and organization fees earned during the year ended August 31, 2018 were generated from services provided to WNC affiliates.

Due to affiliates represents money advanced from WNC for purposes of paying operating expenses of the Company that are not intended to be treated as contributed services.

During the year ended August 31, 2018, \$1,209 was paid for by WNC on behalf of the Company and included in due to affiliates.

**Note 3 - Net Capital Requirements**

The Company is subject to the SEC's Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At August 31, 2018, the Company had net capital of \$1,864,335, which was \$1,859,335 in excess of the required net capital. The Company's aggregate indebtedness to net capital ratio was 0.0210 to 1 at August 31, 2018.

**Note 4 - Risk and Uncertainties**

**Registration**

The Company must register with state departments which govern compliance with securities laws in states where it does business. Various regulatory requirements exist in each state with which the Company must comply. Because of the various compliance laws, there is a risk that one or more regulatory authorities could determine that the Company has not complied with securities laws necessary for it to conduct business in a given state. Regulatory actions, if ever taken, could have a material adverse effect on the Company's financial condition and operating results.

**Economic Dependence**

The Company derives its revenues from the sale of limited partnership units of entities syndicated by WNC. Should WNC's syndication activity materially change, the results of operations of the Company could be materially impaired.

**Concentration of Credit Risk**

Cash and cash equivalents are maintained at financial institutions and, at times, balances may exceed federally insured limits. The Company has not experienced any losses to date related to these balances.

**Note 5 - Subsequent Events**

Events that occur after the balance sheet date but before the financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the balance sheet date are recognized in the accompanying financial statements. Subsequent events which

Report of Independent Registered Public Accounting Firm on  
Applying Agreed-Upon Procedures

To the Board of Directors  
WNC Capital Corporation

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934 and with the SIPC Series 600 Rules, we have performed the procedures enumerated below, which were agreed to by WNC Capital Corporation (the "Company") and the Securities Investor Protection Corporation ("SIPC") with respect to the accompanying General Assessment Reconciliation ("Form SIPC-7") of the Company for the year ended August 31, 2018, solely to assist you and SIPC in evaluating the Company's compliance with the applicable instructions of Form SIPC-7. The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the Public Company Accounting Oversight Board (United States). The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

- 1) Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries, noting no differences;
- 2) Compared the amounts reported on the audited Form X-17A-5 for the year ended August 31, 2018 with the amounts reported in Form SIPC-7 for the year ended August 31, 2018, noting no differences;
- 3) Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;
- 4) Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences; and
- 5) Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed, noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance with the applicable instructions of the Form SIPC-7. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

Report of Independent Registered Public Accounting Firm

To the Board of Directors  
WNC Capital Corporation

We have reviewed management's statements, included in the accompanying Rule 15c3-3 Exemption Report, in which (1) WNC Capital Corporation (the "Company") identified the following provisions of 17 C.F.R. §15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3: (2)(i) (the "exemption provisions") and (2) the Company stated that it met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
