**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Shareholder's and Board of Directors of Western Financial Corporation

**Opinion on the Financial Statements**

I have audited the accompanying statement of financial condition of Western Financial Corporation as of September 30, 2018, the related statements of operations, changes in shareholder's equity, and cash flows for the year then ended, and the related notes (collectively referred to as the financial statements). In my opinion, the financial statements present fairly, in all material respects, the financial position of Western Financial Corporation as of September 30, 2018, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

These financial statements are the responsibility of Western Financial Corporation's management. My responsibility is to express an opinion on Western Financial Corporation's financial statements based on my audit. I am a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and am required to be independent with respect to Western Financial Corporation in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

I conducted my audit in accordance with the standards of the PCAOB. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. My audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. My audit also included evaluating the accounting principles used and significant estimates made by management, as evaluating the overall presentation of the financial statements. I believe that my audit provides a reasonable basis for my opinion.

**Supplemental Information**

The information contained in Schedule I, II, and III ("Supplemental Information") has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The Supplemental Information is the responsibility of the Company's management. My audit procedures included determining whether the Supplemental Information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the Supplemental Information. In forming my opinion on the Supplemental Information, I evaluated whether the Supplemental Information, including its form and content is presented in conformity with 17 C.F.R. § 240.17a-5. In my opinion, Schedules I, II, and III are fairly stated, in all material respects, in relation to the financial statements taken as a whole.

The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures I performed and my findings are as follows:

1. Compared the listed assessment payment in Form SIPC-7 with respective cash disbursement records entries from the cash disbursements journal and related bank statements and reconciliations, noting no differences;
2. Compared the amounts reported on the audited Form X-17a-5 for the year ended September 30, 2018, as applicable with the amounts reported in Form SIPC-7 for the year ended September 30, 2018 noting no differences;

4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers, such as revenues from third party support and bank records supporting the adjustments, noting no differences.

I was not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, I do not express such an opinion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

**REPORT OF INDEPENDENT REGISTERED PUBLIC  
ACCOUNTING FIRM**

Board of Directors  
Western Financial Corporation  
San Diego, California

I have reviewed management's statements, included in the accompanying Exemption Report in which (1) Western Financial Corporation, identified the following provisions of 17 C.F.R. §15c3-3(k) under which Western Financial Corporation claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(ii) (the "exemption provision") and (2) Western Financial Corporation, stated that Western Financial Corporation, met the identified exemption provision throughout the most recent fiscal year without exception. Western Financial Corporation's management is responsible for compliance with the exemption provision and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly, included inquiries and other required procedures to obtain evidence about Western Financial Corporation's compliance with the exemption provision. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
