**ALVAREZ & ASSOCIATES, INC**  
**CERTIFIED PUBLIC ACCOUNTANTS**

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Directors and Equity Owner of Searle & Co., Inc.:

**Opinion on the Financial Statements**

We have audited the accompanying statement of financial condition of Searle & Co., Inc. (the "Company") as of September 30, 2018, and the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of Searle & Co., Inc. as of September 30, 2018, in conformity with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Alvarez & Associates, Inc.  
Certified Public Accountants

We have served as the Company's auditor since 2018.

**September 30, 2018**

**Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*General*

Searle & Co., Inc. (the "Company") was incorporated in the state of Connecticut on November 22, 1982. The Company is a registered broker-dealer in securities under the Securities and Exchange Act of 1934, a member of the Financial Industry Regulatory Authority ("FINRA"), the Securities Investor Protection Corporation ("SIPC"), and the Municipal Securities Regulatory Board ("MSRB"). The Company operates two lines of business from separate locations. It provides brokerage services from its Connecticut office to customers who are predominately small and middle-market businesses and upper and middle-income individuals. Its suburban Philadelphia office provides investment and reporting services for Federal Housing Administration assisted properties.

*Summary of Significant Accounting Policies*

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

For purposes relating to the statement of cash flows, the Company has defined cash equivalents as highly liquid investments, with original maturities of less than three months that are not held for sale in the ordinary course of business.

Receivable from clearing broker includes commissions earned on securities transactions, and proprietary trading proceeds. These receivables are stated at face amount with no allowance for doubtful accounts. An allowance for doubtful accounts is not considered necessary because probable uncollectable accounts are immaterial.

Accounts receivable are stated at face amount with no allowance for doubtful accounts. An allowance for doubtful accounts is not considered necessary because probable uncollectible accounts are immaterial.

The Company has adopted FASB ASC 320, Investments -- Debt and Equity Securities. As such, marketable securities held by the Company are classified as trading securities and stated at their fair market value based on quoted market prices. Realized gains or losses from the sale of marketable securities are computed based on specific identification of historical cost. Unrealized gains or losses on marketable securities are computed based on specific identification of recorded cost, with the change in fair value during the period included in the statement of income.

**Searle & Co., Inc.**  
**Notes to Financial Statements**  
**September 30, 2018**

**Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**  
**(Continued)**

Securities transactions are recorded on a trade date basis with related commission income and expenses also recorded on a trade date basis.

The Company recognizes its fee income when earned. The fees are received from clients typically on a monthly or quarterly basis as outlined in the agreements at inception and are not contingent on the completion of a transaction.

Interest income is recognized on the basis of the passage of time when collectability is reasonably assured. Dividend income is recognized when the dividends are declared and when the right to receive payment is established.

Property and equipment are stated at cost. Repairs and maintenance to these assets are charged to expense as incurred; major improvements enhancing the function and/or useful life are capitalized. When items are sold or retired, the related cost and accumulated depreciation are removed from the accounts and any gains or losses arising from such transactions are recognized.

With the consent of its shareholder, the Company has elected to be treated as an S Corporation under Subchapter S of the Internal Revenue Code. Subchapter S of the Code provides that in lieu of corporate income taxes, the shareholder is individually taxed on the Company's taxable income; therefore, no provision or liability for Federal Income Taxes is included in these financial statements.

Advertising costs are expensed as incurred.

**Note 2: RECEIVABLE FROM CLEARING BROKER**

Pursuant to the clearing agreement, the Company introduces all of its customers' securities transactions to its clearing broker on a fully disclosed basis. Customers' money balances and security positions are carried on the books of the clearing broker. In accordance with the clearance agreement, the Company has agreed to indemnify the clearing broker for losses, if any, which the clearing broker may sustain from carrying securities transactions introduced by the Company. In accordance with industry practice and regulatory requirements, the Company and the clearing broker monitor collateral on the customers' accounts. As of September 30, 2018, the receivable from clearing broker of \$967,353 was pursuant to this clearance agreement.

**Searle & Co., Inc.**  
**Notes to Financial Statements**  
**September 30, 2018**

**Note 3: DEPOSIT WITH CLEARING BROKER**

The Company has a brokerage agreement with Pershing LLC ("Clearing Broker") to carry its account and the accounts of its clients as customers of the Clearing Broker. The Clearing Broker has custody of the Company's cash balances which serve as collateral for any amounts due to the Clearing Broker as well as collateral for securities sold short or securities purchased on margin. Interest is paid monthly on these cash deposits at the average overnight repurchase rate. The balance at September 30, 2018 was \$125,000.

**Note 4: PAYABLE TO CLEARING BROKER**

As discussed in the Receivable from Clearing Broker (Note 2), the Company conducts securities transactions in its proprietary account at the Clearing Broker on margin. Margin interest balance at the year ended September 30, 2018, was \$1,840,111.

**Note 5: MARKETABLE SECURITIES, AT FAIR VALUE**

Marketable securities, at fair value consist of equity securities and municipal securities. As discussed in Note 1, marketable securities held by the Company are classified as trading securities and stated at their fair market value based on quoted market prices. At September 30, 2018, these securities are carried at their fair market value of \$7,562,913. The accounting for the mark-to-market on proprietary account is included in the Statement of Income as unrealized gain (loss) on trading securities of \$610,345. The Company had a realized loss of \$121,409 for the year.

**Note 6: FAIR VALUE MEASUREMENT - ACCOUNTING PRONOUNCEMENT**

The Company complies with FASB ASC 820, Fair Value Measurements and Disclosures, which defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income, or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1 - Quoted prices in an active market for identical assets or liabilities;

**Searle & Co., Inc.**  
**Notes to Financial Statements**  
**September 30, 2018**

**Note 6: FAIR VALUE MEASUREMENT - ACCOUNTING PRONOUNCEMENT**  
**(Continued)**

Level 2 - Observable inputs other than Level 1, quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets and liabilities in markets that are not active, and model derived prices whose inputs are observable or whose significant value drivers are observable;

Level 3 - Assets and liabilities whose significant value drivers are unobservable.

The availability of valuation techniques and observable inputs can vary from security to security and is affected by a wide variety of factors including the type of security, whether the security is new and not yet established in the marketplace, and other characteristics particular to the transaction. To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Those estimated values do not necessarily represent the amounts that may be ultimately realized due to the occurrence of future circumstances that cannot be reasonably determined. Because of the inherent uncertainty of valuation, those estimated values may be materially higher or lower than the values that would have been used had a ready market for the securities existed. Accordingly, the degree of judgment exercised by the Company in determining fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy within which the fair value measurement in its entirety falls is determined based on the lowest level input that is significant to the fair value measurement.

Fair value is a market-based measure considered from the perspective of a market participant rather than an entity-specific measure. Therefore, even when market assumptions are not readily available, the Company's own assumptions are set to reflect those that market participants would use in pricing the asset or liability at the measurement date. The Company uses prices and inputs that are current as of the measurement date, including periods of market dislocation. In periods of market dislocation, the observability of prices and inputs may be reduced for many securities. The condition could cause a security to be reclassified to a lower level within the fair value hierarchy.

The following table presents the Company's fair value hierarchy for those assets and liabilities measured at fair value on the recurring basis as of September 30, 2018:

<b>Assets</b>	<b>Fair Value</b>	<b>Level 1 Inputs</b>	<b>Level 2 Inputs</b>	<b>Level 3 Inputs</b>
Corporate stocks	\$ 4,605,237	\$ 4,605,237	\$ -	\$ -
Preferred stocks	669,166	669,166	-	-
Government & Muni bonds	<u>2,288,510</u>	<u>-</u>	<u>2,288,510</u>	<u>-</u>
<b>Total</b>	<b><u>\$ 7,562,913</u></b>	<b><u>\$ 5,274,403</u></b>	<b><u>\$ 2,288,510</u></b>	<b><u>\$ -</u></b>

**Searle & Co., Inc.**  
**Notes to Financial Statements**  
**September 30, 2018**

**Note 6: FAIR VALUE MEASUREMENT - ACCOUNTING PRONOUNCEMENT**  
**(Continued)**

*Valuation of Investments in Securities at Fair Value - Valuation Techniques*

*Investments in Corporate and Preferred Stocks*

The Company values investments in securities that are freely tradable and are listed on a national securities exchange at their last sales prices as of the last business day of the year.

*Government and Municipal (Muni) Bonds*

The fair value of government and municipal bonds is estimated using recently executed transactions, market price quotations (where observable), or bond yield spreads. Government and municipal bonds are generally categorized in Level 1 or Level 2 of the fair value hierarchy.

**Note 7: INCOME TAXES**

As discussed in Note 1, the Company has elected the S Corporation tax status; therefore, no federal income tax provision is reported.

The Company is required to file income tax returns in both federal, state and local tax jurisdictions and is subject to state and local taxes. The Company's tax returns are subject to examination by taxing authorities in the jurisdictions in which it operates in accordance with the normal statutes of limitations in the applicable jurisdiction. For federal purposes, the statute of limitations is three years. Accordingly, the Company is no longer subject to examination of federal returns filed more than three years prior to the date of these financial statements. The statute of limitations for state and local purposes is generally three years, but may exceed this limitation depending upon the jurisdiction involved. Returns that were filed within the applicable statute remain subject to examination. As of September 30, 2018, the taxing authorities have not proposed any adjustments to the Company's tax position and the Company does not have any uncertain tax positions as of the year then ended.

**Note 8: CONCENTRATIONS OF CREDIT RISK**

The Company is engaged in various trading and brokerage activities in which counter-parties primarily include broker-dealers, banks, and other financial institutions. In the event the counter-parties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counter-party or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counter-party.

**Searle & Co., Inc.**  
**Notes to Financial Statements**  
**September 30, 2018**

**Note 9: PROPERTY AND EQUIPMENT, NET**

Property and equipment are recorded net of accumulated depreciation and summarized by major classifications as follows:

		<u>Useful Life</u>
Computer Software	\$ 118,531	5-7
Leasehold improvements	<u>11,922</u>	15
Total cost of property and equipment	130,453	
Less: accumulated depreciation	<u>(119,723)</u>	
Property and equipment, net	<u>\$ 10,730</u>	

**Note 10: CANCELTION OF TREASURY STOCK**

During the year ended September 30, 2018, the Company canceled its treasury stock. 900 shares remain issued and outstanding to its sole shareholder.

**Note 11: COMMITMENT AND CONTINGENCIES**

*Contingencies*

The Company maintains several bank accounts at financial institutions. These accounts are insured either by the Federal Deposit Insurance Commission ("FDIC"), up to \$250,000, or the Securities Investor Protection Corporation ("SIPC"), up to \$500,000. At times during the year ended September 30, 2018, the cash balances held in financial institutions were in excess of the FDIC and SIPC's insured limits. The Company had not experience any losses in such accounts and management believes that it has placed its cash on deposit with financial institutions which are financially stable.

**Note 12: RECENTLY ISSUED ACCOUNTING STANDARDS**

Financial Accounting Standards Board ("FASB") Accounting Standards Update ("ASU") No. 2014-09, Revenue from Contracts with Customers ("ASU 2014-09"), applies to contracts with customers to transfer goods or services and contracts to transfer nonfinancial assets unless those contracts are within the scope of other standards (for example, lease transactions). The update supersedes the revenue recognition requirements in Topic 605, Revenue Recognitions, and most industry-specific guidance. The core principal of the guidance is that revenue is recognized to depict the transfer of promised goods or services to customers in an amount that reflects the consideration the Company expects to be entitled to in exchange for those goods or services. The update is effective for annual periods beginning after December 15, 2017. The Company has evaluated the impact of ASU 2014-09 on the Company's financial statements and made a prior period adjustment to reflect the new standards.

**Searle & Co., Inc.**  
**Notes to Financial Statements**  
**September 30, 2018**

**Note 12: RECENTLY ISSUED ACCOUNTING STANDARDS**  
**(Continued)**

In February 2016, the FASB issued ASU No. 2016-02, Leases (Topic 842) ("ASU 2016-02"). ASU 2016-02 requires that, at lease inception, a lessee recognize in the statement of financial condition a right-of-use asset, representing the right to use the underlying asset for the lease term, and a lease liability representing the liability to make lease payments. The ASU also requires that for finance leases, a lessee recognize interest expense on the lease liability, separately from the amortization of the right-of-use asset in the statements of operation, while for operating leases, such amounts should be recognized as a combined expense in the statement of operations. In addition, ASU 2016-02 requires expanded disclosures about the nature and terms of lease agreements and is effective for annual reporting periods beginning after December 15, 2018, including interim periods within the reporting period. Early adoption is permitted. The company is evaluating the effect of ASU 2016-02 on its statement of financial condition and on net capital.

**Note 13: SUBSEQUENT EVENTS**

Subsequent to year end, the Company made a \$500,000 distribution to its stockholder.

The Company has evaluated events subsequent to the balance sheet statement date for items requiring recording or disclosure in the financial statements. The evaluation was performed through the date the financial statements were available to be issued. Based upon this review, the Company has determined that there were no additional events which took place that would have a material impact on its financial statements.

**Note 14: NET CAPITAL REQUIREMENTS**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. Net capital and aggregate indebtedness change day to day, but on September 30, 2018, the Company had net capital of \$4,562,702 which was \$4,462,702 in excess of its required net capital of \$100,000; and the Company's ratio of aggregate indebtedness (\$199,456) to net capital was 0.06 to 1, which is less than the 15 to 1 maximum allowed.

**Searle & Co., Inc.**  
**Notes to Financial Statements**  
**September 30, 2018**

**Note 15: RECONCILIATION OF AUDITED NET CAPITAL TO UNAUDITED FOCUS**

There is a difference of \$148,393 between the computation of net capital under net capital SEC Rule 15c3-1 and the corresponding unaudited FOCUS part IIA.

Net capital per unaudited schedule		\$ 4,414,309
Adjustments		
Retained earnings	\$ 227,713	
Non-allowable assets	(35,220)	
Haircuts and undue concentration	<u>(44,100)</u>	
		<u>148,393</u>
Net capital per audited statements		<u>\$ 4,562,702</u>
