To the Board of Director and Managing Members
of BRIGHTCHOICE FINANCIAL, LLC

Opinion on the Financial Statements

We have audited the financial statements of BRIGHTCHOICE FINANCIAL, LLC (“Company”) which comprise the statement of financial condition as of October 31, 2018, and the related statements of operations, changes in member’s equity, and cash flows for the year then ended, and the related notes and schedules (collectively referred to as the “financial statements”). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of October 31, 2018, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company’s management. Our responsibility is to express an opinion on the Company’s financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that that our audit provides a reasonable basis for our opinion.

The information contained in the supplemental schedule listed in the accompanying index has been subjected to audit procedures performed in conjunction with the audit of the Company’s financial statements.

Note 1

Organization and Summary of Significant Accounting Policies

Organization and Business

BrightChoice Financial, LLC (“Company”) is a Tennessee limited liability company formed on January 10, 2007. The Company was approved to operate as a broker-dealer, with a perpetual period of duration, registered with the Securities and Exchange Commission (“SEC”). The Company became a member of the Financial Industry Regulatory Authority on October 23, 2008. The Company provides investment banking services primarily in private placements and merger and acquisition, capital advisory services to clients in various industries. The Company is a wholly owned subsidiary of 2nd Generation Capital, LLC (the “Parent”).

Rule 15c3-3 Exemption

The Company, under Rule 15c3-3(k)(2)(i), is exempt from the reserve and possession or control requirements of Rule 15c3-3 of the Securities and Exchange Commission. The Company does not carry or clear customer accounts.

Revenue Recognition

The Company recognizes Success fees when contract services are completed and fees are earned. Fees are considered to be earned when the terms of the agreement have been satisfied. Retainer fees are recognized when received and the work is performed.

Cash Equivalents

The Company defines cash equivalents as highly liquid investments, with original maturities of less than 90 days, which are not held for sale in the ordinary course of business.

Income Taxes

The Company is a single-member limited liability company and is considered a disregarded entity for federal income tax reporting purposes. All items of revenue, expense, gain and loss are included on the Parent’s return. Accordingly, the financial statements do not include a provision for income taxes since the Company is not a taxable entity. The Company’s members are taxed on the Company’s earnings.

At October 31, 2018, management has determined that the Company had no uncertain tax positions that would require financial statement recognition. This determination will always be subject to ongoing reevaluation as facts and circumstances may require. The Company’s open tax years (2013 through 2015) remain subject to income tax audits.

Fair Value of Financial Instruments

The carrying amounts reflected in the financial statements for cash, other assets, due to parent and accrued expenses approximate their respective fair values due to the short term maturities of these instruments.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

BRIGHTCHOICE FINANCIAL, LLC

Report of Independent Registered Public Accounting Firm

**The Board of Directors and Members of
BrightChoice Finance, LLC**

We have reviewed management's statements, included in the accompanying Form Custody exemption report, in which (1) BrightChoice Finance, LLC (the "Company") identified the following provisions of 17 C.F.R. §15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3(k)(2)(i) (the "exemption provisions") and (2) the Company stated that the Company met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquires and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on the management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the securities Exchange Act of 1934.
