Basis for Opinion

The financial statement is the responsibility of Morgan Partners, LLC's management. Our responsibility is to express an opinion on Morgan Partners, LLC's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to Morgan Partners, LLC in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Notes To Financial Statements

NOTE 1 – DESCRIPTION OF THE COMPANY

Morgan Partners LLC (the "Company") formed on July 22, 2005 as a registered broker-dealer with the Securities and Exchange Commission ("SEC") and a member of the Financial Industry Regulatory Authority (FINRA). The Company engages in the private placement of securities, mergers & acquisitions advisory services, corporate finance & development services, and investment banking advisory services. The Company received its FINRA approval for membership on October 23, 2012. The Company is exempt from rule 15c3-3 of the SEC under paragraph (k)(2)(i) of that rule. The liability of the members of the Company is limited to the members' total capital contributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The accompanying financial statements are prepared in accordance with accounting principals generally accepted in the U.S. (GAAP) on the accrual basis of accounting.

Cash and Cash Equivalents:

The Company considers all money market accounts, time deposits and certificate of deposits purchased with original maturities of three months or less to be cash equivalents.

Property and Equipment

Property and equipment are recorded at cost and depreciated using the straight-line method over the estimated useful lives of the related assets.

Revenue and Expense Recognition:

Revenues are recognized as earned and realization is reasonably assured. Expenses are recognized as incurred.

Income Taxes:

Tax returns for years ended December 31, 2014 and prior are no longer available for review by the Internal Revenue Service.

Management Estimates:

The preparation of financial statements in conformity with accounting principals generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

NOTE 3 – FINANCIAL INSTRUMENTS

Financial instruments that potentially subject the Company to concentrations of credit risk consist principally of cash. The Company maintains its cash in bank accounts, the balances of which, at times, may exceed Federal insured limits. Exposure to credit risk is reduced by placing such deposits in high quality financial institutions. The carrying amounts of financial instruments including cash, accounts payable and accrued expenses approximate fair values as of December 31, 2018 because of the relatively short maturity of these instruments.

At December 31, 2018, the Company had net capital of \$1,401,619 which was \$1,395,547 in excess of its required net capital of \$6,072.

NOTE 5 – COMMITMENTS AND CONTINGENCIES

The company is committed to an operating lease for office space. Approximate future minimum lease payments of all noncancelable operating leases through December 2019 are as follows:

2019	\$ 50,958

NOTE 6 – SUBSEQUENT EVENTS

The Company has evaluated the need for disclosures and/or adjustments resulting from subsequent events through February 21, 2018, the date the financial statements were issued. Based on this evaluation, no disclosures or adjustments were required to the financial statements as of December 31, 2018.
