We have audited the accompanying statement of financial condition of TFG Equities, Inc. as of December 31, 2018, the related statements of operations, changes in stockholder's equity, and cash flows for the year then ended, and the related notes (collectively referred to as the financial statements). Basis for Opinion

These financial statements are the responsibility of TFG Equities, Inc.'s management. Our responsibility is to express an opinion on TFG Equities, Inc.'s financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to TFG Equities, Inc. In accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Supplemental Information

The computation of net capital and aggregate indebtedness pursuant to rule 15c3-1 of the Securities and Exchange Commission has been subjected to audit procedures performed in conjunction with the audit of TFG Equities, Inc.'s financial statements. The supplemental information is the responsibility of TFG Equities, Inc.'s management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the computation of net capital and aggregate indebtedness pursuant to rule 15c3-1 of the Securities and Exchange Commission is fairly stated, in all material respects, in relation to the financial statements as a whole.

We have served as TFG Equities, Inc.'s auditor since 2014.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2018

NOTE 1 – BUSINESS

Organization – TFG Equities, Inc. (the “Company”) was organized as a Massachusetts corporation in 1986, pursuant to Chapter 156B of the Massachusetts general laws, to engage in and carry on the business of a broker/dealer in securities. The company is a broker-dealer registered with the Securities and Exchange Commission and is a member of the Financial Industry Regulatory Authority. The Company is wholly owned by The Tudor Trust.

The Company’s brokerage business has been inactive since 2002, although the Company had received consulting fee income in 2018. The Company maintains its registration as a broker dealer and incurs administrative expenses necessary for that purpose. The annual administrative expenses are covered by capital contributions from the sole stockholder. The Company’s ability to continue in existence depends on the stockholder’s continued capital contributions.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Income Taxes – No income taxes have been provided as the Company has elected to be taxed as an S Corporation. The Company’s income or loss is allocated to the stockholder for income tax purposes. If the Company’s income tax returns are examined by the Internal Revenue Service or state taxing authority and such an examination results in a change in the Company’s taxable income (loss), such change will be reported to the stockholder.

Currently, tax years 2015-2018 are open and subject to examination by the Internal Revenue Service and the Massachusetts Department of Revenue. However, the Company is not currently under audit nor has the Company been contacted by any of these jurisdictions.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Revenue Recognition - Effective January 1, 2018, the Company adopted ASC Topic 606, Revenue from Contracts with Customers (“ASC Topic 606”). The new revenue recognition guidance requires that an entity recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The guidance requires an entity to follow a five-step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract and (e) recognize revenue when (or as) the entity satisfies a performance obligation. In determining the transaction price, an entity, may include variable consideration only to the extent that it is probable that a significant reversal in the amount of cumulative revenue recognized would not occur when the uncertainty associated with the variable consideration is resolved. The Company applied the modified retrospective method of adoption which resulted in no adjustments to retained earnings as of January 1, 2018.

NOTE 3 – NET CAPITAL REQUIREMENTS

Net capital may fluctuate on a daily basis. The Company had net capital, as defined, of \$20,928 at December 31, 2018. The minimum net capital requirement is \$5,000.

NOTE 4 – RELATED PARTY TRANSACTIONS

During 2018 the Company was paid \$16,203 of consulting fees by an affiliate of the Company's stockholder, for assisting in arranging financing for a real estate development project. The fees were intended to compensate the Company for its share of allocated operating expenses, as described in the next paragraph.

Included in administrative services, rent (as a tenant-at-will), office expense, and telephone are charges by The Finch Corporation, an affiliate of the stockholder, for the Company's allocable share of expenses which amounted to \$25,176. Accounts payable at December 31, 2018 for its allocable share of expenses amounted to \$4,438.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholders
of TFG Equities, Inc.

We have reviewed management's statements, included in the accompanying Exemption Report Pursuant to SEC Rule 15c3-3, in which (1) TFG Equities, Inc. identified the following provisions of 17 C.F.R. §15c3-3(k) under which TFG Equities, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(i) (the "exemption provision") and (2) TFG Equities, Inc. stated that TFG Equities, Inc. met the identified exemption provision throughout the most recent fiscal year without exception. TFG Equities, Inc.'s management is responsible for compliance with the exemption provision and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about TFG Equities, Inc.'s compliance with the exemption provision. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provision set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
