**AURORA SECURITIES, INC.**

**NOTES TO FINANCIAL STATEMENTS**

**Year Ended December 31, 2018**

**NOTE A. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

A summary of the Firm's significant accounting policies consistently applied in the preparation of the accompanying financial statements are as follows:

**Nature of Operations**

Aurora Securities, Inc. (the Firm) was formed on April 26, 1989 as a corporation in the state of Alaska. The Firm is a registered securities broker dealer. The Firm was formed to offer a broad range of investment management services for the investing public within and without Alaska. On April 22, 2007, the Firm was purchased by an Indiana Corporation and moved operations to Carmel, Indiana. In September 2009, the Firm was re-domiciled as an Indiana Corporation. In September 2017, the Firm was purchased by a Michigan Corporation and moved operations to Troy, Michigan. The Firm maintains no physical securities, client cash or margin accounts.

**Cash Equivalents**

For purposes of the statements of cash flows, the Firm considers all highly liquid debt instruments with maturities of three months or less when purchased to be cash equivalents. There were no cash equivalents at December 31, 2018.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

**Concentrations of Credit Risk**

The Firm places its cash in accounts with a local financial institution, and money market accounts. At times, balances in these accounts may exceed FDIC insured limits. The Firm did not have any accounts with a balance that exceeded insured limits during the year.

**Revenue Recognition**

Revenue is recorded when: (i) a contract with a client has been identified, (ii) the performance obligation(s) in the contract have been identified, (iii) the transaction price has been determined, (iv) the transaction price has been allocated to each performance obligation in the contract, and (v) the Company has satisfied the applicable performance obligation. The expenses that are directly related to such transactions are recorded as incurred and presented within operating expenses. Revenue associated with the reimbursement of such expenses are recorded when the Company is contractually entitled to reimbursement and presented within other income.

**AURORA SECURITIES, INC.**

**NOTES TO FINANCIAL STATEMENTS**

**Year Ended December 31, 2018**

**NOTE A. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES  
(continued)**

**Revenue Recognition (continued)**

**Commissions and related clearing expenses are recorded on a trade-date basis as securities transactions occur. Investment advisory fees and fees on insurance products are recorded when income is reasonably determinable.**

**Commissions Receivable consists of commissions, fees and other amounts owed to the Firm. The Firm considers all commissions receivable to be fully collectible. Uncollectible accounts receivable are charged directly against operations when they are determined to be uncollectible. Use of this method does not result in a material difference from the valuation method required by accounting principles generally accepted in the United States of America. Management believes an allowance is unnecessary. Commissions receivable are written-off when collection efforts have been exhausted.**

**Advertising**

**The Firm's advertising costs are expensed as incurred. Advertising costs incurred during the year were \$100.**

**NOTE B. COMMISSION RECEIVABLES AND PAYABLES FROM AND TO BROKERS**

**Commissions from brokers represent commissions due and accrued to the Firm from their correspondents. The payable to brokers are commissions due to the brokers.**

**NOTE C. EXEMPTION UNDER RULE 15c3-3**

**The Firm claims an exemption under Rule 15c3-3 in accordance with the provision of paragraph (k)(2)(i) "Special Account for the Exclusive Benefit of Customers" maintained. During the year ended December 31, 2018 there are no amounts to be reported pursuant to the possession or control requirements under Rule 15c3-3, and the Firm is in compliance with their stated exemptive provisions, and thus is exempt from the provisions of Rule 15c3-3.**

**AURORA SECURITIES, INC.**

**NOTES TO FINANCIAL STATEMENTS**

**Year Ended December 31, 2018**

**NOTE D. INCOME TAXES**

The Firm utilizes the asset and liability method of accounting for income taxes, as set forth in Statement of Financial Accounting Standards No. 109 (FAS 109), "Accounting for Income Taxes". This method requires the recognition of deferred tax assets and liabilities for the expected future consequences of events that have been recognized in the Firm's financial statements or income tax returns. Deferred income taxes arise primarily from the recognition of income and expense on the cash basis for income tax purposes. Deferred taxes are also recognized for operating losses that are available to offset future taxable income. If it is more likely than not that some portion or all of a deferred tax asset will not be recognized, a valuation allowance is recognized.

The Company's effective tax rate differs from the expected federal income tax rate as a result of certain expenses included in income being non-deductible for tax reporting purposes for year ended December 31, 2018.

The Company had a tax loss carryforward of approximately \$16,000 at December 31, 2018 which can be used against future taxable income.

The Company adopted ASC Topic 740-10, *Accounting for Uncertainty in Income Taxes*, which prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. For those benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. For the year ended December 31, 2018, the Company has no material uncertain tax positions to be accounted for in the financial statements under the new rules.

During the year ended December 31, 2018, the Company did not incur any interest or penalties on its income tax returns. The Company's tax returns are subject to possible examination by the taxing authorities. For federal and state income tax purposes the returns essentially remain open for possible examination for a period of three years after the respective filing deadlines of those returns.

**NOTE E. RELATED PARTIES**

The Firm leases office space equipment and personnel of a related organization (common stockholder) and accordingly, incurred expenses to such organization amounting to \$40,140 for the year ended December 31, 2018.

**NOTE F. BASIC EARNINGS PER SHARE**

Basic earnings per share of common stock were computed by dividing income available to common stockholders by the weighted average number of common shares outstanding for the year. Diluted earnings per share are not presented because the Firm has issued no dilutive potential common shares.

**AURORA SECURITIES, INC.**

**NOTES TO FINANCIAL STATEMENTS**

**Year Ended December 31, 2018**

**NOTE G. NET CAPITAL REQUIREMENTS**

The Firm is required to maintain a minimum net capital under Rule 15c3-1 of the Securities and Exchange Commission. Net capital required under the rule is the greater of \$5,000 or 6 2/3 percent of the aggregate indebtedness of the Firm. At December 31, 2018, net capital as defined by the rules, equaled \$21,774. The ratio of aggregate indebtedness to net capital was 410.24%. Net capital in excess of the minimum required was \$15,819.

**NOTE H. RECONCILIATION PURSUANT TO RULE 17A-5(D)(4)**

There were no material reconciling items between the December 31, 2018 unaudited FOCUS report and this audit, in the computation of Net Capital under Rule 15c3-1.

**NOTE I. POSSESSION OR CONTROL REQUIREMENT UNDER RULE 15c3-3**

Information relating to possession or control requirements is not applicable to the Firm as the Firm qualified for exemption under Rule 15c3-3(k)(2)(i).

**NOTE J. FILING REQUIREMENTS**

There were no liabilities subordinated to claims of creditors during the year ended December 31, 2018. Accordingly, no Statement of Changes in Liabilities Subordinated to Claims of Creditors has been included in these financial statements as required by rule 17a-5 of the Securities and Exchange Commission.

**NOTE K. ACCOUNTING PRONOUNCEMENTS**

During May 2014 the FASB issued "Accounting Standards Update" (ASU) 2014-09, "Revenue from Contracts with Customers" (Topic 606). ASU 2014-09 establishes principles for recognizing revenue upon the transfer of promised goods or services to customers in an amount that reflects the expected consideration received in exchange for those goods or services. During August 2015, the FASB issued ASU 2015-14, which defers the effective date of ASU 2014-09. ASU 2014-09 is effective for fiscal years beginning after December 15, 2017. The amendments may be applied retrospectively to each prior period presented or retrospectively with the cumulative effect recognized as of the date of initial application. The Company adopted the standard on January 1, 2018. The aforementioned ASU's are codified as "Accounting Standards Codification" (ASC) 606 "Revenue from Contracts with Customers". The Company has evaluated the impact of ASC 606 and expects the timing of its revenue recognition to remain largely similar to the timing of revenue recognition under ASC 605, "Revenue Recognition". The Company has determined the impact of ASC 606 to be immaterial.

**NOTE L. SUBSEQUENT EVENTS**

Management has evaluated subsequent events through February 25, 2019, the date which the financial statements were available to be issued.

We have reviewed management's statements, included in the accompanying exemption report, in which Aurora Securities, Inc. identified the following provisions of 17 C.F.R. §15c3-3(k) under which Aurora Securities, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3: k(2)(i) (the "exemption provisions") and Aurora Securities, Inc. stated that they met the identified exemption provisions for the year ended December 31, 2018 without exception. Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
