REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Stockholder and Board of Directors of
SpareBank 1 Capital Markets, Inc.
Coral Gables, Florida

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of SpareBank 1 Capital Markets, Inc. (the "Company"), as of December 31, 2018, and the related statements of operations and stockholders' equity and cash flows for the year then ended and the related notes to the financial statements (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2018 and the results of its operations and its cash flows for the year ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Supporting Schedules

The supporting schedules required by Rule 17a-5 under the Securities Exchange Act of 1934 ("SEA") have been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supporting schedules are the responsibility of the Company's management. Our audit procedures included determining whether the information in the supporting schedules reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supporting schedules. In forming our opinion on the supporting schedules, we evaluated whether the supporting schedules, including their form and content, are presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the supporting schedules are fairly stated, in all material respects, in relation to the financial statements as a whole.

We have served as the Company's auditor since 2015.

SpareBank 1 Capital Markets, Inc.
Notes to Financial Statements
Year Ended December 31, 2018

(1) Organization

SpareBank 1 Capital Markets, Inc. (“the Company”) is a wholly owned entity of Magellan Global Corporation, the “Parent Company”, which is wholly owned subsidiary of SPAREBANK 1 MARKETS AS, a Norwegian entity. The Company was founded in 2010.

SpareBank 1 Capital Markets, Inc. is a member of FINRA and SIPC.

(2) Summary of Significant Accounting Policies

(a) Cash and Cash Equivalents

The Company considers highly liquid financial instruments with maturities of three months or less at the time of purchase to be cash and cash equivalents.

The Company maintains its cash in bank accounts at high credit quality financial institutions. The balances at times may exceed federally insured limits of \$ 250,000.

The following table provides a reconciliation of cash and cash-segregation in compliance with federal regulations reported within the statement of financial position that sum to the total of the same such amounts show in the statement of cash flows.

	<u>For the Year Ended December 31, 2018</u>
Cash at beginning of year	\$ 359,940
Cash-segregation in compliance with federal regulations at beginning of year	<u>100,000</u>
Cash and cash-segregation in compliance with federal regulations at beginning of year	<u>\$ 459,940</u>
Cash at end of year	\$ 369,444
Cash-segregation in compliance with federal regulations at end of year	<u>100,000</u>
Cash and cash-segregation in compliance with federal regulations at end of year	<u>\$ 469,444</u>

(b) Fair Value of Financial Instruments

The carrying value of cash, accounts receivable, other receivables, accounts payable and accrued expenses approximate their fair values based on the short-term maturity of these instruments. The carrying amounts of debt were also estimated to approximate fair value.

The Company utilizes the methods of fair value measurement as described in ASC 820 to value its financial assets and liabilities. As defined in ASC 820, fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In order to increase consistency and comparability in fair value measurements, ASC 820 establishes a fair value hierarchy that prioritizes observable and unobservable inputs used to measure fair value into three broad levels, which are described below:

Level 1: Quoted prices (unadjusted) in active markets that are accessible at the measurement date for assets or liabilities. The fair value hierarchy gives the highest priority to Level 1 inputs.

Level 2: Observable prices that are based on inputs not quoted on active markets, but corroborated by market data.

Level 3: Unobservable inputs are used when little or no market data is available. The fair value hierarchy gives the lowest priority to Level 3 inputs.

(c) Income Taxes

Income taxes are recognized at the respective income tax rate of 21% for federal income taxes. Deferred tax assets and liabilities if applicable are measured using enacted tax rates expected to be recovered or settled. There are no state income taxes in the state the Company operates within. As of December 31, 2018 there are no deferred tax assets and liabilities. Income tax expense of \$2,025 represents the current years income tax of \$1,996 and the prior year of \$29.

Although the Company has not been made aware of any such examinations being conducted, the past three tax years remain open for federal or state examinations.

(d) Management Estimates

The accompanying financial statements have been prepared in accordance with generally accepted accounting principles ("GAAP"). The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported revenues and expenses during the reporting period. Actual results could differ from those estimates.

(e) Concentration, Risk and Credit Risk

In the normal course of business, the Company's securities activities involve the execution and settlement of various securities transactions for customers. These activities may expose the Company to risk in the event customers are unable to fulfill their contractual obligations. The Company continuously monitors the credit-worthiness of customers. All of the Company revenues originated from its Parent Company during 2018.

(f) Revenue and Expense Recognition

The Company may earn revenue (commissions) from brokerage activities, which will be recognized on the day of trade – trade date basis and carried at market value. Fees for underwriting and placement services would be recognized when the deal is completed and the income is reasonably determinable. Services Income are earned based on the services performed under an agreement with its Parent Company.

(g) Recently Issued Accounting Pronouncements

In February 2016, the Financial Accounting Standards Board (FASB) issued an Accounting Standards Update (ASU) “ASU 2016-02 Leases” intended to improve financial reporting about leasing transactions. The ASU affects all companies and other organizations that lease assets such as real estate, office equipment and manufacturing equipment.

The ASU will require organizations that lease assets – referred to as “lessees” – to recognize on the balance sheet the assets and liabilities for the rights and obligations created by those leases.

Under the new guidance, a lessee will be required to recognize assets and liabilities for leases with lease terms of more than 12 months. Consistent with current Generally Accepted Accounting Principles (GAAP), the recognition, measurement, and presentation of expenses and cash flows arising from a lease by a lessee primarily will depend on its classification as a finance or operating lease. However, unlike current GAAP – which requires only capital leases to be recognized on the balance sheet – the new ASU will require both types of leases to be recognized on the balance sheet.

The ASU on leases will take effect for public companies for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2018. For all other organizations, the ASU on leases will take effect for fiscal years beginning after December 31, 2019, and for interim periods within fiscal years beginning after December 15, 2020. The Company is currently evaluating the impact of this ASU on its financial statements. Early adoption is permitted. The Company has not adopted this guidance for 2018 and is currently evaluating the impact of adopting this guidance.

All other recently issued accounting pronouncements by the Financial Accounting Standards Board, Public Company Accounting Oversight Board, Securities and Exchange Commission and the American Institute of Public Accountants, but not yet effective did not or are not believed by management, to have a material impact on the Company’s present or future financial statements.

(3) Cash – Segregation in Compliance with Federal Regulations

Pursuant to its current status as a broker dealer with FINRA, the Company is required to maintain such funds for regulatory purposes, relating to maintaining cash in a segregated reserve account for the exclusive benefit of its clients.

(4) Net Capital Requirements

The Company is subject to the SEC Uniform Net Capital rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2018 the Company had net capital of \$467,448 which was \$217,448 in excess of its required net capital of \$250,000.

(5) Related Party Transactions

During the year 2018, the Company received \$299,640 of services income from its Parent Company based on an agreement whereby the Company agreed to perform certain research services.

During the year 2018, the Parent Company reimbursed the Company for certain costs incurred over the past year amounting to \$ 14,888 which have been recorded as a reduction to regulatory and accounting fees, business licenses and permits expense.

(6) Commitments and Contingencies

The Company's offices are located at Coral Gables, Florida and the Regus Office Suite at 590 Madison Avenue, 21st floor, New York, New York. The Regus office is a virtual office, all utilities except telephone are included under such rental agreement. The monthly rent for the New York office is in the amount of \$310 and is on a month to month basis. The Florida office lease of \$93 per month expires in December 2019. Rent expense for the year ended December 31, 2018 was \$6,983.

In April 2018, the Company entered into a three year employment agreement with its sole officer, ending March 2021.

(7) Subsequent Event

The Company has evaluated subsequent events for the disclosure purposes through February 22, 2019.
