REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Members
of Archstone Capital, LLC

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of Archstone Capital, LLC (the "Company") as of December 31, 2018, and the related statements of operations, changes in members' equity, and cash flows for the year then ended, and the related notes and schedules (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2018, and the results of its operations and its cash flows for the year then ended, in conformity with the standards of the Public Company Accounting Oversight Board (United States).

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement whether due to error or fraud. The Company is not required to have, nor were we engaged to perform an audit of its internal control over financial reporting. As part of our audit we are required to obtain an understanding of internal control over financial reporting, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to fraud or error, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Engagement Partner Disclosure

The engagement partner on our audit for the year ended December 31, 2018 was John Cropper. Cropper Accountancy Corporation has served as the Company's auditor since 2016.

Other Information

The supplemental information contained in Schedule of Computation of Net Capital Under 15c3-1 of the Securities and Exchange Commission has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Note 1 – Nature of Business and Significant Accounting Policies

Nature of Business

Archstone Capital, LLC (the “Company”) is a broker-dealer registered with the Securities and Exchange Commission (“SEC”) and is a member of the Financial Industry Regulatory Authority (“FINRA”) and the Securities Investors Protection Corporation (“SIPC”). Archstone Capital, LLC is a limited liability company organized under the laws of the State of Delaware. Archstone Capital, LLC is 100% owned by Capstone LLC.

The Company is approved to conduct business as a securities broker-dealer in the private placement of securities for customers and to engage in mergers and acquisition advisory services. For the year ending December 31, 2018, the firm has not generated any revenue from such activities.

Under its membership agreement with FINRA and pursuant to Rule 15c3-3(k)(2)(i), the Company does not execute or clear securities transactions for customers. Accordingly, the Company is exempt from the requirement of Rule 15c3-3 under the Securities Exchange Act of 1934 pertaining to the possession or control of customer assets and reserve requirements.

Basis of Accounting

The books of the Company are maintained on the accrual basis of accounting, whereby revenues are recognized when they are earned and expenses are recognized when they are incurred.

Use of Estimates

The presentation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For the year ending December 31, 2018, the Company has maintained one bank account and has no investments in securities.

Commissions

For the year ending December 31, 2018, the Company has not generated any commission activity. Due to the nature of the Company’s business, any revenue generated may be infrequent.

Income Taxes

As a limited liability company, the Company’s taxable income or loss is allocated to members in accordance with their respective ownership percentage. Therefore, no provision or liability for income taxes has been included in the financial statements.

Management has determined that the Company does not have any uncertain tax positions and associated unrecognized benefits that materially impact the financial statements or related disclosures. Since tax matters are subject to some degree of uncertainty, there can be no assurance that the Company’s tax returns will not be challenged by the taxing authorities and that the Company or its members will not be subject to additional tax, penalties, and interest as a result of such challenge. The Company’s and members’ income tax returns are subject to examination by taxing authorities for a period of three years from the date they are filed.

Note 2 – Related Party Transactions

The Company entered into an expense sharing agreement on February 9, 2017 with Capstone, LLC, the parent owner of Archstone Capital, LLC, for allocation of expenses at a rate of \$1,939/month. These expenses include: 1) admin/salary; 2) internet expenses 3) office supplies; 4) postage and delivery; 5) rent; 6) telecommunications; 7) technology support; and 8) accounting services.

During the 12 months ending December 31, 2018, Capstone, LLC and Archstone Capital, LLC agreed to convert payables due to Capstone, LLC from Archstone Capital, LLC to additional paid-in-capital in lieu of repayment. This amount totaled \$15,912 for payables accrued from December 1, 2017 – August 31, 2018. As a result, the amount due to Capstone, LLC amounted to \$9,695 as of December 31, 2018 to cover the monthly amount per the expense sharing agreement. In addition, Capstone, LLC contributed \$80,000 in capital to Archstone Capital, LLC during the year.

Note 3 – Member’s Equity

From December 31, 2017 to December 31, 2018, total member’s equity increased from \$10,978 to \$39,960. The increase was due to capital contributions by Capstone, LLC and the conversion of payables due to Capstone, LLC from Archstone Capital, LLC into members’ equity.

Capstone, LLC is the sole owner of the Company. Capstone, LLC’s investment in Archstone Capital, LLC was \$279,224 as of December 31, 2018.

Note 4 – Net Capital Requirements

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (“SEC Rule 15c3-1”), which requires the maintenance of a minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 8 to 1, as the Company is within its first 12 months of approval as a broker dealer. At December 31, 2018, the Company had net capital of \$39,960 which was \$34,960 in excess of its required net capital of \$5,000. The Company’s aggregate indebtedness requirement was \$647.

Note 5 – Going Concern

To ensure the Company has sufficient net capital and cash flow to maintain operations, the Company will need to generate revenue and/or obtain additional capital contributions in the calendar year 2019. Failure to receive additional capital or generate revenue will result in the Company’s inability to continue as a broker-dealer. Capstone, LLC remains committed to funding Archstone Capital, LLC as needed to ensure the Company’s ability to remain a going concern. Capstone, LLC invested \$95,912 into the Company in 2018.

Note 6 – Concentrations of Credit Risk And Other Business Concentrations

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Members
of Archstone Capital, LLC

We have reviewed management's statements, included in the accompanying SEC Rule 15c3-3 Exemption, in which (1) Archstone Capital, LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which Archstone Capital, LLC claimed an exemption from 17 C.F.R. §240.15c3-3: (2)(i) (exemption provisions) and (2) Archstone Capital, LLC stated that Archstone Capital, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. Archstone Capital, LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Archstone Capital, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.

Engagement Partner Disclosure

The engagement partner on our audit for the year ended December 31, 2018 was John Cropper. Cropper Accountancy Corporation has served as the Company's auditor since 2016.

SEC Rule 15c3-3 Exemption

Archstone Capital, LLC (the Company) claims only one exemption from SEC Rule 15c3-3 for the fiscal year ending December 2018. The Company is exempt from the requirements of SEC Rule 15c3-3 ("Customer Protection Rule") under subparagraph (k)(2)(i).

There are three types of exemptions to SEC Rule 15c3-3: (k)(1), (K)(2)(i), and (k)(2)(ii). The firm is unable to avail itself to the (k)(2)(ii) exemption as it applies to introducing broker-dealers who have a clearing relationship and do not hold customer funds or securities. The firm does not maintain a clearing relationship.

The Company is exempt under (k)(2)(i) for the following reasons. 1) The firm requested and was granted such exemption in its Membership Agreement with FINRA. 2) The firm does not hold customer funds or securities, in fact does not receive any customer funds or securities. 3) Any transmittal of any funds by a customer would be handled through a bank account in which the firm is not an owner or beneficiary. 4) The firm carries no margin accounts.

The Company met the identified provision throughout the most recent fiscal year without exception.

I, William B. Portwood, swear and affirm that, to my best knowledge and belief, this exemption report is true and correct.
