IMA WEALTH, INC.
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2018

1. BUSINESS OPERATIONS

IMA Wealth, Inc. (the "Company") was incorporated in the State of Kansas in 2000 and is a wholly owned subsidiary of The IMA Financial Group, Inc. ("IMAFG"), a non-bank holding company. The Company is registered with the Securities and Exchange Commission ("SEC") as a limited broker/dealer, and is a member of the Financial Industry Regulatory Authority ("FINRA"). As such, the Company provides mutual fund recommendations and ongoing monitoring services to employer sponsored, employee-directed retirement plans (i.e., 401(k) and 403(b) plans). The Company is also registered with the SEC as an investment advisor. The Company operates under the provisions of Paragraph (k)(1) of Rule 15c3-3 of the SEC and, accordingly, is exempt from the remaining provisions of that Rule. The Company is also a Kansas domiciled insurance agency that makes available non-securities life, disability, and long-term care insurance to individuals and corporate customers.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Cash Equivalents - For purposes of reporting cash flows, the Company considers all highly liquid debt instruments with a maturity of three months or less at the date of purchase to be cash equivalents.

The Company maintains its cash in bank deposit accounts that, at times, may exceed federally insured limits. The Company also maintains cash in a brokerage account. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risk on cash.

Revenue Recognition – On January 1, 2018, the Company adopted the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 606, *Revenues from Contracts with Customers*, by applying the modified retrospective method. Results for reporting periods beginning after January 1, 2018 are presented under Topic 606, while prior period amounts are not adjusted and continue to be reported under the accounting standards in effect for the prior period.

The adoption of FASB ASC Topic 606 did not have an impact on the recognition of the Company's primary sources of revenue such as commissions and fees; therefore, the Company did not record any cumulative effect adjustment to opening equity.

In addition, the Company has elected to use the practical expedient under ASC Topic 340, *Other Assets and Deferred Costs*, whereby the incremental costs of obtaining a contract may be recognized as an expense when incurred if the contract is one year or less.

Advisory fees are recognized as earned in accordance with the terms of the client agreements.

Commissions and fees, consisting primarily of 401(k) finder fees, 401(k) commission trails, insurance commissions and other fees are recorded as earned.

Income Taxes - The Company files consolidated income tax returns with IMAFG. Income taxes are allocated to the Company on the basis of its individual taxable income or loss, using a combined state and federal tax rate of approximately 24%. The result of these allocations is reported on the statements of financial condition under the caption "Income taxes payable, Parent."

IMA WEALTH, INC.
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2018

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes (continued)

When applicable, deferred taxes are provided on a liability method, whereby deferred tax assets are recognized for deductible temporary differences and operating loss and tax credit carryforwards and deferred tax liabilities are recognized for taxable temporary differences. Temporary differences are the differences between the reported amounts of assets and liabilities and their tax bases. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized. Deferred tax assets and liabilities are adjusted for the effects of changes in tax laws and rates on the date of enactment. As of December 31, 2018, there were no deferred tax assets or liabilities.

The Company recognizes the financial effects of a tax position only when it believes it can more likely than not support the position upon an examination by the relevant tax authority. Since the Company files a consolidated tax return with its parent, tax positions taken by the Company are evaluated in the consolidated tax return. As of December 31, 2018, no amounts have been recorded as uncertain tax positions in the Company's financial statements.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect: (1) the reported amounts of assets and liabilities, (2) disclosures such as contingencies, and (3) the reported amounts of revenues and expenses included in such financial statements. Actual results could differ from those estimates.

Intangible Assets - Intangible assets represent the cost to purchase a book of business. The assets are amortized on a straight-line basis over a period of ten years. Amortization expense is approximately \$14,000 per year for the next three years and approximately \$5,900 in the fourth year.

Property and Equipment - Property and equipment are stated at cost. Depreciation is computed over the estimated useful lives of the assets using the straight-line method. Maintenance and repairs are charged to expense as incurred; renewals and betterments are capitalized. The estimated useful lives are as follows:

Furniture, fixtures, and equipment	5 – 7 years
Data processing equipment	3 – 5 years
Leasehold improvements	5 – 15 years

Subsequent Events - Subsequent events have been evaluated through February 22, 2019, which is the date the financial statements were available to be issued. There were no material subsequent events that required recognition or disclosure in the financial statements.

IMA WEALTH, INC.
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2018

3. INCOME TAXES

The income tax provision differs from the amount of income tax determined by applying the U.S. federal income tax rate to pretax income, primarily due to state income taxes and non-deductible expenses.

The Tax Cuts and Jobs Act of 2017 was signed into law on December 22, 2017. The law includes significant changes to the U.S. corporate income tax system, including a federal corporate rate reduction from 35% to 21%. Other than the reduced corporate rate, the Company does not expect a significant change due to the Act.

4. RELATED PARTY TRANSACTIONS

The Company is affiliated through common ownership with IMAFG and its subsidiaries ("Affiliates") which include the Company's Parent, The IMA Financial Group, Inc. The Company shares office space with its Affiliates and is allocated a portion of rent. Administrative, recordkeeping, operational and other services necessary to conduct the Company's operations are provided to the Company by its Parent, other Affiliates or employees of Affiliates. The cost of these services is allocated to the Company. The Company recognized \$981,693 of expenses for 2018 related to these sharing arrangements. The expense is included within expenses on the statement of operations.

The Company owed Affiliates \$119,846, reflected as "Accrued expenses – Parent", on the statement of financial condition at December 31, 2018.

Because the Company is under common ownership and management control with its Affiliates, its operating results and financial position may differ from those that would have been obtained had the Company been autonomous.

5. EMPLOYEE BENEFITS

The Company participates in the IMA Stock Bonus Plan, a plan the IMA Financial Group, Inc. (Parent) sponsors, for the benefit of eligible employees. It is a defined contribution plan subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees enter the plan on January 1 or July 1 following completion of at least 1,000 hours of service in two consecutive years of employment. The plan provides for an annual contribution of a discretionary amount in either cash or common stock, as determined by the Parent. Effective July 1, 2018, the IMA Stock Bonus Plan was terminated.

The Company also participates in the IMA Financial Group, Inc. 401k Profit Sharing Plan and Trust, a plan the IMA Financial Group, Inc. (Parent) sponsors, for the benefit of eligible employees. The Parent reserves the right to amend or terminate the plan at any time. Included in compensation and employee benefits expense in the accompanying statements of income is an estimated contribution of \$105,000 for the year ended December 31, 2018. Included in accounts and producer payables in the accompanying balance sheet is cash contributions due of \$105,000 at December 31, 2018.

IMA WEALTH, INC.
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2018

6. NET CAPITAL REQUIREMENTS

The Company is subject to the SEC uniform net capital rule (Rule 15c3-1), which requires the maintenance of a minimum amount of net capital and requires the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2018, the Company had net regulatory capital and net capital requirements of \$4,188,927 and \$70,765, respectively. The Company's aggregate indebtedness to net capital ratio was .25 to 1.

AGREED-UPON PROCEDURES

To the Board of Directors
IMA Wealth, Inc.

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934 and with the SIPC Series 600 Rules, we have performed the procedures enumerated below with respect to the accompanying Schedule of Form SIPC-3 Revenue of IMA Wealth, Inc. (the "Company") for the year ended December 31, 2018, which were agreed to by IMA Wealth, Inc. and the Securities Investor Protection Corporation (SIPC), solely to assist you and SIPC in evaluating the Company's compliance with the exclusion requirements from membership in SIPC under section 78ccc(a)(2)(A) of the Securities Investor Protection Act of 1970 during the year ended December 31, 2018, as noted on the accompanying Certification of Exclusion from Membership (Form SIPC-3). Management is responsible for IMA Wealth, Inc.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the Public Company Accounting Oversight Board (United States). The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedure we performed is as follows:

1. We compared the total amount included in the accompanying Schedule of Form SIPC-3 Revenue prepared by the Company for the year ended December 31, 2018 to the total revenue in the Company's audited financial statements included on Annual Audited Report Form X-17A-5 Part III for the year ended December 31, 2018, noting no differences.
2. We compared the amount in each revenue classification reported in the Schedule of Form SIPC-3 Revenue prepared by the Company for the year ended December 31, 2018 to supporting schedules and working papers, noting no differences;
3. We recalculated the arithmetical accuracy of the total revenue amount reflected in the Schedule of Form SIPC-3 Revenue prepared by the Company for the year ended December 31, 2018 and in the related schedules and working papers, noting no differences:

We were not engaged to, and did not, conduct an examination, the objective of which would be the expression of an opinion on the Company's claim for exclusion from membership in SIPC. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
