REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Sole Member of Advanced Advisor Group, LLC

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of Advanced Advisor Group, LLC (the "Company") as of December 31, 2018, the related statements of operations, member's equity, and cash flows for the year then ended, and the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2018, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Supplemental Information

The supplemental information has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. § 240.17a-5. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

NOTE 1 - Summary of Significant Accounting Policies

Nature of Business

Advanced Advisor Group, LLC (the Company), is a Minnesota-based LLC with an infinite life that conducts business using a k(1) exemption as a securities broker-dealer and is a member firm of the Financial Industry Regulatory Authority (FINRA). The Company received permission to operate as a member firm with restrictions as outlined in its membership agreement in October 2006. The Company does not and may not acquire, hold or trade securities inventory. It acts solely as a broker of mainly variable annuities, mutual funds and 529 accounts.

Cash and Cash Equivalents

The Company defines cash and cash equivalents as highly liquid, short-term investments with a maturity at the date of acquisition of three months or less. The Company maintains its cash in financial institutions and money market mutual funds. The balances, at times, may exceed federally insured limits.

Commissions Receivable

Commissions receivable are unsecured and no allowance for doubtful accounts is considered necessary as of December 31, 2018.

Revenue Recognition and Related Expenses

Commission income is generated each time a customer enters into a buying transaction. Revenue generated from those transactions are recorded at a point in time and recognized on a trade-date basis. The Company recognizes revenue when the performance obligation is identified and completed, the pricing is agreed upon and the risk and reward of ownership have been transferred to the customer at that time.

Asset Management fees are charged quarterly and are based on a percentage of customer's assets under management. Revenue is recognized over time which is usually quarterly. Fee revenue is recognized at a point in time as services provided and performance obligations in that period are completed, which is distinct from the services.

Income Taxes

The Company is a single member limited liability company classified as a "disregarded entity" for income tax purposes. Accordingly, these financial statements do not include any provision or liability for income taxes since the income and expenses are reported on the individual income tax returns of the sole member and the applicable income taxes, if any, are paid by the member.

The Company is not currently under examination by any taxing jurisdiction. In the event of any future tax assessments, the Company has elected to record the income taxes and any related interest and penalties as income tax expense on the Company's statement of operations.

Management's Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and revenues and expenses during the reporting period. Actual results could differ from those estimates.

(A Limited Liability Company)

NOTE 1 - Summary of Significant Accounting Policies (continued)

Recently Issued Accounting Pronouncement

In May 2014, the FASB issued Accounting Standards Update No. 2014-09 or Accounting Standards Codification (ASC) Topic 606, Revenue from Contracts with Customers (ASU 2014-09) requiring an entity to recognize revenue for the transfer of goods or services equal to the amount that it expects to be entitled to receive for those goods or services. The Company adopted ASU 2014-09 effective January 1, 2018 using the modified retrospective transition approach, which had no impact on the Company's opening member's equity. The Company completed its analysis and the adoption of this guidance did not have a material impact on the Company's financial statements.

NOTE 2 - Net Capital Requirements

The Company is subject to the SEC's Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed fifteen to one. Net capital and the related net capital ratio fluctuate on a daily basis. As of December 31, 2018, the net capital ratio was .51 to 1.0 and net capital was \$507,945, per calculation below, which was \$490,575 in excess of its minimum requirement of \$17,370.

No material differences exist between the net capital calculated above and the net capital computed and reported in the Company's December 31, 2018 FOCUS filing. Per Rule 15c3-3 of the SEC Uniform Net Capital Rule, the Company is exempt under the k(1) exemption.

NOTE 3 - Related Parties

The Company has an agreement with Educators Financial Services (EFS), which is not a registered company, to pay a percentage of shared expenses. EFS is related by common ownership. Shared expenses include office rent, office supplies and a percentage of salaries. Shared expenses incurred by the Company were \$201,531 for the year ended December 31, 2018. Shared expenses due to EFS were \$1,412 as of December 31, 2018 and included in related party payables. The Company has an agreement to pay commissions to EFS based on commissions earned. Commissions paid to EFS for the year ended December 31, 2018 was \$1,016,889. Commissions due to EFS were \$86,712 as of December 31, 2018 and were included in related party payables.

NOTE 4 - Subsequent Events

The Company has evaluated subsequent events occurring through February 28, 2019, the date that the financial statements were available to be issued, for events requiring recording or disclosure in the Company's financial statements.

We have substantially completed our audit of the financial statements of Advanced Advisor Group, LLC (the "Company") as of December 31, 2018 and for the year then ended, in accordance with standards of the Public Company Accounting Oversight Board (United States). In planning and performing our audit, we considered the Company's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. However, as discussed below, we identified a certain deficiency in internal control that we consider to be a significant deficiency.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis.

A material weakness is a deficiency, or combination of deficiencies, in internal control over financial reporting such that there is a reasonable possibility that a material misstatement of the Company's annual or interim financial statements will not be prevented or detected on a timely basis. In this context, a "reasonable possibility" exists when the likelihood of the event occurring is either "reasonably possible" or "probable." These terms are defined as follows:

- > *Reasonably possible*: The chance of the future event or events occurring is more than remote but less than likely.
- > *Probable*: The future event or events are likely to occur.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control over financial reporting that is less severe than a material weakness, yet important enough to merit attention by those responsible for oversight of the Company's financial reporting. We consider the following deficiency to be a significant deficiency:

- > There is a lack of segregation of duties in the accounting department. Additionally, there are no controls in place to compensate for the lack of segregation of duties. Without appropriate segregation of duties, or compensating controls within the accounting department, it is possible the Company may not be able to successfully prevent an error or misstatement from occurring.

This communication is intended solely for the information and use of management, the Sole Member, and others within the organization and is not intended to be and should not be used by anyone other than these specified parties.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Sole Member:

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) Advanced Advisor Group, LLC identified the following provision of 17 C.F.R. § 15c3-3(k) under which Advanced Advisor Group, LLC claimed an exemption from 17 C.F.R. § 240.15c3-3: (1) (the "exemption provisions") and (2) Advanced Advisor Group, LLC stated that Advanced Advisor Group, LLC met the identified exemption provisions throughout the year ended December 31, 2018 without exception. Advanced Advisor Group, LLC management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Advanced Advisor Group, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the conditions set forth in paragraph (k)(1) of Rule 15c3-3 under the Securities Exchange Act of 1934.

To Whom It May Concern:

Advanced Advisor Group, LLC, claims exemption from SEC Rule 15c3-3 under paragraph (k)(1) for the period from January 1, 2018 through December 31, 2018 because our business is limited to the purchase, sale, or redemption of redeemable securities of registered investment companies and we do not hold customer funds or safe keep securities. Paragraph (k)(1) states: The provisions of this rule shall not be applicable to a broker or dealer meeting all of the following conditions:

- (i) The broker's or dealer's transactions as dealer (as principal for its own account) are limited to the purchase, sale and redemption of redeemable securities of registered investment companies or of interests or participations in an insurance company separate account, whether or not registered as an investment company; except that a broker or dealer transacting business as a sole proprietor may also effect occasional transactions in other securities for its own account with or through another registered broker or dealer;
- (ii) The broker's or dealer's transactions as broker (agent) are limited to: (a) the sale and redemption of redeemable securities of registered investment companies or of interests or participations in an insurance company separate account, whether or not registered as an investment company; (b) the solicitation of share accounts for savings and loan associations insured by an instrumentality of the United States; and (c) the sale of securities for the account of a customer to obtain funds for immediate reinvestment in redeemable securities of registered investment companies; and
- (iii) The broker or dealer promptly transmits all funds and delivers all securities received in connection with its activities as a broker or dealer, and does not otherwise hold funds or securities for, or owe money or securities to, customers.

Advanced Advisor Group, LLC, has met the identified exemption provisions above throughout this period without exception.
