Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures include examining, on a test basis, appropriate evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. Review Report of Independent Registered Public Accounting Firm

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) TLS Financial Services, Inc. identified the following provisions of 17 C.F.R. § 15c3-3(k)(2)(i) under which TLS Financial Services, Inc. claimed an exemption from 17 C.F.R. § 240.15c3-3: (k)(2)(i) (the "exemption provisions") and (2) TLS Financial Services, Inc. stated that TLS Financial Services, Inc. met the identified exemption provisions throughout the most recent fiscal year ended December 31, 2018 without exception. TLS Financial Services, Inc. management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about TLS Financial Services, Inc. compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

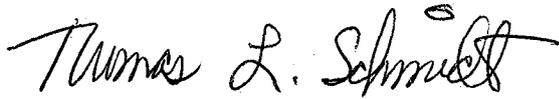

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the conditions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
