1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of Business – FinPro Capital Advisors, Inc. (the “Company”) was incorporated on March 8, 2011 under the laws of the State of New Jersey and is a wholly owned subsidiary of FinPro, Inc. (the “Parent”).

The Company became a registered broker-dealer on May 21, 2012 with the Securities and Exchange Commission (the “SEC”) and is a member of the Financial Industry Regulatory Authority, Inc. (“FINRA”). The Company provides investment banking services including merger and acquisition advisory services, purchase and assumption transactions, fairness opinions, capital raising, valuation and due diligence services for financial institutions. The Company does not have any trading accounts nor does it carry customer accounts, and accordingly is exempt from the Securities and Exchange Commission's Rule 15c-3-3 (the customer protection rule) pursuant to provision K(2)(i) of such rule.

Basis of Financial Statement Presentation – The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“US GAAP”). The accounting policies and reporting practices of the Company conform to the predominant practices in the broker-dealer industry.

Use of Estimates – Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported revenues and expenses. Actual results could differ from those estimates.

Subsequent Events – The Company has considered subsequent events and transactions through February 27, 2019, the date the financial statements were issued, noting no material events requiring disclosure or recognition in the Company’s financial statements.

Revenue Recognition – Effective January 1, 2018, the Company adopted ASC Topic 606, Revenue from Contracts with Customers (“ASC Topic 606”). The new revenue recognition standard requires that an entity recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The standard requires an entity to follow a five-step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies a performance obligation. In determining the transaction price, an entity may include variable consideration only to the extent that it is probable that a significant reversal in the amount of cumulative revenue recognized would not occur when the uncertainty associated with the variable consideration is resolved. The Company applied the modified retrospective method of adoption which resulted in no adjustment to member's equity as of January 1, 2018.

FINPRO CAPITAL ADVISORS, INC.
Notes to Financial Statements
December 31, 2018

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Significant judgments

Revenue from contracts with customers includes success fees and advisory fees. The recognition and measurement of revenue is based on the assessment of individual contract terms. Significant judgment is required to determine whether performance obligations are satisfied at a point in time or over time; how to allocate transaction prices where multiple performance obligations are identified; when to recognize revenue based on the appropriate measure of the Company's progress under the contract; and whether constraints on variable consideration should be applied due to uncertain future events.

Advisory fees

The Company provides advisory services on mergers and acquisitions, restructurings, other strategic transactions. These revenues include success fees earned in connection with advising companies. The Company also earns fees for related advisory work such as providing fairness opinions. Revenue for advisory arrangements is generally recognized at the point in time when the services for the transactions are completed under the terms of each engagement. However, for certain contracts, revenue is recognized over time for advisory arrangements in which the performance obligations are simultaneously provided by the Company and consumed by the customer. In some circumstances, significant judgment is required to determine the timing and measure of progress appropriate for revenue recognition under a specific contract. Payment for revenue is due upon invoicing.

Placement agent fees

The Company earns agency placement fees in non-underwritten transactions, including private placements of debt and equity securities. The Company records placement revenues at the point in time when the services for the transactions are completed under the terms of each engagement.

Contract assets and liabilities

Contract assets represent the Company's right to consideration in exchange for goods or services that the Company has transferred to a customer, excluding unconditional rights to consideration that are presented as receivables. Contract liabilities represent the Company's obligation to deliver products or provide data to customers in the future for which cash has already been received.

FINPRO CAPITAL ADVISORS, INC.
Notes to Financial Statements
December 31, 2018

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Accounts Receivable – Accounts receivable include retainer and success fees due from clients. Management reviews all accounts receivable balances, determines a course of action on any delinquent amounts, and provides an allowance for amounts which collection is considered to be doubtful. Account balances are written off against the allowance after all means of collection have been exhausted and the potential for recovery is considered remote. At December 31, 2018, management believed no valuation allowance was warranted. The accounts receivable balance at December 31, 2017 was \$19,500.

Cash and Cash Equivalents – For purposes of presentation on both the statements of financial condition and cash flows, the Company considers highly liquid instruments, with original maturities of three months or less that are not held for sale in the ordinary course of business, to be cash and cash equivalents. Cash and cash equivalent balances may, at a limited number of banks and financial institutions, periodically exceed Federal Depository Insurance Corporation (“FDIC”) insurance coverage. The Company believes it mitigates this risk by investing in or through major financial institutions and primarily in funds that are insured by the United States federal government.

Fair Value of Financial Instruments – The Company's financial assets and liabilities are carried at fair value or at amounts that, because of their short-term nature, approximate fair value.

Income Taxes – Effective January 1, 2014, the Company and the Parent have elected S-Corporation status for Federal and New Jersey income tax purposes. The Company is a qualified subchapter S subsidiary and is therefore included in the consolidated Federal income tax return filed by the Parent. The Company files its own New Jersey income tax return. Under these elections, the Company makes no provision for Federal and New Jersey income taxes, but may be subject to taxes in other states where registered to do business. The stockholder's allocable share of the Company's income or loss is reportable on his or her income tax returns.

The Company recognizes and measures tax positions taken or expected to be taken in its tax return based on their technical merit and assesses the likelihood that the positions will be sustained upon examination based on the facts, circumstances and information available at the end of each period. The U.S. Federal jurisdiction and New Jersey are the major tax jurisdictions where the Company files income tax returns. Interest and penalties on tax liabilities, if any, would be recorded in expenses. No interest expense or penalties have been assessed for the year ended December 31, 2018.

FINPRO CAPITAL ADVISORS, INC.
Notes to Financial Statements
December 31, 2018

2. RELATED PARTY TRANSACTIONS

The Company shares its office space as well as various administrative services with the Parent. The Company entered into an expense sharing agreement whereby all expenses associated with the operations of the Company paid by the Parent were charged to the Company. Under the terms of the agreement, certain expenses of the Parent such as payroll costs, rent and office expenses are allocated to the Company and included in their respective accounts on the accompanying statement of income.

In accordance with the expense sharing agreement, the Company reimbursed the Parent for its allocated share on non-payroll related overhead expenses totaling \$20,113 for the year ended December 31, 2018. The Company also reimbursed the Parent for its allocated share of employee compensation, bonuses and other payroll-related expenses paid on its behalf totaling \$1,945,430 for the year ended December 31, 2018.

During 2018, the Company entered into a short-term loan agreement with its Parent, FinPro, Inc. The amount of the loan was \$100,000 and was paid off over the course of three months. At December 31, 2018, no outstanding balances were due from its Parent.

3. MAJOR CUSTOMERS

Advisory fees from three customers were 66% of total advisory fees for the year ended December 31, 2018.

Accounts receivable from one other customer represents 94% of total accounts receivable at December 31, 2018.

4. REGULATORY REQUIREMENTS

The Company, as a registered broker-dealer, is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2018, the Company had net capital of \$72,754, which exceeded the minimum requirement of \$5,000 by \$67,754. The ratio of aggregate indebtedness to net capital was .58 to 1.

The Company is exempt from the provisions of Rule 15c3-3 under the Securities Exchange Act of 1934 under paragraph (k)(2)(i).

FINPRO CAPITAL ADVISORS, INC.
Notes to Financial Statements
December 31, 2018

5. COMMITMENTS AND CONTINGENCIES

Lease Commitments – The Company and its Parent consolidated operations to provide for more effective cross-training and allocate additional resources to the Parent. As such, the Company was released from its formal obligation under a sub-lease agreement with the Parent for office space. Instead, the Company paid its allocation of office space under the expense sharing agreement with the Parent based on headcount. For the year ended December 31, 2018, occupancy expense was \$10,992 and is included in occupancy costs on the statement of income.

Contingent Liabilities – The Company may become involved in legal claims arising in the ordinary course of business. In the opinion of management, the resolution of these matters will not have a material effect on the Company’s financial position or results of operations. Currently, there are no known or threatened claims.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Shareholder of
FinPro Capital Advisors, Inc.
(A Wholly-Owned Subsidiary of FinPro, Inc.)

We have reviewed management's statements, included in the accompanying Exemption Report for SEA Rule 17a-5(d)(4), in which (1) FinPro Capital Advisors, Inc. identified the following provisions of 17 C.F.R. §15c3-3(k) under which FinPro Capital Advisors, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3:(k)(2)(i) (the "exemption provisions") and (2) FinPro Capital Advisors, Inc. stated that FinPro Capital Advisors, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. FinPro Capital Advisors, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about FinPro Capital Advisors, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.

- 5) Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed, noting no differences.

We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on FinPro Capital Advisors, Inc.'s compliance with the applicable instructions of the Form SIPC-7 for the year ended December 31, 2018. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you
