## Notes to Financial Statements

December 31, 2018

### (1) Organization

Jones Lang LaSalle Securities, L.L.C. (the Company), a subsidiary of Jones Lang LaSalle Americas Inc., was incorporated in the state of Illinois on April 24, 2002. Jones Lang LaSalle Americas (Illinois), L.P., the founding member of the Company, transferred its membership interest to Jones Lang LaSalle Americas, Inc. (Parent Company and Member) on November 16, 2009.

The Company was created to conduct transactions as a broker or dealer in the securities and investment advisory business and is registered with the Securities and Exchange Commission, Financial Industry Regulatory Authority (the FINRA) (formerly, the National Association of Securities Dealers Regulation, Inc. (the NASD), the Municipal Securities Rulemaking Board (the MSRB) and various states. The Company's FINRA Membership was approved on June 25, 2002. The company primarily engages as a broker dealer entity that distributes private real estate funds sponsored and/or advised by third parties and participates in investment banking, municipal advisory and limited municipal underwriting activities. The Company operates pursuant to SEC Rule 15c3-3(k)(2)(i) (the Customer Protection Rule) and does not hold customer funds or safe-keep customer securities.

### (2) Summary of Significant Accounting Policies

#### (a) *Use of Estimates*

The preparation of the financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### (b) *Limitation on Withdrawal of Equity Capital*

The Company's policy is to give written notice to the FINRA two business days prior to any equity withdrawals that exceed \$500,000 and, on a net basis, exceed 30% of the Company's excess net capital, in any 30-day period. The Company made one equity distribution in 2018 in the amount of \$1,000,000.

#### (c) *Fees*

The Company recognizes revenues as the related advisory and professional investment banking services are provided unless future contingencies exist. If future contingencies exist, the Company defers recognition of this revenue until the contingencies have been satisfied. The Company also earns transaction-based revenues through the sale of private placement securities and recognized upon the transaction closing. The Company pays commissions to its representatives for generating both fee and transaction-based revenue. The Company records commission expense concurrent with revenue recognition as services are provided.

(d) *Reimbursable Income*

Reimbursable income is comprised of expenses incurred on behalf of and reimbursed by the client, as further described below.

(e) *Recent Accounting Pronouncements - Revenue Recognition*

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update No. 2014-09, Revenue from Contracts with Customers (“ASU 2014-09”). ASU 2014-09 supersedes the revenue recognition requirements in Accounting Standards Codification Topic 605, “Revenue Recognition”, and requires entities to recognize revenue when they transfer control of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled to in exchange for those goods or services. ASU 2014-09 also requires additional disclosure about the nature, amount, timing and uncertainty of revenue and cash flows arising from customer contracts, including significant judgments and changes in judgments and assets recognized from costs incurred to obtain or fulfill a contract. ASU 2014-09 permits the use of either the retrospective or cumulative effect transition method. The FASB has issued several amendments to the standard, including principal versus agent guidance and identifying performance obligations.

The Company adopted ASU 2014-09 effective January 1, 2018 using the modified retrospective transition method applied to those contracts which were not completed as of that date. No cumulative effect adjustment to retained earnings was recorded as a result of the adoption of ASU 2014-09. The adoption of ASU 2014-09 did not impact the Company’s statement of operations for the year ended December 31, 2018. See note 2, Revenue Recognition, for revenue recognition disclosures required by ASU 2014-09.

(3) **Revenue Recognition**

Revenue earned during the year ended December 31, 2018 under agreements with clients includes the following.

	<u>Year Ended December 31, 2018</u>

## Notes to Financial Statements

December 31, 2018

The Company performs investment banking services involving structured finance solutions for real estate related institutional private placements. Services include advisory relationships, structuring private placements of securities, and placement of securities resulting from the engagement. Compensation for each relationship is negotiated independently, based on the nature of the engagement and may be a fixed one-time or ongoing fee. The Company may also recognize income from securities transactions executed on a principal basis for private placement securities structured as part of the engagement. The Company recognized revenue of \$3,748,086 from four investment banking client engagements in 2018.

The Company performed municipal advisory services for three non-profit organizations during 2018. Municipal advisory services include both advice regarding the issuance of municipal securities and/or advice on the use of proceeds from such offerings. Municipal advisory fees are negotiated prior to performing advisory services and are for a specific dollar amount, not dependent on transaction proceeds. The fees are paid upon completion of the offering of securities resulting from the advice or investment of proceeds from such offerings. All Company revenue for 2018 resulted from advice on offerings. The Company recognized revenue of \$198,000 from municipal advisory services in 2018.

The Company serves as a placement agent of real estate private placement offerings and receives commission based on the amount of assets invested in the offering. The Private Placement offerings are pooled investment vehicles with multiple shareholders. The primary focus of placement activity is on institutional investors. The Company accrues for revenue and commissions when the services have been completed, and pays out the commissions upon receipt of payment. Payments are made upon initial funding by investors with additional commissions received at a later date if investors remain in the program for a pre-determined length of time. For 2018, all commission revenue from the private placements resulted from initial investment in the offerings by two investors. The Company recognized revenue of \$906,908 from placement services in 2018.

The Company incurs certain costs in connection with its performance obligation to provide investment banking, placement agent and municipal advisory services for which it receives reimbursement from clients. Such costs are included in selling, general, and administrative expenses in the Company's consolidated statements of income. If the Company controls the services before they are transferred to the funds, it is acting in the capacity of a principal and reimbursement for these costs is presented on a gross basis in other revenue in the Company's consolidated statements of income. The Company recognized revenue of \$16,775 from reimbursable income in 2018.

#### **(4) Income Taxes**

The Company is a limited liability company which is treated for federal and state income tax purposes as a disregarded entity and is not subject to income taxes. Accordingly, the accompanying financial statements contain no provision for income taxes. In 2015, the Company and the Parent Company executed an agreement which explicitly excludes taxes from the

expense sharing arrangement signed by both parties. The Company had no uncertain tax positions which would require the Company to record a tax exposure liability as of December 31, 2018.

The Company does not have a tax-sharing agreement with the Parent Company and no payments have been made between the Company and its Parent Company for tax reimbursements.

The Company has disclosed a pro forma tax expense as though the Company filed a separate tax return for purposes of its Parent Company reporting. For the year ended December 31, 2018, the income tax expense of \$893,533 was computed by applying an estimated tax rate of 29.5%.

**(5) Net Capital Requirement**

As a registered broker-dealer, the Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule 15c3-1, which requires the maintenance of the greater of minimum net capital of \$150,000, or 6 2/3% of aggregate indebtedness, and that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. The rule of the "applicable" exchange also provides that equity capital may not be withdrawn, or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. On December 31, 2018, the Company had net capital and net capital requirements of \$7,702,317 and \$150,000, respectively. On December 31, 2018, the Company's ratio of aggregate indebtedness to net capital was approximately 0.017 to 1.00.

**(6) Limited Liability Company Agreement**

Pursuant to the terms of the Amended and Restated LLC Agreement, Jones Lang LaSalle Americas, Inc. is the sole member of the Company and contributes to the management of the operations of the Company.

The Company shall terminate on December 31, 2102, unless terminated earlier as provided in the LLC Agreement.

Except as provided in the Illinois Limited Liability Company Act, a member shall not be personally liable for any debt, obligation or liability of the Company solely by reason of being a member of a limited liability company.

**(7) Transactions with Related Parties**

The Company and its Parent Company maintain an expense sharing agreement (the Agreement), whereby the Parent Company provides certain services at no cost to the Company. Services under the Agreement include certain compensation and occupancy costs, including lease of office space, the use of furnishings as well as the information technology infrastructure provided by the Parent Company and were approximately \$2,915,435 during 2018. The Company has and will continue to record expenses for which it is directly or indirectly liable, such as business license, employee commission expense, and professional fees, in its statement of operations. The parent company paid a total of \$391,457 of invoices and travel expenses on behalf of the

The Member  
Jones Lang LaSalle Securities, L.L.C.:

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934 and with the Securities Investor Protection Corporation (SIPC) Series 600 Rules, we have performed the procedures enumerated below with respect to the accompanying General Assessment Reconciliation (Form SIPC-7) for the year ended December 31, 2018, which were agreed to by Jones Lang LaSalle Securities, L.L.C. 4. Recalculated the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related supporting schedules and working papers supporting the adjustments, and noted no differences; and
5. Compared the amount of any overpayment applied to the current assessment with Form SIPC-7 on which it was originally computed, and noted no difference.

We were not engaged to, and did not, conduct an examination or a review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Company's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

## Report of Independent Registered Public Accounting Firm

The Member  
Jones Lang LaSalle Securities, L.L.C.:

We have reviewed management's statements, included in the accompanying Assertions Regarding Exemption Provisions (the Exemption Report), in which (1) Jones Lang LaSalle Securities, L.L.C. (the Company) identified the following provisions of 17 C.F.R. § 15c3-3 (k) under which the Company claimed an exemption from 17 C.F.R. § 240.15c3-3 (k)(2)(i) (the exemption provisions); and (2) the Company stated that it met the identified exemption provisions throughout the year ended December 31, 2018 without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
