Peak Brokerage Services, LLC.

Notes to the Financial Statements For the Year Ended December 31, 2018

NOTE 1 – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

Organization and Nature of Business

Peak Brokerage Services, LLC (the Company) is a brokerage firm and a majority owned subsidiary of Peak Reps, LLC. The Company is registered as a broker-dealer pursuant to Section 15(b) of the Securities Exchange Act of 1934, and has two sister companies: one being Blackridge Asset management, a registered investment advisor with the Securities and Exchange Commission (the SEC) and the other, Top Advisors Group, LLC, a licensed, insurance marketing organization. The Company is subject to regulation and oversight by the SEC (CIK # 0001515119) and the Financial Industry Regulatory Authority, Inc. (FINRA) (FINRA CRD #: 158045; SEC #: 8-68829).

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Financial Statement Presentation

The financial statements are prepared in accordance with generally accepted accounting principles in the United States, (GAAP), which require the Company to make estimates and assumptions regarding the valuation of certain financial instruments, intangible assets, allowance for doubtful accounts, share-based compensation, accruals for liabilities, income taxes, revenue and expense accruals, and other matters that affect the financial statements and related disclosure. Actual results could differ from those estimates under different assumptions or conditions and the differences may be material to the consolidated financial statements.

Rule 15c3-3 Exemption

The Company, under Rule 15c3-3(k)(2)(ii), is exempt from the reserve and possession or control requirements of Rule 15c3-3 of the Securities and Exchange Commission. The Company does not carry or clear customer accounts.

Notes to the Financial Statements For the Year Ended December 31, 2018

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Inter-company Expense Allocations

The Company's financial statements reflect allocations of certain occupancy, equipment and personnel-related expenses that are paid on its behalf by Peak Reps, LLC and reimbursed by the Company. Personnel-related allocations include salaries and costs attributable to the employees of the Company participating in other benefit plans sponsored by Peak Reps, LLC. In the opinion of management, the expenses allocated to the company approximate the actual costs incurred.

Revenue Recognition

Transaction-based sales commissions are recognized as revenue on a trade-date basis, which is when the Company's performance obligations in generating the commissions have been substantially completed. The Company settles a significant volume of transactions that are initiated directly between its representatives and product sponsors, particularly regarding mutual fund, 529 education savings plan, fixed and variable annuity, and insurance products. As a result, management must estimate a portion of its commission revenues earned from clients for purchases and sales of these products for each accounting period for which the proceeds have not yet been received. These estimates are based on the amount of commissions earned from transactions in these products in prior periods.

Trailing commission revenues include mutual fund, 529 education savings plans, and fixed and variable product trailing fees that are recurring in nature. These trailing fees are earned by the Company based on a percentage of the current market value of clients' investment holdings in trail-eligible assets and recognized over the period during which services are performed. Because trailing commission revenues are generally paid in arrears, management estimates much of trailing revenues earned during each period.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Cash and Cash Equivalents

Cash equivalents are highly liquid investments with an original maturity of 90 days or less that are not required to be segregated under federal or other regulations. The Company's cash and cash equivalents are composed of interest-bearing and noninterest-bearing deposits.

Securities

All securities including securities segregated under federal regulations are reported at fair value on trade date. Net unrealized and realized gains and losses on securities are to be included as revenue in the statement of results of operations. As of December 21, 2018, the Company does not have ownership of any securities.

Receivables from and Payables to Clients

The Company does not maintain any deposit accounts for clients and thus, is not subject to the segregated reporting under Rule 15c3-3 of the Security Exchange Act of 1934, as amended, and other regulations.

Receivables from Others

Receivables from others primarily consist of amounts due from representatives. Management does not maintain an allowance for uncollectible amounts. All amounts due from representatives are mandatorily paid in full within 30 days. Management monitors the need for an allowance estimate through periodic evaluations against actual historical results.

For the Year Ended December 31, 2018

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Fixed Assets

Leasehold improvements, computers and software, and furniture and equipment are recorded at historical cost, net of accumulated depreciation and amortization. Management has elected to capitalize any single asset where the initial cost and cost of installation exceeds \$2,500. Depreciation is recognized using the straight-line method over the estimated useful lives of the assets.

Management reviews fixed assets for impairment whenever events or changes in circumstances indicate the carrying amount of the assets may not be recoverable. No material impairment occurred for the years ended December 31, 2018.

The components of fixed assets were as follows:

| | | |
|--------------------------|-----------|----------|
| Furniture & equipment | \$ | 9,806 |
| Accumulated depreciation | | (9,806) |
| Fixed assets, net | \$ | - |

Accounts Payable and Accrued Liabilities to Others

Payables to others primarily consist of amounts due for ongoing monthly office expenses and a cost sharing agreement with Peak Reps, LLC. All amounts are paid within the due date.

Accounts payable and accrued liabilities were as follows:

| | | |
|---|-----------|----------------|
| Commissions payable | \$ | 384,249 |
| Accounts payable | | 16,999 |
| Expense share payable & E&O insurance premiums due | | 99,060 |
| Total Accounts Payable and Accrued Liabilities | \$ | 500,308 |

Peak Brokerage Services, LLC

Notes to Financial Statements For the Year Ended December 31, 2018

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Commitments and Contingencies

The Company recognizes a liability with regard to loss contingencies when it believes it is probable a liability has occurred, and the amount can be reasonably estimated. If some amount within a range of loss appears at the time to be a better estimate than any other amount within the range, the Company accrues that amount. When no amount within the range is a better estimate than any other amount, however, the Company accrues the minimum amount in the range.

The Company, as a rule will establish an accrual for those legal proceedings and regulatory matters for which a loss is both probable and the amount can be reasonably estimated, except as otherwise covered by third-party insurance or self-insurance through the Company's Captive Insurance subsidiary.

Guarantees

The Company occasionally enters into certain types of contracts that contingently require it to indemnify certain parties against third-party claims. The terms of these obligations vary and because a maximum obligation is not explicitly stated, the Company has determined that it is not possible to make an estimate of the amount that it could be obligated to pay under such contracts.

The Company provides guarantees to securities clearing houses and exchanges under their standard membership agreements, which require a member to guarantee the performance of other members. Under these agreements, if a member becomes unable to satisfy its obligations to the clearing houses and exchanges, all other members would be required to meet any shortfall. The Company's liability under these arrangements is not quantifiable and may exceed the cash and securities it has posted as collateral. However, the potential requirement for the Company to make payments under these agreements is remote. Accordingly, no liability has been recognized for these transactions.

Peak Brokerage Services, LLC

Notes to Financial Statements For the Year Ended December 31, 2018

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Legal & Regulatory Matters

The Company is subject to extensive regulation and supervision by United States federal and state agencies and various self-regulatory organizations. The Company and its representatives periodically engage with such agencies and organizations, in the context of examinations or otherwise, to respond to inquiries, informational requests, and investigations. From time to time, such engagements result in regulatory complaints or other matters, the resolution of which can include fines and other remediation. Assessing the probability of a loss occurring and the amount of any loss related to a legal proceeding or regulatory matter is inherently difficult. While the company exercises significant and complex judgements to make certain estimates presented in its consolidated financial statements, there are particular uncertainties and complexities involved when assessing the potential outcomes of legal proceedings and regulatory matters. The Company's assessment process considers a variety of factors and assumptions, which may include the procedural status of the matter and any recent developments; prior experience and the experience of others in similar matters; the size and nature of potential exposures; available defenses; the progress of fact discovery; the opinions of counsel and experts; potential opportunities for settlement and the status of any settlement discussions; as well as the potential for insurance coverage and indemnification, if available. The Company monitors these factors and assumptions for new developments and re-assesses the likelihood that a loss will occur and the estimated range or amount of loss, if those amounts can be reasonably determined.

The Company maintains third-party insurance coverage for certain potential legal proceedings, including those involving client claims. With respect to client claims, the estimated losses on many of the pending matters are less than the applicable deductibles of the insurance policies.

Recently Issued Accounting Pronouncements

In August 2016, the FASB issued ASU 2016-15, *Statement of Cash Flows (Topic 230): Classification of Certain Cash Receipts and Cash Payments*, which clarifies how companies present and classify certain cash receipts and cash payments in the statement of cash flows. The Company adopted the provisions of this guidance on January 1, 2018. The Company recognizes the impact the new rule has had on its financial statements and related disclosures.

Recently Issued Accounting Pronouncements – (continued)

In November 2016, FASB issued ASU 2016-18, *Statements of Cash Flows (Topic 230) Classification and Presentation of Restricted Cash in the Statements of Cash Flows*, which requires that restricted cash and restricted cash equivalents be included as components of total cash and cash equivalents in the statement of cash flows. The Company adopted the provisions of this guidance on January 1, 2018. The adoption was not expected to have a material impact on its financial statements but does impact the presentation of the cash flow statement and the Company's disclosures. In May 2014, FASB issued ASU 2014-09, *Revenue from Contracts with Customers* (Topic 606), to codify the new guidance on revenue from contracts with customers. The Company adopted the provisions of this guidance on December 16, 2016. The Company recognizes the impact the rule has had on its financial statements and related disclosures.

Income Taxes

The Company is taxed as a Partnership for federal income tax purposes. Therefore, the Financial Statements do not include a provision for income taxes since the Company is not a taxable entity. The Company's partners will pay taxes on the Company's earnings. The Company files a separate pass-through income tax return for federal and state purposes. At the year ended December 31, 2018, management has determined the Company had no uncertain tax positions requiring recognition and reporting. This determination will always be subject to ongoing reevaluation as facts and circumstances may require. The Company's open tax years (2015 through 2018) remain subject to income tax audits.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Peak Brokerage Services, LLC

Notes to Financial Statements For the Year Ended December 31, 2018

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Fair Value of Financial Instruments

The Company measures its financial assets and liabilities in accordance with generally accepted accounting principles. For many of the Company's financial instruments, including cash, receivables, other assets, commissions payable, salaries, and accounts payable, the carrying amount of these instruments reflect the approximate fair value due to their short maturities.

NOTE 3 – FINANCIAL INSTRUMENTS AND CONCENTRATION OF RISK

Financial instruments subject to concentration risk are cash and cash equivalents. The Company maintains depository cash with one banking institution. Depository accounts are insured by the Federal Depository Insurance Company ("FDIC") to a maximum of \$250,000, per bank, per depositor. The total cash and cash equivalents for the Company exceeding the FDIC insured limit is \$49,648, as of December 31, 2018.

NOTE 4 – RELATED PARTY TRANSACTIONS

The Company has related party transactions with Peak Reps, LLC who provides certain services to the Company under an expense sharing agreement. Reported in this period include amounts for rent, payroll, and computer programs totaling \$504,103.

NOTE 5 – NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule 15c3-1 ("Rule"), requiring the maintenance of minimum net capital. The Rule prohibits the Company from engaging in securities transactions during any time the Company's net capital, as defined by the Rule, is less than five thousand dollars (\$5,000), or, if the ratio of aggregate indebtedness to net capital, both as defined, exceed 15:1 (and the rule of "applicable" exchange provides that equity capital may not be withdrawn, or cash dividends be paid, if the resulting net capital ratio exceeds 12:1.) The net capital rules also provide that the broker-dealer's capital may not be withdrawn if resulting net capital would be less than minimum requirements. Additionally, certain withdrawals require the approval of the SEC and FINRA to the extent they

NOTE 5 – NET CAPITAL REQUIREMENTS *(Continued)*

exceed defined levels, even though such withdrawals would not cause net capital to be less than minimum requirements. Net capital and the related net capital requirement may fluctuate daily.

At December 31, 2018, the Company has net allowable capital of \$140,786, exceeding the requirement of \$33,354.

NOTE 6 – CONCENTRATION OF CREDIT RISK

Financial instruments that potentially subject the Company to concentration of credit risk consist principally of cash deposits. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (“FDIC”) up to \$250,000. At December 31, 2018, had \$49,648, in excess of the FDIC insured limit.

NOTE 7 – REGULATORY REQUIREMENTS

The Company is exempt from the provisions of Rule 15c3-3 under the Securities Exchange Act of 1934. The Company does not hold customers’ cash or securities.

NOTE 8 – SUBSEQUENT EVENTS

Management has performed an evaluation of subsequent events through February 14, 2019, the date the financial statements were available to be issued. The evaluation did not result in any material subsequent events requiring adjustment and/or disclosure.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Managing Members
of PEAK BROKERAGE SERVICES, LLC

We have reviewed management's statements, included in the accompanying Rule 15c3-3 Exemption Report, in which (1) Peak Brokerage Services, LLC, identified the following provisions of 17 C.F.R. §15c3-3(k) under which Peak Brokerage Services, LLC, claimed an exemption from 17 C.F.R. §240.15c3-3(2)(ii) (exemption provisions) and (2) Peak Brokerage Services, LLC, stated that Peak Brokerage Services, LLC, met the identified exemption provisions throughout the most recent fiscal year without exception. Peak Brokerage Services, LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Peak Brokerage Service, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
