REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Directors and Members of Pacific Point Securities, LLC

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of Pacific Point Securities, LLC (the Company) as of December 31, 2018, and the related statements of operations, changes in members' equity and cash flows for the year ended December 31, 2018, and the related notes (collectively, the financial statements). In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2018, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

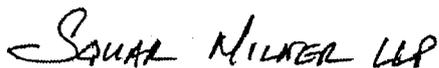

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audit we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. Our audit included performing procedures to access the risks of material misstatement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Supplemental Information

The supplementary information contained in Schedules I, II and III (the Supplemental Information) has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The Supplemental Information is the responsibility of the Company's management. Our audit procedures included determining whether the Supplemental Information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the Supplemental Information. In forming our opinion on the Supplemental Information, we evaluated whether the Supplemental Information, including its form and content, is presented in conformity with 17 C.F.R. § 240.17a-5. In our opinion, the supplementary information in Schedules I, II and III is fairly stated, in all material respects, in relation to the financial statements as a whole.

We have served as the Company's auditor since 2014.

PACIFIC POINT SECURITIES, LLC
Notes to Financial Statements
For the Year Ended December 31, 2018

NOTE 1 - DESCRIPTION OF BUSINESS

Pacific Point Securities, LLC (the "Company") is a managing broker-dealer of private placement of securities in oil and gas, real estate, debt and other direct participation programs. The Company was formed in the State of Nevada on April 7, 2009. Per the Company's Operating Agreement (the "Agreement"), the Company shall stay in existence until perpetuity, unless the Company dissolves before such date in accordance with the provisions of the Agreement. The Company's home office is located in Anaheim, California.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies and practices of the Company are as follows:

Basis of presentation - Management believes that the Company's accounting policies conform to accounting principles generally accepted in the United States of America ("GAAP") in all material respects, and have been consistently applied in preparing the accompanying financial statements.

Cash and cash equivalents - The Company considers all highly liquid short-term investments with original maturities of three months or less when purchased to be cash equivalents. The Company had no cash equivalents as of December 31, 2018.

GAAP requires the disclosure of the fair value, if reasonably obtainable, of the Company's financial instruments. Management believes that the book carrying amounts of the Company's financial instruments include primarily cash. Because of its short-term nature, the carrying amount approximates its fair value as of December 31, 2018. The Company does not have any assets or liabilities that are measured at fair value on a recurring basis and, during the year ended December 31, 2018, did not have any assets or liabilities that were measured at fair value on a nonrecurring basis.

Recognition of revenue and income - Securities transactions are recorded on a trade date basis, generally the third business day following the transaction date. The Company had no revenue for the year ended December 31, 2018.

Income taxes - A limited liability company is treated as a partnership (pass-through entity) for income tax purposes and is not subject to income taxes. The taxable income or loss of the Company is includible in the individual income tax returns of its members based upon their percentage of ownership. Consequently, only the \$800 minimum franchise tax for the State of California has been recorded as a tax and included within other operating expenses in the Statement of Operations. The Company's tax returns remain open for federal examination for three years from the date of filing and four years for the State of California. The Company is not currently under examination by any taxing authority, nor has it been notified of pending examination. The Company follows the provisions of uncertain tax positions as addressed in

PACIFIC POINT SECURITIES, LLC
Notes to Financial Statements
For the Year Ended December 31, 2018

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Financial Accounting Standards Board ("FASB") Accounting Standards Codification 740, *Income Taxes*. Based on management's evaluation, the Company has no uncertain tax positions at December 31, 2018 that would require recognition in the financial statements. The Company has elected to include interest and penalties related to its tax contingencies in income tax expense. No interest or penalties have been accrued or charged to expense as of and for the year ended December 31, 2018.

Use of estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Liquidity matters - The Company has had no operations since 2012. During the year ended December 31, 2018, the Company had \$24,128 and \$24,073 of net losses and negative cash flows from operating activities, respectively. The Company has historically relied on its members to fund operations and the members remain committed to fund future operations, when necessary. As such, management believes that the Company's current cash position and future contributions will be sufficient to fund the Company's obligations over the next twelve months.

NOTE 3 - REGULATORY

The Company is subject to the Securities and Exchange Commission (the "SEC") Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital. As of December 31, 2018, the Company had net capital of \$26,353 (as defined in Rule 15c3-1) which was \$21,353 in excess of its required net capital of \$5,000.

NOTE 4 - RELATED PARTIES

Capital contributions from members - The Company has been relying on contributions from its members to pay for its expenses. The members contributed \$30,000 during the year ended December 31, 2018 and remain committed to funding future operations of the Company.

Commonality of ownership - Because the Company and other related entities have commonality of ownership and/or management control, the reported operating results and/or financial position of the Company could significantly differ from what would have been obtained if such entities were autonomous.

Administrative services agreement - The Company has an administrative services agreement with a related party to provide the Company with accounting and other administrative services. The terms of this agreement call for a monthly service fee of \$500 to be paid. For the year ended December 31, 2018, \$6,000 has been recorded in connection with this agreement. The administrative and services agreement can be terminated by either party, upon written notice delivered to the other party at least thirty (30) days prior to such termination.

NOTE 5 - COMMITMENTS AND CONTINGENCIES

The Company's commitments and contingencies include the usual obligations of a registered broker-dealer in the normal course of business. In the opinion of management, such matters are not expected to have a material adverse effect on the Company's financial position or results of operations. Currently the Company is not aware of any active commitments and contingencies as of December 31, 2018.

NOTE 6 - SUBSEQUENT EVENTS

The Company has evaluated subsequent events through February 11, 2019, the date which the financial statements were available to be issued. No events have occurred which would have a material effect on the financial statements of the Company as of that date.

OF THE SECURITIES AND EXCHANGE COMMISSION FOR A BROKER-DEALER CLAIMING
AN EXEMPTION FROM SECURITIES AND EXCHANGE COMMISSION RULE 15c3-3**

To the Directors and Members of Pacific Point Securities, LLC

We have reviewed management's statements, included in the accompanying Exemption Report, in which (a) Pacific Point Securities, LLC (the "Company") identified the following provisions of 17 C.F.R. § 240.15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. § 240.15c3-3:(2)(i) (the "exemption provision") and (b) the Company stated that it met the identified exemption provision from January 1, 2018 through December 31, 2018 without exception. Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of 17 C.F.R. § 240.15c3-3.
