REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member of
AX Trading, LLC

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of AX Trading, LLC (the Company) as of December 31, 2018, the related statements of operations, changes in member's equity, and cash flows for the year then ended and the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2018, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 10 to the financial statements, the Company has suffered recurring losses from operations and has a net capital deficiency that raise substantial doubt about its ability to continue as going concern. Management's Plans in regard to these matters are also described in Note 10.

The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audit we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

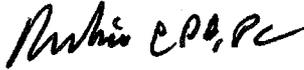

Our audit included performing procedures to assess the risks of material misstatement to the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis of our opinion.

Supplemental Information

The information contained in Schedules I and II has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the information in Schedules I and II reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the accompanying schedules. In forming our opinion on the accompanying schedules, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the aforementioned supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

We have served as the Company's auditor since 2011.

AX TRADING, LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2018

NOTE 1 - NATURE OF OPERATIONS AND BASIS OF PRESENTATION

Organization and Description of Business

AX Trading, LLC (the "Company") was a wholly owned subsidiary of AX Trading Group, LLC (the "Former Parent") until November 6, 2015 at which date it was acquired by AX Trading Group, Inc. ("Parent"). The Company is a limited liability company and was formed under the laws of the state of Delaware in May 2010. In June 2011, the Company became a broker-dealer and as such is registered with the Securities and Exchange Commission (the "SEC") and a member of the Financial Industry Regulatory Authority ("FINRA").

The Company acts primarily as a trading exchange where professional traders can connect and trade with one another to help find liquidity.

Basis of Presentation

The accompanying financial statements have been prepared pursuant to Rule 17a-5 of the Securities and Exchange Commission Act of 1934. The classification and reporting of items appearing on the financial statements are consistent with that rule. The Company claims exemption from the requirements of Rule 15c3-3 under Section (k)(2)(ii) of the rule, and consequently does not carry securities accounts for customers nor does it perform custodial functions related to their securities.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

Management uses estimates and assumptions in preparing these financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported revenues and expenses. Actual results could vary from the estimates that were used.

Cash

The Company maintains its cash in a high credit quality bank. Balances at times may exceed federally insured limits.

Accounts Receivable

The carrying amount of accounts receivable is reduced by a valuation allowance that reflects management's best estimate of the amounts that will not be collected. Management individually reviews all delinquent accounts receivable balances and based on an assessment of current creditworthiness, estimates the portion, if any, of the balance that will not be collected.

Property and Equipment

AX TRADING, LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2018

Depreciation of property and equipment is provided on a straight-line basis over the estimated useful life of the respective assets. The Company depreciates computer equipment over three years and furniture and fixtures over five years.

Revenue Recognition

The Financial Accounting Standards Board (FASB) has issued a comprehensive new revenue recognition standard that supercedes most existing revenue recognition guidance under GAAP (FASB Accounting Standards Codification 606). The Company adopted this standard effective January 1st, 2018.

The standard's core principle is that an entity should recognize revenue when it transfers promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. ASU 2014-09 which prescribes a five-step process to accomplish this core principle, including:

- Identification of the contract with the customer;
- Identification of the performance obligation(s) under the contract;
- Determination of the transaction price;
- Allocation of the transaction price to the identified performance obligation(s); and
- Recognition of revenue as (or when) an entity satisfies the identified performance obligation(s)

Commissions from securities transactions are recognized upon the occurrence of a transaction as this satisfies the only performance obligation identified in accordance with this standard.

Application of the standard in 2018, using the modified retrospective approach, has no effect on the reported financial position, results of operations or related disclosures.

Income Taxes

At December 31, 2018, the Company is a proprietorship that is wholly owned by a corporation (the "Parent") for income tax reporting purposes. Therefore, the Parent will report the entire taxable income or loss on its corporate income tax return, and no income taxes are recorded in the accompanying financial statements.

The Parent has evaluated the Company's tax positions and concluded that the Company has no uncertain tax positions that require adjustment to or disclosures in the financial statements.

Fair Value of Financial Instruments

AX TRADING, LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2018

The carrying amounts of the Company's financial assets, including cash, accounts receivable, accounts payable and accrued expenses, approximate fair value because of their short maturities.

NOTE 3 - PAYABLE TO CLEARING BROKERS

The Company clears its transactions through COR Clearing, LLC. The Company has a payable to COR as of December 31, 2018, of \$112,520 arising from clearing costs in excess of commissions earned.

NOTE 4 - PROPERTY AND EQUIPMENT

Property and equipment at December 31, 2018 consisted of the following:

Computer & Office Equipment	\$ 165,490
Software	<u>405,706</u>
Total Cost	571,196
Less Accumulated Depreciation	<u>571,196</u>
Fixed Assets, Net	<u>0</u>

Depreciation expense was \$31 for the year ended December 31, 2018.

NOTE 5 - CONCENTRATIONS

The Company has been funded by its Parent in 2018. The Parent made capital contributions during 2018 of \$1,515,000 in the form of forgiveness of payables to the Parent and \$240,000 in cash.

NOTE 6 - COMMITMENTS AND CONTINGENCIES

Legal Matters

From time to time, the Company may be involved in litigation relating to claims arising out of operations in the normal course of business. As of December 31, 2018, there were no pending or threatened lawsuits that could reasonably be expected to have a material effect on the results of our operations.

There are no proceedings in which any of our management, members or affiliates, is an adverse party or has a material interest adverse to our interest.

NOTE 7 - NET CAPITAL REQUIREMENT

AX TRADING, LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2018

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum regulatory net capital, and requires that the ratio of aggregate indebtedness to regulatory net capital, both as defined, shall not exceed 15 to 1. At December 31, 2018, the Company had net capital of \$82,644, which was in excess of its requirement of \$7,890 by \$74,754. The ratio of aggregate indebtedness to net capital was 1.43 to 1.

NOTE 8 - RELATED PARTY TRANSACTIONS

The Company has an administrative services agreement with the Parent. Pursuant to the agreement, the Parent provides accounting, administrative, office space, human resources and other services. The Parent allocated expenses of approximately \$1,519,223 during the year ended December 31, 2018 to the Company.

NOTE 9 - SUBSEQUENT EVENTS

In preparing these financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through the date the financial statements were issued.

NOTE 10 - GOING CONCERN

The Company has had significant losses from operations since inception and has relied on its Parent to pay its expenses. The Company's failure to generate significant revenues raises doubt about the Company continuing as a going concern. Management continues to search for strategies to generate significant revenue for the Company and expects the Company to continue as a going concern. The accompanying financial statements have been prepared on a going-concern basis without adjustments for realization in the event that the Company ceases to continue as a going concern.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

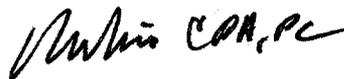

To the Member of
AX Trading, LLC

We have reviewed management's statements, included in the accompanying Broker Dealers Annual Exemption Report in which (1) AX Trading, LLC identified the following provisions of 17 C.F.R. § 15c3-3(k) under which AX Trading, LLC claimed an exemption from 17 C.F.R. § 240.15c3-3: (k)(2)(ii) (the "exemption provisions"); and, (2) AX Trading, LLC stated that AX Trading, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. AX Trading, LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about AX Trading, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii), of Rule 15c3-3 under the Securities Exchange Act of 1934.
