REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Director and Shareholder
Dunes Securities Corporation

Opinion on The Financial Statements

We have audited the accompanying statement of financial condition of Dunes Securities Corporation (the "Company") as of December 31, 2018, and the related statement of operations, changes in stockholder's equity, and cash flows for the year then ended, December 31, 2018, and the related notes to the financial statements and supplemental information (collectively referred to as "financial statements") filed pursuant to Rule 17a-5 under the Securities and Exchange Act of 1934. In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2018, and the results of its operations and its cash flows for the year ended December 31, 2018, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance that the financial statements are free from material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audits we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for the audit opinion.

Report on Supplementary Information

The supplementary information contained in the supplemental schedules required by Rule 17a-5 under the Securities Exchange Act of 1934, including the Computation of Net Capital under Rule 15c-3, Computation for Determination of Reserve Requirements and information relating to Possession or Control Requirements Under 15c3-3, statement related to material inadequacies with respect to the computation of net capital, and the Agreed Upon Procedures Report (statement related to SIPC reconciliation), if and as applicable, is presented for additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures to test the completeness and accuracy of the supplemental information presented. In forming my opinion on the supplemental information, I evaluated whether the supplemental information, in form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934 and in accordance with auditing standards of the Public Company Accounting Oversight Board (United States). In my opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

For the Year-Ended December 31, 2018

NOTE A – SUMMARY OF ACCOUNTING POLICIES

Accounting principles followed by the Company and the methods of applying those principles which materially affect the determination of financial position, results of operation and cash flows are summarized below:

Organization

Dunes Securities Corporation (the Company) was incorporated in the State of South Carolina effective January 10, 2003.

Description of Business

The Company, located in Hilton Head Island, South Carolina, is a registered securities broker/dealer primarily engaged as agent for buyers and sellers of Omni Hilton Head Oceanfront Resort. The Company is a member of the Financial Industry Regulatory Authority (the "FINRA").

Basis of Accounting

The financial statements of the Company have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Cash and Cash Equivalents

The Company considers all temporary cash investments purchased with a maturity of three months or less to be cash equivalents and places its temporary cash investments with high credit quality financial institutions.

Revenue Recognition

Commission income is recorded when transactions are complete and funds are distributed at the closing of the respective condominium units.

Income Taxes

Income tax expenses is the sum of taxes currently payable and the change during the period in deferred tax assets and liabilities. Deferred income taxes are recognized for the tax consequences in future years of differences between tax basis of assets and liabilities and their financial reporting amounts at each year-end based on enacted tax laws and statutory tax rates applicable to the periods in which the differences are expected to affect taxable income. Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized. The Company has not been subject to income tax examinations by the U.S. federal, state or local authorities.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value of Financial Instruments

Financial instruments that are subject to fair value disclosure requirements are carried in the financial statements at amount that approximate fair value and include cash and cash equivalents. Fair values are cash flows and assumed discount rates reflecting varying degrees of perceived risk.

Concentrations

The Company has revenue concentrations; the company specializes in sales of real estate.

Subsequent Events

The Company has evaluated events subsequent to the balance sheet date for items requiring reporting or disclosure in the financial statements. The evaluation was performed through May 8, 2019 which is the date the financial statement was available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.

NOTE B – NET CAPITAL REQUIREMENTS

Pursuant to the net capital provisions of Rule 15c3-3 of the Securities and Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. Net capital and related net capital ratio may fluctuate on a daily basis.

There were no material inadequacies in the amount reported as Net Capital in the audited Computation of Net Capital and the broker dealer's corresponding Part IIA of the FOCUS report require under Rule 15c3-1.

NOTE C – POSSESSION OR CONTROL REQUIREMENTS

The Company does not have any possession or control of customer's funds or securities. There were no material inadequacies in the procedures followed in adhering to the exemptive provisions of SEC Rule 15c3-3(k)(2)(i) by promptly transmitting all customer funds or securities to the closing attorney (McNair Law Firm) or to a trust account at Regions Bank prior to closing on a unit. Funds are released from the trust account to the McNair Law Firm when a closing is scheduled.

NOTE D – OTHER COMMITMENTS AND CONTINGENCIES

During the audit nothing came to our attention to suggest any violation of SEC Rule 15c-3-3(k)(2)(i).

NOTE E – ADVERTISING

The advertising expenses for the year was \$700; the entire amount was expensed as incurred.

NOTE F – RENT

The Company leased its office space from a non-related party under a twelve month agreement. Rent expenses for the year ended December 31, 2018 was \$600.

NOTE G – SIPC RECONCILIATION

SEC Rule 17a-5(e)(4) requires a registered broker dealer to file a supplemental report which includes procedures related to the broker-dealers SIPC annual general assessment reconciliation or exclusion form membership forms. In circumstances where the broker-dealer reports \$500,000 or less gross revenues, they are not required to file the

supplemental SIPC report. The Company is exempt from filing the supplemental report under SEC Rule 17a-5(E)(4) because it is reporting less than \$500,000 in gross revenue.

NOTE H - NEW ACCOUNTING PRONOUNCEMENTS

Effective January 1, 2018, The Company adopted ASC Topic 606, Revenue from Contracts with Customers ("ASC Topic 606"). The new revenue recognition guidance requires that an entity recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The guidance requires an entity to follow a five-step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies a performance obligation.

In determining the transaction price, an entity may include variable consideration only to the extent that it is probable that a significant reversal in the amount of cumulative revenue recognized would not occur when the uncertainty associated with the variable consideration is resolved. Revenues from contracts with customers are comprised of broker commissions.

Management has determined that the adoption of ASC Topic 606 has had no impact on the Company.

Dunes Securities Corporation
Supplementary Schedules Pursuant to SEA Rule 17a-5
Of the Securities and Exchange Act of 1934
For the Year-Ended December 31, 2018

Statement Related to Uniform Net Capital Rule

The Company is a member of the FINRA and is subject to the SEC Uniform Net Capital Rule 15c3-1. This rule requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 1500% (15 to 1), or, during its first year of operations, 800% (8:1). Net capital and the related net capital ratio may fluctuate on a daily basis. At December 31, 2018 the Company had net capital of \$29,721.32 which was \$24,721.32 in excess of its required net capital of \$5,000.00. The Company's net capital ratio was 510%. The Company has elected to use the basic computation method, as is permitted by the rule, which requires that the Company maintain minimum Net Capital pursuant to a fixed dollar amount or 6-2/3% percent of total aggregate indebtedness, as defined, whichever is greater, and does not, therefore, calculate its net capital requirement under the alternative reserve requirement method.

Statement Related to Exemptive Provision (Possession and Control)

The Company does not have possession or control of customer's funds or securities. There were no material inadequacies in the procedures followed in adhering to the exemptive provisions of SEA Rule [15c3-3(k)(2)(ii)]; All customer transactions closed through the McNair Law Firm on a fully disclosed basis.

Statement Related to Material Inadequacies

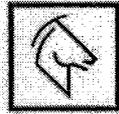

This audit did not disclose any material inadequacies since the previous audit of the financial statements contained within the audit report of the Computation of Minimum Net Capital Requirement as reported in the Supplemental Schedules contained within the audit report or the filed Financial and Operational Combined Uniform Single Report filed pursuant to SEA Rule 15c3-1. The firm is exempt from 15c3-3; it does not maintain customer funds or securities and therefore does not maintain customer funds to segregate nor does it maintain separate accounts for customers.

Statement Related to SIPC Reconciliation

SEA Rule 17a-5(e)(4) requires a registered broker-dealer to file a supplemental report which includes procedures related to the broker-dealers SIPC annual general assessment reconciliation or exclusion from membership forms. In circumstances where the broker-dealer reports \$500,000 or less in gross revenue they are not required to file the supplemental SIPC report. The Company is exempt from filing the supplemental report under SEA Rule 17a-5(e)(4) because it is reporting less than \$500,000 in gross revenue.

Dear Edward Dowaschinski:

We have reviewed management's statements, included in the accompanying Representation Letter of Exemptions, in which Dunes Securities Corporation identified 15c3-3(k)(2)(i) as the provision under 17 C.F.R. § 15c3-3(k) under which it claims exemption from 17 C.F.R. §240.15c3-3. Dunes Securities Corporation stated that it has met the 15c3-3(k)(2)(i) exemption throughout the most recent fiscal year without exception, or, with exception, as noted in the Representation Letter of Exemption. Dunes Securities Corporation's management is responsible for compliance with the exemption provisions and its statements. Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Dunes Securities Corporation's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion. Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in Rule 15c3-3 under the Securities Exchange Act of 1934.

To the best knowledge and belief, Dunes Securities Corporation:

1. Claims exemption 15c3-3(k)(2)(i) from 15c3-3;
2. We have met the identified exemption from January 01, 2018 through December 31, 2018, without exception, unless, noted in number 3, below;
3. We have no exceptions to report this fiscal year.
