REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Sole Member of
Intelligent Cross LLC

Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of Intelligent Cross LLC (the "Company") as of March 31, 2019 and the related notes (collectively referred to as the "financial statement"). In our opinion, the financial statement presents fairly, in all material respects, the financial position of the Company as of March 31, 2019, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statement. We believe that our audit provides a reasonable basis for our opinion.

We have served as the Company's auditor since 2019.

INTELLIGENT CROSS LLC
NOTES TO FINANCIAL STATEMENT
MARCH 31, 2019

NOTE 1 – ORGANIZATION AND DESCRIPTION OF BUSINESS

Intelligent Cross LLC (the "Company") is incorporated in the state of Delaware and is a non-introducing broker dealer registered with the Securities and Exchange Commission ("SEC") and is registered with the Financial Industry Regulatory Authority ("FINRA"). Intelligent Cross LLC is wholly owned by Imperative Execution, LLC (the "Member"). The Company operates an alternative trading system platform ("The ATS") for trading in Non Marketable Stocks. They will provide access to the ATS only to other Broker Dealers who subscribe to the platform. Subscribing Broker Dealers will be able to trade on the platform and provide sponsored access to their respective buy-side clients. The Company received approval of the regulatory authorities on January 17, 2018 and began processing transactions in August 2018.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Accounts Receivable

The Company carries its accounts receivable at cost less an allowance for doubtful accounts. On a periodic basis, the Company evaluates its accounts receivable and establishes an allowance for doubtful accounts based on history of past write-offs and collections and current credit conditions. There was no allowance for doubtful accounts as of March 31, 2019.

Revenue and Expense Recognition

Effective January 1, 2018, the Company adopted ASC Topic 606, Revenue from Contracts with Customers ("ASC Topic 606"). ASC Topic 606 requires that an entity recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The guidance requires an entity to follow a five step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies a performance obligation. In determining the transaction price, an entity may include variable consideration only to the extent that it is probable that a significant reversal in the amount of cumulative revenue recognized would not occur when the uncertainty associated with the variable consideration is resolved. The Company applied the modified retrospective method of adoption which resulted in no adjustment as of January 17, 2018. The new revenue recognition guidance does not apply to revenue associated with financial instruments, interest income and expense, leasing and insurance contracts.

Significant Judgment

Significant judgment is required to determine whether performance obligations are satisfied at a point in time or over time; how to allocate transaction prices where multiple performance obligations are identified; when to recognize revenue based on the appropriate measure of the Company's progress under the contract; and whether constraints on variable consideration should be applied due to uncertain future events.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue and Expense Recognition (Continued)

Commission Fees

The Company is a non-carrying broker dealer that receives commission income generated from Subscribing Broker Dealers trading using a platform designed by the Member. The Company works with the subscribing Broker Dealers to establish the commission rate and ultimately sets the price and is principal in the scope of ASU 2016-08 and records commissions on a gross basis. In general the commissions are charged to customers on the trade date at the point of execution by the Broker

Disaggregation of Revenue

The Company's revenues are disaggregated as reported in the Statement of Operations.

Receivables and Contract Balances

Receivables arise when the Company has an unconditional right to receive payment under a contract with subscribing Broker Dealer and are derecognized when the cash is received. The receivable balances as of March 31, 2019 were \$136,744.

Contract assets arise when the revenue associated with the contract is recognized prior to the Company's unconditional right to receive payment under a contract with a customer (i.e., unbilled receivable) and are derecognized when either it becomes a receivable or the cash is received. Contract assets are reported in the statement of financial condition. As of January 17, 2018 and as of March 31, 2019, contract asset balances were \$0.

Contract liabilities arise when customers remit contractual cash payments in advance of the Company satisfying its performance obligations under the contract and are derecognized when the revenue associated with the contract is recognized when the performance obligation is satisfied. As of January 17, 2018 and as of March 31, 2019, there were no contract liabilities.

There were no adjustments deemed necessary to opening Member's Equity related to the rule change.

Income Taxes

The Company is a single member limited liability company that is deemed to be a disregarded entity for income tax purposes. The taxable income or loss of the Company is allocated to its member.

The Company accounts for uncertainties in income taxes under the provisions of FASB ASC 740-10-05, "Accounting for Uncertainty in Income Taxes." The ASC clarifies the accounting for uncertainty in income taxes recognized in an enterprise's financial statements. The ASC prescribes a recognition threshold and measurement approach for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. The ASC provides guidance on de-recognition, classification, interest and penalties, accounting in interim periods, disclosure and transition. At March 31, 2019, the Company had no material unrecognized tax and no uncertain tax positions.

The Company's conclusions regarding uncertain tax positions may be subject to review and adjustment at a later date based upon ongoing analyses of tax laws, regulations and interpretations thereof as well as other factors. Generally, federal and state authorities may examine the Company's income tax returns for three years from the date of filing.

INTELLIGENT CROSS LLC
NOTES TO FINANCIAL STATEMENT
MARCH 31, 2019

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements and related disclosures in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of income and expenses during the reporting period. Accordingly, actual results could differ from those estimates and such differences could be material.

NOTE 3 – CONCENTRATIONS OF CREDIT RISK

Cash

The Company maintains principally all cash balances in one financial institution which, at times, may exceed the amount insured by the Federal Deposit Insurance Corporation. The exposure to the Company is solely dependent upon daily bank balances and the strength of the financial institution. The Company has not incurred any losses on this account. At March 31, 2019, the amount in excess of insured limits was \$419,841.

Revenue

During the period ended March 31, 2019, approximately 64% of the Company's commissions revenue were from five customers.

Accounts Receivable

As of March 31, 2019, approximately 43% of the Company's accounts receivable were owed by two customers.

NOTE 4 – RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS

In February 2016, the FASB issued ASU No. 2016-02, Leases ("ASU 2016-02"). This update requires all leases with a term greater than 12 months to be recognized on the balance sheet through a right of use asset and a lease liability and the disclosure of key information pertaining to leasing arrangements. This new guidance is effective for years beginning after December 15, 2018, with early adoption permitted. The Company has evaluated the effect that ASU 2016-02 will have on its financial statements with related disclosures and has determined that due to the nature of the expense sharing agreement, this will have no impact.

NOTE 5 – NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital, and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. Net capital and aggregate indebtedness change day to day, however on March 31, 2019, the Company had net capital of \$192,744 which was \$148,752 in excess of its required net capital of \$38,084; and the Company's percentage of aggregate indebtedness to net capital was approximately 296.38%.

INTELLIGENT CROSS LLC

MARCH 31, 2019

NOTE 6 – RELATED PARTY

The Company is a wholly owned subsidiary of Imperative Execution Inc, ("Parent"). The Company has an expense sharing agreement in place with the Parent Company, whereby an allocation of fees is made for compensation and benefits, occupancy and data and communication expense which are included in the statement of operations, respectively. These fees amounted to \$1,720,958 for the year ending March 31, 2019. Due to Parent is \$571,152 as of March 31, 2019.

NOTE 7 – EXEMPTION FROM RULE 15c3-3

The Company is exempt from the provisions of Rule 15c3-3 under the Securities and Exchange Act of 1934. The Company does not hold customers' cash or securities and, therefore, has no obligations under SEC Rule 15c3-3 under the Securities Exchange Act of 1934.

NOTE 8 – SUBSEQUENT EVENTS

The company has evaluated events and transactions that occurred between April 1, 2019 and June 12, 2019, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements. The company received a contribution from its Parent on April 1, 2019, in the amount of \$300,000, in the form of a debt forgiveness.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Sole Member of
Intelligent Cross LLC

We have reviewed management's statements, included in the accompanying Intelligent Cross LLC Exemption Report prepared as required by 17 C.F.R. § 240.17a-5(d)(1) and (4), in which (1) Intelligent Cross LLC identified the following provisions of 17 C.F.R. § 15c3-3 (k) under which Intelligent Cross LLC claimed an exemption from 17 C.F.R. § 240.15c3-3: (2)(ii), (the "Exemption Provisions") and (2) Intelligent Cross LLC stated that Intelligent Cross LLC met the identified Exemption Provisions throughout the most recent fiscal year without exception. Intelligent Cross LLC's management is responsible for compliance with the Exemption Provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Intelligent Cross LLC's compliance with the Exemption Provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraphs (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
