Report of Independent Registered Public Accounting Firm

To the Sole Member
of WG Securities, LLC

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of WG Securities, LLC as of June 30, 2019, the related statements of income, changes in member's equity, and cash flows for the year then ended, and the related notes (collectively referred to as the financial statements). In our opinion, the financial statements present fairly, in all material respects, the financial position of WG Securities, LLC as of June 30, 2019, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of WG Securities, LLC's management. Our responsibility is to express an opinion on WG Securities, LLC's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to WG Securities, LLC in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Supplemental Information

The computation of aggregate indebtedness and net capital pursuant to SEC Rule 15c3-1, and computation for and information related to possession or control determination of reserve requirements for broker/dealers under SEC Rule 15c3-3 have been subjected to audit procedures performed in conjunction with the audit of WG Securities, LLC's financial statements. The supplemental information is the responsibility of WG Securities, LLC's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the computation of aggregate indebtedness and net capital under SEC Rule 15c3-1, and computation for and information related to possession or control determination of reserve requirements for broker/dealers under SEC Rule 15c3-3 are fairly stated, in all material respects, in relation to the financial statements as a whole.

Larry D. Liberfarb, P.C.

We have served as WG Securities, LLC's auditor since 2007.

W.G. SECURITIES, LLC
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 1- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations:

The Company was organized in the State of Delaware on December 20, 2005 as a limited liability company. The Company is a broker-dealer registered with the Securities and Exchange Commission (SEC), and is a member of the Financial Industry Regulatory Authority, Inc. (FINRA). The Company provides merger and acquisition services for its clients.

Revenue Recognition:

Effective July 1, 2018, the Company adopted ASC Topic 606 Revenue from Contracts with Customers (ASC Topic 606), using the modified retrospective method applied to those contracts which were not completed as of July 1, 2018. The new revenue recognition guidance requires that an entity recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The guidance requires an entity to follow a five-step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transactions price (d) allocate the transaction price to the performance obligation in the contract, and (e) recognize revenue when (or as) the entity satisfies a performance obligation. There was no impact to retained earnings as of July 1, 2018 as revenue recognition and timing of revenue did not change as a result of adopting ASC Topic 606.

The Company typically enters into contracts with clients calling for a retainer and a success fee to be paid out once the merger or acquisition service (“the transaction”) is successfully completed. Retainers are recognized as performance obligations are met. Success fee is typically based on a percentage of the total consideration of the transaction, although in certain cases it may be a flat fee. Accordingly, the Company recognizes success fees in the period earned.

Income Taxes:

Income taxes are not reflected in the accompanying financial statements, as the Company is included in the consolidated income tax return filed by its parent. The parent is taxed as a limited liability company under the Internal Revenue Code, and a similar state statute. In lieu of income taxes, the shareholders of the parent are taxed on their proportionate share of the taxable income.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

NOTE 1- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

NOTE 2 - CONCENTRATIONS OF CREDIT RISK

The Company at times maintains cash in bank accounts in excess of the established limit insured by the Federal Deposit Insurance Corporation (FDIC).

NOTE 3 – NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital, and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the “applicable” exchange also provides that equity capital may not be withdrawn if the resulting net capital ratio would exceed 10 to 1). At June 30, 2019, the Company had net capital of \$22,140, which was \$15,884 in excess of its required net capital of \$6,256. The Company’s net capital ratio was 4.24 to 1.

NOTE 4 – RELATED PARTY TRANSACTIONS

The Company incurred charges for management services (including administrative, facility and preparation fees) from an affiliated entity under common ownership in the amount of \$192,464 for the year ended June 30, 2019. The amount due to the related party as of June 30, 2019 was \$0. Because there is common ownership of the entities, operating results could vary significantly from those that would be obtained if the entities were autonomous.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

JUNE 30, 2019

NOTE 5 – FAIR VALUE

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market income or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.

Level 2 inputs are inputs (other than quoted prices included within level 1) that are observable for the asset or liability, either directly or indirectly.

Level 3 are unobservable inputs for the asset or liability and rely on management's own assumption about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs should be developed based on the best information available in the circumstances and may include the Company's own data.)

A qualifying asset or liability's level within the framework is based upon the lowest level of any input that is significant to the fair value measurement. The Company's qualifying assets or liabilities are recorded at fair value using Level 1 inputs.

NOTE 6 – RECENT ACCOUNTING PRONOUNCEMENTS

In February 2016, the FASB issued ASU 2016-02 *Leases – (Topic 842)*. ASU 2016-02 will require the recognition of lease assets and lease liabilities on the balance sheet related to the rights and obligations created by lease agreements, including for those leases classified as operating leases under previous GAAP, along with the disclosure of key information about leasing arrangements. ASU 2016-02 is effective for fiscal years beginning after December 15, 2018. Early application is permitted. The Company has not evaluated the impact this new standard will have on its financial position and results of operations.

Report of Independent Registered Public Accounting Firm

Sole Member of
WG Securities, LLC

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) WG Securities, LLC identified the following provisions of 17 C.F.R. 15c3-3(k) under which WG Securities, LLC claimed an exemption from 17 C.F.R. 240.15c3-(k)(2)(i) (exemption provisions) and (2) WG Securities, LLC stated that WG Securities, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. WG Securities, LLC's management is responsible for compliance with the exemption provisions and its statements.

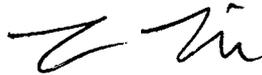

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about WG Securities, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.

Norwood, Massachusetts
July 22, 2019

**WG Securities, LLC
