**NEWCOURT SECURITIES, LTD  
NOTES TO FINANCIAL  
STATEMENTS DECEMBER 31, 2019**

**1. ORGANIZATION AND NATURE OF BUSINESS**

Newcourt Securities, Ltd (Company) was formed November 24, 1999 in the State of New York as a broker-dealer in securities transactions under the Securities Exchange Act of 1934. The Company is registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). The Company has adopted December 31 as its year end.

The Company clears all of its transactions through security clearing brokers. The Company acts as a broker-dealer and is exempt from Securities and Exchange Commission Rule 15c3-3 under paragraph k(2)(ii) since it uses other security firms for clearing.

Pursuant to agreements between the Company and First Southwest Company (FSC), all securities transactions of the Company are cleared and its customers are introduced and cleared on a fully disclosed basis. The Company is exempt from provisions of Rule 15c3-3 and is not responsible for compliance with Section 4(c) of Regulation T of the Board of Governors of the Federal Reserve System, as all customers' accounts, as defined by such rules, are carried by FSC.

**2. SIGNIFICANT ACCOUNTING POLICIES**

**Revenues**

The Company's financial statements are prepared using the accrual method of accounting. The transactions are recorded on a trade date basis, which is not materially different than recording transactions on a settlement date basis.

The Company is subject to ASC Topic 606, Revenue from Contracts with Customers ("ASC Topic 606"). This revenue recognition guidance requires that an entity recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The guidance requires an entity to follow a five step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies a performance obligation. In determining the transaction price, an entity may include variable consideration only to the extent that it is probable that a significant reversal in the amount of cumulative revenue recognized

**NEWCOURT SECURITIES, LTD**  
**NOTES TO FINANCIAL**  
**STATEMENTS DECEMBER 31, 2019**

Would not occur when the uncertainty associated with the variable consideration is resolved. The principal source of operating revenue is placement fees in the form of revenue sharing related to soliciting and obtaining suitable investors.

**Significant Judgement**

Significant judgement is required to determine whether performance obligations are satisfied at a point in time or over time; how to allocate transaction prices where multiple performance obligations are identified; when to recognize revenue based on the appropriate measure of the Company's progress under the contract; and whether constraints on variable consideration should be applied due to uncertain future events.

**Clearing Deposit**

The Company is required and maintains a separate clearing deposit account at HILLTOP SECURITIES INC with a cash balance of \$100,000.

**Use of Estimates**

The financial statements are presented in accordance with generally accepted accounting principles and prevailing industry practices, both of which require management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at December 31, 2019, as well as the reported amounts of revenues and expenses during the year then ended. Estimates, by their nature, are based on judgment and available information. Management believes that the estimates utilized in the preparation of the financial statements are prudent and reasonable. Actual results could differ from those estimates.

**3. NET CAPITAL REQUIREMENTS**

The Company is a member of the FINRA and subject to the Securities and Exchange Commission's Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital of \$5,000 and requires the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2019 the Company had net capital of \$93,260 which was \$88,260 in excess of the FINRA minimum capital requirement. The company's ratio of aggregate indebtedness to net capital is .15 to 1.

**NEWCOURT SECURITIES, LTD**  
**NOTES TO FINANCIAL**  
**STATEMENTS DECEMBER 31, 2019**

**4. INCOME TAXES**

The Company has elected to be taxed under the provisions of Subchapter S of the Internal Revenue Code. Under those provisions, the Company does not pay federal income taxes on its corporate income. Instead, the stockholder is liable for individual federal income taxes on his share of the Company's income, deductions, losses and credits.

**5. CONTINGENCIES**

In the normal course of business, the Company is engaged in various trading and brokerage activities on a principal and agency basis through a clearing broker.

In connection with these activities, a customer's unsettled transactions may expose the Company to off-balance-sheet risk in the event the customer is unable to fulfill its contractual obligations.

Significant credit exposure may result in the event that the Company's clearing broker is unable to fulfill their contractual obligation.

**6. SIPC RECONCILIATION REQUIREMENTS**

SEA Rule 17a-5(e)(4) requires a registered broker-dealer to file a supplemental report which includes procedures related to broker-dealers SIPC annual general assessment reconciliation or exclusion from membership forms. In circumstances where the broker-dealer reports \$500,000 or less in gross revenue they are not required to file supplemental SIPC report. The Company is exempt from filing the supplemental report under SEA Rule 17a-5(e)(4) because it is reporting less than \$500,000 in gross revenue.

**7. SUBSEQUENT EVENTS**

The Company has evaluated events subsequent to the Balance Sheet date for items requiring recording or disclosure in the financial statements. The evaluation was performed through February 27, 2020, which is the date the financial statements were available to be issued. Based upon this review, the company has determined that there were no events which took place that would have a material impact on its financial statements.
