**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Shareholder's and Board of Members of ExchangeRight Securities, LLC

**Opinion on the Financial Statements**

I have audited the accompanying statement of financial condition of ExchangeRight Securities, LLC as of December 31, 2019, the related statements of income, changes in members' equity, and cash flows for the fifteen months then ended, and the related notes (collectively referred to as the financial statements). In my opinion, the financial statements present fairly, in all material respects, the financial position of ExchangeRight Securities, LLC as of December 31, 2019, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

These financial statements are the responsibility of ExchangeRight Securities, LLC's management. My responsibility is to express an opinion on ExchangeRight Securities, LLC's financial statements based on my audit. I am a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and am required to be independent with respect to ExchangeRight Securities, LLC in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

I conducted my audit in accordance with the standards of the PCAOB. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. My audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. My audit also included evaluating the accounting principles used and significant estimates made by management, as evaluating the overall presentation of the financial statements. I believe that my audit provides a reasonable basis for my opinion.

**Auditor's Report on Supplemental Information**

The information contained in Schedule I, II, and III ("Supplemental Information") has been subjected to audit procedures performed in conjunction with the audit of the ExchangeRight Securities, LLC's financial statements. The Supplemental Information is the responsibility of the ExchangeRight Securities, LLC's management. My audit procedures included determining whether the Supplemental Information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the Supplemental Information. In forming my opinion on the Supplemental Information, I evaluated whether the Supplemental Information, including its form and content is presented in conformity with 17 C.F.R. § 240.17a-5. In my opinion, Schedules I, II, and III are fairly stated, in all material respects, in relation to the financial statements taken as a whole.

Notes to Financial Statements  
For the year ended December 31, 2019

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

*General*

ExchangeRight Securities, LLC, (the "Company"), was formed in January 6, 2016, in the State of California as a limited liability company. The Company is registered as a broker-dealer with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA") and the Securities Investor Protection Corporation ("SIPC"). The Company is authorized to engage in private placements of securities. The Company does not hold customer funds or safeguard customer securities. The Company was approved to do business by FINRA/SEC on October 9, 2017.

*Summary of Significant Accounting Policies*

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

The Company, with the consent of its Members, has elected to be a Limited Liability Company. For tax purposes, the Company is treated like a partnership, therefore in lieu of business income taxes, the Members are taxed on the Company's taxable income. Accordingly, no provision or liability for Federal Income Taxes is included in these financial statements. The State of California has similar treatment, although there exists a provision for a minimum Franchise Tax of \$800 plus a fee based upon gross receipts.

The Company is subject to audit by the taxing agencies for year ending December 31, 2016, 2017 and 2018.

The management has reviewed the results of operations for the year ended December 31, 2019 through February 5, 2020 the date the financial statements were available to be issued and have determined that no adjustments are necessary to the amounts reported in the accompanying financial statements nor have any subsequent events occurred, the nature of which would require disclosure.

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritized the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or liability or, in the absence of a principal market, the most advantageous market for the asset or liability. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820 are used to measure fair value.

EXCHANGERIGHT SECURITIES, LLC  
Notes to Financial Statements  
For the year ended December 31, 2019

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES  
(Continued)

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.

Level 2 inputs are inputs (other than quoted prices included within Level 1) that are observable for the asset or liability, either directly or indirectly.

Level 3 are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs should be developed based on the best information available in the circumstances and may include the Company's own data.)

There were no levels to measure at December 31, 2019.

ASC606-REVENUE RECOGNITION POLICY

Revenue is measured based on a consideration specified in a contract with a customer and excludes any sales incentives and amounts collected on behalf of third parties. The Company recognizes revenue when it satisfies a performance obligation by transferring control over a product or service to a customer.

Taxes and regulatory fees assessed by a government authority or agency that are both imposed on and concurrent with a specified revenue-producing transaction, that are collected by the Company from a customer, are excluded from revenue.

The following is a description of activities – separated by reportable segments, per FINRA Form "Supplemental Statement of Income (SSOI)"; from which the Company generates its revenue. For more detailed information about reportable segments, see below.

Fees earned: This includes fees earned from affiliated entities; investment banking fees, M&A advisory; account supervision and investment advisory fees; administrative fees, revenue from research services; rebates from exchanges/ECN and ATS; 12b-1 fees; Mutual fund fees other than concessions or 12b-1 fees; execution service fees; clearing services; fees earned from customer bank sweep into FDIC insured products or from '40 Act companies and networking fees from '40 Act companies.

EXCHANGERIGHT SECURITIES, LLC  
Notes to Financial Statements  
For the year ended December 31, 2019

Note 2: INCOME TAXES

The Company is subject to a limited liability company gross receipts fee of \$6,000 and a minimum franchise tax of \$800. At December 31, 2019, the Company was subject to the limited liability company income tax of \$6,800.

Note 3: RELATED PARTY TRANSACTIONS

ExchangeRight Securities, LLC is fully owned by ExchangeRight Holdings, LLC. Throughout the year, ExchangeRight Securities, LLC shares certain expenses with JRW Investments. During 2019, this amount totaled \$84,659 of which \$73,074 was paid at December 31, 2019. The balance of \$11,585 has been paid by the date of the audit, February 5, 2020.

Note 4: COMMITMENTS AND CONTINGENCIES

In February 2016, the FASB issued ASU 2016-02 on Leases. Under the new guidance lessees are required to recognize a lease liability and a right-to-use asset for all leases at the commencement date with the exception of short-term leases. ASU 2016-02 is effective for annual and interim periods beginning after December 15, 2018, and early adoption is permitted. The company is not subjected to this requirement inasmuch as it has an expense sharing agreement with an affiliate.

ExchangeRight Securities' portion of the expense sharing agreement with JRW Investments that was rent expense totaled \$13,649 for the year ended December 31, 2019. The remainder of the \$34,335 total rent expense for the year of \$20,686 was paid to an affiliate.

Note 5: NET CAPITAL

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 8 to 1. Net capital and aggregate indebtedness change day to day, but on December 31, 2019 the Company had a minimum net capital requirement of the greater of \$5,000 or 6 2/3% of aggregate indebtedness or \$2,471. The Company's actual net capital of \$247,125 was \$242,125 in excess of its required net capital of \$5,000; and the Company's ratio of aggregate indebtedness \$37,068 to net capital was .15 to 1, which is less than the 8 to 1 maximum ratio allowed for a broker dealer.

## Assertions Regarding Exemption Provisions

We, as members of management of ExchangeRight Securities LLC (the Company"), are responsible for compliance with the annual reporting requirements under Rule 17a-5 of the Securities Exchange Act of 1934. Those requirements compel a broker or dealer to file annual reports with the Securities Exchange Commission (SEC) and the broker's or dealer's designated examining authority (DEA). One of the reports to be included in the annual filing is an exemption report prepared by an independent public accountant based upon a review of assertions provided by the broker or dealer. Pursuant to that requirement, the management of the Company hereby makes the following assertions:

### Identified Exemption Provision:

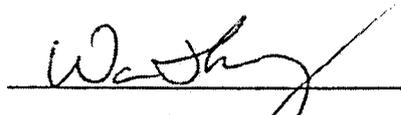

The Company claims exemption from the custody and reserve provisions of Rule 15c3-3 by operating under the exemption provided by Rule 15c3-3, Paragraph (k)(2)(i).

### Statement Regarding Meeting Exemption Provision:

The Company met the identified exemption provision without exception throughout the period January 1, 2019 through December 31, 2019.

Board of Members  
ExchangeRight Securities, LLC  
Pasadena, California

I have reviewed management's statements, included in the accompanying Exemption Report in which (1) ExchangeRight Securities, LLC, identified the following provisions of 17 C.F.R. §15c3-3(k) under which ExchangeRight Securities, LLC claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(i) (the "exemption provision") and (2) ExchangeRight Securities, LLC, stated that ExchangeRight Securities, LLC, met the identified exemption provision throughout the most recent fiscal year without exception. ExchangeRight Securities, LLC's management is responsible for compliance with the exemption provision and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly, included inquiries and other required procedures to obtain evidence about ExchangeRight Securities, LLC's compliance with the exemption provision. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
