REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Stockholders' and Board of Directors of H2C Securities, Inc.

Opinion on the Financial Statements

I have audited the accompanying statement of financial condition of H2C Securities, Inc. as of December 31, 2019, the related statements of operations, changes in shareholders' equity, and cash flows for the year then ended, and the related notes (collectively referred to as the financial statements). In my opinion, the financial statements present fairly, in all material respects, the financial position of H2C Securities, Inc. as of December 31, 2019, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of H2C Securities, Inc.'s management. My responsibility is to express an opinion on H2C Securities, Inc.'s financial statements based on my audit. I am a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and am required to be independent with respect to H2C Securities, Inc. in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

I conducted my audit in accordance with the standards of the PCAOB. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. My audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. My audit also included evaluating the accounting principles used and significant estimates made by management, as evaluating the overall presentation of the financial statements. I believe that my audit provides a reasonable basis for my opinion.

Auditor's Report on Supplemental Information

The information contained in Schedule I, II, and III ("Supplemental Information") has been subjected to audit procedures performed in conjunction with the audit of the H2C Securities, Inc.'s financial statements. The Supplemental Information is the responsibility of the H2C Securities, Inc.'s management. My audit procedures included determining whether the Supplemental Information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the Supplemental Information. In forming my opinion on the Supplemental Information, I evaluated whether the Supplemental Information, including its form and content is presented in conformity with 17 C.F.R. § 240.17a-5. In my opinion, Schedules I, II, and III are fairly stated, in all material respects, in relation to the financial statements taken as a whole.

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

H2C Securities Inc., (the "Company"), was formed in 1970, in the State of Illinois as a corporation. The Company is registered as a broker-dealer with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA") and Securities Investor Protection Corporation ("SIPC"). The Company is authorized to engage in private placements of securities and merger and acquisition advisory services. The Company does not hold customer funds or safeguard customer securities.

On September 18, 2012, G Equity Investment Group Ltd., an Illinois corporation and member of FINRA, was acquired by Hammond Hanlon Camp LLC as a fully-owned subsidiary. On October 29, 2012, G Equity Investment Group Ltd. changed its name to H2C Securities Inc.

Summary of Significant Accounting Policies

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Concentration of Credit Risk

The Company maintains bank accounts with cash balances that exceed federally insured limits. No credit losses have been experienced on these accounts. Management believes that any potential credit losses would be minimal and, accordingly, no reserve for such losses has been established. Two clients made up approximately 28 percent of the gross revenue.

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(Continued)

Accounts receivable are stated at face amount with no allowance for doubtful accounts. An allowance for doubtful accounts is not considered necessary because probable uncollectible accounts are immaterial.

The company maintains cash balances and deposits with financial institutions that exceed federally insured limits. Management performs periodic evaluations of the relative credit standing of these institutions. The Company has not sustained any material credit losses from these instruments.

The management has reviewed the results of operations for the period of time from its year end December 31, 2019 through January 29, 2020 the date the financial statements were available to be issued, and have determined that no adjustments are necessary to the amounts reported in the accompanying financial statements nor have any subsequent events occurred, the nature of which would require disclosure.

The Company is subject to audit by the taxing agencies for years ending December 31, 2016, 2017 and 2018.

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritized the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or liability or, in the absence of a principal market, the most advantageous market for the asset or liability. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820 are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.

Level 2 inputs are inputs (other than quoted prices included within Level 1) that are observable for the asset or liability, either directly or indirectly.

Level 3 are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs should be developed based on the best information available in the circumstances and may include the Company's own data.)

There were no levels to measure at December 31, 2019.

ASC 606 Revenue Recognition

Revenue is measured based on a consideration specified in a contract with a customer, and excludes any sales incentives and amounts collected on behalf of third parties. The Firm recognizes revenue when it satisfied a performance obligation by transferring control over a product or service to a customer.

Taxes and regulatory fees assessed by a government authority or agency that are both imposed on and concurrent with a specified revenue-producing transaction, that are collected by the Firm from a customer, are excluded from revenue.

The following is a description of activities – separated by reportable segments, per FINRA Form “Supplemental Statement of Income (SSOI)”; from which the Firm generates its revenue. For more detailed information about reportable segments,

Fees earned: This includes fees earned from affiliated entities; investment banking fees, M&A advisory; account supervision and investment advisory fees; administrative fees, revenue from research services; rebates from exchanges/ECN and ATS; 12b-1 fees; Mutual fund fees other than concessions or 12b-1 fees; execution service fees; clearing services; fees earned from customer bank sweep into FDIC insured products or from ‘40Act companies and networking fees from ‘40 Act companies.

The Firm’s SSOI categorizes revenue as M&A Advisory only.

Note 2: NET CAPITAL

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Net capital and aggregate indebtedness change day to day, but on December 31, 2019 the Company had net capital of \$422,169 which was \$322,169 in excess of its required net capital of \$100,000; and the Company's ratio of aggregate indebtedness to net capital was 0.010 to 1, which is less than the 15 to 1 maximum ratio allowed for a broker dealer. In excess of its required net capital of the greater of 100,000 or 6^{2/3} aggregate indebtedness: \$100,000 is greater.

Notes to Financial Statements
For the year ended December 31, 2019

Note 3: INCOME TAXES

The Company files a consolidated tax return with its subsidiaries on an accrual basis. The Company recognizes and measures its unrecognized tax benefits in accordance with FASB ASC 740, Income Taxes, when material. Under that guidance the Company assesses the likelihood, based on their technical merit, that tax positions will be sustained upon examination based on the facts, circumstances and information available at the end of each tax year. The measurement of unrecognized tax benefits is adjusted when new information becomes available.

The company and its stockholders have elected S-Corporation status under the federal and state tax laws. As a result, the company is not liable for corporate income taxes but a portion of state taxes. Instead, the stockholders are taxed on the company's taxable income on their individual tax returns. However, the Company was subject to the state of California franchise tax of \$800 for year ended December 31, 2019.

Note 4: RELATED PARTY

H2C Securities Inc is a fully-owned subsidiary of Hammond Hanlon Camp LLC. Throughout the year, H2C Securities Inc paid expenses (expense reports, payroll and rent (\$216,000) charges.) \$9,642,326.85 was debited and \$11,086,246 was credited through the intercompany account, resulting in the difference of \$1,443,919 decrease in intercompany balance. As of 12/31/2019 the balance is \$4,097,625 owed to H2C Securities Inc from Hammond Hanlon Camp LLC.

In February 2016 the FASB issued ASU 2016-02 on Leases. Under the new guidance lessees are required to recognize a lease liability and a right-to-use asset for all leases at the commencement date, with the exception of short-term leases. ASU 2016-02 is effective for annual and interim periods beginning after December 15, 2018 and early adoption is permitted. The Company is not subject to this requirement inasmuch as it has an expense sharing agreement with its Parent.

Note 5: RETIREMENT PLAN

The Company has sponsored a Simplified Employee Pension Plan covering substantially all of its employees. Contributions to the plan are made exclusively by the Company. For the year ended December 31, 2019, the Company's pension expense was \$159,890.

Board of Directors
H2C Securities Inc.

I have reviewed management's statements, included in the accompanying Exemption Report in which (1) H2C Securities Inc., identified the following provisions of 17 C.F.R. §15c3-3(k) under which H2C Securities Inc. claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(i) (the "exemption provision") and (2) H2C Securities Inc., stated that H2C Securities Inc., met the identified exemption provision throughout the most recent fiscal year without exception. H2C Securities Inc.'s management is responsible for compliance with the exemption provision and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly, included inquiries and other required procedures to obtain evidence about H2C Securities Inc.'s compliance with the exemption provision. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
