**December 31, 2019**

---

### **1. Nature of Operations**

IDX Markets, LLC (the “Company”), a wholly owned subsidiary of IDX II, LLC (the “Parent”) is a limited liability company and was formed under the laws of the State of Delaware on January 10, 2014. On June 4, 2015, the Company became a broker-dealer and as such is registered with the Securities and Exchange Commission (the “SEC”) and is a member of the Financial Industry Regulatory Authority (“FINRA”).

The Company was formed for the purpose of providing broker dealer services including making markets in over-the-counter corporate securities, selling corporate debt securities, research and operating an alternative trading system (“ATS”) and has not yet commenced revenue producing activities.

### **2. Summary of Significant Accounting Policies**

#### **Basis of Presentation**

These financial statements were prepared in conformity with accounting principles generally accepted in the United States of America which require management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

#### **Concentrations**

All of the Company’s cash is on deposit with a single financial institution.

#### **Income Taxes**

The Company is a single member limited liability company and has elected to be taxed as a corporation for federal income tax reporting purposes. The Parent is also a single member entity that has elected to be taxed as a corporation.

At December 31, 2019, management has determined that the Company had no uncertain tax positions that would require financial statement recognition. This determination will always be subject to ongoing reevaluation as facts and circumstances may require.

Since the Company has a taxable loss, there is no current tax provision recorded in these financial statements. The Company has a deferred tax asset of \$ 129,438 relating to federal, state and local net operating loss carryforwards. Management has determined that a full valuation allowance for the entire deferred tax asset is appropriate. The Federal NOLs will begin to expire in 2034.

## **2. Summary of Significant Accounting Policies (continued)**

### **Revenue Recognition**

In accordance with ASC Topic 606, Revenue from Contracts with Customers ("ASC Topic 606"), the company will recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The guidance requires an entity to follow a five-step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies a performance obligation.

The Company has not yet commenced any revenue producing activities. As a result, there was no accounts receivable, contract assets or contract liabilities as of January 1, 2019 or December 31, 2019.

### **Leases**

In February 2016, FASB issued ASU 2016-02 (Topic 842) standards for the presentation of leases that requires both lessors and lessees to recognize operating and financing leases on the balance sheet. As a lessee, the Company considered the effects of this pronouncement on the financial statements for 2019 and determined there was no impact from the solitary lease (see Note 5) of its office premises.

## **3. Transactions with Related Parties**

IDX Markets received a capital contribution of \$345,000 from its sole member in December 2019.

All transactions with related parties are settled in the normal course of business. The terms of any of these arrangements may not be the same as those that would otherwise exist or result from agreements and transactions among unrelated parties.

## **4. Regulatory Requirements**
