REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors of
Folger Nolan Fleming Douglas Incorporated and Subsidiaries:

Opinion on the Financial Statement

We have audited the accompanying consolidated statement of financial condition of Folger Nolan Fleming Douglas Incorporated and Subsidiaries (a Delaware Corporation) (the Corporation) as of December 31, 2019, and the related notes (collectively referred to as the consolidated financial statement). In our opinion, the consolidated statement of financial condition presents fairly, in all material respects, the financial position of Folger Nolan Fleming Douglas Incorporated and Subsidiaries as of December 31, 2019 in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This consolidated financial statement is the responsibility of the Corporation's management. Our responsibility is to express an opinion on the Corporation's consolidated financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Corporation in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the consolidated financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that our audit provides a reasonable basis for our opinion.

We have served as Folger Nolan Fleming Douglas Incorporated and Subsidiaries' auditor since 2015.

The Corporation is also registered with the SEC as an investment advisor under the Investment Advisors Act of 1940.

Folger Nolan Fleming Douglas Holdings, Inc. (Holdings) is a wholly-owned subsidiary of the Corporation.

Folger Nolan Fleming Douglas Capital Management, Inc. (CMI) is a wholly-owned subsidiary of Holdings. CMI is a registered investment advisor under the Investment Advisors Act of 1940.

Folger Nolan Fleming Douglas Insurance Agency, Inc. is a wholly-owned subsidiary of Holdings.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Principles of Consolidation - The consolidated statements of financial condition, income, changes in stockholders' equity, and cash flows include the accounts of the Corporation and its wholly-owned subsidiaries. All significant intercompany balances and transactions between the Corporation and its subsidiaries have been eliminated in the consolidation.

Securities Transactions - Securities transactions are recorded on a trade date basis.

Cash, Cash Equivalents and Restricted Cash – For purposes of the consolidated statement of cash flows, at the time of purchase the Corporation considers all highly liquid debt instruments with a maturity of three months or less to be cash equivalents.

Effective January 1, 2019, the Corporation adopted Accounting Standards Update (ASU) 2016-18, *Statement of Cash Flows, Restricted Cash* (Topic 230), which modifies the presentation of cash, cash equivalents, restricted cash and restricted cash equivalents in the consolidated statement of cash flows and requires a retrospective transition application. The Corporation has applied Topic 230 to the accompanying consolidated statement of cash flows for the year ended December 31, 2019. The adoption of Topic 230 did not have a material impact on the accompanying consolidated financial statements.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

DECEMBER 31, 2019

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES – continued

Receivable from Clearing Organization – Receivable from clearing organization represents net credit balances in accounts held for the benefit of the Corporation and includes \$421,937 of net commission receivable as of December 31, 2019. Management reviews accounts receivable and sets an allowance for doubtful accounts when collection of receivables becomes unlikely. The Corporation considers the receivable from clearing organization to be fully collectible and accordingly no allowance for doubtful accounts has been provided.

Commissions – Commissions and related clearing expenses are recorded on a trade date basis as securities transactions occur.

Investment Advisory Fees – Investment advisory fees are billed at the stated contractual rates with customers and are recognized over time as the performance obligation is met.

Securities Owned - Securities owned by the Corporation are valued at fair value with the resultant unrealized gain or loss reflected in the consolidated statement of income. Dividends are recorded as income when received, which does not materially differ from the accrual basis.

Securities owned at December 31, 2019, consisted of common stocks (99%) and municipal bonds and corporate bonds (1%).

Property and Equipment - Depreciation and amortization of office equipment, furniture and fixtures, and leasehold improvements is recorded on a straight-line basis over the estimated useful lives of such assets. Property and equipment is stated at cost.

Income Taxes - The Corporation accounts for income taxes under the liability method, whereby deferred income taxes are recognized for the tax consequences of temporary differences by applying enacted statutory tax rates applicable to future years to differences between the financial statement carrying amounts and the tax basis of existing assets and liabilities.

The Corporation complies with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 740, Income Taxes which requires an asset and liability approach to financial accounting and reporting for income taxes. Deferred income tax assets and liabilities are computed for differences between the financial statement and tax basis of assets and liabilities that will result in taxable or deductible amounts in the future based on the enacted tax laws and rates applicable to the periods in which the differences are expected to affect taxable income. Valuation allowances are established, when necessary, to reduce the deferred income tax assets to the amount expected to be realized.

FOLGER NOLAN FLEMING DOUGLAS INCORPORATED AND SUBSIDIARIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

DECEMBER 31, 2019

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES – continued

ASC 740 provides guidance for how uncertain tax positions should be recognized, measured, presented and disclosed in the financial statements. ASC 740 requires the evaluation of tax positions taken or expected to be taken in the course of preparing the Corporation's tax returns to determine whether the tax positions are "more-likely-than-not" of being sustained by the applicable tax authority. Tax positions not deemed to meet the more-likely-than-not threshold would be recorded as tax benefit or expense in the current year.

In general, the Corporation's prior three years tax returns filed with various taxing agencies are open to examination.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value Measurement – All of the Corporation's assets, except for municipal bonds, and liabilities which are stated at fair value are valued in accordance with Level 1 criteria, as defined in FASB ASC 820. Level 1 value measurement uses quoted prices (unadjusted) in active markets for identical assets or liabilities the Corporation has the ability to access. The municipal bonds owned by the Corporation are stated at fair value in accordance with Level 2 criteria, as defined in FASB ASC 820. Level 2 fair value measurement uses inputs that are observable for the asset, either directly or indirectly.

Recognition of Revenue – In May 2014, FASB issued ASU 2014-09, Revenues from Contracts with Customers, (Topic 606) which supersedes the revenue recognition requirements in FASB ASC 605. On January 1, 2019 the Corporation adopted ASC Topic 606. Under Topic 606, revenue is recognized when the Corporation has met its performance obligations. There were no material changes in the timing of revenue recognition associated with the adoption. In addition, the Corporation has re-evaluated classifications of revenue by financial statement line item and has renamed certain line items.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES – continued

Recent Accounting Pronouncements - The FASB issued ASU 2016-02, Leases (Topic 842), which was effective for the year ended December 31, 2019. Under Topic 842, finance leases (previously capital leases) and operating leases would be reported on the consolidated statement of financial condition as a depreciable right-to-use asset and a liability that is reduced by lease payments. The asset and liability would be initially measured at the present value of the lease payments, including payments to be made in optional periods only if the lessee is reasonably certain to exercise an option to extend the lease or not to exercise an option to terminate the lease. The Corporation made the allowable accounting policy election not to recognize lease assets and liabilities for leases with a term of 12 months or less. Management considered the effects of ASU 2016-02 for the year ended December 31, 2019 and has determined that based on future minimum commitments of the leases in effect during the year ended December 31, 2019, the impact of ASU 2016-02 is immaterial to the accompanying consolidated financial statements. Due to a no action letter issued by the SEC, the impact to net capital is also immaterial.

NOTE 3 – OTHER REGULATORY REQUIREMENTS

The Corporation is subject to the provisions of Rule 15c3-3 of the Securities and Exchange Commission. However, the Corporation operates pursuant to the exemptive provisions of Paragraph (k)(2)(ii) of Rule 15c3-3.

NOTE 4 - FAIR VALUE MEASUREMENT

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market.

Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels Level 1, Level 2 and Level 3.

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Corporation has the ability to access.
- Level 2 inputs are inputs (other than quoted prices included within Level 1) that are observable for the asset or liability, either directly or indirectly.

FOLGER NOLAN FLEMING DOUGLAS INCORPORATED AND SUBSIDIARIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

DECEMBER 31, 2019

NOTE 4 - FAIR VALUE MEASUREMENT – continued

- Level 3 inputs are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs should be developed based on the best information available in the circumstances and may include the Corporation's own data.)

The asset's or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Interest in corporate obligations: Valued at amortized cost plus accrued interest, which approximates fair value.

Interests in municipal bonds: Valued at the closing price reported in the market in which the bonds are traded.

Interests in equity securities: Valued at the closing price reported in the active market in which the securities are traded.

The following table presents the Corporation's fair value hierarchy for those assets and liabilities measured at fair value on a recurring basis as of December 31, 2019.

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Corporate Obligations	\$ 5,078	\$ -	\$ -	\$ 5,078
Municipal Bonds	-	503,287	-	503,287
Equity Securities	<u>55,711,018</u>	-	-	<u>55,711,018</u>
Total	<u>\$ 55,716,096</u>	<u>\$ 503,287</u>	<u>\$ -</u>	<u>\$ 56,219,383</u>

NOTE 5 – PROFIT-SHARING PLAN

The Corporation provides retirement benefits for substantially all employees through a defined-contribution profit-sharing plan. Funding is at the discretion of the Corporation. The Corporation has elected to make a contribution of \$157,693 for 2019.

NOTE 6 – PREFERRED STOCK

The preferred stock is redeemable at 100% of par value.

NOTE 7 – PROPERTY AND EQUIPMENT

Property and equipment consist of the following as of December 31, 2019:

Leasehold improvements	\$	1,541,663
Furniture, fixtures, and equipment		2,686,600
Construction in process		<u>17,964</u>
Property and Equipment		4,246,227
Less: accumulated amortization and depreciation		<u>(3,243,735)</u>
Property and Equipment, net	\$	<u>1,002,492</u>

Depreciation and amortization expense totaled \$85,671 for the year ended December 31, 2019.

NOTE 8 – INCOME TAXES

The expense for income taxes consists of the following for the year ended December 31, 2019:

	<u>Current</u>	<u>Deferred</u>	<u>Total</u>
Federal	\$ (100,734)	\$ 2,064,740	\$ 1,964,006
State	<u>1,000</u>	<u>570,168</u>	<u>571,168</u>
Total	<u>\$ (99,734)</u>	<u>\$ 2,634,908</u>	<u>\$ 2,535,174</u>

The primary difference between income taxes at the statutory rate and the effective rate are the interest on municipal bonds and state taxes net of federal benefit.

The principal temporary difference between income before taxes for financial reporting purposes and for income tax purposes relates to net unrealized appreciation on investment securities which is included in revenues in the consolidated statement of income but is not reportable for tax purposes until realized.

The Corporation has a net operating loss carry forward of approximately \$5,400,000 and \$2,500,000 for federal and state purposes, respectively, to offset future taxable income. The net operating loss carry forward expires beginning in 2030 for state and federal income taxes. Deferred income taxes reflect the net tax effects of the temporary difference of carrying amounts of assets and liabilities for financial statement purposes and the amounts used for income tax purposes. The deferred tax liability is primarily composed of unrealized appreciation of securities.

NOTE 9 – COMMITMENTS AND CONTINGENCIES

The Corporation has entered into operating leases for real estate and computer software. Total rental expense under such lease agreements amounted to \$737,515 for the year ended December 31, 2019. Included in rental expenses is \$638,056 for rental of office space owned by the family of a principal of the Corporation (occupied under a month to month lease). Certain leases contain provisions for escalations.

The aggregate minimum annual rental commitments at December 31, 2019 for leases of one year or more are as follows:

2020	\$	87,435
2021		89,113

Total	\$	<u>228,860</u>

NOTE 10 – NET CAPITAL REQUIREMENTS

The Corporation is subject to the Securities and Exchange Commission's Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2019, the Corporation had net capital and net capital requirements computed under these provisions as follows:

Net Capital	\$	42,364,145
Net Capital Requirement	\$	250,000
Ratio of Aggregate Indebtedness to Net Capital		2%

NOTE 11 – FINANCIAL INSTRUMENTS WITH OFF-BALANCE-SHEET RISK

The Corporation's customers' accounts are carried on a fully disclosed basis with another broker dealer, which reduces, but does not eliminate, its risks associated with customer activities. In the event a customer is unable to fulfill its contractual obligations with the carrying broker-dealer, the Corporation may be at risk to fulfill the customer's obligations.

NOTE 12 – CONCENTRATIONS OF CREDIT RISK

Cash and cash equivalents consisted of investments in money market mutual funds and cash on deposit with established federally insured financial institutions. Total cash on deposit at various times during the year exceeded the federal deposit insurance limits. The Corporation has never experienced any losses in these accounts and does not believe that it is exposed to any significant concentration of credit risk.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors of
Folger Nolan Fleming Douglas Incorporated and Subsidiaries:

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) Folger Nolan Fleming Douglas Incorporated identified the following provisions of 17 C.F.R. §15c3-3(k) under which Folger Nolan Fleming Douglas Incorporated and Subsidiaries claimed an exemption from 17 C.F.R. §240.15c3-3: (2)(ii) (the "exemption provisions") and (2) Folger Nolan Fleming Douglas Incorporated and Subsidiaries stated that they met the identified exemption provisions throughout the most recent fiscal year without exception. Folger Nolan Fleming Douglas Incorporated's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Folger Nolan Fleming Douglas Incorporated and Subsidiaries' compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
