NOTES TO FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED DECEMBER 31, 2019

Note 1: GENERAL DESCRIPTION OF THE COMPANY AND SIGNIFICANT ACCOUNTING POLICIES

A. General

Kenmar Securities, LLC (the "Company") is a Delaware limited liability company, and the sole Member of the Company is Kenmar Olympia, LLC.

The Company is a broker-dealer registered with the Securities and Exchange Commission ("SEC"), is a member of the Financial Industry Regulatory Authority (FINRA) and is a member of the Securities Investor Protection Corporation (SIPC). The Company is in the business of offering and selling securities of commodity pools operated by affiliated companies and introducing and referring investors to affiliated and unaffiliated managers and other private placements. The Company does not carry customer accounts, hold funds or securities for, or owe money to, customers.

B. Method of Reporting

The Company's financial statements are presented in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board Accounting Standards Codification (the Codification) is the single source of U.S. GAAP. The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amount of assets and liabilities at the date of the financial statements and revenues and expenses during the reporting period. Actual results could differ from those estimates, and such differences may be material to the financial statements.

C. Cash

The Company maintains its cash with City National Bank. In the event of the financial institution's insolvency, the Company's recovery of the cash balance on deposit may be limited to account insurance or other protection afforded such deposits.

D. Revenue Recognition

Sales commissions and fee revenues are recognized as income when earned in accordance with the terms of the applicable agreement, and the Company's associated performance obligations are completed, and collection is probable.

E. Leases

The Company shares its office space with its Parent under the terms of an expense sharing agreement, which is cancelable with reasonable notice. This agreement is not subject to ASC 842. The Company records its shared expenses monthly as billed.

F. Income Taxes

The Company, as an LLC, is a disregarded entity for tax purposes, pursuant to which the Company does not pay U.S. corporate or state income tax on its taxable income. Accordingly, the Company does not provide for income tax expense or income tax liability on its net income.

The Company applies the provisions of Codification Topic 740, *Income Taxes*, which prescribe the minimum recognition threshold a tax position must meet in connection with accounting for uncertainties in income tax positions taken or expected to be taken by an entity before being measured and recognized in the financial statements. This accounting standard requires the evaluation of tax positions taken or expected to be taken in the

course of preparing the Company's financial statements to determine whether the tax positions are "more-likely-than-not" of being sustained by the applicable tax authority. Tax positions with respect to tax at the Company level not deemed to meet the "more-likely-than-not" threshold would be recorded as an expense in the current year. The Company has elected an accounting policy to classify interest and penalties, if any, as interest expense. The Company has concluded that there is no tax expense or interest expense related to uncertainties in income tax positions for the year ended December 31, 2019. The 2016 through 2019 tax years generally remain subject to examination by U.S. Federal and most state tax authorities.

G. Allocation of Net Income and Loss

The Company's net income or loss is reported in the tax returns of the sole Member of the Company.

Note 2. NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 and also requires that the Company maintain minimum net capital of \$5,000. At December 31, 2019, the Company had net capital of \$8,775 which was in excess of its required net capital by \$3,775. The Company's ratio of aggregate indebtedness to net capital was 1.38 to 1.

Note 3. SALES COMMISSIONS AND INTRODUCTORY FEES

The Company acts as the Selling Agent for World Monitor Trust III (the "Trust"). The Managing Owner of the Trust is Kenmar Preferred Investments, LLC, ("Preferred"), an affiliate of the Company. The Company receives from the Trust a monthly sales commission equal to 1/12 of 1% (1% annually) of the Net Asset Value of the outstanding units as of the beginning of each month. Sales commissions earned by the Company were \$81 for the year ended December 31, 2019, of which \$0 remains receivable as of December 31, 2019.

The Company has entered into several introduction agreements with private placement issuers where the Company agreed to seek to introduce or refer prospective clients to such private placement issuers in return for a fixed retainer amount and or a percentage of any fees earned resulting from the introductions. The Company earned introductory fees of \$286,527 (\$88,286 net of payments to registered representatives) pursuant to these agreements during the year ended December 31, 2019 of which \$0 remains receivable as of December 31, 2019.

Note 4. RELATED PARTY TRANSACTIONS

The Company has selling agreements with affiliated commodity pools pursuant to which the Company earns selling agent fees. The Company did not receive any selling agent fees pursuant to such agreements during the year ended December 31, 2019.

The Company has a Services, Space Sharing and Expense Agreement ("Expense Agreement") with Kenmar Olympia, LLC ("KOL"). Under the terms of such Expense Agreement, KOL agreed to make available to the Company Support Services and Support Personnel (as defined in the agreement). KOL pays the associated costs of the Support Personnel and any related Support Services costs including but not limited to salaries and employee benefits of the Support Personnel (including the Chief Compliance Officer of the Company), rent and utilities related to the Company, travel and entertainment expenses and any other operating expense not directly related to the Company. The Company will pay all expenses related directly to its operations including but not limited to sales commissions to registered personnel,

licensing, examination fees, continuing education costs, audit fees, legal fees and any expense to an outside vendor with which the Company has contracted directly. Commission paid to an officer of the Company amounted to \$0 for the year ended December 31, 2019. The Company has an amount payable to a registered representative of \$0 at December 31, 2019. No specific terms apply to payments of amounts due to the Affiliate; however such amounts are settled periodically. See Note 3 with regards to sales commissions received from a related party.

Note 5. FAIR VALUE

The Company accounts for its holdings at fair value. Fair value, as defined in the *Fair Value Measurement* Topic of the Codification, is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value hierarchy, as set forth in the *Fair Value Measurement* Topic of the Codification, prioritizes the inputs to valuation techniques used to measure fair value into three broad levels: quoted market prices in active markets for identical assets or liabilities (Level 1); inputs other than quoted market prices that are observable for the asset or liability, either directly or indirectly (Level 2); and unobservable inputs for an asset or liability (Level 3). The Company did not hold nor acquired assets that required fair value during the year ending December 31, 2019.

Note 6. INDEMNIFICATIONS

In the normal course of business, the Company enters into contracts and agreements that contain a variety of representations and warranties and which provide general indemnifications. The Company's maximum exposure under these arrangements is unknown, as this would involve future claims that may be made against the Company that have not yet occurred. The Company expects the risk of any future obligation under these indemnifications to be remote.

Note 7. RECENTLY ISSUED ACCOUNTING STANDARDS

Effective January 1, 2019 the Company adopted the new FASB accounting standard ASC 842, *Leases* which governs the accounting and reporting of leases by lessees. Lessor accounting and reporting is largely unchanged. ASC 842 generally applies to leases that have a lease term greater than 12 months at lease commencement, or that include an option to purchase the underlying asset the Company is reasonably certain to exercise. ASC 842's principal changes are: 1) recognizing lease on the Statement of Financial Condition by recording a Right-of-use asset and a Lease liability; 2) changes in lease expenses recognition during the lease term based on its classification as an Operating lease or Finance lease; and 3) expanded disclosures on lease agreements, costs and other matters.

As discussed in Note 1, the Company shares office space with its Parent covered under the terms of an expense sharing agreement. This agreement is not subject to ASC 842 and does not have an effect on the Company's financial statements for the year ending December 31, 2019.

Note 8. SUBSEQUENT EVENTS

The Company has evaluated events subsequent to the statement of financial condition date for items requiring recording or disclosure in the financial statements. The evaluation was performed through the date the financial statements were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.

To Those Charged with Governance and the Member of Kenmar Securities, LLC:

We have reviewed management's statements, included in the accompanying Assertions Regarding Exemption Provisions, in which (1) Kenmar Securities, LLC identified the following provisions of 17 C.F.R. § 15c3-3(k) under which Kenmar Securities, LLC claimed an exemption from 17 C.F.R. § 240.15c3-3: (k)(2)(i) (the "exemption provisions") and (2) Kenmar Securities, LLC stated that Kenmar Securities, LLC met the identified exemption provisions throughout the year ended December 31, 2019 without exception. Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
