**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Members  
of Oasis Pro Markets LLC

**Opinion on the Financial Statement**

We have audited the accompanying statement of financial condition of Oasis Pro Markets LLC as of December 31, 2019, and the related notes (collectively referred to as the "financial statement"). In our opinion, the statement of financial condition presents fairly, in all material respects, the financial position of Oasis Pro Markets LLC as of December 31, 2019 in conformity with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

This financial statement is the responsibility of Oasis Pro Markets LLC's management. Our responsibility is to express an opinion on Oasis Pro Markets LLC's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to Oasis Pro Markets LLC in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

**NOTE 1 – ORGANIZATION AND NATURE OF BUSINESS**

Oasis Pro Markets LLC (the "Company") was formerly LaVecchia Capital LLC and its name was changed in 2019. It is a registered broker-dealer with the Securities and Exchange Commission (SEC) and a member of the Financial Industry Regulatory Authority, Inc. (FINRA). The Company received its FINRA approval for membership in 2009. The Company is exempt from Rule 15c3-3 of the SEC under paragraph (k)(2)(i) of that rule.

The Company's managing member is Pat LaVecchia. The Company's ownership is 99% owned by Oasis Pro, Inc. and 1% owned by KTTB LLC, and a new operating agreement was executed pursuant to the new structure. The current ownership structure was approved by FINRA in August 2019.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of accounting** - The Company maintains its books and records on the accrual basis of accounting for financial reporting purposes, which is in accordance with U.S. generally accepted accounting principles and is required by the SEC and FINRA. The financial statements include only the assets and liabilities of the Company and are not combined with the related companies. Regulatory requirements require that the broker-dealer of securities be reported separately.

**Cash and equivalents** - For the purposes of the statement of cash flows, the Company considers cash in banks and all highly liquid debt instruments with maturity of three months or less to be cash equivalents. The Company maintains its cash in bank deposit accounts, which, at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risk on cash.

**Revenue recognition** - Revenues from investment banking services are recognized when the transaction is signed, or the closing is imminent. Non-refundable retainers are recognized as revenue in accordance with the terms of the contract and are applied against transaction fees upon closing, if applicable.

Effective January 1, 2018, the Company adopted ASC Topic 606, *Revenue from Contracts with Customers* ("ASC Topic 606"). The new revenue recognition guidance requires that an entity recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The guidance requires an entity to follow a five-step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies a performance obligation. In determining the transaction price, an entity may include variable consideration only to the extent that it is probable that a significant reversal in the amount of cumulative revenue recognized would not occur when the uncertainty associated with the variable consideration is resolved.

**Oasis Pro Markets, LLC**  
**Notes to Financial Statements**  
**December 31, 2019**  
**(See Report of Independent Registered Public Accounting Firm)**

The Company applied the modified retrospective method of adoption which resulted in no adjustments to members' equity as of January 1, 2018. The new revenue recognition does not apply to revenue associated with interest income.

**Use of accounting estimates** - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of certain assets and liabilities and disclosures. Accordingly, the actual amounts could differ from those estimates. Any adjustments applied to the estimated amounts are recognized in the year in which such adjustments are determined.

**Accounts receivable** - Accounts receivables are carried at cost or have been written down to net realizable value. No allowance for uncollectable accounts is required at December 31, 2019 as there are no outstanding balances. Management evaluates each receivable on a case-by-case basis for collectability and they write the receivable down to net realizable value.

**Income taxes** - The Company is a limited liability company treated as a disregarded entity. Accordingly, in lieu of Federal and state income taxes, the member is taxed on their proportionate share of the Company's taxable income. Therefore, no provision or liability for Federal or state taxes has been included in these financial statements.

The Company has adopted FASB Accounting Standards Codification 740 for accounting for uncertain tax positions. The standard prescribes how an entity should measure, recognize, present and disclose positions that it has taken or expects to take on its income tax returns. The Company regularly reviews and evaluates its tax positions taken in previously filed information returns and as reflected in its financial statements and believes that in the event of an examination by taxing authorities, its positions would prevail based upon the technical merits of such positions. Therefore, the Company has concluded that no tax benefits or liabilities are required to be recognized. The Company will file its initial partnership return for 2019.

### **NOTE 3- NET CAPITAL REQUIREMENT**

The Company is subject to the SEC Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital; ratio would exceed 10 to 1. At December 31, 2019, the Company had net capital of \$1,863,167, which was \$1,858,167 in excess of its required net capital of \$5,000. The Company's ratio of indebtedness to net capital was 0.05%.

**NOTE 4- CONTINGENCIES**

The Company evaluates contingencies on an ongoing basis. At December 31, 2019, the Company is not aware of any contingent liabilities that could have a subsequent material adverse effect on the results of operations.

**NOTE 5 – SUBSEQUENT EVENTS**

In accordance with FASB Accounting Standards Codification 855, Subsequent Events, the Company has evaluated subsequent events to the Statement of Financial Position date of December 31, 2019 through February 19, 2020, which is the date the financial statements were available to be issued.

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Members  
of Oasis Pro Markets LLC

We have reviewed management's statements, included in the accompanying Statement Regarding Exemptive Provision Under Rule 15c3-3 of the Securities and Exchange Commission, in which (1) Oasis Pro Markets LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which Oasis Pro Markets LLC claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(i) (exemption provisions) and (2) Oasis Pro Markets LLC stated that Oasis Pro Markets LLC met the identified exemption provisions throughout the most recent fiscal year without exception. Oasis Pro Markets LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Oasis Pro Markets LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
