BULL & BEAR BROKERAGE SERVICES, LLC
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR DECEMBER 31, 2019

NOTE 1: ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the Firm's significant accounting policies consistently applied in the preparation of the accompanying financial statements are as follows:

- a. Nature of Operations—Bull & Bear Brokerage Services, LLC (the "Company") was incorporated February 19, 2001 and began operations for the purpose of conducting business as a broker/dealer in securities. In April 2008, the Company converted from a Florida corporation to a Florida limited liability company. The Company is registered with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority (FINRA).
- b. Cash Equivalents—For purposes of the statements of cash flows, the Firm considers all highly liquid debt instruments with maturities of three months or less when purchased to be cash equivalents. There were no cash equivalents at December 31, 2019.
- c. Use of Estimates—The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.
- d. Concentrations of Credit Risk—The Firm places its cash in accounts with a local financial institution. At times, balances in these accounts may be exceed FDIC insured limits.
- e. Commissions Receivable—Commissions receivable are recorded at net realizable value. An allowance for doubtful accounts is provided based on prior collection experience and management's analysis of specific accounts. The allowance is reviewed periodically and adjusted for commissions deemed uncollectible by management. In the opinion of management, no such allowance is deemed necessary at December 31, 2019.
- f. Revenue Recognition—The revenue of the Company is derived primarily from commissions earned on the sale of mutual funds, variable annuities, and life insurance products. Commission income is recorded on the date of the transaction.

In May 2014, FASB issued ASU 2014-19, "Revenue from Contracts with Customers Topic 606" which supersedes nearly all existing revenue recognition guidance under generally accepted accounting principles. The Firm's revenue recognition policy conforms with the pronouncement by recognizing revenue in accordance with the five components of the pronouncement.

- Identify the contract with the customer
- Identify the performance obligation
- Determine the transaction price
- Allocate the transaction price to the performance obligation
- Recognize when the performance obligation is met

BULL & BEAR BROKERAGE SERVICES, LLC
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR DECEMBER 31, 2019

NOTE 2: NET CAPITAL REQUIREMENTS

The Firm is required to maintain a minimum net capital under Rule 15c3-1 of the Securities and Exchange Commission. Net capital required under the rule is the greater of \$5,000 or 6 2/3 percent of the aggregate indebtedness of the Firm. At December 31, 2019, net capital as defined by the rules, equaled \$10,616. The ratio of aggregate indebtedness to net capital was 65.86%. Net capital in excess of the minimum required was \$5,616.

NOTE 3: INCOME TAXES

The Firm is organized as a limited liability company under the Florida Limited Liability Company Act and is structured to be treated as a Subchapter S corporation for income tax purposes. Items of income or loss are allocated to the member in accordance with the respective equity interest and reported on the individual federal and state income tax returns.

The Company implements the accounting guidance for uncertainty in income taxes using the provisions of Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) No. 740, *Income Taxes*. Using that guidance, tax positions

initially need to be recognized in the financial statements when it is more-likely-than-not the position will be sustained upon examination by the tax authorities.

As of December 31, 2019, the Company had no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. The tax years that remain subject to examination are the periods beginning January 1, 2016 for all major tax jurisdictions.

NOTE 4: ACCOUNTING FOR UNCERTAINTY IN INCOME TAXES

In June 2006, the Financial Accounting Standards Board (FASB) issued FASB Interpretation Number 48 (FIN 48), Accounting for Uncertainty in Income Taxes - an Interpretation of FASB Statement No. 109 (SFAS 109). The interpretation contains a two-step approach to recognizing and measuring uncertain tax positions accounted for in accordance with SFAS 109. The Firm has elected to defer the adoption of FIN 48 as allowed in FASB Staff Position (FSP-48-3) issued December 30, 2008. The adoption of this standard is not currently anticipated to have a material impact on the Firm's financial position, results of operations, or cash flows; however, the effect on future financial statements of this pronouncement cannot be determined at this time. Management will continue to evaluate any uncertain tax positions, if any, during the deferral period.

NOTE 5: CONTINGENCY

The Firm assesses potential liabilities in connection with lawsuits and threatened lawsuits under Financial Accounting Standards Board's Accounting Standards Codification. The filing of a suit or formal assertion of a claim or assessment does not automatically indicate that accrual of a loss is appropriate. An accrual would be inappropriate, but disclosure would be required, if an unfavorable outcome is determined to be reasonably possible but not probable, or if the amount of loss cannot be reasonably estimated. If an unfavorable outcome is assessed as probable, an accrual would be appropriate if the amount of loss can be reasonably estimated, and disclosure would be required.

Accordingly, no Statement of Changes in Liabilities Subordinated to Claims of Creditors has been included in these financial statements as required by rule 17a-5 of the Securities and Exchange Commission.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Member of
Bull & Bear Brokerage Services, LLC

I have reviewed management's statements, included in the accompanying Exemption report of Broker and Dealers, in which (1) Bull & Bear Brokerage Services, LLC, identified the following provisions 17 C.F.R. § 15c3-3(k) under which the Firm claimed an exemption from 17 C.F.R. § 240.15c3-3: (k) (2) (i), and (2) Bull & Bear Brokerage Services, LLC stated that Bull & Bear Brokerage Services, LLC has met this exemption provision throughout the year ended December 31, 2019 without exception. Bull & Bear Brokerage Services, LLC's management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly included inquiries and other required procedures to obtain evidence about the Firm's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
