NYSE may participate, at its own expense, in any defense and settlement directly or through counsel of their choice and User shall not, without the prior written consent of NYSE, enter into any settlement agreement: 1) on terms that would diminish the rights provided to NYSE or increase the obligations assumed by NYSE under this User Agreement, and 2) which does not include an unconditional release of NYSE by every claimant or plaintiff from all liability in respect to the claim, demand, expense, obligation, liability, damage, recovery or deficiency.

4. Change of the Platform

Nothing in this User Agreement constitutes an obligation by NYSE to continue or support any aspect of the Platform in its current form or previous forms. NYSE may from time to time make additions, deletions or modifications to the Platform. Except as set forth in this User Agreement, the receiving party shall use the disclosing party's Information solely to perform its obligations under this User Agreement. The receiving party shall take all precautions necessary to safeguard the confidentiality of the disclosing party's Information, including: (i) those taken by the receiving party to protect its own confidential information, and (ii) those which the disclosing party may reasonably request from time to time.

If an unauthorized use or disclosure occurs, the receiving party shall immediately notify the disclosing party and take at its expense all steps necessary to recover the disclosing party's Information and to prevent its subsequent unauthorized use or dissemination, including availing itself of actions for seizure and injunctive relieve. If the receiving party fails to take these steps in a timely and adequate manner, the disclosing party may take them at the receiving party's expense, and the receiving party shall cooperate reasonably in the actions that the disclosing party may request.
- (d) **Limitation.** Unless otherwise required by law, regulation or the Rules, the receiving party has no confidentiality obligation with respect to any portion of the disclosing party's Information that: (i) the receiving party independently developed before receiving the Information from the disclosing party, (ii) the receiving party lawfully obtained from a third party under no obligation of confidentiality, (iii) is or becomes available to the public other than as a result of an act or omission of the receiving party or any of its employees or (iv) the receiving party is compelled to disclose pursuant to legal process provided by a court of competent jurisdiction or other governmental entity or regulatory or self-regulatory authority to whose jurisdiction the receiving party is subject.
- (e) **Non-attribution.** NYSE shall not disclose data that directly or indirectly identifies User except: i) when NYSE has received User's prior, written consent; ii) when allowed by the Rules (other than Rules for market data products) or required by law, regulation or government rule; iii) restricted access on a delayed, aggregated basis of an issuer's securities to employees of that issuer that are not trading and dealing personnel; or (iv) as part of post-trade information customarily provided to parties to a trade in equity options.

7. Disclaimer of Warranty

THE PLATFORM AND ANY CONNECTIVITY TO THE PLATFORM IS MADE AVAILABLE "AS IS" AND WITHOUT WARRANTY OF ANY KIND. ALL WARRANTIES, CONDITIONS, REPRESENTATIONS, INDEMNITIES AND GUARANTIES WITH RESPECT TO THE PLATFORM, ANY CONNECTIVITY TO THE PLATFORM AND ANY DATA, SOFTWARE OR INFORMATION MADE AVAILABLE IN THE PLATFORM OR THE CONNECTIVITY BY NYSE OR ITS LICENSORS, WHETHER EXPRESS, IMPLIED OR STATUTORY, ARISING BY LAW, CUSTOM, PRIOR ORAL OR WRITTEN STATEMENTS BY NYSE OR ITS AGENTS, AFFILIATES, LICENSORS OR OTHERWISE (INCLUDING ANY WARRANTY OF SATISFACTORY QUALITY, ACCURACY, UNINTERRUPTED USE, TIMELINESS, LATENCY, TRUTHFULNESS, SEQUENCE, COMPLETENESS, MERCHANTABILITY, FITNESS FOR PARTICULAR PURPOSE, NON-INFRINGEMENT OR THAT THE PLATFORM OR CONNECTIVITY IS FREE OF VIRUSES OR OTHER HARMFUL COMPONENTS AND ANY IMPLIED WARRANTIES ARISING FROM TRADE USAGE, COURSE OF DEALING OR COURSE OF PERFORMANCE) ARE OVERRIDDEN, EXCLUDED AND DISCLAIMED TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW OR RULES.

NYSE USER AGREEMENT (CONTINUED)

8. No Liability for Trades

USER UNDERSTANDS THAT: (I) NYSE IS NOT DIRECTLY OR INDIRECTLY A PARTY TO OR A PARTICIPANT IN ANY TRADE OR TRANSACTION ENTERED INTO OR OTHERWISE CONDUCTED THROUGH THE PLATFORM, AND (II) NYSE IS NOT LIABLE IN ANY MANNER TO ANY PERSON (INCLUDING THE USER AND ANY PERSON FOR WHOM THE USER IS AUTHORIZED TO TRADE OR ACT) FOR THE FAILURE OF ANY PERSON ENTERING INTO A TRADE OR TRANSACTION BY MEANS OF THE PLATFORM TO PERFORM THIS PERSON'S SETTLEMENT OR OTHER OBLIGATIONS UNDER THE TRADE OR TRANSACTION. NYSE AND ITS AGENTS, AFFILIATES AND LICENSORS ARE NOT LIABLE FOR ANY LOSSES, DAMAGES OR OTHER CLAIMS, ARISING OUT OF THE PLATFORM, ANY CONNECTIVITY TO THE PLATFORM OR THE USE OF THE PLATFORM OR ANY CONNECTIVITY TO THE PLATFORM. USER SHALL ABSORB ANY LOSSES, DAMAGES OR OTHER CLAIMS, RELATED TO A FAILURE OF THE PLATFORM TO DELIVER, DISPLAY, TRANSMIT, EXECUTE, COMPARE, SUBMIT FOR CLEARANCE AND SETTLEMENT, OR OTHERWISE PROCESS AN ORDER, MESSAGE OR OTHER DATA ENTERED INTO, OR CREATED BY, THE PLATFORM EXCEPT AS PROVIDED BY THE RULES OR APPLICABLE LAW. IF THIS SECTION IS DEEMED TO CONFLICT WITH ANY OTHER SECTION OF THIS USER AGREEMENT, THIS SECTION SUPERCEDES THE OTHER SECTION.

9. No Consequential Damages

NYSE AND ITS AGENTS, AFFILIATES AND LICENSORS ARE NOT LIABLE FOR ANY LOSS, DAMAGES, CLAIM OR EXPENSE, INCLUDING ANY DIRECT, CONSEQUENTIAL, INDIRECT, SPECIAL, PUNITIVE OR INCIDENTAL DAMAGES OR LOST PROFITS, WHETHER FORESEEABLE OR UNFORSEEABLE, BASED ON USER'S CLAIMS OR THE CLAIMS OF ITS CUSTOMERS, EMPLOYEES OR AGENTS (INCLUDING CLAIMS FOR LOSS OF DATA, GOODWILL, USE OF MONEY OR CONNECTION TO OR USE OF THE PLATFORM OR ANY CONNECTIVITY TO THE PLATFORM, INTERRUPTION IN USE OR AVAILABILITY OF THE PLATFORM OR ANY CONNECTIVITY TO THE PLATFORM, STOPPAGE OF OTHER WORK OR IMPAIRMENT OF OTHER ASSETS), ARISING OUT OF OR RESULTING FROM BREACH OR FAILURE OF EXPRESS OR IMPLIED WARRANTY, BREACH OF CONTRACT, MISREPRESENTATION, NEGLIGENCE, STRICT LIABILITY IN TORT OR OTHER LEGAL OR EQUITABLE THEORY. THIS SECTION DOES NOT APPLY ONLY WHEN AND TO THE EXTENT THAT APPLICABLE LAW OR THE RULES SPECIFICALLY REQUIRES LIABILITY, DESPITE THE FOREGOING EXCLUSION AND LIMITATION.

10. Term and Termination

This User Agreement is effective as of the Effective Date and remains in effect until terminated. NYSE may terminate this User Agreement, one or more Connectivity Questionnaires or one or more Session Request Forms immediately if: (i) User is in breach of this User Agreement for any reason, (ii) any representations made by User in connection with this User Agreement are or become false or misleading, (iii) NYSE determines that it is necessary to protect the Platform from abuse, degradation or material harm, (iv) NYSE determines that continued provision of access will contravene any local, state, federal or international law or regulation or (v) NYSE is notified that User is no longer a Permit Holder in good standing with NYSE or otherwise is no longer authorized to access the Platform. Either party may terminate this User Agreement, a Connectivity Questionnaire or a Session Request Form for convenience upon thirty (30) days' written notice to the other party. If User does not have at least one Connectivity Questionnaire and Session Request Form in effect, then this User Agreement automatically terminates. If this User Agreement terminates, all Connectivity Questionnaires and Session Request Forms automatically terminate. Upon the termination of this User Agreement, a Connectivity Questionnaire or a Session Request Form for any reason, all rights granted to User under this User Agreement (except for the perpetual license in Section 2(a)), the Connectivity Questionnaire or the Session Request Form, as relevant, cease. The provisions of Sections and subsections 3(d), 5, 6, 7, 8, 9, 10 and 13 survive the termination or expiration of this User Agreement for any reason. Termination of this User Agreement, a Connectivity Questionnaire or a Session Request Form does not relieve User of any obligations incurred through its connection to and use of the Platform.

11. Assignment

User shall not assign, delegate or otherwise transfer this User Agreement, a Connectivity Questionnaire or a Session Request Form or any of its rights or obligations under this User Agreement, a Connectivity Questionnaire or a Session Request Form without NYSE's prior approval. NYSE may, in accordance with the requirements of the Securities Exchange Act of 1934, assign or transfer this User Agreement, Connectivity Questionnaires and Session Request Forms, or any of its rights or obligations under this User Agreement, Connectivity Questionnaires or Session Request Forms to an affiliate, successor or acquiring entity upon notice to User. Any purported assignment or delegation in violation of this Section 11 is null and void.

12. Force Majeure

Without prejudice to any of NYSE's rights under the Rules, neither party is liable nor will be deemed in default for any failure or delay in its performance under this User Agreement (other than User's payment obligations) to the extent due to a cause or causes beyond its control, including acts of God or public enemy, war, terrorist act, insurrection or riot, fire, flood, explosion, earthquake, unusually severe weather, labor dispute, national emergency, or act or omission of any governing authority or agency of a governing authority.

NYSE USER AGREEMENT (CONTINUED)

13. Miscellaneous

- (a) Except as set forth in subsections 13(i) and (j), this User Agreement can only be amended by a written instrument signed by both parties. An obligation under this User Agreement can only be waived by a written instrument signed by the party waiving the obligation. The failure of NYSE at any time to enforce any provision of this User Agreement does not affect its right thereafter to require complete performance by User. This User Agreement binds each party's respective successors and permitted assigns. This User Agreement, together with all Connectivity Questionnaires, all Session Request Forms and the Rules, constitute the entire agreement between the parties with respect to connection to and use of the Platform; to the extent that there is a conflict, the following order of precedence applies: i) Rules filed with the SEC; ii) this User Agreement; iii) Connectivity Questionnaires and Session Request Forms; and iv) Rules not filed with the SEC. This User Agreement replaces prior user agreements related to User's use of the Platform, but for the avoidance of doubt does not replace, expand or limit any rights of either party under any vendor or subscriber market data agreement.
- (b) This User Agreement is governed by and shall be construed under the laws of the State of New York, without giving effect to any laws, rules or provisions that would cause the application of laws of any jurisdiction other than those of the State of New York.
- (c) The parties shall submit all controversies or claims arising out of or relating to this User Agreement, or to its breach or alleged breach, to arbitration in New York, New York administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules. This requirement for arbitration does not prevent either party in accordance with subsection 6(c) from seeking interim injunctive relief in any court of competent jurisdiction in New York, New York. Judgment on the award rendered by the arbitrator(s) may be rendered by a state or federal court sitting in New York, New York, and each party submits to the personal jurisdiction of these courts for the purpose of entering any such judgment. The parties acknowledge that this User Agreement evidences a transaction involving interstate commerce, and that the United States Arbitration Act governs the interpretation and enforcement of this arbitration clause and any proceedings brought pursuant to it. The arbitrator(s), however, shall have no authority to award punitive or other damages, other than interest and fees as may be permitted by this User Agreement, not measured by the prevailing party's actual damages, and no authority to order the arbitration to proceed on behalf of a class or on behalf of any other person not a signatory to this User Agreement. The arbitrator(s) may grant injunctive and other equitable relief, but in granting any relief of any kind the arbitrator(s) may not modify or disregard the terms of this User Agreement. Neither party may bring an action arising out of this User Agreement or any breach or claimed breach of this User Agreement more than one (1) year after the cause of action arose.
- (d) If any provision of this User Agreement is held to be unenforceable, in whole or in part, that holding will not affect the validity of the other provisions of this User Agreement.
- (e) Headings in this User Agreement are for convenience only and do not form a part of this User Agreement and do not in any way modify, interpret or construe the intentions of the parties.
- (f) Nothing contained in this User Agreement will be construed as creating a partnership, joint venture or other contractual relationship between the parties.
- (g) Except as otherwise provided in this User Agreement, all notices to the parties must be sent by: (i) courier, (ii) certified mail, postage prepaid and return receipt requested, (iii) e-mail with e-mail acknowledgement of receipt or (iv) in the case of a proposed amendment, circular issued to Users generally. All notices must be sent to the notice address listed on the last page of this User Agreement. Either party may change its designated notice recipient by notice to the other party.
- (h) Except for NYSE's affiliates, there are no third party beneficiaries to this User Agreement.
- (i) NYSE may, in its sole discretion, immediately amend any provision of this User Agreement, any Connectivity Questionnaire and any Session Request Form by notice to the User, where failure to do so will or would be likely to give rise to a breach of the rules or regulations of an applicable regulatory authority by NYSE. The User expressly agrees that this provision is a condition of this User Agreement and is necessary to ensure that regulatory compliance is maintained by NYSE at all times.

NYSE USER AGREEMENT (CONTINUED)

- (j) NYSE may further amend the provisions of this User Agreement on one hundred and twenty (120) days' written notice to the User. User may object in writing to the proposed amendment by providing written notice to NYSE, provided that the response must state in reasonable detail the basis of the objection. The response must be received no later than sixty (60) days after the date that NYSE distributed the proposed amendment. NYSE shall use commercially reasonable efforts to respond to User's timely objection in writing within thirty (30) days of receipt and will use commercially reasonable efforts thereafter to meet with the objecting User (in person or by phone) to discuss in good faith any potential resolution. Otherwise, any use by User of the Platform after the expiration of the one hundred and twenty (120) day notice period is deemed acceptance by User of the amendment. NYSE may amend the Connectivity Questionnaire and Session Request Form effective immediately upon posting to www.nyse.com. User may not alter any terms and conditions of this User Agreement, and no modification to this User Agreement proposed by User will be binding, unless in writing and manually signed by an authorized representative of each party.
- (k) No remedy conferred by any of the provisions of this User Agreement is intended to be exclusive of any other remedy including any remedy or rights under the Rules, except as expressly provided in this User Agreement, and each and every remedy is cumulative and in addition to every other remedy given under this User Agreement or now or later existing in law or in equity or by statute or otherwise.
- (l) It is not the responsibility of NYSE to inform Users of regulatory requirements including all regulatory, audit trail, record keeping and record retention requirements to which they may be subject (in any jurisdiction). The User assumes all responsibility for keeping itself fully informed of all Rules, rules, requirements, policies and laws.
- (m) Notwithstanding any other provision in this User Agreement, User acknowledges and agrees that confidential information and services (including any software, data or related materials provided by NYSE to User in connection with this User Agreement) may not be disclosed to any person or entity targeted by any of the economic sanctions of the United States administered by the United States Treasury Department's Office of Foreign Assets Control ("OFAC"), or any person in any country targeted by OFAC sanctions, or used, in whole or in part, in any way that reasonably could be expected to cause a violation by NYSE or an affiliate of NYSE of OFAC sanctions or restrictions on the export, re-export, sale or transfer of goods and technology administered by the United States Department of State or United States Department of Commerce.

By executing this form, the Member attests that substantially all orders submitted to NYSE by the Member tagged with the “retail” modifier designation are “retail” orders and would meet the qualifications as defined in Rule 13 for such orders.

Member further attests that it has in place Written Supervisory Procedures (WSPs) reasonably designed to assure that it will only designate orders as "retail" if all applicable requirements, as provided in Rule 13, are met. Such WSPs also must require the member organization to (i) exercise due diligence before entering a "retail" order to assure that entry as a "retail" order is in compliance with the requirements, and (ii) monitor whether orders entered as "retail" orders meet the applicable requirements.

In addition, if the Member represents “retail” orders from another broker-dealer customer, Member’s WSPs must be reasonably designed to assure that the orders it receives from such broker-dealer customer that it designates as “retail” orders meet the definition of a “retail” order, as provided in Rule 13.

The Member must (i) obtain an annual written representation, in a form acceptable to the Exchange, from each broker-dealer customer that sends it orders to be designated as “retail” orders that entry of such orders as “retail” orders will be in compliance with the requirements specified by the Exchange; and (ii) monitor whether its broker-dealer customer’s “retail” order flow meets the applicable requirements.

New York Stock Exchange LLC (“NYSE” or the “Exchange”) Retail Member Organization Application (“Application”)

Instructions: In order to participate in the NYSE Retail Liquidity Program (“RLP”) as a Retail Member Organization (“RMO”) and to establish connectivity between the NYSE and your Firm, and that only employees of your Firm have access to NYSE facilities and systems using your Firm’s connection, the completion of this application is required prior to being qualified as an RMO. To qualify as an RMO, a member organization must conduct a retail business or route retail orders on behalf of another broker-dealer. For purposes of this program, conducting a retail business includes carrying retail customer accounts on a fully disclosed basis.

A “Retail Order” is an agency order that originates from a natural person and is submitted to the NYSE by an RMO, provided that no change is made to the terms of the order with respect to price or side of market and the order does not originate from a trading algorithm or any other computerized methodology.

Please note: If an RMO uses an algorithm to determine to send an existing Retail Order into the NYSE RLP program, such order is acceptable to the program and is not deemed to have originated from a trading algorithm strictly as a result of the brokerage firm’s algorithm, provided that the RMO assures that the Retail Order meets the underlying rule requirements, including that the routing algorithm does not change the terms of the order with respect to price or side of the market. Additionally, the Retail Order provision preventing changes to the terms of the order (e.g. price or side) is not meant to prevent an RMO from ensuring a better execution experience for the retail customer, such as by adding a limit to a Retail Order.

An RMO may submit Retail Orders in a riskless principal capacity as well as an agency capacity, provided that (i) the entry of such riskless principal orders meets the requirements of FINRA Rule 5320.03, including that the RMO maintains supervisory systems to reconstruct, in a time-sequenced manner, all Retail Orders are entered on a riskless principal basis; and (ii) the RMO does not include non-retail orders together with the Retail Orders as part of the riskless principal transaction.

See NYSE Rule 107C for a full definition of terms and requirements of the RLP program.

2. Business and Technology Questions

Does your firm currently send orders to the Exchange using multiple MPIDs?	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Please identify all MPIDs that will be used to submit Retail Orders.		
If you are using a Service Bureau (e.g., Order Management System “OMS”) for NYSE connectivity, please provide the name of the technology provider.		
Please describe the current business structure of the division within your Firm that qualifies you as an RMO.		
If you are routing retail order flow on behalf of one or more broker-dealer customers, your firm will be required to execute a separate document with this firm or firms. That document should be kept for your files and is not required to be submitted to the NYSE exchange unless requested.		
Please provide supporting documentation sufficient to demonstrate the retail nature and characteristics of your order flow. For example, please provide sample marketing literature, website screenshots, and other publicly disclosed materials describing the retail nature of your order flow, and such other documentation and information as the Exchange may require to obtain reasonable assurance that the applicant’s order flow would meet the requirements of the Retail Order definition.		

3. RMO Supervisory Requirements

By executing this Application, the Applicant attests that substantially all orders submitted by the Applicant as a Retail Order would meet the qualifications for such orders under NYSE Rule 107C. Applicant further attests that it has in place Written Supervisory Procedures (WSPs) pursuant to Rule 107C(b)(6).

Such WSPs require Applicant to:

- (i) exercise due diligence before entering a Retail Order to assure that entry as a Retail Order is in compliance with the requirements of this Rule, including that the Applicant maintain adequate substantiation that substantially all orders sent to the Exchange as Retail Orders meet the definition and that those orders not meeting the definition are agency orders that cannot be segregated from Retail Orders due to system limitations and are de minimis in terms of the overall number of Retail Orders submitted and
- (ii) monitor whether orders entered as Retail Orders meet the applicable requirements.

In addition, if Applicant represents Retail Orders from another broker-dealer customer, Applicant's WSPs must be reasonably designed to assure that the orders it receives from such broker-dealer customer that it designates as Retail Orders meet the definition of a Retail Order.

The Applicant must:

- (i) obtain an annual written representation, in a form acceptable to the Exchange, from each broker-dealer customer that sends it orders to be designated as Retail Orders that entry of such orders as Retail Orders will be in compliance with the requirements of this Rule; and
- (ii) monitor whether its broker-dealer customer's Retail Order flow meets the applicable requirements.

PILLAR SERVICE BUREAU CONNECTION AGREEMENT TERMS AND CONDITIONS

1. Connection

This Connection Agreement provides User only with a connection to Pillar ("Pillar Connection") and does not assure User or any end user receiving connectivity directly or through User ("End User") of the right to access the New York Stock Exchange, NYSE MKT, NYSE Arca Equities, NYSE Arca Options, NYSE Amex Options, or NYSE Bonds marketplaces (each a "NYSE Market" and together "NYSE Markets") and User is responsible for making separate arrangements to access each NYSE Market. In NYSE's sole discretion, the use of or the right to receive or redistribute a Pillar Connection or access to the NYSE Markets (a) may not be made available to all persons or entities, and (b) may require compliance with additional terms, obligations and conditions, including execution of and compliance with additional documentation. User shall ensure that each End User is a Subscriber of any NYSE Market to which User provides the End User a Pillar Connection and shall not allow any End User that is not also a Subscriber of a NYSE Market access to that NYSE Market.

2. Proprietary Rights

User agrees that all proprietary rights in Pillar and the Pillar Connection are and shall remain the property of NYSE and its third party providers of data, information, data processing services or other services related to the Pillar Connection or any service ("Third Party Providers"), and User shall have no proprietary right or interest in Pillar or the Pillar Connection.

3. Compliance with Law

User shall comply with (i) all applicable laws, regulations, interpretations, decisions, opinions, orders and other requirements of the SEC; (ii) all rules, regulations, interpretations, decisions, opinions, orders and other requirements of any applicable NYSE Markets, relating to Pillar and the Pillar Connection. User shall not (a) alter, decompile, or disassemble any code underlying Pillar or the Pillar Connection or (b) attempt to circumvent any security protections for Pillar or the Pillar Connection, or (c) interfere with or disrupt Pillar or the Pillar Connection, or any servers or networks connected to the NYSE Markets, or (d) give access to or disclose to any unauthorized person any password, encryption key or other security methodology through which Pillar or any Pillar Connection is accessed. User shall take all reasonable precautions to safeguard the confidentiality of any password encryption key or other security methodology.

4. Specifications and Testing

User has read and understands the specifications and policies located at www.nyse.com/connectivity/specs any other specifications and policies applicable to User, the Pillar Connection and the NYSE Markets, all as updated from time to time and located at www.nyse.com (collectively, the "Specifications"). User shall comply with and be bound by all provisions of the Specifications, as currently in effect and, in accordance with Section 6 below, as they may be amended from time to time. User shall cooperate with NYSE and whatever other parties NYSE specifies as required for testing of business continuity and disaster recovery plans, including backup systems.

5. Suspension of Pillar Connection

NYSE may, without incurring any liability, suspend the User's or an End User's Pillar Connection at any time, without notice (unless the provision of advance notice is reasonably practicable) and without cause.

6. Amendment

NYSE may amend this Connection Agreement and the Specifications from time to time upon giving notice of the terms of any amendment to User by any reasonable means, including by publication on www.nyse.com (the "Website"). With regard to any amendment effected by publication on the Website, NYSE shall use reasonable efforts to advise User of the publication of the amendment by sending notice to the email address of User's Contact Person set forth on the signature page of this Connection Agreement. NYSE, in its sole discretion, may limit, expand or terminate, or subject to different or additional terms, conditions or restrictions, the Pillar Connection. User's use of the Pillar Connection after thirty (30) days of publication or receipt of notice of amendment of this Connection Agreement or of the Specifications constitutes acceptance of that amendment. If User changes its name, a new Connection Agreement is required. If the Subscriber for a Service Bureau becomes invalid, User shall send NYSE notice of this invalid status within thirty (30) days of the Subscriber becoming invalid, and a new Connection Agreement or Exhibit A, as relevant, is required. If the User adds additional Subscribers, User must sign an updated Exhibit A. Connection Agreements must be current as determined in NYSE's sole discretion. Connection Agreements that are not current are subject to termination by NYSE.

7. Payment

User shall pay NYSE, LLC for the Pillar Connection by End Users per the charges set forth in the applicable NYSE Market fee schedule available at www.nyse.com ("Fee Schedules"). User shall make payments pursuant to the terms set forth in this Connection Agreement and the Fee Schedules. Payment is due within thirty (30) business days from the invoice date. Charges may be changed by NYSE effective at any time. User may arrange for third party billing, however, User shall be fully responsible for all payments due under this Connection Agreement regardless of designation of a third party payor. User agrees to pay all third party charges, such as sales taxes, which are User's legal responsibility to pay.

10. Governing Law

This Connection Agreement is governed by and construed in accordance with the laws of the State of New York, USA, without regard to choice of law principles, as the laws of the State of New York apply to agreements made and performed solely within New York. If a court finds any term or provision of this Connection Agreement to be invalid or unenforceable, that term or provision will be ineffective only to the extent of the finding and the court's jurisdiction, without rendering invalid or unenforceable the remaining terms and provisions of this Connection Agreement in that court's jurisdiction or affecting the validity or enforceability of any of the terms and provisions of this Connection Agreement in any other jurisdiction.

11. Term and Termination

This Connection Agreement is effective only when accepted by NYSE. The foregoing notwithstanding, the provisions of Sections 2, 3, 4, 7, 8, 9, 10, 11, 12, 13, 14, 15, and 17 survive any expiration or termination of this Connection Agreement.

12. Assignment and Entire Agreement

User may not assign or delegate any of its rights or obligations arising under this Connection Agreement, except with the prior written consent of NYSE, which will not be unreasonably withheld. Any purported assignment or delegation in violation of this Section 12 is null and void. This Connection Agreement and the Fee Schedules, as amended from time to time by NYSE or any of the NYSE Markets, constitute the entire agreement between the parties on this subject matter and supersede all prior agreements, arrangements, representations or promises, whether oral or written.

13. Redistribution and Confidentiality

Except as set forth in this Connection Agreement, User may not redistribute the Pillar Connection and may not disclose the content of the NYSE Markets, Pillar Connection or any Specification, unless otherwise permitted pursuant to a separate written agreement with NYSE or pursuant to a published policy of the NYSE Markets or as otherwise permitted by law. The foregoing is not to be construed to restrict the distribution or disclosure of any proprietary information of User solely because the information may have been transmitted via a Pillar Connection. User may allow End Users access or use of the Pillar Connection if User (i) requires that all End Users enter into a separate agreement with User respecting the delivery of User services, and that, irrespective of the separate agreement, acknowledge that there is no contractual privity between any End Users, on the one hand, and NYSE or any of the NYSE Markets, on the other hand, with respect to Pillar and the Pillar Connection, (ii) ensures all End Users comply with the Specifications and (iii) requires that its agreements with each of its End Users contain terms sufficiently limiting End Users' use of Pillar, the NYSE Markets and Pillar Connection in accordance with the restrictions on use, disclaimers and limitations of liability delineated in this Connection Agreement.

Retail Member Organization - Broker-Dealer Customer Form

If you are routing retail order flow on behalf of one or more broker-dealer customers, your firm is required to maintain a form with each customer firm. This Form has been created for your convenience as an alternative to creating your own. It should be kept for your files.

1. This form authorizes _____, the Retail Member Organization ("RMO"), to route Retail Orders and modifications to the NYSE on behalf of _____, (the "Customer"), which is a registered broker-dealer, pursuant to NYSE Rule 107C.

By signing this form, Customer represents that it will only send orders to the RMO that are designated as Retail Orders and that the entry of such orders to the NYSE will be in compliance with the requirements of Rule 107C. A Retail Order is an agency order that originates from a natural person, provided that no change has been made to the terms of the order with respect to the side of market, and the order does not originate from a trading algorithm or any other computerized methodology. The term "natural persons" refers to the origination of the order from a request made by a human as opposed to the generation of an order by a computer algorithm. An order from a "natural person" can include orders on behalf of accounts that are held in a corporate legal form, such as an Individual Retirement Account, Corporation, or a Limited Liability Corporation that has been established for the benefit of an individual or group of related family members, provided that the order is submitted by an individual.

2. Customer further represents that substantially all orders sent to an RMO as Retail Orders meet the definition of a Retail Order and that those orders not meeting the definition are agency orders that cannot be segregated from Retail Orders due to system limitations and are de minimis in terms of the overall number of Retail Orders submitted.

Such determination can be made even if the Applicant Issuer meets the Exchange's listing standards. In connection with the review of any listing application, the Exchange reserves the right to request such additional public or non-public information or documentation as it may deem necessary and appropriate to make a determination regarding the listing eligibility of the Applicant Issuer's security, including, but not limited to, any material provided to or received from the Securities and Exchange Commission or other appropriate regulatory authority.

B. Regulatory Review

To the extent that an officer, board member, or non-institutional shareholder with greater than 10% ownership of the company has been so convicted, provide a detailed description of all such matters. In addition to reviewing this letter, the Exchange will review background materials available to it regarding the aforementioned individuals as part of the eligibility review process.

902.02 General Information on Fees

There are two types of fees applicable to listed issuers - Listing Fees and Annual Fees. As provided in Section 902.03, all issuers applying to list an equity security on the Exchange for the first time shall be subject to an Initial Application Fee. All fees are payable upon receipt of invoice. This chapter sets out fees by type of security, with different fees applicable to equity securities, closed-end funds, structured products (defined as securities listed under Sections 703.18, 703.19 and 703.21), short-term securities (defined as securities having a term of seven years or less), Investment Company Units listed under Section 703.16, streetTRACKS® Gold Shares as defined in Rule 1300, Currency Trust Shares as defined in Rule 1300A, Commodity Trust Shares as defined in Rule 1300B, and debt securities.

An issuer:

- (i) listing within 36 months following emergence from bankruptcy and that has not had a security listed on a national securities exchange during such period;

- (ii) relisting a class of stock that is registered under the Exchange Act that was delisted from a national securities exchange and only if such delisting was:
 - (a) within the previous 12 calendar months; and
 - (b) due to the issuer's failure to file a required periodic financial report with the Commission or other appropriate regulatory authority; or
- (iii) transferring the listing of any class of equity securities, any structured product or any closed-end fund from any other national securities exchange
- (iv) that is not itself listed on a national securities exchange immediately prior to its initial listing on the Exchange but is listing a class of equity securities upon closing of its acquisition of a special purpose acquisition company which had a class of equity securities listed on another national securities exchange prior to the closing of such acquisition

shall not be required to pay Listing Fees in connection with such listing, including, if applicable, the one-time special charge of \$50,000 payable in connection with the listing of any new class of common shares. Except as set forth in Section 902.08 below, none of the Listing Fee waivers set forth in this Section 902.02 shall apply to the listing of any class of securities if the issuer's primary class of common stock remains listed on another national securities exchange.

Listing Fees

Listing Fees are billed for each security listed at the time an issuer first lists on the Exchange, each subsequent time a new class of security is listed, or at any subsequent time that additional shares of a listed security are issued. Listing Fees

are based on the number of shares issued and outstanding, (with the exception of Investment Company Units, streetTRACKS® Gold Shares, Currency Trust Shares, and Commodity Trust Shares), and are calculated separately for each class of security listed. Treasury stock, restricted stock and shares issued in conjunction with the exercise of an over-allotment option, if applicable, are included in the number of shares an issuer is billed for at the time the class of security is first listed.

Timing of Listing Fees for Subsequent Issuances

To the extent that an issuer submits a supplemental listing application for shares that are immediately issued, such as in connection with a merger or acquisition, stock split or stock dividend, Listing Fees for those shares are billed at the time the supplemental listing application is processed.

To the extent that an issuer submits a supplemental listing application for shares that are not issued at the time of listing, such as for an equity compensation plan or for convertible securities where the listed securities will be issued over time, only the applicable minimum supplemental listing application fee will be billed at the time the supplemental listing application is processed. Listing Fees will accrue on these securities as of the date of issuance and the accrued Listing Fees will be billed at the beginning of the following year along with the issuer's Annual Fees.

Calculating Listing Fees

Generally, when an issuer lists a new class of equity securities, a structured product or a short-term security, Listing Fees are calculated according to Listing Fee schedules that set a per share rate based on the number of shares issued and outstanding. When a closed-end fund, however, first lists on the Exchange, Listing Fees are not calculated at a per share rate but are, instead, based on a range of fixed Listing Fees set according to the total number of shares issued and outstanding at the time of listing.

For all listed securities, Listing Fees for subsequent listings of additional shares are calculated starting at the rate applicable to the number of shares already listed and outstanding (including treasury stock and restricted stock). Listing Fees for additional issuances are calculated according to the applicable Listing Fee schedule on a per share rate, subject to a minimum application fee.

U.S. Issuers

For all issuers other than those that meet the SEC's definition of foreign private issuer, Listing Fees are calculated for each separate class being listed based on the total number of shares issued and outstanding at the time of listing. In this chapter, such issuers are referred to as "U.S. issuers."

Foreign Private Issuers

For issuers that satisfy the SEC's definition of foreign private issuer, Listing Fees are calculated for each separate class being listed based on the number of shares issued and outstanding in the United States at the time of listing.

Annual Fees

Annual Fees are calculated for each class or series of security listed based on the number of shares issued and outstanding, including treasury stock and restricted stock. In its first year of listing, an issuer is billed at the time of listing for Annual Fees that are prorated from the listing date through the end of the year. For an issuer in its first year of listing whose Annual Fee prior to being prorated would exceed the Total Maximum Fee (as defined below), any prorated Annual Fee will be calculated as a percentage of the Total Maximum Fee.

At the beginning of each subsequent year, the Exchange will invoice issuers for Annual Fees applicable to that year. Issuers transferring the listing of their primary class of common shares from another national securities exchange are not required to pay Annual Fees with respect to that primary class of common shares or any other class of securities transferred in conjunction therewith for the remainder of the calendar year in which the transfer occurs. Similarly, any issuer

that is not listed on a national securities exchange immediately prior to its initial listing on the Exchange but is listing its primary class of common shares upon closing of its acquisition of a special purpose acquisition company listed on another national securities exchange is not required to pay Annual Fees with respect to that primary class of common shares or any other class of securities listed at the same time for the remainder of the calendar year in which such listing occurs.

Calculating Annual Fees

Annual Fees are calculated on a per share basis, (with the exception of Investment Company Units, streetTRACKS® Gold Shares, Currency Trust Shares, and Commodity Trust Shares), subject to a minimum fee. The Annual Fee is equal to the greater of the minimum fee and the fee calculated on a per share basis.

Business Development Companies

Effective January 1, 2019, for all purposes in this Chapter 9, business development companies listed under Section 102.04B are treated the same as domestic operating companies (including the fees applicable to domestic operating companies set forth in Section 902.03) and are not subject to the fees for closed-end funds set forth in Section 902.04.

U.S. Issuers

In order to calculate a U.S. issuer's Annual Fees for each class of security listed, the Exchange will include all issued and outstanding shares of that class as of December 31 of the previous year. The Exchange obtains information on the number of securities issued and outstanding from each issuer's transfer agent.

Foreign Private Issuers

In order to calculate a foreign private issuer's Annual Fees, the Exchange will calculate a four-quarter average of securities issued and outstanding in the United States during the preceding year. The quarterly average serves to recognize the

possibility of flow-back and flow-in of securities to and from the home country market and more reasonably reflect the number of securities in the United States over the course of the year. The Exchange obtains information on the number of securities issued and outstanding in the United States, including securities registered in the United States and securities held through any U.S. nominee, from each issuer's transfer agent and/or ADR depository bank. In determining the number of securities issued and outstanding in the United States, the Exchange may also make use of information obtained from any U.S. or non-U.S. securities depository.

To the extent that an issuer that is being billed as a foreign private issuer has a change in status that requires the issuer to commence filing U.S. periodic and annual reports with the SEC during the course of a year, the Exchange will bill that issuer as a U.S. issuer at the beginning of the first calendar year following the issuer's change in status. An issuer that changes its status is not subject to new Listing Fees for worldwide securities already issued and outstanding.

Total Maximum Fee Payable in a Calendar Year

The total fees that may be billed to an issuer in a calendar year are capped at \$500,000 (the "Total Maximum Fee"). The Total Maximum Fee for an Equity Investment Tracking Stock (as defined in Section 102.07 hereof) in a calendar year is capped at \$200,000 so long as the Equity Investment Tracking Stock is the only class of common equity securities listed by the issuer on the Exchange. The fee cap includes most Listing Fees and Annual Fees, subject to any proration as described above under "Annual Fees". The fee cap, however, does not include the following fees:

- Listing Fees and Annual Fees for Investment Company Units, streetTRACKS® Gold Shares, Currency Trust Shares, and Commodity Trust Shares;
- Listing Fees and Annual Fees for closed-end funds;
- Listing Fees for structured products; and

- Annual Fees for structured products other than retail debt securities (except that, with effect from January 1, 2019, Annual Fees for all structured products will be included in the fee cap)..

The term "retail debt securities" refers to debt securities that are listed under the equity criteria set out in Section 703.19 and traded on the equity floor of the Exchange.

In the case of transactions involving listed issuers (such as the consolidation of two listed issuers into a new issuer, a merger between a listed issuer and an unlisted issuer where the unlisted issuer survives or a new issuer is formed, or a merger between two listed issuers where one listed issuer survives), all Listing Fees and Annual Fees paid by listed issuers party to the transaction in the year, and up to the date, that the transaction concludes will be counted towards calculating the Total Maximum Fee for the ultimate listed issuer in the year of the corporate transaction.

In the case where the ultimate listed issuer was previously unlisted, however, Listing Fees and Annual Fees paid by any listed issuer party to the transaction will only be calculated towards the Total Maximum Fee for the ultimate listed issuer if such issuer lists on the Exchange at the time the transaction concludes.

If a listed real estate investment trust ("REIT") is structured as an umbrella partnership real estate investment trust ("UPREIT")* and the operating partnership through which the REIT holds its assets is also listed on the Exchange, then the total Listing Fees and Annual Fees that may be billed to those two issuers on a combined basis in a calendar year will be capped at an aggregate of \$500,000. In such cases, the bill will be divided between the two issuers so that the REIT will be billed an amount equal to the same percentage of the fee cap amount as the REIT's ownership interest in the operating partnership represents of the total equity of the operating partnership.

* The terms "umbrella partnership real estate investment trust" and "UPREIT" are used herein as defined in the Exchange's rule filing submitted in connection with the adoption of this provision (SR-NYSE-2012-43).

Total Maximum Fee Payable in a Calendar Year by an Issuer Listing Upon Emergence from Bankruptcy

If an issuer lists upon emergence from bankruptcy, its Annual Fees will be calculated quarterly for the fiscal quarter in which it lists and in each of the succeeding 12 full fiscal quarters, at a rate of one-fourth of the applicable Annual Fee rate. The total fees (including Listing Fees and Annual Fees) that may be billed to such an issuer during this period will be subject to a \$25,000 cap in the fiscal quarter in which the issuer lists and in each of the succeeding 12 full fiscal quarters. This fee cap is subject to the same exclusions as apply in relation to the \$500,000 per year fee cap described above under “Total Maximum Fee Payable in a Calendar Year.” If there are one or more fiscal quarters remaining in the year after the conclusion of the period described in this paragraph, the issuer will, on a prorated basis, be billed the regular Annual Fee subject to the \$500,000 total fee cap for the remainder of that year.

Total Maximum Fee Payable in a Calendar Year by a Pre-Revenue Company

For purposes of this provision, a “Pre-Revenue Company” is a company whose initial listing date is on or after June 1, 2019, and which has not recorded revenue in excess of \$5 million in either (i) the most recent completed fiscal year prior to listing or (ii) during the year of listing through the most recently completed fiscal quarter before the listing date. In determining whether a company qualifies as a Pre-Revenue Company, the Exchange excludes from its calculations any one-time non-recurring revenue items.

The Annual Fees of any company which qualifies as a Pre-Revenue Company at the time of listing will be calculated quarterly for the fiscal quarter in which it lists and in each of the succeeding 12 full fiscal quarters, at a rate of one-fourth of the applicable Annual Fee rate.

The total fees (including Listing Fees and Annual Fees, but excluding listing fees paid at the time of initial listing) that may be billed to such an issuer during this period will be subject to a \$25,000 cap in the fiscal quarter in which the issuer lists and in each of the succeeding 12 full fiscal quarters. This fee cap is subject to the

same exclusions as apply in relation to the \$500,000 per year fee cap described above under "Total Maximum Fee Payable in a Calendar Year." If there are one or more fiscal quarters remaining in the calendar year after the conclusion of the period described in this paragraph, the issuer will, on a prorated basis, be billed the regular Annual Fee subject to the \$500,000 total fee cap for the remainder of that calendar year.

Investment Management Entity Group Fee Discount

For purposes of this Section 902.02, an Investment Management Entity is a listed company that manages private investment vehicles not registered under the Investment Company Act. An "Eligible Portfolio Company" of an Investment Management Entity is a company in which the Investment Management Entity has owned at least 20% of the common stock on a continuous basis since prior to that company's initial listing.

The Exchange will apply a fee discount applicable only to an Investment Management Entity and its Eligible Portfolio Companies (the "Investment Management Entity Group Fee Discount"). The Investment Management Entity Group Fee Discount will be subject to a maximum aggregate discount of \$500,000 in any given year (the "Maximum Discount") distributed among the Investment Management Entity and each of its Eligible Portfolio Companies in proportion to their respective eligible fee obligations in such year. In addition to benefiting from the Investment Management Entity Group Fee Discount, the Investment Management Entity and each of the Eligible Portfolio Companies each continue to have its fees capped by the applicable company's individual Total Maximum Fee of \$500,000. The Investment Management Entity Group Fee Discount is as follows:

- a 30% discount on all eligible fees of an Investment Management Entity and each of its Eligible Portfolio Companies in any year in which the Investment Management Entity has two Eligible Portfolio Companies, subject to the Maximum Discount.

- a 50% discount on all eligible fees of an Investment Management Entity and each of its Eligible Portfolio Companies in any year in which the Investment Management Entity has three or more Eligible Portfolio Companies, subject to the Maximum Discount.

In order to qualify for the Investment Management Entity Group Fee Discount in any calendar year, an issuer must submit satisfactory proof to the Exchange no later than December 31 that it has met the ownership requirements specified above for the entire period between January 1 and September 30 of that year.

Effective January 1, 2019, the Investment Management Entity Group Fee Discount will (i) be limited to annual fees and (ii) will represent a 50% discount on all annual fees of an Investment Management Entity and each of its Eligible Portfolio Companies in any year in which the Investment Management Entity has one or more Eligible Portfolio Companies, subject to the Maximum Discount. For calendar 2019 and subsequent years, a company will be an Eligible Portfolio Company if it was listed on the Exchange as of the first trading day of such calendar year. In order to qualify for the Investment Management Entity Group Fee Discount in calendar 2019 or any subsequent year, an issuer must submit satisfactory proof to the Exchange no later than the first trading day of such calendar year that it meets the ownership requirements specified above.

In the event that a listed company qualifies as an Eligible Portfolio Company of two or more Investment Management Entities, for purposes of the Investment Management Entity Group Fee Discount, such company will be treated as an Eligible Portfolio Company only of the Investment Management Entity which has the largest equity interest in such Eligible Portfolio Company. If two or more of such Investment Management Entities own identical equity interests in such listed Company, such company will be treated as an Eligible Portfolio Company of each of such Investment Management Entities.

Refunds of Fees

Listing Fees, Annual Fees, and Initial Application Fees are non-refundable.

Cancellation, Retirement or Redemption of Securities

An issuer must promptly advise the Exchange of the cancellation, retirement or partial or full redemption of listed securities. The resulting decrease in the number of securities outstanding does not reduce the fees an issuer has already paid, but will impact future billings.

Reverse Stock Splits

Notwithstanding anything above with respect to the calculation of Annual Fees, in any calendar year in which a listed company consummates a reverse stock split, such company will be charged prorated Annual Fees for the period prior to such consummation based on the shares outstanding on December 31 of the immediately preceding year (“Original Shares Outstanding”). With respect to the remainder of that year, such company will be charged Annual Fees on a prorated basis based on the Original Shares Outstanding as adjusted by the reverse split ratio. The Exchange will make any appropriate adjustments to its billing procedures to implement this provision.

902.03 Fees for Listed Equity Securities

The fees set out in this section apply to listings of common and preferred equity securities by U.S. issuers and foreign private issuers. However, the fees in this section do not apply to listings of securities issued by closed-end funds (with the exception of business development companies listed under Section 102.04B, with effect from January 1, 2019), or to structured products, short-term securities,

Investment Company Units listed under Section 703.16, streetTRACKS® Gold Shares as defined in Rule 1300, Currency Trust Shares as defined in Rule 1300A, Commodity Trust Shares as defined in Rule 1300B, or debt securities. Fees applicable to such securities are described in Sections 902.04, 902.05, 902.06, 902.07, and 902.08, respectively.

Initial Application Fee

An issuer shall be required to pay an Initial Application Fee of \$25,000 in connection with applying to list an equity security on the Exchange, except that an issuer:

- (i) applying to list within 36 months following emergence from bankruptcy and that has not had a security listed on a national securities exchange during such period;
- (ii) relisting a class of stock that is registered under the Exchange Act that was delisted from a national securities exchange and only if such delisting was:
 - (a) within the previous 12 calendar months; and
 - (b) due to the issuer's failure to file a required periodic financial report with the Commission or other appropriate regulatory authority; or
- (iii) transferring the listing of any class of equity securities from any other national securities exchange

shall not be required to pay an Initial Application Fee in connection with the application for such listing. None of these Initial Application Fee waivers are applicable to the listing of any class of securities if the issuer's primary class of common stock remains listed on another national securities exchange.

An issuer that is required to pay the Initial Application Fee shall pay such fee prior to receipt of eligibility clearance to list an equity security on the Exchange pursuant to §702.02. Payment of the Initial Application Fee, when required, is a prior condition to eligibility clearance being granted to list an equity security on the Exchange. The Initial Application Fee, which is non refundable unless otherwise specified, shall be applied towards applicable Listing Fees.

If an issuer pays an Initial Application Fee in connection with the application to list an equity security but does not immediately list such security, the issuer shall not be required to pay a subsequent Initial Application Fee if it later lists such security so long as:

- (i) the issuer has a registration statement regarding such security on file with the Commission;
- (ii) if the issuer withdraws its registration statement, the issuer refiles a registration statement regarding such security within 12 months of the date of such withdrawal; or

- (iii) if the issuer is an emerging growth company (as defined in Section 2(a)(19) of the Securities Act and Section 3(a)(80) of the Exchange Act) and/or a foreign private issuer (as defined in Rule 3b-4(c) under the Exchange Act) and has submitted a confidential, nonpublic draft registration statement (for purposes of this rule, a “Confidential Submission”) to the Commission pursuant to Section 6(e) of the Securities Act or the foreign issuer nonpublic submission policy of the Commission’s Division of Corporation Finance:
 - (a) the issuer has submitted to the Commission through the Commission’s electronic submission system a Confidential Submission within the previous 120 days (for purposes of this rule, a “Current Confidential Submission”) and the issuer provides evidence of such Current Confidential Submission to the Exchange; or
 - (b) if the Confidential Submission has ceased to be a Current Confidential Submission, then, within 12 months of the date such Confidential Submission ceased to be a Current Confidential Submission the issuer resubmits a Confidential Submission regarding such security and the issuer provides evidence of such Confidential Submission to the Exchange, or publicly files a registration statement regarding such security.

Listing Fees

Listing Fee Schedule

Listing Fees the first time an issuer lists a class of common shares are charged at a rate of \$0.004 per share. The first time that an issuer lists a class of common shares, the issuer is also subject to a one-time special charge of \$50,000, in addition to fees calculated according to the Listing Fee schedule. For examples of how Listing Fees are calculated, please see "Calculating Listing Fees" below.

Listing Fees for the following types of listings are also charged at a rate of \$0.004 per share:

- At the time it first lists, an issuer lists one or more classes of preferred stock or warrants, whether or not common shares are also listed at that time;
- Once listed, an issuer lists a new class of preferred stock or warrants.

These types of listings are not subject to the special charge or to the minimum or maximum Listing Fees applicable to an initial listing of common shares.

Listing of Additional Shares Fee Schedule

Once listed, if an issuer lists additional shares of a class of previously listed securities, the following Listing Fees will apply:

Number of Securities Issued	Fee Per Share
Up to and including 75 million	\$0.0048
Over 75 million up to and including 300 million	\$0.00375
Over 300 million	\$0.0019

When determining Listing Fees for the listing of additional shares of a class of previously listed securities, calculations are made at each level of the schedule up to and including the last level applicable to the number of shares being listed. The total Listing Fee equals the sum of the amounts calculated at each level of the schedule. In establishing at which tier of the Listing of Additional Shares Fee Schedule a company will pay fees with respect to additional shares of a previously listed class, the Exchange will include the shares with respect to which the company paid fees at the time of initial listing of that class in calculating the fees for additional shares.

The following is an example of how Listing Fees for the listing of additional shares are calculated under the schedule:

At the time Company A first lists its common stock on the Exchange, its initial listing application covers 30 million shares of its common stock. If Company A subsequently issues an additional 100 million shares, the Listing Fees will be calculated at the first level of the schedule for 45 million shares (representing the 75 million shares that are subject to the first level of the schedule minus the 30 million shares issued at the time of original listing of that class of common stock) and will pay fees at the second level of the schedule for 55 million shares (representing the remainder of the shares listed in the supplemental listing application). Therefore, in connection with the supplemental listing application, Company A must pay listing fees for the listing of additional shares of \$422,250, consisting of (i) \$216,000 (i.e., 45 million shares multiplied by \$0.0048 per share) plus (ii) \$206,250 (i.e., 55 million shares multiplied by \$0.00375 per share).

Limitations on Listing Fees

Limitation on Listing Fees for Additional Class of Common Shares, including Tracking Stock. An issuer that applies to list an additional class of common shares at any time will be charged a fixed Listing Fee of \$5,000 in lieu of the per share schedule. Such additional class of common shares includes, but is not limited to, a tracking stock.

Minimum and Maximum Listing Fees. The minimum and maximum Listing Fees applicable the first time an issuer lists a class of common shares are \$150,000 and \$295,000, respectively, which amounts include the special charge of \$50,000. The Listing Fee applicable the first time an issuer lists an Equity Investment Tracking Stock (as defined in Section 102.07 hereof) that is the issuer's only class of common equity securities listed on the Exchange is a fixed amount of \$100,000, which amount includes the special charge of \$50,000.

If a listed real estate investment trust ("REIT") is structured as an umbrella partnership real estate investment trust ("UPREIT")* and the operating partnership through which the REIT holds its assets is also listed on the Exchange at the same time, then the minimum and maximum fees will be applied to those two issuers on a combined basis. In such cases, the bill will be divided between the two issuers so

that the REIT will be billed an amount equal to the same percentage of the minimum or maximum fee amount as the REIT's ownership interest in the operating partnership represents of the total equity of the operating partnership.

* The terms "umbrella partnership real estate investment trust" and "UPREIT" are used herein as defined in the Exchange's rule filing submitted in connection with the adoption of this provision (SR-NYSE-2012-43).

Minimum Listing Fees for Subsequent Listing of Additional Securities. The minimum application fee for a subsequent listing of additional securities is \$10,000. When listing additional securities, an issuer is billed Listing Fees in an amount equal to the greater of the \$10,000 minimum supplemental listing application fee and the fee calculated on a per share basis. This applies to the listing of additional shares of an already listed equity security or to the listing of an additional class of equity security (other than a new class of common shares).

Listing Fees for the Issuance of Securities Convertible into or Exchangeable or Exercisable for Additional Securities of a Listed Class. A \$10,000 supplemental listing application fee will be billed only with respect to the first supplemental listing application solely in connection with the issuance of securities convertible into or exchangeable or exercisable for additional securities of a listed class that is submitted by a listed issuer in each calendar quarter. No additional fee will be billed for any subsequent supplemental listing application solely in connection with the issuance of securities convertible into or exchangeable or exercisable for additional securities of a listed class that is submitted during the rest of that calendar quarter.

Application Fee for Technical Original Listings and Reverse Stock Splits. The Exchange applies a \$15,000 application fee for a Technical Original Listing (*see* Section 703.10) if the change in the company's status is technical in nature and the shareholders of the original company receive or retain a share-for-share interest in the new company without any change in their equity position or rights. For example, a change in a company's state of incorporation or a reincorporation or

formation of a holding company that replaces a listed company would be considered a Technical Original Listing. The \$15,000 application fee also applies to a reverse stock split.

Fee for Certain Changes and for Poison Pills. A \$10,000 fee will apply to applications for changes that involve modifications to Exchange records, for example, changes of name, par value, title of security or designation, and for applications relating to poison pills.

Maximum Listing Fee for Stock Splits and Stock Dividends. Listing fees on shares issued in conjunction with stock splits and stock dividends are capped at \$150,000 per split or issuance.

Maximum Listing Fee for Issuance of Additional Shares of a Listed Class. Listing Fees on the issuance of additional shares of an already listed class of stock are capped at \$500,000 per transaction, for example, in the case where shares are issued in conjunction with a merger or consolidation where a listed company survives, subsequent public offerings of a listed security and conversions of convertible securities into a listed security.

Discounts on Listing Fees. In the case of transactions such as a consolidation between two or more listed issuers that results in the formation of a new issuer (where at the conclusion of the transaction the new issuer immediately lists), or a merger or consolidation between a listed issuer and an unlisted issuer that results in the unlisted issuer surviving or the creation of a new issuer (where within 12 months from the conclusion of the transaction a previously unlisted issuer lists), Listing Fees for that newly listed issuer are calculated at a rate of 25% of total Listing Fees for each class of securities being listed (to the extent that total calculated listing fee for a class of common shares would be greater than \$295,000, the calculation would be 25% of the \$295,000 maximum for a new listing of common shares).

The special charge of \$50,000 and the \$150,000 minimum charge applicable when an issuer first lists a class of common shares do not apply to these types of transactions.

No discount will be applied where a listed issuer survives the merger or consolidation, or in the case of a backdoor listing. *See* Section 703.08(F) for a discussion of backdoor listings.

Listing Fees for Pre-emptive Rights. Pre-emptive rights representing equity securities are not subject to a separate Listing Fee. As of the date that pre-emptive rights are exercised, Listing Fees will accrue on the securities issued and the issuer will be billed for those Listing Fees at the beginning of the following year.

Calculating Listing Fees

Treasury stock, restricted stock and shares issued in conjunction with the exercise of an over-allotment option, if applicable, are included in the number of shares an issuer is billed for at the time a security is first listed.

The following are examples of how Listing Fees would be calculated in the case of an original listing and subsequent additional issuance of common shares for U.S. and foreign private issuers.

U.S. Issuer

Example A: A U.S. issuer listing 300,500,000 common shares in the context of an initial public offering would pay total Listing Fees of \$295,000 as follows:

- The special one-time charge is \$50,000.
- The Listing Fee for the 300,500,000 shares is calculated at the rate of \$0.004 per share.
- Since Listing Fees on an original listing of the primary class of Common Shares are subject to a maximum fee of \$295,000 and the calculated amount exceeds this maximum, the Listing Fee will be \$295,000.

Example B: The same issuer subsequently applies to list an additional 100 million shares of common stock that are immediately issued. The issuer will pay total Listing Fees of \$190,000 for the subsequent listing. Since the company has already paid Listing Fees on more than 300 million shares, the Listing Fee for the additional 100 million shares is calculated at the rate of \$0.0019 per share.

Foreign Private Issuer

Example C: A foreign private issuer listing 125 million ADRs representing ordinary shares as part of a worldwide 500 million share offering, assuming that all 125 million ADRs are issued in the United States, will pay total Listing Fees of \$295,000 as follows:

- The special one-time charge is \$50,000.
- The Listing Fee for the 125 million ADRs is calculated at the rate of \$0.004 per ADR.
- Since Listing Fees on an original listing of the ADRs are subject to a maximum fee of \$295,000 and the calculated amount exceeds this maximum, the Listing Fee will be \$295,000.

Example D: The same issuer subsequently applies to list an additional 50 million ADRs that are immediately issued in the United States. The issuer will pay total Listing Fees of \$187,500 for the subsequent listing. Since the company has already paid Listing Fees on 125 million ADRs, Listing Fees for the additional 50 million ADRs are calculated at the rate of \$0.00375 per ADR.

The calculations set out in Examples C and D also apply to listings by foreign private issuers of ordinary shares, NY registered shares, and global shares.

Annual Fees

Annual Fee Schedule

The Annual Fee for each class of equity security listed is equal to the greater of the

minimum fee or the fee calculated on a per share basis:

Type of Security	Minimum Fee	Fee Per Share
Primary class of common shares (including Equity Investment Tracking Stock)	\$68,000 (\$71,000 as of January 1, 2020)	\$0.0011 (\$0.00113 as of January 1, 2020)
Each additional class of common shares (including tracking stock)	\$20,000	\$0.0011 (\$0.00113 as of January 1, 2020)
Primary class of preferred stock (if no class of common shares is listed)	\$68,000 (\$71,000 as of January 1, 2020)	\$0.0011 (\$0.00113 as of January 1, 2020)
Each additional class of preferred stock (whether primary class is common or preferred stock)	\$5,000	\$0.0011 (\$0.00113 as of January 1, 2020)
Each class of warrants	\$5,000	\$0.0011 (\$0.00113 as of January 1, 2020)

To the extent that an issuer has more than one class of common shares listed, the class with the greatest number of shares outstanding will be deemed the primary class of common shares. The same analysis is applicable where an issuer has more than one class of preferred stock listed, but no class of common shares listed. Where an issuer lists a class of common shares, as well as a class of preferred stock, Annual Fees on the preferred stock will be billed at the rate applicable to an additional class of preferred stock.

In the case of transactions involving listed companies (such as a consolidation between two or more listed issuers that results in the formation of a new issuer, or a merger or consolidation between a listed issuer and an unlisted issuer that results in the unlisted issuer surviving or the creation of a new issuer), where at the conclusion of the transaction a previously unlisted issuer immediately lists, Annual Fees will not be charged to that new issuer for the year in which it lists to the extent that the transaction concludes after March 31. To the extent that the transaction concludes on or before March 31 in any calendar year, however, the newly listing issuer will be charged pro rata Annual Fees from the date of listing to the end of the year, subject to the Total Maximum Fee.

In addition, to the extent that a listed company is involved in a consolidation between two or more listed companies that results in the formation of a new issuer, or a merger or consolidation between a listed company and an unlisted issuer that results in the unlisted issuer surviving or the creation of a new issuer, or a merger between two listed issuers where one listed issuer survives, and the transaction concludes on or before March 31 in any calendar year, the non-surviving listed company(ies) will only be subject to pro rata Annual Fees for that year through the date of the conclusion of the transaction. To the extent that the transaction concludes after March 31, the non-surviving listed company(ies) will be subject to full Annual Fees for that year.

Amended: October 22, 2009 (NYSE-2009-83); August 30, 2012 (NYSE-2012-43); September 28, 2012 (NYSE-2012-51); December 6, 2012 (NYSE-2012-68); August 9, 2013 (NYSE-2013-57); September 8, 2014 (NYSE-2014-51); October 8, 2015 (NYSE 2015-44); June 24, 2016 (NYSE-2016-22); December 2, 2016 (NYSE-2016-69);

October 30, 2017 (NYSE-2017-56); March 22, 2018 (NYSE-2018-11); November 13, 2018 (NYSE-2018-57); December 12, 2018 (NYSE-2018-64); February 22, 2019 (NYSE-2019-04); December 13, 2019 (NYSE-2019-63).

902.04 Fees for Listing Securities of Closed-End Funds

The Listing Fees and Annual Fees set out in this section apply to equity securities of closed-end funds. With effect from January 1, 2019, closed-end funds listed as business development companies under Section 102.04B are subject to the fees set forth in Sections 902.02 and 902.03 for domestic operating companies and are not subject to the fees set forth in this Section 902.04.

This Listing Fee Schedule is applicable when a closed-end fund first lists a class of common stock, or first lists a class of preferred stock in a case where common stock is not already listed.

Number of Securities Issued	Total Listing Fee
Up to and including 10 million	\$20,000
Over 10 million up to and including 20 million	\$30,000
Over 20 million	\$40,000

Listing Fee Schedule for Listing of Additional Securities

In the case of the following types of additional listings, Listing Fees are calculated on a per share basis for each class according to the Listing Fee schedule below:

- At the time it first lists, a closed-end fund lists one or more classes of preferred stock or warrants in addition to a primary class of common stock or preferred stock;
- Once listed, a closed-end fund lists additional shares of a class of previously listed securities; or

- Once listed, a closed-end fund lists a new class of preferred stock or warrants.

To the extent that an issuer lists more than one class of the same type of security, the class with the greatest number of shares issued will be deemed the primary class.

When determining Listing Fees, calculations are made at each level of the schedule up to the last level applicable to the number of securities being listed. The total Listing Fee equals the sum of the amounts calculated at each level of the schedule. For examples of how Listing Fees are calculated, please see "Calculating Listing Fees" below.

Number of Securities Issued	Fee Per Share
Up to and including 2 million	\$0.01475
Over 2 million up to and including 4 million	\$0.0074
Over 4 million up to and including 300 million	\$0.0035
Over 300 million	\$0.0019

Limitations on Listing Fees

Fund Family Discount. If two or more closed-end funds from the same fund family list at approximately the same time, the Exchange will cap the collective Listing Fee for those funds at \$75,000. The Exchange will consider funds from the same fund family to be listing at approximately the same time if an issuer provides notice that suchs funds will be listed as part of the same transaction. A fund family consists of closed-end funds with a common investment adviser or investment advisers who are "affiliated persons" as defined in Section 2(a)(3) of the Investment Company Act of 1940, as amended.

Limitation on Listing Fees for Additional Class of Common Shares. A closed-end fund that applies to list a new class of common shares in addition to its primary class will be charged a fixed Listing Fee of \$5,000 in lieu of the per share schedule.

Minimum Listing Fee for Subsequent Listing of Additional Securities. The minimum application fee for a subsequent listing of additional securities is \$2,500. When listing additional securities, an issuer is billed Listing Fees in an amount equal to the greater of the \$2,500 minimum supplemental listing application fee and the fee calculated on a per share basis. This applies to the listing of additional shares of an already listed equity security or to the listing of an additional class of equity security (other than a new class of common shares).

Fee for Certain Changes. A \$2,500 fee will apply to applications for changes that involve modifications to Exchange records, for example, changes of name, par value, title of security or designation.

Application Fee for Technical Original Listings and Reverse Stock Splits. The Exchange applies a \$15,000 application fee for a Technical Original Listing (see Section 703.10) if the change in the issuer's status is technical in nature and the shareholders of the original issuer receive or retain a share-for-share interest in the new issuer without any change in their equity position or rights. For example, a change in a closed-end fund's state of incorporation or a reincorporation or formation of a holding company that replaces a listed closed-end fund would be considered a Technical Original Listing. The \$15,000 application fee also applies to a reverse stock split.

Maximum Listing Fee for Stock Splits and Stock Dividends. Listing fees on shares issued in conjunction with stock splits and stock dividends are capped at \$150,000 per split or issuance.

Maximum Listing Fee for Issuance of Additional Shares of a Listed Class. Listing Fees on the issuance of additional shares of an already listed class of stock are capped at \$50,000 per transaction, for example, in the case where shares are issued in conjunction with a merger or consolidation where a listed company survives, subsequent public offerings of a listed security and conversions of convertible securities into a listed security.

Discounts on Listing Fees. In the case of transactions such as a consolidation between two or more listed issuers that results in the formation of a new issuer, or a merger or consolidation between a listed issuer and an unlisted issuer that results in the unlisted issuer surviving or the creation of a new issuer, where at the conclusion of the transaction a previously unlisted issuer immediately lists, Listing Fees for that new issuer are calculated at a rate of 25% of total Listing Fees for each class of securities being listed (to the extent that total calculated listing fee for a class of common stock would be greater than \$250,000, the calculation would be 25% of the \$250,000 maximum for a new listing of common stock).

No discount will be applied where a listed issuer survives the merger or consolidation, or in the case of a backdoor listing. *See* Section 703.08(F) for a discussion of back door listings.

Listing Fees for Pre-emptive Rights. Preemptive rights representing equity securities are not subject to a separate Listing Fee. As of the date that preemptive rights are exercised, Listing Fees will accrue on the securities issued and the issuer will be billed for those Listing Fees at the beginning of the following year.

Calculating Listing Fees

Treasury stock, restricted stock and shares issued in conjunction with the exercise of an over-allotment option, if applicable, are included in the number of shares a closed-end fund is billed for at the time a security is first listed.

The following are examples of how Listing Fees would be calculated by a closed-end fund in the case of an original listing and a subsequent additional issuance of common stock:

Example A: A closed-end fund listing 50 million common shares in the context of an initial public offering or transfer from another market would pay total Listing Fees of \$40,000.

Example B: The same closed-end fund subsequently applies to list an additional 5 million shares of common stock that are immediately issued. The closed-end fund will pay total Listing Fees of \$17,500 for the subsequent listing. Since the closed-end fund already has 50 million shares outstanding, the Listing Fee for the additional 5 million shares is calculated at a rate of \$0.0035 per share.

Annual Fees

Annual Fee Schedule for Primary Listed Security

The following Annual Fee Schedule is applicable to a closed-end fund's primary class of listed security (common stock, or preferred stock if no common stock is listed) and is equal to the greater of the minimum fee or the fee calculated on a per share basis:

Per Share Rate	\$0.001025
----------------	------------

Minimum Fee	\$25,000
-------------	----------

Additional Classes of Listed Equity Issues

The Annual Fee for equity issues other than the primary class of security listed is the greater of the minimum or the fee calculated on a per share basis:

Per Share Rate	\$0.001025
----------------	------------

Minimum Fee	\$5,000
-------------	---------

To the extent that a closed-end fund has more than one class of common shares listed, the class with the greatest number of shares outstanding will be deemed the primary class of common shares. The same analysis is applicable where a closed-end fund has more than one class of preferred stock listed, but no class of common shares listed. Where a closed-end fund lists a class of common shares, as well as a class of preferred stock, Annual Fees on the preferred stock will be billed at the rate applicable to an additional class of preferred stock.

Limitations on Annual Fees

Fund families that list between 3 and 14 closed-end funds will receive a 5% discount off the calculated Annual Fee for each fund listed, and those with 15 or more listed closed-end funds will receive a discount of 15%. Fund families that list between 3 and 14 closed-end funds will receive a 5% discount off the calculated Annual Fee for each fund listed, those with between 15 and 19 listed closed-end funds will receive a discount of 15%, and those with 20 or more listed closed-end funds will receive a discount of 50%. No fund family shall pay aggregate Annual Fees in excess of \$1,000,000 in any given year.

In the case of transactions involving listed issuers (such as a consolidation between two or more listed issuers that results in the formation of a new issuer, or a merger or consolidation between a listed issuer and an unlisted issuer that results in the unlisted issuer surviving or the creation of a new issuer), where at the conclusion of the transaction a previously unlisted issuer immediately lists, Annual Fees will not be charged to that new issuer for the year in which it lists to the extent that the transaction concludes after March 31. To the extent that the transaction concludes on or before March 31 in any calendar year, however, the newly listing issuer will be charged pro rata Annual Fees from the date of listing to the end of the year.

In addition, to the extent that a listed issuer is involved in a consolidation between two or more listed issuers that results in the formation of a new issuer, or a merger or consolidation between a listed issuer and an unlisted issuer that results in the unlisted issuer surviving or the creation of a new issuer, or a merger between two listed issuers where one listed issuer survives, and the transaction concludes on or before March 31 in any calendar year, the non-surviving listed issuer(s) will only be subject to pro rata Annual Fees for that year through the date of the conclusion of the transaction. To the extent that the transaction concludes after March 31, the non-surviving listed issuer(s) will be subject to full Annual Fees for that year.

Amended: September 8, 2014 (NYSE-2014-51); October 8, 2015 (NYSE 2015-44); December 9, 2016 (NYSE-2016-80); October 30, 2017 (NYSE-2017-56); September 10, 2018 (NYSE-2018-41); December 12, 2018 (NYSE-2018-64).

902.05 Fees for Listing Structured Products

The Listing Fees and Annual Fees set out in this section apply to structured products listed under Section 703.18, the equity criteria set out in Section 703.19, and Section 703.21, and traded on the equity floor of the Exchange. The term "retail debt securities" refers to debt securities that are listed under the equity criteria set out in Section 703.19 and traded on the equity floor of the Exchange.

For fees applicable to structured products listed under the debt criteria set out in Section 703.19 and traded on NYSE Bonds, see Section 902.08. In addition, for fees applicable to structured products with a term of seven years or less, see Section 902.06.

Listing Fees

Listing Fee Schedule

The Listing Fee billed to an issuer when it lists securities is based on the number of shares issued at the time of listing. For an issuer of a structured product that lists a dollar amount of securities, an implied number of shares will be calculated by dividing the aggregate dollar amount of securities being listed by the denomination of such securities.

When determining Listing Fees, calculations are made at each level of the schedule up to and including the last level applicable to the number of shares being listed. The total Listing Fee equals the sum of the amounts calculated at each level of the schedule. For examples of how Listing Fees are calculated, please see "Calculating Listing Fees" below.

Number of Securities Issued	Fee Per Share
Up to and including 2 million	\$0.01475
Over 2 million up to and including 4 million	\$0.0074

Over 4 million up to and including 300 million	\$0.0035
Over 300 million	\$0.0019

These fees apply the first time an issuer lists a structured product, as well as to the subsequent listing of additional shares of listed structured products or the listing of a new class of structured product. The Exchange treats each series of structured product as a separate issue.

Limitations on Listing Fees

Maximum Initial Listing Fees. The maximum fee payable in any calendar year (including both Listing Fees and Annual Fees) for any individual issuance of securities listed under Section 902.05 is \$500,000.

Maximum Listing Fees for Retail Debt Securities. The maximum amount of Listing Fees that will be billed to an issuer listing retail debt securities in a calendar year is \$500,000.

Minimum Listing Fee for Subsequent Listing of Additional Securities. The minimum application fee for a subsequent listing of additional securities is \$2,500. When listing additional securities, an issuer is billed Listing Fees in an amount equal to the greater of the \$2,500 minimum supplemental listing application fee and the fee calculated on a per share basis. This applies to the listing of additional shares of an already listed security or to the listing of an additional class of security.

Fee for Certain Changes. A \$2,500 fee will apply to applications for changes that involve modifications to Exchange records, for example, changes of name, par value, title of security or designation.

Calculating Listing Fees

Shares issued in conjunction with the exercise of an over-allotment option, if applicable, are included in the number of shares an issuer is billed for at the time a security is first listed.

The following are examples of how Listing Fees would be calculated in the case of an original listing and a subsequent additional issuance of a structured product, such as a trust preferred security:

Example A: An issuer of trust preferred securities listing 10 million shares in the context of an initial public offering or transferring such securities from another market would pay total Listing Fees of \$65,300 as follows:

- The Listing Fee for the first 2 million shares is calculated at the rate of \$0.01475 per share.
- The Listing Fee for the next 2 million shares is calculated at the rate of \$0.0074 per share.
- The Listing Fee for the next 6 million shares is calculated at the rate of \$0.0035 per share.

Example B: The same issuer subsequently applies to list an additional 5 million shares of the same structured product that are immediately issued. The issuer will pay total Listing Fees of \$17,500 for the subsequent listing. Since the issuer has already paid Listing Fees on 10 million shares, the Listing Fee for the additional 5 million shares is calculated at the rate of \$0.0035 per share.

Annual Fees

Annual Fee Schedule

Annual Fees are based on the total number of securities outstanding per listed issue. The Annual Fee is equal to the greater of the minimum fee or the fee calculated on a per share basis.

Per Share Rate	\$0.00108 (\$0.0011 as of January 1, 2019)
Minimum Fee	\$25,000 (\$35,000 as of January 1, 2019)

Limitation on Annual Fees on Repackaged Securities

Any issue of Repackaged Securities will be subject to the Annual Fee schedule in effect at the time of listing of such issue, regardless of any changes to the fee schedule made thereafter. For purposes of this section, Repackaged Securities are securities listed under Section 703.19, issued by a trust with a term of years, where the assets of the trust consist primarily of underlying fixed-income securities, and where the trust is funded (or a reserve is created) at issuance to cover the trust's principal obligations and associated expenses during the life of the Repackaged Securities.

Annual Fees for Retail Debt Securities

As set out in Section 902.02, the \$500,000 Total Maximum Fee billable to an issuer in a calendar year includes all Annual Fees billed to an issuer for listed retail debt securities.

Amended: January 12, 2010 (NYSE-2009-117); September 8, 2014 (NYSE-2014-51); October 8, 2015 (NYSE 2015-44); December 2, 2016 (NYSE-2016-69); October 30, 2017 (NYSE-2017-56); November 13, 2018 (NYSE-2018-57).

902.06 Listing Fees for Short-Term Securities

The Listing Fees and Annual Fees in this section apply to “short-term” securities, or those securities having a term of seven years or less, such as, but not limited to, subscription receipts listed under Section 102.08, structured products listed under Section 703.18 (Contingent Value Rights), the equity criteria set out in Section 703.19 (Other Securities) and Section 703.21 (Equity-Linked Debt Securities), and traded on the equity floor of the Exchange. This Section 902.06 does not apply to short-term securities listed under Sections 703.15 (Foreign Currency Warrants and Index Warrants), 703.17 (Stock Index Warrants) or 703.22 (Equity Index-Linked Securities, Commodity-Linked Securities and Currency-Linked Securities).

Listing Fees

When determining Listing Fees, calculations are made at each level of the schedule up to and including the last level applicable to the number of shares being listed. The total Listing Fee equals the sum of the amounts calculated at each level of the schedule. For examples of how Listing Fees are calculated, please see "Calculating Listing Fees" below.

Number of Securities Issued	Fee Per Share
Up to and including 2 million	\$0.007375
Over 2 million up to and including 4 million	\$0.0037
Over 4 million up to and including 300 million	\$0.00175
Over 300 million	\$0.00095

These fees apply to the original listing of short-term securities, as well as to the subsequent listing of additional shares of listed short-term securities or the listing of a new class of short-term security. The Exchange treats each series of short-term security as a separate issue.

Limitations on Listing Fees

Minimum Listing Fee for Subsequent Listing of Additional Securities. The minimum application fee for a subsequent listing of additional securities is \$2,500. When listing additional securities, an issuer is billed Listing Fees in an amount equal to the greater of the \$2,500 minimum supplemental listing application fee and the fee calculated on a per share basis. This applies to the listing of additional shares of an already listed security or to the listing of an additional class of security.

Fee for Certain Changes. A \$2,500 fee will apply to applications for changes that involve modifications to Exchange records, for example, changes of name, par value, title of security or designation.

Calculating Listing Fees

Shares issued in conjunction with the exercise of an over-allotment option, if applicable, are included in the number of shares an issuer is billed for at the time a security is first listed.

The following are examples of how Listing Fees would be calculated in the case of an original listing and a subsequent additional issuance of a short-term security, such as index warrants:

Example A: An issuer listing 10 million index warrants in the context of an initial public offering or transferring such securities from another market would pay total Listing Fees of \$32,650 as follows:

- The Listing Fee for the first 2 million shares is calculated at the rate of \$0.007375 per share.
- The Listing Fee for the next 2 million shares is calculated at the rate of \$0.0037 per share.
- The Listing Fee for the next 6 million shares is calculated at the rate of \$0.00175 per share

Example B: The same issuer subsequently applies to list an additional 5 million shares of the same security that are immediately issued. The issuer will pay total Listing Fees of \$8,750 for the subsequent listing. Since the company has already paid Listing Fees on 10 million shares, the Listing Fee for the additional 5 million index warrants is calculated at the rate of \$0.00175 per share.

Annual Fees

Annual Fees are based on the total number of securities outstanding per listed issue. The Annual Fee is equal to the greater of the minimum fee or the fee calculated on a per share basis.

Per Share Rate

\$0.00108 (\$0.0011 as of January 1, 2019)

Minimum Fee (Except Warrants to Purchase Equity Securities) \$25,000 (\$35,000 as of January 1, 2019)

Minimum Fee – Warrants to Purchase Equity Securities \$5,000
