U.S. Securities and Exchange Commission Division of Market Regulation Office of Market Supervision 100 F Street, NE Washington, D.C. 20549

Re: Amendments to Form 1

Enclosed please find the 2020 amendments to the Form 1 applications pursuant to Rule 6a-2 under the Securities Exchange Act of 1934 (the "Act") for New York Stock Exchange LLC ("NYSE"), NYSE American LLC ("NYSE American"), NYSE Arca, Inc. ("NYSE Arca"), NYSE Chicago, Inc. ("NYSE Chicago"), and NYSE National, Inc. ("NYSE National" and collectively, the "Exchanges").

In April 2017, the Securities and Exchange Commission granted NYSE, NYSE American, NYSE Arca, and NYSE National a conditional exemption from certain requirements of Rule 6a-2 under the Act.¹ In April 2019, a substantially similar exemption was granted for NYSE Chicago.² Pursuant to such exemptions, the Exchanges are providing, as a supplement under separate cover, an organizational chart of Intercontinental Exchange, Inc. ("ICE"), the Exchanges' parent company, as of June 2020 (the "ICE Organizational Chart"). The ICE Organizational Chart amends the previously provided information setting forth the affiliation of the foreign indirect affiliates of the Exchanges.³

The Exchanges note that, although such entities are on the ICE Organizational Chart, Exhibit D ("Ex. D") does not include the financial statements of Bridge2 Solutions, LLC, B2S Resale, LLC, B2S Direct, LLC, Aspire Loyalty Solutions, LLC, and B2S Canada, LLC, because such entities were not affiliates of the Exchanges during the year ended December 31, 2019. In each case, ICE acquired the entity after December 31, 2019. In addition, Ex. D does not include the

See Securities Exchange Act Release No. 80536 (April 27, 2017), 82 FR 20671 (May 3, 2017) (order granting application by New York Stock Exchange LLC, NYSE MKT LLC, NYSE Arca, Inc., and NYSE National, Inc., respectively, for a conditional exemption pursuant to Section 36(a) of the Exchange Act from certain requirements of Rule 6a–2 under the Exchange Act).

See Securities Exchange Act Release No. 85611 (April 11, 2019), (order granting application by NYSE Chicago, Inc. for a conditional exemption pursuant to Section 36(a) of the Exchange Act from Certain Requirements of Rule 6a-2 under the Exchange Act).

³ See id. at 5, and 82 FR 20671, at 20672.

Division of Market Regulation June 29, 2020 Page 2 of 2

financial statements of Archipelago Securities LLC, Archipelago Trading Services, Inc., ICE Bonds Securities Corporation (f/k/a Creditex Securities Corporation), ICE Securities Execution & Clearing, LLC or TMC Bonds, L.L.C. because such entities submitted annual financial statements pursuant to Commission Rule 17a-5.

If you have questions, please do not hesitate to contact Martha Redding, Associate General Counsel and Assistant Secretary, at (212) 656-2938 or martha.redding@theice.com

Sincerely,

Martha Redding

SECURITIES AND EXCHANGE COMMISSION

Washington, D.C.
Exhibits Accompanying Amendment
to
FORM 1 REGISTRATION STATEMENT
of
NYSE NATIONAL, INC.
June 2020

EXHIBIT D

ACCOMPANYING AMENDMENT TO FORM 1 REGISTRATION STATEMENT

OF

NYSE NATIONAL, INC.

JUNE 2020

The unconsolidated financial statements for each subsidiary or affiliate of NYSE National, Inc. for the last fiscal year follow.

This Exhibit D does not include the financial statements of Bridge2 Solutions, LLC, B2S Resale, LLC, B2S Direct, LLC, Aspire Loyalty Travel Solutions, LLC, and B2S Canada, LLC, because such entities were not affiliates of the Exchange during the year ended December 31, 2019.

This Exhibit D does not include the financial statements of Archipelago Securities LLC, Archipelago Trading Services, Inc., ICE Bonds Securities Corporation (f/k/a Creditex Securities Corporation), ICE Securities Execution & Clearing, LLC or TMC Bonds, L.L.C. because such entities submitted annual financial statements pursuant to Commission Rule 17a-5.

In the opinion of management, the accompanying unaudited financial statements contain all adjustments (consisting of normal recurring adjustments) necessary to fairly present our financial position and results of operations for the period presented. Certain information normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America have been condensed or omitted. These financial statements do not include income taxes accounting and equity method accounting. The balance sheet at December 31, 2019 has been derived from the audited financial statements of Intercontinental Exchange, Inc. (the ultimate parent company) at that date but does not include all of the information required by generally accepted accounting principles for complete financial statements. These financial statements should be read in conjunction with the IntercontinentalExchange Group, Inc. financial statements and notes thereto for the year ended December 31, 2019, which are contained in our Annual Report on Form 10-K previously filed with the Securities and Exchange Commission.

In the opinion of management, the accompanying unaudited financial statements contain all adjustments (consisting of normal recurring adjustments) necessary to fairly present our financial position and results of operations for the period presented. Certain information normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America have been condensed or omitted. These financial statements do not include income taxes accounting and equity method accounting. The balance sheet at December 31, 2019 has been derived from the audited financial statements of Intercontinental Exchange, Inc. (the ultimate parent company) at that date but does not include all of the information required by generally accepted accounting principles for complete financial statements. These financial statements should be read in conjunction with the Intercontinental Exchange, Inc. financial statements and notes thereto for the year ended December 31, 2019, which are contained in our Annual Report on Form 10-K previously filed with the Securities and Exchange Commission.

Report of Independent Auditors

The Board of Directors and Management NYSE National, Inc.

We have audited the accompanying financial statements of NYSE National, Inc., which comprise the balance sheet as of December 31, 2019, the related statements of net loss, changes in deficit, and cash flows for the year ended December 31, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in conformity with U.S. generally accepted accounting principles; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of NYSE National Inc. at December 31, 2019, and the results of its operations and its cash flows for the year ended December 31, 2019 in conformity with U.S. generally accepted accounting principles.

Notes to Financial Statements

December 31, 2019

1. Description of Business

NYSE National, Inc. (the "Exchange" or the "Company"), formerly known as National Stock Exchange, Inc., is a wholly-owned subsidiary of NYSE Group, Inc. (the "Parent"), a holding company that through its subsidiaries, operates securities exchanges including the Exchange. The Parent is a wholly-owned subsidiary of Intercontinental Exchange, Inc. ("ICE"). ICE operates regulated global markets and clearing houses, including futures exchanges, over-the-counter markets and derivatives clearing houses. ICE operates 12 global exchanges and six central clearing houses. ICE offers end-to-end market data services to support trading, investment and risk management needs of customers across virtually all asset classes. The Exchange is a United States registered national securities exchange and self-regulatory organization ("SRO"). As such, it is registered with, and subject to oversight by, the Securities and Exchange Commission ("SEC"). In addition to the Exchange, the Parent has four other subsidiary SRO's: New York Stock Exchange, LLC, NYSE Arca, Inc., NYSE American LLC, and NYSE Chicago, Inc.

The Exchange is the regulator of its members. Certain of the Exchange's regulatory functions are performed by the Financial Industry Regulatory Authority, Inc., ("FINRA") pursuant to an agreement.

2. Significant Accounting Policies

Basis of Presentation

The accompanying financial statements are presented in accordance with United States generally accepted accounting principles ("U.S. GAAP") and include the accounts of the Exchange and its subsidiary, NSX Securities. All intercompany balances and transactions between the Exchange and its subsidiary have been eliminated in consolidation.

On January 31, 2017, the Parent completed its acquisition of the Exchange. The accompanying consolidated financial statements reflect the final purchase accounting adjustments as they relate to the Exchange as of the acquisition date. As of the acquisition date, push-down accounting has been applied to the Exchange from Parent, and a new basis of accounting was established for the Exchange reflecting fair value adjustments made during the purchase price accounting process related to the acquisition.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Exchange's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial

Notes to Financial Statements (continued)

2. Significant Accounting Policies (continued)

statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Affiliate Revenues and Expenses

Affiliate revenues are recognized when the related services are provided to the Company's affiliates. Affiliate expenses are recognized at the time the services are provided to the Company by its affiliates (Note 5).

Cash and Cash Equivalents

The Exchange considers all short-term, highly liquid investments with original maturities of three months or less to be cash and cash equivalents. As of December 31, 2019, the Company did not hold any investments of this type.

Property and Equipment

Property and equipment is recorded at cost, reduced by accumulated depreciation (Note 6). Depreciation and amortization expense related to property and equipment is computed using the straight-line method based on estimated useful lives of the assets, or in the case of leasehold improvements, the shorter of the initial lease term or the estimated life of the improvement. The Exchange reviews the remaining estimated useful lives of its property and equipment at each balance sheet date and will make adjustments to the estimated remaining useful lives whenever events or changes in circumstances indicate that the remaining useful lives have changed.

Goodwill and Other Intangible Assets

Goodwill and intangible assets with indefinite lives are not amortized, but are reviewed for impairment on at least an annual basis or whenever circumstances indicate impairment could exist. An impairment loss is recognized if the estimated fair value of a reporting unit is less than its book value. The Company did not record an impairment charge related to goodwill and other intangible assets during the year ended December 31, 2019.

Income Taxes

The Exchange is included in the consolidated federal and certain unitary state and local income tax returns filed by certain affiliates. The Exchange recognizes income taxes under the liability method. The Exchange recognizes a current tax liability or tax asset for the estimated taxes payable or refundable on tax returns for the current year. The Exchange recognizes deferred tax

Notes to Financial Statements (continued)

2. Significant Accounting Policies (continued)

assets and liabilities for the expected future tax consequences of temporary differences between the financial statement carrying amounts and the tax bases of assets and liabilities. The Exchange establishes valuation allowances if it believes that it is more likely than not that some or all of its deferred tax assets will not be realized.

Deferred tax assets and liabilities are measured using current enacted tax rates in effect. Tax attributes or tax benefits that exist based on the Company's separate return method that can be used by its affiliates in a consolidated filing are treated as intercompany transactions between the Exchange and the affiliates.

The Exchange does not recognize a tax benefit unless it concludes that it is more likely than not that the benefit will be sustained on audit by the taxing authority based solely on the technical merits of the associated tax position. If the recognition threshold is met, the Exchange recognizes a tax benefit measured at the largest amount of the tax benefit that, in its judgment, is greater than 50 percent likely to be realized. The Exchange recognizes accrued interest and penalties related to uncertain tax positions as a component of income tax expense.

The Exchange is subject to tax in numerous jurisdictions, primarily based on its operations. Significant judgment is required in assessing the future tax consequences of events that have been recognized in the Exchange's financial statements or tax returns. Fluctuations in the actual outcome of these future tax consequences could have material impact on the Exchange's financial position or operating results.

Revenue Recognition

Cash trading fee revenues are paid by customer organizations based on their trading activity. The Exchange recognizes revenue when it transfers promised goods or services to customers in an amount that reflects the consideration to which it expect to be entitled in exchange for those goods or services. Fees are assessed on a per share basis for trading in equity securities. The fees vary based on the size and type of trade that is consummated. The Exchange earns transaction fees for customer orders of equity securities matched internally, as well as for customer orders routed to other exchanges. Cash trading fees contain one performance obligation related to trade execution which occurs instantaneously, and the revenue is recorded at the point in time of the trade execution. Cash trading fees are recorded gross of liquidity rebates and routing charges. Liquidity payments made to cash trading customers and routing charges paid to other exchanges are included in transaction-based expenses in the statement of net loss.

The Exchange earns market data revenues for trading of Tape A, B, and C securities. Consortium-based data fees are determined by securities industry plans. Consortium-based data revenues that coordinated market data distribution generates (net of administration costs) are

Notes to Financial Statements (continued)

2. Significant Accounting Policies (continued)

distributed to participating markets on the basis of the Regulation National Market System ("Reg NMS") formula. From time to time, the securities information processors may recover revenues from prior periods that were uncollected in those periods. Revenue is accrued in the month the Exchange's performance obligations of data delivery is met and included in data services fees in the statement of net loss.

The Exchange, as a participant in the respective consolidated tape and consolidated quote plans, receives a share of the distribution for the back-billed revenue recoveries. Revenue is recognized when received and included in data service fees in the statement of net loss.

Fair Value Measurements

The Exchange applies fair value accounting for all financial assets and liabilities and non-financial assets and liabilities that are recognized or disclosed at fair value in the financial statements on a recurring basis. The Exchange defines fair value as the price that would be received for selling an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. The Exchange's financial instruments consist primarily of cash and cash equivalents, customer accounts receivable and other short-term assets and liabilities.

Transaction-Based Expenses

The Exchange pays the SEC fees pursuant to Section 31 of the Securities Exchange Act of 1934 for transactions executed on the U.S. security exchanges. These Section 31 fees (which are included in transaction-based expenses in the statement of net loss) are designed to recover the government's costs of supervising and regulating the securities markets and securities professionals. The Exchange, in turn, collects activity assessment fees, which are included in transaction fees in the statement of net loss, from member organizations clearing or settling trades on the Exchange and recognizes these amounts as revenue when invoiced. Fees received are included in cash at the time of receipt and, as required by law, the amount due to the SEC is remitted semiannually and recorded as an accrued liability until paid. The activity assessment fees are designed so that they are equal to the Section 31 fees paid by the Exchange to the SEC. As a result, Section 31 fees do not have an impact on the Exchange's net loss.

Section 31 fees collected from customers are recorded on a gross basis as a component of transaction fee revenue.

The Exchange also incurs routing charges when it does not have the best bid or offer in the market for a security that a customer is trying to buy or sell on the Exchange. In that case, the

Notes to Financial Statements (continued)

2. Significant Accounting Policies (continued)

customer's order is routed to the external market center that displays the best bid or offer. The external market center charges the Exchange a fee per share (denominated in tenths of a cent per share) for routing to its system. The Exchange includes costs incurred due to erroneous trade execution within routing and clearing.

Recently Adopted and New Accounting Pronouncements

ASU No. 2016-13, Financial Instruments - Measurement of Credit Losses on Financial Instruments applies to all financial instruments carried at amortized cost including held-to-maturity debt securities and accounts receivables. It requires financial assets carried at amortized cost to be presented at the net amount expected to be collected and requires entities to record credit losses through an allowance for credit losses on available-for-sale debt securities. The Exchange adopted on January 1, 2020 and has evaluated this guidance to determine the impact on the Exchanges consolidated financial statements. Based on the Exchange's assessment, it was concluded the impact of adoption of this guidance was not material.

3. Other Intangibles

The following table presents the details of the intangible assets as of December 31, 2019 (in thousands):

	Carrying Value		Accumulated Amortization		Useful Life	
Exchange registration	\$	2,000	\$	_	Indefinite	
Total	\$	2,000	\$			

An indefinite useful life was assigned to exchange registration since the registration represents rights to operate the Exchange in perpetuity and based on the long history of the Exchange and the expectation that a market participant would continue to operate them indefinitely.

4. Income Taxes

The components of the income tax provision for the year ended December 31, 2019 were as follows (in thousands):

Notes to Financial Statements (continued)

4. Income Taxes (continued)

_						
•	٦_					4 -
	- 1	11	r	re	m	т:

Federal	\$ (2,351)
State and local	 (2,117)
Total current	(4,468)
Deferred:	
Federal	(317)
State and local	1,079
Total deferred	762
Total tax expense(benefit)	\$ (3,706)

A reconciliation of the U.S. federal statutory rate of 21 percent to the Exchange's actual income tax rate for the year ended December 31, 2019 was as follows:

Federal statutory rate	21%
State and local taxes (net of federal benefit)	6
Effective tax rate	27%

The effective tax rate is higher than the federal statutory rate due to state and local taxes.

Deferred income taxes reflect the net tax effects of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for income tax purposes. The following table summarizes the significant components of deferred tax assets and liabilities as of December 31, 2019 (in thousands):

Def	errec	l tav	assets:
וטעו	יס ו נט	і цал	assets.

Loss carryforwards	\$ 12,790
Valuation allowance	(11,871)
Other	 18
Total deferred tax assets, net of valuation allowance	\$ 937
Deferred tax liabilities:	
Acquired intangible assets	\$ (556)
Property and equipment	 (736)
Total deferred tax liabilities	 (1,292)
Net deferred tax liabilities	\$ (355)

Notes to Financial Statements (continued)

4. Income Taxes (continued)

A valuation allowance is established when management determines that it is more likely than not that all or some portion of the benefit of the deferred tax assets will not be realized. On January 31, 2017, the Exchange was acquired by ICE and is included in the consolidated federal and unitary state and local income tax returns filed by certain affiliates. Due to the limitation imposed by Internal Revenue Code Section 382, the majority of the historical net operating loss carryforwards cannot be utilized. The portion not subject to any limitation is available to be utilized. Tax attributes or tax benefits that exist based on the Company's separate return method that can be used by its affiliates in a consolidated filing are treated as intercompany transactions between the Exchange and the affiliates.

As of December 31, 2019, we have gross U.S. federal net operating loss carryforwards of \$55 million, and gross state and local net operating loss carryforwards of \$19 million. The net operating loss begins to expire in 2027.

Tax years prior to 2015 no longer remain subject to examination.

5. Related Parties

The Exchange has agreements with ICE and other affiliates who are wholly-owned subsidiaries of ICE to support the operations of the Exchange. These subsidiaries of ICE also make payments to vendors on behalf of the Exchange and the Exchange also makes payments to vendors on behalf of these subsidiaries. The Parent also pays or recovers federal and certain state and local unitary income taxes on behalf of the Exchange.

The Exchange has agreements with ICE and New York Stock Exchange, LLC for them to provide management and technical support services to the Exchange. The expenses incurred by ICE and New York Stock Exchange, LLC primarily relate to salary, wages and benefits of the employees involved in performing or directly supervising services, hosting costs, regulatory service costs, as well as other direct and overhead costs. During the year ended December 31, 2019, expenses of \$2 million have been recorded by the Exchange in connection with these agreements and are reflected as affiliate expenses in the accompanying statement of net loss.

At December 31, 2019, the Exchange had a \$16 million net payable related to these agreements. We record affiliate payable and receivable as net on the accompanying balance sheet because there is a right of offset for all intercompany amounts amongst all related party entities. Further, we have the ability and do at times settle intercompany amounts in this manner.

NYSE Arca, Inc. acts as a routing agent of the Exchange by routing orders to and from other execution venues that contain the best bid or offer in the market. The Exchange earns

Notes to Financial Statements (continued)

5. Related Parties (continued)

transaction fees from NYSE Arca, Inc. when trades are routed to it and incurs routing fees from NYSE Arca, Inc. when trades are routed from it. The routing fees represent a markup of actual routing costs charged by other execution venues. During the year ended December 31, 2019, revenues of \$56 thousand and expenses of \$97 thousand have been recorded by the Exchange in connection with these agreements and are reflected as affiliate revenue and expenses in the accompanying statement of net loss.

6. Property & Equipment

Components of property and equipment were as follows as of December 31, 2019 (in thousands):

Network equipment	4,720
Less: accumulated depreciation and amortization	(1,535)
Total property and equipment, net	\$ 3,185

7. Notes Receivable

In 2016, the SEC approved a plan to establish a market-wide consolidated audit trail, or CAT, to improve regulators' ability to monitor trading activity. In 2018, the first phase of implementation went live and required SRO participants to begin reporting to the CAT. Funding of the implementation and operation of the CAT is ultimately expected to be provided by both the SROs and broker-dealers. To date, however, funding has been provided solely by the SROs, partly in exchange for promissory notes. Due to delays and failures in implementation and functionality by the original plan processor, as well as recently published proposals by the SEC for an amended timeline and implementation structure, we believed the risk that execution venues are not reimbursed has increased and we therefore recorded promissory note impairment charges of \$1.0 million in 2019. Until the SEC approves a funding model that shares the cost of the CAT between the SROs and broker-dealers, the Exchange may continue to incur additional costs, which may become significant and may not be reimbursed. As of December 31, 2019, the Exchange has accrued approximately \$0.5 million as a receivable in connection with our portion of expenses related to the CAT implementation.

8. Commitments and Contingencies

The Exchange is, from time to time, subject to legal and regulatory proceedings that arise in the ordinary course of business. However, the Exchange does not believe that the resolution of these matters will have a material adverse effect on the Exchange's balance sheet, statement of net

Notes to Financial Statements (continued)

8. Commitments and Contingencies (continued)

loss, or liquidity. It is possible, however, that future results of operations could be materially and adversely affected by any new developments relating to the legal proceedings and claims.

9. Subsequent Events

Subsequent to December 31, 2019, there has been a global coronavirus outbreak (COVID-19) that may have an impact on the Exchange's operations, the extent of which will depend on future developments. As of the date of issuance, the outbreak is still evolving and thus there is uncertainty as to its ultimate impact on the Exchange.

The Exchange has evaluated subsequent events and transactions through June 18, 2020, the date the financial statements were issued, and determined that no other events or transactions, except as noted above, met the definition of a subsequent event for purpose of recognition or disclosure in these financial statements.

Re: ICE Organizational Chart

In connection with the 2020 amendments to the Form 1 applications pursuant to Rule 6a-2 under the Securities Exchange Act of 1934 (the "Act") for New York Stock Exchange LLC ("NYSE"), NYSE American LLC ("NYSE American"), NYSE Arca, Inc. ("NYSE Arca"), NYSE Chicago, Inc. ("NYSE Chicago"), and NYSE National, Inc. ("NYSE National" and collectively, the "Exchanges"), the Exchanges hereby are providing an organizational chart of Intercontinental Exchange, Inc. ("ICE"), the Exchanges' parent company, as of June 2020 (the "ICE Organizational Chart").

In April 2017, the Securities and Exchange Commission granted NYSE, NYSE American, NYSE Arca, and NYSE National a conditional exemption from certain requirements of Rule 6a-2 under the Act.¹ In April 2019, NYSE Chicago was granted a substantially similar exemption.² Pursuant to such exemptions, the Exchanges are providing the ICE Organizational Chart, as a supplement to the above-mentioned amendments to the Form 1 applications. The ICE Organizational Chart amends the previously provided information setting forth the affiliation of the foreign indirect affiliates of the Exchanges.³

If you have questions, please do not hesitate to contact Martha Redding, Associate General Counsel and Assistant Secretary, at (212) 656-2938 or martha.redding@theice.com

Sincerely, Martha Redding
