Opinion on the Financial Statement – Statement of Financial Condition

We have audited the accompanying statement of financial condition of Clarion Partners Securities, LLC (the “Company”) as of March 31, 2020, including the related notes (collectively referred to as the “financial statement”). In our opinion, the financial statement presents fairly, in all material respects, the financial position of the Company as of March 31, 2020 in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

The financial statement is the responsibility of the Company’s management. Our responsibility is to express an opinion on the Company’s financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit of this financial statement in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud.

Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statement. We believe that our audit provides a reasonable basis for our opinion.

Notes to the Financial Statements

For the Year Ended March 31, 2020

1. Organization

Clarion Partners Securities, LLC ("CPS LLC" or "the Company") is a limited liability company established in the state of Delaware on October 15, 2012. On November 20, 2013, the Financial Industry Regulatory Authority ("FINRA") approved the registration of the Company. Operations commenced on November 26, 2012. The Company is registered as a securities broker-dealer with the Securities and Exchange Commission ("SEC") and is a member of FINRA. The Company is a wholly owned subsidiary of Clarion Partners, LLC ("CP, LLC"), and was initially capitalized with a contribution in the amount of \$250,000 in November 2012. The Company acts as agent in the private placement of securities.

The Company does not carry securities accounts for customers or perform custodial services and, accordingly, claims exemption from Rule 15c3-3 of the Securities Exchange Act of 1934.

2. Summary of Significant Accounting Policies

Basis of Presentation

The Company's financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

The following is a summary of the significant accounting policies followed by the Company.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash in banks, primarily held at one financial institution which at times may exceed federally insured limits.

Other Assets

Other assets consist of cash held in the Company's flex-funding account at FINRA for filing fees and other FINRA related charges. The Company may choose to withdraw funds from its flex-funding account due to various circumstances (e.g., renewal refund or account overfunding).

Accounts Receivable - Parent

Accounts receivable - parent is stated at its net realizable value representing the current balance.

Revenue Recognition

Fees earned by the Company relate to services provided under a Service Level Agreement ("SLA") from its parent CP, LLC. Fees are recognized in revenue when the services are completed pursuant to the SLA. During the year ended March 31, 2020, all the Company's revenues were calculated in accordance with the SLA.

Income Taxes

The Company was formed as a single member limited liability company and as such is not itself subject to federal, state or local income taxes. The sole member is responsible for the tax liability, if any, related to the Company's taxable income or loss.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Company's management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

2. Summary of Significant Accounting Policies (continued)

Covid-19 Risk

On March 11, 2020, the World Health Organization declared the novel strain of coronavirus ("COVID-19") a global pandemic and recommended containment and mitigation measures worldwide. This has created increased short-term market volatility and, potentially, adverse long-term impacts on U.S. and world economies. As all revenue is earned pursuant to the SLA, we do not expect COVID-19 to materially impact the financials of CPS LLC.

3. Related Party Transactions

On March 5, 2013, the Company and CP, LLC entered into the SLA under which the Company shall be paid an annual service fee in the amount of all costs and expenses incurred by the Company in connection with the performance under the SLA, plus 15%. For the year ended March 31, 2020 the Company recognized revenue of \$14,872,211, respectively, under the SLA.

On March 5, 2013, the Company and CP, LLC also entered into a Services Agreement to establish terms and conditions under which the parties will allocate shared costs and expenses. CP, LLC and the Company share the same office space, equipment, technology, supplies and the agreement allows for the Company to provide office equipment and staffing for its operations. For these services the Company pays fees to CP, LLC as referenced in the SLA, above. Amounts due to the Company at March 31, 2020 under these arrangements amounted to \$238,356 and are included in accounts receivable on the accompanying statement of financial condition.

4. Regulatory Requirements

The Company, as a member of the FINRA, is subject to the SEC Uniform Net Capital Rule 15c3-1. This Rule requires the maintenance of minimum net capital, as defined, equal to the greater of \$5,000 or 6 2/3% of aggregate indebtedness, as defined. In addition, the rule requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At March 31, 2019, the Company's net capital and indebtedness ratio was \$650,912 and 1 to 6, respectively, which was \$644,208 in excess of its minimum requirement of \$6,704.

The Company claims exemption from the provisions of Rule 15c3-3 under the exemptive provisions subparagraph (k)(2)(i) of the Rule.

5. Subsequent Events

There have been no subsequent events through May 19, 2020, the date that the financial statements were available to be issued, that require recognition or disclosure.
