REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Shareholder's and Board of Directors of BG Worldwide Securities, Inc.

Opinion on the Financial Statements

I have audited the accompanying statement of financial condition of BG Worldwide Securities, Inc. as of June 30, 2020, the related statements of income, changes in shareholder's equity, and cash flows for the year then ended, and the related notes (collectively referred to as the financial statements). In my opinion, the financial statements present fairly, in all material respects, the financial position of BG Worldwide Securities, Inc. as of June 30, 2020, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

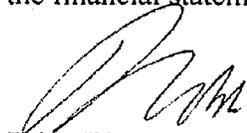

Basis for Opinion

These financial statements are the responsibility of BG Worldwide Securities, Inc.'s management. My responsibility is to express an opinion on BG Worldwide Securities, Inc.'s financial statements based on my audit. I am a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and am required to be independent with respect to BG Worldwide Securities, Inc. in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

I conducted my audit in accordance with the standards of the PCAOB. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. My audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. My audit also included evaluating the accounting principles used and significant estimates made by management, as evaluating the overall presentation of the financial statements. I believe that my audit provides a reasonable basis for my opinion.

The information contained in Schedule I, II, and III ("Supplemental Information") has been subjected to audit procedures performed in conjunction with the audit of the BG Worldwide Securities, Inc.'s financial statements. The Supplemental Information is the responsibility of the BG Worldwide Securities, Inc.'s management. My audit procedures included determining whether the Supplemental Information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the Supplemental Information. In forming my opinion on the Supplemental Information, I evaluated whether the Supplemental Information, including its form and content is presented in conformity with 17 C.F.R. § 240.17a-5. In my opinion, Schedules I, II, and III are fairly stated, in all material respects, in relation to the financial statements taken as a whole.

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

BG Worldwide Securities, Inc. (the "Company") was formed on December 6, 2001 in California as a "C" corporation. The Company received approval as a broker dealer by the Securities and Exchange Commission (SEC) and the Financial Industry Regulatory Authority (FINRA) on November 18, 2002. The Company is registered as a limited purpose broker-dealer engaged in variable annuities and variable life products to institutions. The Company is a wholly owned subsidiary of Benefits Group Worldwide, Inc. (the "Parent"). The owners of the Parent are also owners of an insurance agency, Robert Shor Insurance Agency, Inc.

The Parent designs, implements, administers executive benefits plans for enterprise organizations, and structures deferred compensation for public and private institutional customers. The broker dealer receives securities and insurance commissions from insurance companies with whom these public and institutional customers place their variable insurance policies. The Company does not maintain retail or individual accounts or customer relationships. The Company operates under the exemptive provisions of SEC Rule 15c3-3(k)(2)(i) and does not require the services of a clearing firm.

Accounting Method

The company uses the accrual basis of accounting for financial statement purposes. It is subject to regulation by SEC and FINRA, and it follows accounting and record keeping polices established by those agencies.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates, but management does not believe such differences will materially affect the Company's financial position, results of operations, or cash flows.

Fair Value Measurement

The Company adopted ASC Topic 820, requiring a fair value measurement of certain financial instruments on a recurring basis. The adoption of ASC Topic 820 did not impact the Company's financial condition or results of operations. ASC Topic 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability.

ASC Topic 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy are described below:

BG WORLDWIDE SECURITIES, INC.

Notes to Financial Statements
June 30, 2020

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurement

Level 1 – Valuations based on quoted prices in active markets for identical assets or liabilities that an entity has the ability to access.

Level 2 – Valuations based on quoted prices for similar assets and liabilities in active markets, quoted prices for identical assets and liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable data for substantially the full term of the assets or liabilities.

Level 3 – Valuations based on inputs that are supportable by little or no market activity, and that are significant to the fair value of the asset or liability.

The Company had no financial instruments to measure for fair value as of June 30, 2020.

Concentrations of Credit Risk:

The Company is engaged in activities in which counter parties primarily include insurance companies, banks, and other financial institutions. In the event counter parties do not fulfil their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counter party or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counter party. 100% of all revenue is from one customer, a related party.

The Company maintains principally all cash balances in one financial institution which, at times, may exceed the amount insured by the Federal Deposit Insurance Corporation. The exposure to the Company is solely dependent upon daily bank balances and the respective strength of the financial institution. The Company has not incurred any losses on this account. At June 30, 2020, the amount in excess of insured limits was \$0.

Note 2: INCOME TAXES

The Company is included in the consolidated tax returns filed by the Parent. Beginning July 1, 2016, the Company accrues a tax provision as a stand-alone entity for purpose of GAAP and Federal Securities regulations.

For the year ended June 30, 2020, the components of the Company's estimated income tax expense are as follows:

State Income Taxes (California)	\$	800
Federal Income Tax provision		-
	<u>\$</u>	<u>800</u>

Deferred taxes are not recorded as the Company deems them immaterial.

The Company is subject to audit by the taxing agencies for fiscal years ending June 30, 2017, 2018, and 2019.

BG WORLDWIDE SECURITIES, INC.

Notes to Financial Statements
June 30, 2020

Note 3: NET CAPITAL REQUIREMENT

The Company is subject to the uniform net capital rule (Rule 15c3-1) of the Securities and Exchange Commission, which requires both the maintenance of minimum net capital and the maintenance of a maximum ratio of aggregate indebtedness to net capital. Net capital and aggregate indebtedness change day by day, but at June 30, 2020 the Company's net capital of \$23,133 exceeded the minimum net capital requirement of 6 2/3% of aggregate indebtedness (\$1,846) or \$5,000, whichever is greater, by \$18,133, and the Company's ratio of aggregate indebtedness of \$1,846 to net capital was 0.08:1, which is less than the 15:1 maximum ratio requirement.

Note 4: RELATED PARTY TRANSACTIONS

The Company has a cost sharing arrangement with the Parent, per which common expenses are apportioned to the Company at a rate of \$104 per month or \$ 1,248 a year. The Company is affiliated with Robert Shor Insurance, a related party due to common ownership and control, through which the Company's commissions for its insurance product placements are processed.

Note 5: ASC 606: REVENUE FROM CONTRACTS WITH CUSTOMERS

Revenue Recognition

New Accounting Standard Adopted - In May of 2014, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2014-09, "Revenue from Contracts with Customers" ("ASU 2014-09"), which was aimed at creating common revenue recognition guidance for GAAP and the International Financial Reporting Standards ("IFRS"). The guidance provides a comprehensive model for entities to use in accounting for revenue arising from contracts with customers and supersedes most current revenue guidance issued by the FASB. ASU 2014-09 and all subsequent amendments to the ASU (collectively "ASC 606") requires an entity to recognize the amount of revenue to which it expects to be entitled for the transfer of promised goods or services to customers and revises when it is appropriate to recognized a gain or loss from the transfer of nonfinancial assets such as other real estate owned. This standard also specifies the accounting for certain costs to obtain or fulfill a contract with a customer. The Company's implementation efforts included a detailed review of revenue contracts within the scope of guidance and an evaluation of the impact on the Company's revenue recognition policies. No transition-related practical expedients were applied.

The Company adopted ASC 606, effective July 1, 2018, using the modified retrospective method by quantifying and recognizing the cumulative effect (if any) of initially applying ASC 606 as an adjustment to the opening balance of shareholders' equity and other affected accounts at July 1, 2018. The application of this new revenue recognition standard resulted in no adjustment to the opening balance of retained earnings.

Performance Obligations - On July 1, 2018, the Company adopted ASC 606. Pursuant to ASC 606, revenue from contracts with customers is recognized when, or as, the Company satisfies its performance obligations by transferring goods or services to customer. A good or service is transferred to a customer when, or as, the customer obtains control of that good or service. A performance obligation satisfied at a point in time is recognized at the point in time that the company determines the customer has obtained control over the promised good or service. The amount of revenue recognized reflects the consideration of which the Company expects to be entitled in exchange for the promised good or services.

Note 5: ASC 606: REVENUE FROM CONTRACTS WITH CUSTOMERS (CONTINUED)

The following provides detailed information on the recognition of the Company's revenue from contracts with customers as reported on the FINRA Form "Supplemental Statement of Income (SSOI)":

Insurance Commissions - The Company engages in the sale of insurance-based products. This includes sales of variable and fixed annuities along with other various financial instruments that contain both, insurance and security components.

The following table disaggregated the Company's revenue based on the timing of satisfaction of performance obligations for the year ended June 30, 2020:

Performance Obligations Satisfied at a Point in Time	\$	99,768
Performance Obligations Satisfied Over Time		-
Total Revenue	<u>\$</u>	<u>99,768</u>

Taxes and regulatory fees assessed by a government authority or agency that are both imposed on and concurrent with a specified revenue-producing transaction, that are collected by the Company from a customer, are excluded from revenue.

Note 6: LEASE OBLIGATIONS

In February 2016, The FASB issued ASU 2016-02 on Leases. Under the new guidance, leases will be required to recognize a lease liability and a right-of-use asset for all leases at the commencement date (with the exception of short-term leases). ASU-2016-02 is effective for annual and interim periods beginning on or after December 15, 2018 and early adoption is permitted. The Company does not have a lease commitment where this applies.

Note 7: SUBSEQUENT EVENTS

The management has reviewed the results of operations for the period of time from its year end June 30, 2020 through August 5th, 2020 the date the financial statements were available to be issued and has determined that no adjustments are necessary to the amounts reported in the accompanying financial statements, nor have any subsequent events occurred, the nature of which would require disclosure.

**REPORT OF INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM**

Board of Directors

BG Worldwide Securities, Inc.

Woodland Hills, California

I have reviewed management's statements, included in the accompanying Exemption Report in which (1) BG Worldwide Securities, Inc. identified the following provisions of 17 C.F.R. §15c3-3(k) under which BG Worldwide Securities, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3: (k) (2) (i) (the "exemption provisions") and (2) BG Worldwide Securities, Inc., stated that BG Worldwide Securities, Inc., met the identified exemption provisions throughout the most recent fiscal year without exception. BG Worldwide Securities, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly, included inquiries and other required procedures to obtain evidence about BG Worldwide Securities, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
