REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholder of
Chauner Securities, Inc.

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of Chauner Securities, Inc. (the "Company") as of June 30, 2020, the related statements of income, changes in stockholder's equity, and cash flows for the year then ended, and the related notes (collectively referred to as the financial statements). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of June 30, 2020, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audit we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Supplemental Information

The information contained in Schedules I, II, and III (the “supplemental information”) has been subjected to audit procedures performed in conjunction with the audit of the Company’s financial statements. The supplemental information is the responsibility of the Company’s management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

We have served as the Company’s auditor since 2015.

CHAUNER SECURITIES, INC.

Northbrook, IL

Notes to Financial Statements

Year Ended June 30, 2020

Business Activity

Chauner Securities, Inc. (the "Company") is a registered security broker dealer. The Company is a non-carrying broker dealer with no client securities or funds physically held or under the control of the Company. The Company's primary business is the structuring and marketing of private real estate securities and their entities primarily located in the United States of America.

Cash and Cash Equivalents

The Company recognizes cash and cash accounts with maturity dates of three months or less at the time of purchase as cash equivalents in the financial statements. Cash includes all cash balances deposited with local and national financial institutions.

Revenue Recognition

Revenue from contracts with customers is recognized following a five step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies the performance obligation.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition from Contracts with Customers

Significant Judgments

The recognition and measurement of revenue is based on the assessment of individual contract terms. Significant judgement is required to determine whether performance obligations are satisfied at a point in time or over time; how to allocate transaction prices where multiple performance obligations are identified; when to recognize revenue based on the appropriate measure of the Company's progress under the contract; and whether constraints on variable consideration should be applied due to uncertain future events.

CHAUNER SECURITIES, INC.

Northbrook, IL

Notes to Financial Statements

Year Ended June 30, 2020

Private Placement Fees

The Company has a managing dealer agreement with select issuers in which services are provided by the Company to the sponsor during the course of the private placement offering. These services include consulting on the structure of the offering and compliance matters as well as marketing support throughout the offering. The firm receives fees for these services which are related to each purchase of units/shares in the offering. This revenue is recognized by the firm as investors are admitted to the fund, typically on a bi-monthly basis depending on the closing schedule of the issuer.

Commissions

The Company buys and sells securities on behalf of its customers. Each time a customer enters into a buy or sell transaction, the Company charges a commission. Commissions and related clearing expenses are recorded on the trade date (the date that the Company fills the trade order by finding and contracting with a counterparty and confirms the trade with the customer). The Company believes that the performance obligation is satisfied on the trade date because that is when the underlying financial instrument or purchaser is identified, the pricing is agreed upon and the risks and rewards of ownership have been transferred to/from the customer.

Trail Income

The Company earns commissions and fees through providing services related to mutual funds. These fees are based on a fixed rate applied, as a percentage, to the net asset value of the fund. These fees are generally received monthly or quarterly while the customer holds the investment. As these trailing commissions are based on factors outside of the Company's control, including market movements and client behavior, such revenue is recognized monthly when it is probable that a significant reversal will not occur.

Disaggregation of Revenue

The Company's revenues on the Statement of Income are already disaggregated. Therefore, no further disaggregation is deemed necessary.

CHAUNER SECURITIES, INC.

Northbrook, IL

Notes to Financial Statements

Year Ended June 30, 2020

Net Capital Requirements

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires that the ratio of aggregated indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At June 30, 2020, the Company's net capital and required net capital were \$91,425 and \$22,187, respectively. At June 30, 2020, the ratio of aggregate indebtedness to net capital was 3.64 to 1.

Revenue Concentrations

Approximately 84% of the Company's revenue was received through three customers.

Related-Party Activity

The Company has entered into an agreement with a related entity to share office space and administrative services. Rent, office services and other overhead amounts are allocated based upon the agreement between the respective parties. The Company incurred a total of \$216,186 for shared administrative expenses. In addition, the Company incurred \$243,317 for reimbursement of profit sharing and bonuses for the shared employees during the fiscal year, which are included in the administrative fees on the statement of income. The total amount due to the related entity was \$322,526 at June 30, 2020.

Statement of Financial Condition Risk

The Company's customer securities transactions are introduced on a fully disclosed basis with its clearing broker-dealer. The clearing broker-dealer is responsible for the execution, collection and payment of funds and receipt and delivery of securities relative to customer transactions. Off-balance sheet risk exists with respect to these transactions due to the possibility that the customers may be unable to fulfill their contractual commitments, wherein the clearing broker-dealer may charge any losses it incurs to the Company. The Company seeks to minimize this risk through procedures designed to monitor the credit worthiness of its customers.

Effective June 30, 2020, the Company terminated its clearing agreement with its clearing broker-dealer.

Income Taxes

The Company has a state net operating loss carryover of approximately \$800 which is available to offset profits in ensuing years until June 30, 2039. The Company fully reserves for its deferred tax assets resulting from this net operating loss carryforward. There was no change in the valuation allowance.

For Federal and Illinois income taxes, the Company is subject to examination of tax returns for fiscal years ending after June 30, 2016.

Contingencies

From time to time, the Company is subject to regulatory exams by FINRA and the SEC. There were no such exams in process as of the report date.

Risk and Uncertainties

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a pandemic which continues to spread throughout the United States and the World. The Company is monitoring the outbreak of COVID-19 and the related business and travel restrictions and changes to behavior intended to reduce its spread, and its impact on operations, financial position, cash flows, and the industry in general, in addition to the impact on its employees. Due to the rapid development and fluidity of this situation, the magnitude and duration of the pandemic and its impact on the Company's operations and liquidity is uncertain as of the date of this report. While there could ultimately be a material impact on operations and liquidity of the Company, at the time of issuance, the impact could not be determined.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) Chauner Securities, Inc. (the "Company") identified the following provisions of 17 C.F.R. § 15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. § 240.15c3-3: (k)(2)(ii) (the "exemption provisions") and (2) the Company stated that the Company met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidenee about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

EXEMPTION REPORT
SEC Rule 17a-5(d)(4)**

July 30, 2020

To Whom It May Concern:

The below information is designed to meet the Exemption Report criteria pursuant to SEC Rule 17a-5(d)(4):

- Chauner Securities, Inc. is a broker/dealer registered with the SEC and FINRA.
- Chauner Securities, Inc. claimed an exemption under paragraph (k)(2)(ii) of Rule 15c3-3 for the fiscal year ended June 30, 2020.
- Chauner Securities, Inc. has met the identified exemption provisions throughout the most recent fiscal year without exception.
- Chauner Securities, Inc. has not recorded any exceptions to the exemption for the fiscal year ended June 30, 2020.

The above statements are true and correct to the best of my and the Firm's knowledge.

The Company terminated its clearing firm arrangement effective June 30, 2020. As a result, subsequent to year end the Company's business consisted solely of mutual funds trails and private placement revenue. Therefore, effective July 1, 2020 the Company no longer claims an exemption under paragraph (k) of Rule 15c3-3 as the Company (1) does not directly or indirectly receive, hold or otherwise owe funds or securities for or to customers, other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of Rule 15c2-4; (2) does not carry accounts of or for customers; and (3) does not carry PAB accounts (as defined in Rule 15c3-3).
