Report of Independent Registered Public Accounting Firm

To the Board of Directors
of Monument Group, Inc.

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of Monument Group, Inc. as of September 30, 2020, the related statements of operations, changes in stockholders' equity, and cash flows for the year then ended, and the related notes (collectively referred to as the financial statements). In our opinion, the financial statements present fairly, in all material respects, the financial position of Monument Group, Inc. as of September 30, 2020, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

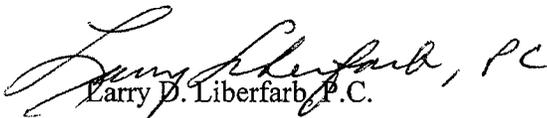

Basis for Opinion

These financial statements are the responsibility of Monument Group, Inc.'s management. Our responsibility is to express an opinion on Monument Group, Inc.'s financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to Monument Group, Inc. in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Auditor's Report on Supplemental Information

The computation of aggregate indebtedness and net capital pursuant to SEC Rule 15c3-1, and computation for and information related to possession or control determination of reserve requirements for broker/dealers under SEC Rule 15c3-3 have been subjected to audit procedures performed in conjunction with the audit of Monument Group, Inc.'s financial statements. The supplemental information is the responsibility of Monument Group, Inc.'s management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the computation of aggregate indebtedness and net capital under SEC Rule 15c3-1, and computation for and information related to possession or control determination of reserve requirements for broker/dealers under SEC Rule 15c3-3 are fairly stated, in all material respects, in relation to the financial statements as a whole.

The accompanying notes are an integral part of these financial statements.

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2020

NOTE 1 – ORGANIZATION AND NATURE OF THE BUSINESS

The Company began operations July 15, 1994. The Company is a broker-dealer registered with the Securities and Exchange Commission (SEC), and is a member of the Financial Industry Regulatory Authority, Inc. (FINRA). The Company is engaged principally in the placement of private securities with institutional investors.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Revenue From Contracts With Customers

Revenue from contracts with customers are composed of private placement fees. Such fees are recognized at the point in time when the Company's performance under the terms of the contractual agreement is completed, which is typically at the closing of the transaction. Reimbursed expenses related to these transactions are recorded as revenue and are included in private placement fees. In certain instances, the Company will receive amounts in advance of the deal's closing. In these instances, revenue is recognized over time in which the performance obligations are simultaneously provided by the Company and consumed by the customer. At September 30, 2020, there were no advances to the Company.

Accounts Receivable

Accounts receivable are stated at the amount management expects to collect. Management provides for probable uncollectable amounts through a charge to earnings and a credit to an allowance based on the assessment of the current status of individual accounts. At September 30, 2020 management feels that all receivables are collectable.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

Income Taxes

The Company and its stockholders have elected to be treated as an S Corporation under the provisions of the Internal Revenue Code. Accordingly, in lieu of federal and state corporate income taxes, the stockholders are taxed on their proportionate share of the Company's taxable income.

MONUMENT GROUP, INC.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

SEPTEMBER 30, 2020

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Concentration of Credit Risk

During the year, the Company, maintained cash accounts at various financial institutions in bank deposits which at times exceeded the federally-insured limit of \$250,000. The Company has not experienced any losses on such accounts and believes it is not exposed to any significant credit risk regarding its cash balances

NOTE 3 - RELATED PARTY TRANSACTIONS

The Company utilizes office space, shares telephone service, and receives consulting services from a related company, Monument Group, LP (M.G., LP). The related party charged \$32,851,912 for these services for the year ending September 30, 2020. At September 30, 2020 the Company owed \$42,357 to the related party. Since the Company has common ownership with M.G., LP, operating results could vary significantly from those that would be obtained if the entities were autonomous.

NOTE 4 – NET CAPITAL

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital, and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. The Company had net capital of \$246,034 which was \$241,034 in excess of its required net capital of \$5,000. The Company's net capital ratio was 17.22 to 1.
