FINANCIAL REPORT

SEPTEMBER 30, 2020

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors
of Vanderbilt Securities, LLC

Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of Vanderbilt Securities, LLC as of September 30, 2020, and the related notes (collectively referred to as the financial statement). In our opinion, the statement of financial condition presents fairly, in all material respects, the financial position of Vanderbilt Securities, LLC as of September 30, 2020 in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of Vanderbilt Securities, LLC's management. Our responsibility is to express an opinion on Vanderbilt Securities, LLC's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to Vanderbilt Securities, LLC in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial position, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial position presentation. We believe that our audit provides a reasonable basis for our opinion.

RW Group, CPA

We have served as Vanderbilt Securities, LLC's auditor since 2015 .

NOTES TO FINANCIAL STATEMENTS

Organization and Nature of Business

Vanderbilt Securities, LLC, (a limited liability company), (the “Company”), operates in New York as an introducing securities broker-dealer in which securities transaction orders for customers are placed through a clearing agent (National Financial Services, LLC) on a fully disclosed basis. The Company does not hold securities on behalf of customers and the firm did not maintain margin accounts at the year end.

The Company operates under the provisions of Paragraph (k)(2)(ii) of rule 15c3-3 of the Securities and Exchange Commission and, accordingly, is exempt from the remaining provisions of that rule. Essentially, the requirements of Paragraph (k)(2)(ii) provide that the Company clear all transactions on behalf of customers’ funds and securities to the clearing broker-dealer. The clearing broker-dealer carries all of the accounts of the customers and maintains and preserves all related books and records as are customarily kept by a clearing broker-dealer.

Summary of Significant Accounting Policies:

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles generally requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition

On October 1, 2018, the Company adopted ASU No. 2014-09, “Revenue from Contract with Customers” (“ASC Topic 606”) using the modified retrospective method (i.e., applied prospectively effective October 1, 2018 without revising prior periods), which had no impact on the Company’s opening retained earnings.

Brokerage Commissions:

The Company buys and sells securities on behalf of its customers and clears the transactions through National Financial Services, LLC. The revenue from these transactions is earned based on the trade date of the transaction and recorded in the month in which the revenue is earned.

Distribution Fees:

The Company enters into arrangements with managed accounts or other pooled investment vehicles (funds) to distribute shares to investors. The Company may receive distribution fees paid by the fund up front, over time, upon the investor’s exit from the fund, or as a combination thereof. Any fixed monthly amounts are recognized in the month that the transactions have taken place. For variable amounts, as the uncertainty is dependent on the value of the shares at future points in time as well as the length of time the investor remains in the fund, the Company recognizes the income when it is received monthly. For variable quarterly payments, prior quarter estimates are used and the income is recorded monthly. Once the actual payment is received, an adjusting journal entry is made to adjust the estimates to actuals.

Cash, Cash Equivalents, and Restricted Cash

For purposes of reporting cash flows, cash and cash equivalents include cash and interest-bearing deposits held at financial institutions and money market funds with its clearing broker. The restricted cash is a required deposit with the Company’s clearing firm, National Financial Services, LLC.

Cash and Cash Equivalents	\$653,877
Restricted Cash	\$75,000
Total Cash, Cash Equivalents, & Restricted Cash	\$728,877

Allowance for Doubtful Accounts

The Company considers accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they will be charged to operations when that determination is made. Bad debt expense was \$-0- for the year ended September 30, 2020.

Commissions Receivable and Payable

Commissions receivable consists of amounts due from the sale of securities. The commission is due within thirty (30) days.

Income Taxes

The Company has elected to be treated as a "C" Corporation pursuant to the "Internal Revenue Code" and the New York State Revenue Code.

Line of Credit

The company had a \$250,000 line of credit with Chase Bank. This line of credit was closed in April 2020.

Intangible Asset

In connection with the acquisition of Vanderbilt Financial Group, the Company has subsumed into goodwill all intangible assets acquired in the transaction. The company paid \$75,000 for the purchase of the business and \$75,000 for the purchase of the company name. The assets have indefinite lives and therefore are not amortized.

Subsequent Events

Management has evaluated events through November 25, 2020, the date on which the financial statements were available to be issued.

Related Party Transactions:

The Company has a contractual arrangement with another corporation, which is wholly owned by the officer/sole stockholder of the Company. The Company pays the other corporation for leasing office space, leasing and purchasing office equipment and furnishings, administrative personnel and other general and overhead expenses. Administrative fees charged under this arrangement were \$3,547,925 for the year ended September 30, 2020. These Administrative fees charged include rent expense incurred for the year ended September 30, 2020 of \$509,254.

The Company has a liability due to a Related Party. The Related Party is an RIA, PFG Investments Inc. d/b/a Vanderbilt Advisory Services. The total amount due to the RIA is revenue that was generated by the RIA, and then deposited into the Company. Such amounts are reimbursed as practicable.

Net Capital Requirements:

The Company is subject to the net capital requirements of the Financial Industry Regulatory Authority (“FINRA”) and the Uniform Net Capital requirements of the Securities and Exchange Commission (SEC) under Rule 15c3-1 which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Pursuant to “FINRA” rules, the Company is required to maintain a minimum of \$50,000 or \$96,958 (1/15 (6 2/3%) of aggregate indebtedness) whichever is greater. At September 30, 2020, the Company had net capital of approximately \$902,620 which was \$805,662 in excess of the \$96,958 required to be maintained at that date. The Company’s net capital ratio was 1.61 to 1.

The Company has at all times during the past year been in compliance with the requirements of Rule 15c3-1.

Business Transactions:

In the normal course of business, the Company executes, as agent, transactions on benefit of customers. If the agency transactions do not settle because of failure to perform by either the customer or counterparty, the company may be obligated to discharge the obligations of the nonperforming party and, as a result, may incur a loss if the market value of the security is different from the contract amount of the transaction.

The Company does not anticipate nonperformance by the customers or counterparties in the above situations. The Company policy is to monitor its market exposure and counterparty risk. In addition, the Company has a policy of reviewing, as considered necessary, the credit standing of each counterparty and customer with which it conducts business.

Concentrations and Credit Risk:

The Company places its cash with high quality financial institutions. At times, such amount may be in excess of the FDIC insurance limits.

The Company uses a single clearing broker to process all its transactions and maintain all its accounts. There are other clearing brokers available for the Company's use.

Provision for Income Taxes:

The income tax provision for income from operations at September 30, 2020 consist of:

Federal:	\$28,234
State and Local:	<u>\$12,737</u>
	\$40,971

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Shareholders
of Vanderbilt Securities, LLC

We have reviewed management's statements, included in the accompanying Exemption Report Rule 17a-5(d)(4), in which (1) Vanderbilt Securities, LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which Vanderbilt Securities, LLC claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(i) and (k)(2)(ii) (the "exemption provisions") and (2) Vanderbilt Securities, LLC stated that Vanderbilt Securities, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. Vanderbilt Securities, LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Vanderbilt Securities, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) and (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
