**FOR THE YEAR DECEMBER 31, 2019**

**NOTE 1: ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

A summary of the Firm's significant accounting policies consistently applied in the preparation of the accompanying financial statements are as follows:

- a. Nature of Operations— ALLEN C. EWING & CO. a Florida C corporation (the Firm), is a registered broker/dealer with the Securities and Exchange Commission (SEC) A and is a member of the Financial Industry Regulatory Authority (FINRA) and the Securities Investor Protection Corporation (SIPC). The Firm provides sales of life insurance and annuities, fund management and investment banking services, which includes advisory services to clients on corporate finance matters, mergers, acquisitions, private placement, and valuations of securities for institutions located primarily in the Southeast United States.

The sole stockholder of the Firm is Ewing Capital Partners, LLC (ECP), a Florida limited liability company.

- b. Cash Equivalents—For purposes of the statements of cash flows, the Firm considers all highly liquid debt instruments with maturities of three months or less when purchased to be cash equivalents. There were no cash equivalents at December 31, 2019.
- c. Use of Estimates—The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.
- d. Concentrations of Credit Risk—The Firm places its cash in accounts with a local financial institution. At times, balances in these accounts may be exceed FDIC insured limits.
- e. Accounts Receivable— Accounts Receivable consists of primarily of commission receivables recorded at the original invoice amount net of allowances for contractual adjustments and estimated uncollectible accounts, if any, and do not bear interest. Normally accounts receivable are due within 30 days after the date of the invoice. Receivables more than 90 days old are considered past due. The Firm determines the allowance based on historical write-off experience. Past due balances are reviewed individually for collectability. Account balances are charged off against the allowance after all means of collection have been exhausted and the potential recovery is considered remote. At December 31, 2019, the Firm determined that there was no need for an allowance for uncollectible accounts receivable.
- f. Advertising—The Firm's advertising costs are expensed as incurred, which totaled \$0 during the year ending December 31, 2019.
- g. Revenue Recognition— Fee revenue includes recurring professional services that are paid for the duration of the engagement, and success fees earned on completed mergers and acquisition transactions. Professional service revenues are recorded at the time services are performed, while success fees are recorded when the transaction is completed and the income is reasonably determinable.
- h. Commissions—Commissions and related clearing expenses are recorded on a trade-date basis as the securities transaction occur.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR DECEMBER 31, 2019**

**NOTE 1: ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont)**

- i. Property and Equipment—Property and equipment are recorded at cost. Depreciation is provided on the straight-line and accelerated methods. Maintenance and minor repairs are charged to operations when incurred. When assets are retired or sold, the related costs and accumulated depreciation are removed from the accounts and the resulting gain or loss is reflected in current operations. Estimated useful lives for depreciation are between 3 and 10 years.

In accordance with authoritative guidance, the Firm reviews the carrying value of long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset may not be recoverable. Recoverability of long-lived assets is measured by comparing the carrying amount of the asset or asset group to the undiscounted cash flows that the asset or asset group is expected to generate. If the undiscounted cash flows of such assets are less than the carrying amount, the impairment to be recognized is measured by the amount by which the carrying amount, if any, exceeds its fair value. No impairments were deemed to exist at December 31, 2019.

- j. Investments—Investments are recorded at fair value in accordance with FASB ASC 820, Fair Value Measurement.
- k. Income Taxes—The Firm records a deferred tax liability or asset based on the difference between financial statement and tax basis of assets and liabilities as measured by the anticipated tax rates which will be in effect when these differences reverse. The measurement of deferred tax assets is reduced, if necessary, by the amount of any tax benefits that, based on available evidence, are not expected to be realized.

The Firm evaluates its tax position for any uncertainties based on the technical merits of the position taken in accordance with authoritative guidance. The Firm recognizes the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be upheld on examination by taxing authorities. The Firm has analyzed tax positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements.

Commissions are earned on sales of mutual fund shares, life insurance policies and variable annuities and are received directly from the related fund or issuer. All commission revenue is recognized when earned.

Investment banking fees are earned by providing advisory services to clients on corporate finance matters, including mergers and acquisitions and the issuance of public stock. Investment banking revenues are recognized when earned.

Management consulting services revenue are recognized as the related services are rendered.

**NOTE 2: COMMISSION RECEIVABLES AND PAYABLES FROM AND TO BROKERS**

Receivables from brokers represent commissions due and accrued to the Firm from their correspondents. The payable to brokers are commissions due to the brokers. At December 31, 2019, there were commissions receivable of \$16,300.70 and no accrued commissions payable respectively.

**ALLEN C. EWING & CO.  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR DECEMBER 31, 2019**

---

**NOTE 3: EXEMPTION UNDER RULE 15c3-3**

The Firm claims an exemption under Rule 15c3-3 in accordance with the provision of paragraph (k) (2)(i) "Special Account for the Exclusive Benefit of customers maintained". During the year ended December 31, 2019 there were no amounts to be reported pursuant to the possession or control requirements under Rule 15c3-3, and the Firm is in compliance with their stated exemptive provisions, and thus is exempt from the provisions of Rule 15c3-3.

**NOTE 4: INCOME TAX EXPENSE**

The Firm has elected to be treated as a C Corporation for income tax purposes.

Accounting principles generally accepted in the United State of America require the Firm to examine its tax positions for uncertain positions. Management is not aware of any tax positions that are more likely than not to change in the next twelve months or that would not sustain an examination by applicable taxing authorities.

The firm's federal and state income tax returns are subject to examination by the applicable tax authorities, generally for three years after the later of the original or extended due date.

**NOTE 5: ACCOUNTING FOR UNCERTAINTY IN INCOME TAXES**

In June 2006, the Financial Accounting Standards Board (FASB) issued FASB Interpretation Number 48 (FIN 48), Accounting for Uncertainty in Income Taxes - an Interpretation of FASB Statement No. 109 (SFAS 109). The interpretation contains a two-step approach to recognizing and measuring uncertain tax positions accounted for in accordance with SFAS 109. The Firm has elected to defer the adoption of FIN 48 as allowed in FASB Staff Position (FSP-48-3) issued December 30, 2008. The adoption of this standard is not currently anticipated to have a material impact on the Firm's financial position, results of operations, or cash flows; however, the effect on future financial statements of this pronouncement cannot be determined at this time. Management will continue to evaluate any uncertain tax positions, if any, during the deferral period.

**NOTE 6: NET CAPITAL REQUIREMENTS**

The Firm is required to maintain a minimum net capital under Rule 15c3-1 of the Securities and Exchange Commission. Net capital required under the rule is the greater of \$5,000 or 6 2/3 percent of the aggregate indebtedness of the Firm. At December 31, 2019, net capital as defined by the rules, equaled \$89,482. The ratio of aggregate indebtedness to net capital was 47:5. Net capital in excess of the minimum required was \$83482.

**NOTE 7: RECONCILIATION PURSUANT TO RULE 17A-5(D)(4)**

There were no material reconciling items between the December 31, 2019 unaudited FOCUS report and this audit, in the computation of Net Capital under Rule 15c3-1.

**ALLEN C. EWING & CO.**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR DECEMBER 31, 2019**

---

**NOTE 8: POSSESSION OR CONTROL REQUIREMENT UNDER RULE 15c3-3**

Information relating to possession or control requirements is not applicable to the Firm as the Firm qualified for exemption under Rule 15c3-3 (k) (2) (ii).

**NOTE 9: FILING REQUIREMENTS**

There were no liabilities subordinated to claims of creditors during the year ended December 31, 2019. Accordingly, no Statement of Changes in Liabilities Subordinated to Claims of Creditors has been included in these financial statements as required by rule 17a-5 of the Securities and Exchange Commission.

**NOTE 10: SUBSEQUENT EVENTS**

Management has evaluated subsequent events through the date which the report of the independent registered accounting firm was available to be issued.

**NOTE 11: INCOME TAXES**

The components of the Firm's deferred tax assets consisted of the following at December 31, 2019:

Net Operating Loss:	\$ 133,960
Valuation allowance	(133,960)
Deferred tax assets, net	<u>\$ 0</u>

Based on the available objective evidence, the Firm believe it is more likely than not that the deferred tax assets will not be realized. Accordingly, the Firm provided for a full valuation allowance against its deferred tax assets at December 31, 2019. The firm has total net operating loss carry forwards available to offset future taxable income of approximately \$1,663,879. To the extent not used, these loss carry forwards will begin to expire 2023.

**NOTE 12: RELATED PARTY TRANSACTIONS**

The Firm is a wholly-owned subsidiary of Ewing Capital Partners (ECP). The Firm owed Ewing Capital Partners (ECP), \$0 at December 31, 2019. These unsecured balances are due on demand and do not accrue interest.

During 2019, the firm charged Ewing Real Estate, LLC (ERE), a separately owned entity, \$59,087 for management fees and rent. This reimbursement of expenses will be terminated during the 2<sup>nd</sup> quarter of 2020.

The firm received \$294,452.39 for reimbursement of payroll expenses and \$2004.19 for shared expenses from Ewing Asset Management, LLC, an SEC registered investment advisory firm affiliated through common ownership.

**ALLEN C. EWING & CO.  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR DECEMBER 31, 2019**

---

**NOTE 13: COMMITMENTS AND BUSINESS CONCENTRATIONS**

Concentrations—Financial instruments which potentially subject the Firm to a concentration of credit risk consist principally of cash and cash equivalents. Cash and cash equivalents balances are exposed to credit risk since the Firm periodically maintains balances more than federally insured limits. The Firm does not believe it is exposed to any significant credit risk on these deposits.

During the year ended December 31, 2019, the Firm generated revenues from one customer comprising 36.8 percent of total revenues.

Leases—The Firm leases office space and certain equipment. The office lease expired April 30, 2019 and is currently on a month to month basis. The remaining terms on the lease on the office equipment are such that the lease does not result in a material asset and liability amount when applying the provisions of ASC 842.

Prior to the application of the reimbursements described in Note 12, the gross lease expense was \$70,063.24 for the year ended December 31, 2019.

**NOTE 14: CONTINGENCIES AND GUARANTEES**

The Firm has no commitments, contingencies or guarantees that may result in a loss or future obligation for the year ending December 31, 2019.

There are no claims that we are aware of that the firm may be asserted against Allen C. Ewing & Co.
