**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Stockholders' and Board of Directors of CPS Financial & Insurance Services, Inc.

**Opinion on the Financial Statements**

I have audited the accompanying statement of financial condition of CPS Financial & Insurance Services, Inc. as of March 31, 2020, the related statements of income, changes in shareholders' equity, and cash flows for the year then ended, and the related notes (collectively referred to as the financial statements). In my opinion, the financial statements present fairly, in all material respects, the financial position of CPS Financial & Insurance Services, Inc. as of March 31, 2020, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

These financial statements are the responsibility of CPS Financial & Insurance Services, Inc.'s management. My responsibility is to express an opinion on CPS Financial & Insurance Services, Inc.'s financial statements based on my audit. I am a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and am required to be independent with respect to CPS Financial & Insurance Services, Inc. in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

I conducted my audit in accordance with the standards of the PCAOB. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. My audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. My audit also included evaluating the accounting principles used and significant estimates made by management, as evaluating the overall presentation of the financial statements. I believe that my audit provides a reasonable basis for my opinion.

**Auditor's Report on Supplemental Information**

The information contained in Schedule I, II, and III ("Supplemental Information") has been subjected to audit procedures performed in conjunction with the audit of the CPS Financial & Insurance Services, Inc.'s financial statements. The Supplemental Information is the responsibility of the CPS Financial & Insurance Services, Inc.'s management. My audit procedures included determining whether the Supplemental Information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the Supplemental Information. In forming my opinion on the Supplemental Information, I evaluated whether the Supplemental Information, including its form and content is presented in conformity with 17 C.F.R. § 240.17a-5. In my opinion, Schedules I, II, and III are fairly stated, in all material respects, in relation to the financial statements taken as a whole.

Brian W. Anson, CPA

I have served as CPS Financial & Insurance Services, Inc.'s auditor since 2016.

**Notes to Financial Statements**  
**March 31, 2020**

**Note 1 - Organization and Nature of Business**

CPS Financial & Insurance Services, Inc. (the Company), a wholly owned subsidiary of Andrew A. Holden Family Trust, is a wholesaler of variable insurance products to other Financial Industry Regulatory Agency (“FINRA”) member broker/dealers registered with the Securities and Exchange Commission under SEC Rule 15c3-3(a)(2)(vi). The Company was incorporated in the state of California on April 1, 1996 under the name CPS Financial Services, Inc. On October 9, 1997, the Company changed its name to CPS Financial & Insurance Services, Inc.

On May 21, 1997 the Company was approved for membership by the National Association of Securities Dealers subject to the execution of the restriction agreement. The NASD and NYSE Member Regulation consolidated in 2007 to form FINRA. The Company will only act as a wholesaler of variable insurance products to other FINRA Regulation member broker/dealers. The Company does not hold customers' funds or securities. As a result, the Company is exempt from certain provisions and requirements of the Securities Exchange Commission. On May 11, 2009, CPS Insurance Services, the parent company sold the Company to Andrew A. Holden Family Trust.

**Cash and Cash Equivalents**

The Company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

**Note 2 - ASC 606 Revenue Recognition**

Revenue is measured based on a consideration specified in a contract with a customer and excludes any sales incentives and amounts collected on behalf of third parties. The Company recognizes revenue when it satisfies a performance obligation by transferring control over a product or service to a customer.

Taxes and regulatory fees assessed by a government authority or agency that are both imposed on and concurrent with a specified revenue-producing transaction that are collected by the Company from a customer, are excluded from revenue.

The following is a description of activities – separated by reportable segments, per FINRA Form “Supplemental Statement of Income (SSOI)”; from which the Company generates its revenue. For more detailed information about reportable segments, see below.

Revenue from sale of Insurance Based Products includes revenue from any variable annuity or variable life product that contains an insurance and security component.

Net Gains or Losses on Principal Trades includes all realized and unrealized gains and losses from proprietary trading and market making activities and net gains or losses from “riskless” principal transactions.

**CPS Financial & Insurance Services, Inc.**  
**Notes to Financial Statements**  
**March 31, 2020**

**Note 2 – ASC 606 Revenue Recognition (continued)**

Due to the nature of the Company’s business, changes in receivables, contract assets and contract liabilities with customers due to revenue recognized from performance obligations satisfied in previous periods were immaterial.

**Note 3 – Fair Value**

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.
- Level 2 inputs are inputs (other than quoted prices included within level 1) that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the asset or liability and rely on management’s own assumptions about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs should be developed based on the best information available in the circumstances and may include the Company’s own data.)

The following table presents the Company’s fair value hierarchy for those assets and liabilities measured at fair value on a recurring basis as of March 31, 2020.

**Fair Value Measurements on a Recurring Basis**  
**As of March 31, 2020**

	Level 1	Level 2	Level 3
<b>Securities at Market Value</b>	<u>\$534,009</u>	<u>\$ 0</u>	<u>\$ 0</u>
<b>Total</b>	<u>\$534,009</u>	<u>\$ 0</u>	<u>\$ 0</u>

**CPS Financial & Insurance Services, Inc.**  
**Notes to Financial Statements**  
**March 31, 2020**

**Note 4 – Related Party**

The Company paid overhead (rent, utilities, supplies and telephone) to a company with a related party. For year ended March 31, 2020, the Company paid \$12,122 for these expenses. Company paid \$100,000 to related party for website development and marketing.

In February 2016, the FASB issued ASU 2016-02 on Leases. Under the new guidance lessees are required to recognize a lease liability and a right-to-use asset for all leases at the commencement date, with the exception of short-term leases. ASU 2016-02 is effective for annual and interim periods beginning after December 15, 2018 and early adoption is permitted. The Company is not subject to this requirement inasmuch as it has a sublease agreement with its Parent.

**Note 5 – Net Capital Requirements**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 5c3-1) which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Net capital and aggregate indebtedness change day by day, but on March 31, 2020, the Company had net capital of \$518,496 which was \$513,496 in excess of its required net capital requirement of \$5,000. The Company's percentage of aggregate indebtedness, \$12,696 to net capital was 2.45%.

**Note 6 – Provision for Income Taxes**

Income taxes are provided based on earnings reported for financial statement purposes. In accordance with FASB ASC 740, the asset and liability method requires the recognition of deferred tax liabilities and assets for the expected future tax consequences of temporary differences between tax basis and financial reporting basis of assets and liabilities. At March 31, 2020 there exists a federal and state of California net operating loss carryforward of \$155,000 and \$195,000 respectively which is set to expire March 31, 2033. Income tax expense for fiscal year ending March 31, 2020 is \$800.

The Company is subject to audit by the taxing agencies for years ending March 31, 2017, 2018 and 2019.

**Note 7 – SIPC**

The Company is not a member of the Securities Investor Protection Corporation (SIPC).

**CPS Financial & Insurance Services, Inc.**  
**Notes to Financial Statements**  
**March 31, 2020**

**Note 8 – Subsequent Events**

Management has reviewed the results of operations for the period of time from its year end March 31, 2020 through May 5, 2020, the date the financial statements were available to be issued, and has determined that no adjustments are necessary to the amounts reported in the accompanying financial statements nor have any subsequent events occurred, the nature of which would require disclosure.

The Company's operations may be affected by the recent and ongoing outbreak of the coronavirus disease (COVID-19) which was declared a pandemic by the World Health Organization in March 2020. The ultimate disruption which may be caused by the outbreak is uncertain; however, possible effects may include, but are not limited to, disruption to the Company's customers and revenue, absenteeism in the Company's or subcontractors labor workforce and the unavailability of products and supplies used in operations.

The duration of any disruption and its related financial impact cannot be reasonably estimated at this time but may affect our ability to operate our business. The extent to which the coronavirus pandemic may impact our operating results, financial condition, and cash flows will depend on future developments, which are highly uncertain and cannot be predicted, including new information that may emerge concerning the severity of the coronavirus and steps taken to contain the coronavirus or treat its impact, among others.

## Assertions Regarding Exemption Provisions

We, as directors of management of CPS Financial & Insurance Services, Inc. ("the Company"), are responsible for compliance with the annual reporting requirements under Rule 17a-5 of the Securities Exchange Act of 1934. Those requirements compel a broker or dealer to file annual reports with the Securities Exchange Commission (SEC) and the broker or dealer's designated examining authority (DEA). One of the reports to be included in the annual filing is an exemption report prepared by an independent public accountant based upon a review of assertions provided by the broker or dealer. Pursuant to that requirement, the management of the Company hereby makes the following assertions:

### Identified Exemption Provision:

The Company claims exemption from the custody and reserve provisions of Rule 15c3-3 by operating under the exemption provided by Rule 15c3-3, Paragraph (k)(2)(i).

### Statement Regarding Meeting Exemption Provision:

The Company met the identified exemption provision without exception throughout the period ending April 1, 2019 through March 31, 2020.

**REPORT OF INDEPENDENT REGISTERED PUBLIC  
ACCOUNTING FIRM**

Board of Directors

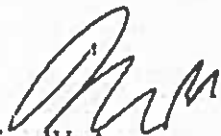

CPS Financial & Insurance Services, Inc.

Newport Beach, California

I have reviewed management's statements, included in the accompanying Exemption Report in which (1) CPS Financial & Insurance Services, Inc., identified the following provisions of 17 C.F.R. §15c3-3(k) under which CPS Financial & Insurance Services, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(i) (the "exemption provision") and (2) CPS Financial & Insurance Services, Inc., stated that CPS Financial & Insurance Services, Inc., met the identified exemption provision throughout the most recent fiscal year without exception CPS Financial & Insurance Services, Inc.'s management is responsible for compliance with the exemption provision and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly, included inquiries and other required procedures to obtain evidence about CPS Financial & Insurance Services, Inc.'s compliance with the exemption provision. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM ON APPLYING  
AGREED-UPON PROCEDURES RELATED TO AN ENTITY'S CLAIM FOR EXCLUSION FROM  
MEMBERSHIP IN SIPC

To the Board of Directors of CPS Financial & Insurance Services, Inc.

In accordance with Rule 17a-5(e)(4) of the Securities and Exchange Commission Act of 1934 and with the SIPC Series 600 Rules, I have performed the procedures enumerated below with respect to the accompanying Schedule of Form SIPC-3 Revenues of CPS Financial & Insurance Services, Inc. for the year ended March 31, 2020, which were agreed to by CPS Financial & Insurance Services, Inc. and the Securities Investor Protection Corporation (SIPC), solely to assist you and SIPC in evaluating CPS Financial & Insurance Services, Inc.'s compliance with the exclusion requirements from membership in SIPC under section 78ccc(a)(2)(A) of the Securities Investor Protection Act of 1970 during the year ended March 31, 2020 as noted on the accompanying Certification of Exclusion from Membership (Form SIPC-3). CPS Financial & Insurance Services, Inc.'s management is responsible for CPS Financial & Insurance Services, Inc.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the Public Company Accounting Oversight Board (United States). The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures I performed and my findings are as follows:

- 1) Compared the Total amount included in the accompanying Schedule of Form SIPC-3 Revenues prepared by CPS Financial & Insurance Services, Inc. for the year ended March 31, 2020 to the total revenues in CPS Financial & Insurance Services, Inc.'s audited financial statements included on Annual Audited Report Form X-17A-5 Part III for the year ended March 31, 2020, noting no differences;
- 2) Compared the amount in each revenue classification reported in the Schedule of Form SIPC-3 Revenues prepared by CPS Financial & Insurance Services, Inc. for the year ended March 31, 2020 to supporting schedules and workpapers, noting no differences;
- 3) Recalculated the arithmetical accuracy of the Total Revenues amount reflected in the Schedule of Form SIPC-3 Revenues prepared by CPS Financial & Insurance Services, Inc. for the year ended March 31, 2020 and in the related schedules and workpapers, noting no differences.

I was not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on CPS Financial & Insurance Services, Inc.'s claim for exclusion from membership in SIPC. Accordingly, I do not express such an opinion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
