Notes To Financial Statements  
December 31, 2020

**1 Organization and Nature of Business Operations**

Burpee Del Simone Capital Markets LLC (the Company) was organized on October 24, 2016 under the laws of the State of Massachusetts. The Company engages in the business of selling mutual funds, insurance products and other securities on a commission basis. The Company is a broker-dealer registered with the SEC and is a member of the Financial Industry Regulatory Authority - FINRA, and the Securities Investor Protection Corporation-SIPC.

The Company holds no customer funds or securities and does not participate in the underwriting of Securities. Accordingly, the Company claims exemption from the requirements of Rule 15c3-3 under Section (K)(2)(ii) of the rule.

**2 Significant Accounting Policies**

*(a) Basis of Presentation*

The financial statements and accompanying notes are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") unless otherwise disclosed.

*(b) Use of Estimates*

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

*(c) Statement of Cash Flows*

For purposes of the statement of cash flows, the Company has defined cash equivalents as highly liquid investments, with original maturities of less than three months that are not held for sale in the ordinary course of business. The company has adopted the indirect method of presenting the statement of cash flows in accordance with current authoritative pronouncements. There were no cash equivalents at December 31, 2020. Company's cash is held at a financial institution and is insured by Federal Deposit Insurance Corporation.

*(d) Revenue Recognition*

The Company recognizes revenue from commissions and other sources in the period they are received. Revenue is recognized in accordance with ASC Topic 606 as services are rendered and the contracts identified performance obligations have been satisfied. There were no unsatisfied performance obligations at December 31, 2020.

**Burpee Del Simone Capital Markets LLC**  
Notes To Financial Statements  
December 31, 2020

(e) Income Taxes

The Company is a single member limited liability company and is treated as a disregarded entity for federal and state income tax purposes. Accordingly, there is no provision for federal & state income taxes as the net income or loss of the Company is included in the consolidated income tax return of The Company's Sole Member. Certain transactions of the Company may be subject to accounting methods for federal and state income tax purposes which differ significantly from the accounting methods used in preparing the financial statements. Accordingly, the net income or loss of the Company and the resulting balances in the members' capital account reported for federal and state income tax purposes may differ from the balances reported for those same items in these financial statements. In the event of an examination of the Company's consolidated tax return, the tax liability of the member could be changed if an adjustment in the Company's income or loss is ultimately determined by the taxing authorities.

The Company recognizes and measures its unrecognized tax benefits in accordance with ASC Topic 740, Income Taxes. Under that guidance the Company assesses the likelihood, based on their technical merit, that tax positions will be sustained upon examination based on the facts, circumstances and information available at the end of the financial reporting period. The measurement of unrecognized tax benefits is adjusted when new information is available, or when an event occurs that requires a change.

Management has determined that there are no uncertain tax positions which require adjustment or disclosure on the financial statements at December 31, 2020 and there are no open tax years subsequent to 2016. In addition, no income tax related penalties or interest have been recorded for the year ended December 31, 2020.

*(f) Advertising and Marketing*

Advertising and marketing costs (if any) are expensed as incurred

*(g) General and Administrative Expenses*

General and administrative costs are expensed as incurred.

**Burpee Del Simone Capital Markets LLC**  
Notes to Financial Statements  
December 31, 2020

*(h) Fair Value Measurements*

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

- Level 1.* Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company has the ability to access at the measurement date.
- Level 2.* Inputs other than quoted prices included in level 1 that are observable for the assets or liability either directly or indirectly.
- Level 3.* Inputs are unobservable for the assets or liability.

The availability of observable inputs can vary from security to security and is affected by a wide variety of factors, including, for example, the type of security, the liquidity of markets, and other characteristics particular to the security. To the extent the valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Accordingly, the degree of judgment exercised in determining the fair value is greatest for instruments categorized in level 3.

The inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy within which the fair value measurement falls in its entirety is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

For further discussion of fair value, see “Note 5 Fair Value”

### **3 Net Capital Requirements**

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). The Company has elected to operate under that portion of the rule which requires that the Company maintain “net capital” equal to the greater of \$5,000 or 6 2/3% of aggregate indebtedness, as those terms are defined in the rule. At December 31, 2020, the Company had net capital of \$60,907, which was \$55,907 in excess of its required minimum net capital of \$5,000. The Company's net capital ratio was 11%.

**Burpee Del Simone Capital Markets LLC**  
Notes to Financial Statements  
December 31, 2020

**3 Net Capital Requirements - *continued***

Advances to affiliates, contributions, distributions and other withdrawals are subject to certain notification and other requirements of Rule 15c3-1 and other regulatory rules.

The Company is registered with FINRA as a Broker Dealer exempt from SEC Rule 15c3-3 under Section (k)(2)(ii). Therefore it is not subject to possession or control requirements under SEC Rule 15c3-3 and not required to compute 15c3-3 reserve requirements.

**4 Concentrations and Economic Dependency**

The Company's revenues are related to commissions and other fees as discussed in Note 2 above. There is no assurance of future revenues from these arrangements.

The Company maintains its cash in bank and financial institutions deposits that at times may exceed federally insured limits. The Company has not experienced any losses in such accounts through December 31, 2020. As of December 31, 2020, there were no cash or cash equivalent balances held in any accounts that were not fully insured.

**5 Fair Value**

Cash, accounts payable and other current liabilities are reflected in the financial statements at carrying value which approximates fair value because of the short-term maturity of these instruments.

|                  | <u>Level 1</u>    |
|------------------|-------------------|
| Assets           |                   |
| Cash             | \$ <u>17,977</u>  |
| Liabilities      |                   |
| Accrued expenses | \$ <u>(6,400)</u> |

**6 Commitments and Contingencies**

Pursuant to Securities and Exchange Commission Rule 15c3-1(e)(2) the Company may not authorize distributions to its member if such distributions cause the Company's net capital to fall below 120% of the Company's minimum net capital requirement. As of December 31, 2020 the Company was not in violation of this requirement.

The Company had no lease or equipment rental commitments, no underwriting commitments, no contingent liabilities, and had not been named as a defendant in any lawsuit at December 31, 2020 or during the year then ended.

**Burpee Del Simone Capital Markets LLC**  
Notes to Financial Statements  
December 31, 2020

**7 Related Party Transactions**

The Company is wholly owned by its parent company Burpee Del Simone LLC (the "Parent"). The Company has an expense sharing agreement with the parent company in which the Parent provides all management and operating services. These include, but are not limited to rent, office expense, insurance, professional services, travel and marketing.

Amounts owed to the parent at December 31, 2020 totaled \$4,800.

**8 Anti-Money Laundering Policies and Procedures**

The Company is required to implement policies and procedures relating to anti-money laundering, compliance, suspicious activities, and currency transaction reporting and due diligence on customers who open accounts with the Company. At December 31, 2020 the Company had implemented such policies and procedures.

**9 Subsequent Events**

The Company has performed an evaluation of events that have occurred subsequent to December 31, 2018 and through February 4, 2021, the date the financial statements were available to be issued. There have been no material subsequent events that occurred during such period that would require disclosure in this report or would be required to be recognized in the financial statements as of December 31, 2020.

**10 COVID 19**

In March 2020, the World Health Organization (WHO) declared COVID-19 a global pandemic. This pandemic event has resulted in significant business disruption and uncertainty in both global and U.S. markets. While management believes the Company is in an appropriate position to weather the potential short-term effects of these world-wide events, the direct and long-term impact to the Company and its financial statements is undetermined at this time.

**Burpee Del Simone Capital Markets LLC**

I have reviewed management's statements, included in the accompanying Exemption Statement, in which (1) Burpee Del Simone Capital Markets LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which Burpee Del Simone Capital Markets LLC claimed an exemption from 17 C.F.R. §240.15c3-3: under—k(2)(ii), (the "exemption provisions") and (2) Burpee Del Simone Capital Markets LLC stated that Burpee Del Simone Capital Markets LLC met the identified exemption provisions throughout the most recent fiscal year without exception. Burpee Del Simone Capital Markets LLC management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Burpee Del Simone Capital Markets LLC compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
