## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Shareholders  
of U.S. Investors, Inc.

### Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of U.S. Investors, Inc., as of December 31, 2020, and the related statements of income, changes in stockholders' equity, and cash flows for the year ended December 31, 2020 and the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of U.S. Investors, Inc. as of December 31, 2020, and the results of its operations and its cash flows for the year ended December 31, 2020 in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

These financial statements are the responsibility of U.S. Investors, Inc.'s management. Our responsibility is to express an opinion on U.S. Investors, Inc.'s financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to U.S. Investors, Inc. in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

### Supplemental Information

The computation of net capital, computation of basic net capital requirements, and computation of aggregate indebtedness pursuant rule 15c3-1 has been subjected to audit procedures performed in conjunction with the audit of U.S. Investors, Inc.'s financial statements. The supplemental information is the responsibility of U.S. Investors, Inc.'s management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the computation of net capital, basic net capital requirements, and aggregate indebtedness under rule 15c3-1 is fairly stated, in all material respects, in relation to the financial statements as a whole.

**U.S. INVESTORS, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2020**

---

**NOTE 1 – ORGANIZATION**

U.S. Investors, Inc. (Company) is a securities broker-dealer registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA).

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The accounting and reporting policies of the Company are in accordance with accounting principles generally accepted in the United States of America and conform to general practices within the brokerage industry.

**Revenue Recognition** – Securities transactions and related commissions are recorded on a trade date basis.

**Use of Estimates** – The preparation of financial statements in conformity with general accepted accounting principles requires management to make estimates and assumptions. This will affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reported period. Actual results could differ from these estimates.

**Cash and Cash Equivalents** – Cash and cash equivalents consisted of cash on deposit with established federally insured financial institutions. For purposes of the statement of cash flows, the Company considers all highly liquid instruments with original maturities of three months or less to be cash equivalents.

**NOTE 3 - INCOME TAXES**

The Company has elected to file income tax returns as a subchapter S Corporation as defined in the Internal Revenue Code. Generally, an S Corporation is not subject to income taxes but rather, items of income, loss, deduction and credit pass through to stockholders in determining their individual income tax liability.

The Company complies with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 740, Income Taxes which require an asset and liability approach to financial accounting and reporting for income taxes. Deferred income tax assets and liabilities are computed for differences between the financial statement and tax basis of assets and liabilities that will result in taxable or deductible amounts in the future based on the enacted tax laws and rates applicable to the periods in which the differences are expected to affect taxable income. Valuation allowances are established, when necessary, to reduce the deferred income tax assets to the amount expected to be realized.

ASC 740 provides guidance for how uncertain tax positions should be recognized, measured, presented and disclosed in the financial statements. ASC 740 requires the evaluation of tax positions taken or expected to be taken in the course of preparing the Company's tax returns to determine whether the tax positions are "more-likely-than-not" of being sustained by the applicable tax authority. Tax positions not deemed to meet the more-likely-than-not threshold would be recorded as tax benefit or expense in the current year. In general, the prior three year's tax returns filed with various taxing agencies are open to examination.

**U.S. INVESTORS, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2020**

---

**NOTE 4 - NET CAPITAL REQUIREMENTS**

As a broker-dealer, the Company is subject to the net capital rule adopted and administered by the Financial Industry Regulatory Authority and the Securities and Exchange Commission. This rule is designed to require a broker-dealer to maintain a minimum amount of net capital, as defined, and a minimum ratio of aggregate indebtedness, as defined, to net capital. Under this rule, the ratio of aggregate indebtedness to net capital cannot exceed 15 to 1. The Company's aggregate indebtedness to net capital as of December 31, 2020, was .55 to 1 and the Company had net capital of \$19,152 which was \$14,152 in excess of its required net capital of \$5,000.

**NOTE 5 - OTHER REGULATORY REQUIREMENTS**

The firm limits its business activities to the purchase, sale and redemption of shares of registered investment companies. Securities of customers were not accepted for safekeeping. The company does not routinely accept customer's funds and any funds sent to the company, which consisted solely of checks payable to registered investment companies, were promptly remitted. The company is therefore exempt from the customer reserve requirements of SEC rule 15c3-3 under section (k)(1).

**NOTE 6 - RELATED PARTY TRANSACTIONS**

The Company shares office space with Butler Financial, Inc. (BFI) and other businesses also owned by Dixie Butler who is also the sole owner of the Company. BFI provides almost all of the office expenses and services for the Company, including rent, telephone, equipment and supplies. The Company does not reimburse BFI because management believes its proportional share of the expenses is not material.

The Company has an agreement with its sole registered representative, who is also the sole shareholder of BFI, whereby the Company receives an annual fee from the representative. The amount is determined annually. For the year ended December 31, 2020 the fee received was \$17,000 and is included in other income.

At December 31, 2020 there were no amounts due to or from the Company and its related parties.

**NOTE 7 - SUBSEQUENT EVENTS**

Management has evaluated subsequent events through March 9, 2021, the date on which the financial statements were available to be issued. No events have occurred since the balance sheet date that would have material impact on the financial statements.

**NOTE 8 - STATEMENT RELATING TO REQUIREMENT OF RULE 17a-5(d)(4)**

There were no differences existing between the computations of net capital under rule 15c3-1 in this report and such computations in the respondent's most recent unaudited filing.

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Board of Directors  
of U.S. Investors, Inc.

We have reviewed management's statements, included in the accompanying Exemption Report Rule 17a-5(d)(4), in which (1) U.S. Investors, Inc. identified the following provisions of 17 C.F.R. §15c3-3(k) under which U.S. Investors, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3: (1) (the "exemption provisions") and (2) U.S. Investors, Inc. stated that U.S. Investors, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. U.S. Investors, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about U.S. Investors, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(1) of Rule 15c3-3 under the Securities Exchange Act of 1934.
