REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Member and Board of Directors of
Wescom Financial Services, LLC
Pasadena, California

Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of Wescom Financial Services, LLC (the "Company") as of December 31, 2020, and the related notes (collectively referred to as the "financial statement"). In our opinion, the financial statement presents fairly, in all material respects, the financial position of the Company as of December 31, 2020, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statement. We believe that our audit of the financial statement provides a reasonable basis for our opinion.

WESCOM FINANCIAL SERVICES, LLC
NOTES TO FINANCIAL STATEMENT
December 31, 2020

NOTE 1 – NATURE OF BUSINESS AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Business: Wescom Financial Services, LLC (“Company”) is a broker-dealer registered with the Securities and Exchange Commission and is a member of Financial Industry Reporting Authority, Inc. (“FINRA”). The Company was formed as a limited liability company on March 15, 2001. Its principal source of income is derived from commission revenues. The Company is a wholly owned subsidiary of Wescom Central Credit Union (“the Parent”). The Parent is the sole member of the limited liability company and as such, the member’s liability is limited to its capital investment. The Company was established primarily to provide brokerage services to members of the Parent.

The Company received approval from the National Association of Securities Dealers, Inc., predecessor to the FINRA, to operate as a registered broker-dealer on February 7, 2004.

The Company operates under the provisions of paragraph (k)(2)(ii) of Rule 15c3-3 of the Securities and Exchange Commission and accordingly, is exempt from the remaining provisions of that Rule. Essentially the requirements of paragraph (k)(2)(ii) provide that the Company clear all transactions on behalf of customers on a fully disclosed basis with a clearing broker-dealer, and promptly transmit all customer funds and securities to the clearing broker-dealer. The clearing broker-dealer carries all of the accounts of the customer and maintains and preserves all related books and records as are customarily kept by a clearing broker-dealer.

Basis of Presentation: The accompanying financial statement of the Company have been prepared in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”) and in the format prescribed by Rule 17a-5 under the Securities Exchange Act of 1934 for brokers and dealers in securities.

Use of Estimates: The preparation of financial statement in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statement. Actual results could differ from those estimates.

Cash and Cash Equivalents: Cash and cash equivalents consist of non-term share deposits in Wescom Credit Union and Pershing LLC. At December 31, 2020, the Company had \$5,048,408 on deposit at Wescom Credit Union. The balances at Wescom Credit Union are insured by the National Credit Union Share Insurance Fund up to \$250,000. At December 31, 2020, the Company had \$2,026,995 on deposit at Pershing LLC. The balances at Pershing LLC are protected by the Securities Investor Protection Corporation (SIPC) up to \$500,000.

Accounts Receivable: Accounts receivable consists primarily of commission receivable which represents commissions due to the Company for the sale of financial and insurance products.

WESCOM FINANCIAL SERVICES, LLC
NOTES TO FINANCIAL STATEMENT
December 31, 2020

NOTE 1 – NATURE OF BUSINESS AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes: Wescom Financial Services, LLC is a single member limited liability company and as such is not subject to federal and state income tax. The Company is, however, subject to state taxes on gross receipts.

A tax position is recognized as a benefit only if it is “more likely than not” that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the “more likely than not” test, no tax benefit is recorded.

The Company is subject to tax examination for U.S. federal income tax as well as income tax of the state of California. The Company is no longer subject to examination by taxing authorities for years before 2016.

Loss Contingencies: Loss contingencies, including claims, regulatory and legal actions arising in the ordinary course of business, are recorded as liabilities when the likelihood of loss is probable and an amount or range of loss can be reasonably estimated. Management does not believe there now are such matters that will have a material effect on the financial statement.

Indemnification Obligation: In the normal course of its business, the Company indemnifies and guarantees certain service providers, such as clearing and custody agents, trustees and administrators, against specified potential losses in connection with their acting as an agent of, or providing services to, the Company or its affiliates. The Company also indemnifies some clients against potential losses incurred in the event specified third-party service providers, including sub custodians and third-party brokers, improperly execute transactions. The maximum potential amount of future payments that the Company could be required to make under these indemnifications cannot be estimated. However, the Company believes that it is unlikely it will have to make material payments under these arrangements and has not recorded any contingent liability in the financial statement for these indemnifications.

Measurement of Credit Losses: On January 1, 2020, the Company adopted ASU 2016-13 Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments, which replaces the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss (CECL) methodology. The adoption did not have a significant impact on the Company’s financial statements. A broker-dealer’s estimate of expected credit losses should consider the expected risk of credit loss even if that risk is remote, regardless of the method applied to estimate credit losses. A broker-dealer, however, is not required to measure expected credit losses on a financial asset (or group of financial assets) in which historical credit loss information adjusted for current conditions and reasonable and supportable forecasts results in an expectation that nonpayment of the amortized cost basis is remote.

Accounts Receivable: These amounts consist of a \$629,215 receivable from customers. In consideration of the historical loss-rate of zero since inception for this asset class, while considering other current and future economic conditions the Company assessed the risk of default from the customers to be virtually non-existent and considers any resultant allowance to be not material to the users of these financial statements. The Company will continue to evaluate the appropriateness of a credit loss allowance on this receivable as facts and circumstances may evolve.

NOTE 2 – EMPLOYEE BENEFIT PLANS

The Company participates in Wescom Credit Union’s 401(k) pension plan that allows employees to defer a portion of their salary into the 401(k) plan. The Company matches a portion of employees’ wage reductions. There were no amounts accrued for payments under the plan as of December 31, 2020.

WESCOM FINANCIAL SERVICES, LLC
NOTES TO FINANCIAL STATEMENT
December 31, 2020

NOTE 3 – NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital. The Company computes net capital requirements under the aggregate indebtedness method, which requires firms to maintain net capital, as defined, of not less than 6.67 percent of aggregate indebtedness, also as defined. At December 31, 2020, the Company had net capital of \$1,796,580, which was \$1,718,024 in excess of its required net capital of \$78,556. At December 31, 2020, the Company's aggregate indebtedness to net capital ratio was 0.66 to 1.

NOTE 4 – RULE 15c3-3 EXEMPTION

The Company is exempt from the provisions of Rule 15c3-3 (pursuant to paragraph (k) (2) (ii) of such Rule) under the Securities Exchange Act of 1934 as an introducing broker or dealer that carries no customers' accounts, promptly transmits any customer funds and customer securities to the clearing broker or dealer, and does not otherwise hold funds or securities of customers. Operating under such exemption, the Company is not required to prepare a determination of reserve requirements and the Company is not subject to the provisions of Rule 15c3-3 pertaining to the possession or control requirements for brokers or dealers under Rule 15c3-3.

NOTE 5 - RELATED-PARTY TRANSACTIONS

The Company has an intercompany arrangement for which the Parent pays certain direct expenses on behalf of the Company and the Company reimburses the Parent for the direct expenses paid. At December 31, 2020, the Company has payable to the Parent of \$134,217, which is included in Accounts Payable and other liabilities of the Statement of Financial Condition..

The Company is a single member limited liability company and, although not subject to federal and state income tax, generates unrelated business taxable income for its tax-exempt parent entity, Wescom Credit Union. The Company estimates its unrelated business income tax ("UBIT") expense annually, which it records as a payable to the parent entity. As such, the Company records \$1,855 UBIT payable in the Accounts payable and other liabilities line item of the Statement of Financial Condition as of December 31, 2020.
